Item 3. Source and Amount of Funds or Other Consideration.

On July 12, 2010, the Reporting Person entered into that certain Securities Purchase Agreement (the "July 2010 Purchase Agreement"), by and among the Company, the Reporting Person and the additional purchasers named therein. Pursuant to the July 2010 Purchase Agreement, among other things, the Reporting Person purchased aggregate of (i) 10,052 shares of Series C Convertible Preferred Stock (the "Series C Preferred Stock") and (ii) a warrant to purchase 1,005,205 shares of the Company's Common Stock (the "Conversion Warrant"). The Series C Preferred Stock is convertible into an aggregate of 1,005,205 shares of Common Stock. The funds to purchase the above securities were obtained by converting the Company's promissory note in the principal amount of \$500,000, plus accrued interest, as described in the following paragraph.

On June 10, 2010, the Company completed a private placement of \$1,700,000 of subordinated notes (the "June 2010 Private Placement") pursuant to that certain Note Purchase Agreement, dated as of June 4, 2010, a copy of which is annexed hereto as Exhibit 6, and is incorporated herein by reference (the "Note Purchase Agreement"), whereby the Reporting Person purchased a note in the principal amount of \$500,000. This note was purchased with personal funds of the Reporting Person.

Item 4. Purpose of Transaction.

The Reporting Person acquired the securities referenced in Item 3 above solely for the purpose of investment. The investment is subject to the terms of the July 2010 Purchase Agreement, the Certificate of Designations for the Series C Preferred Stock (the "Certificate of Designations"), the Certificate of Correction to the Certificate of Designations (the "Certificate of Correction"), the Conversion Warrant and the Registration Rights Agreement, dated as of July 12, 2010, by and between the Company, the Reporting Person and the additional purchasers named therein (the "July 2010 Registration Rights Agreement"), which are attached as exhibits to the Company's Current Report on Form 8-K, as filed with the Securities and Exchange Commission on July 14, 2010, and are incorporated herein by reference.

As a part of the June 2010 Private Placement the Reporting Person was elected to the Board of Directors of the Company and the Company agreed not to increase the number of directors constituting the Board beyond nine until March 31, 2011. The Reporting Person was also named to a newly created committee of the Board of Directors (the "Financial Transactions Committee") which is responsible for pursuing equity financing in excess of \$3 million, and relationships with strategic partners and similar material fundamental transactions, including mergers and acquisitions ("Significant Transactions"). The committee will have the primary responsibility to pursue and evaluate all Significant Transactions, provided that all Significant Transactions will remain subject to approval by the full Board of Directors. The Company also agreed to engage for a period on not less than 30 days a financial consultant designated by the Reporting Person to advise the Company with respect to, and oversee, the Company's financial and accounting controls and procedures. In addition, pursuant to the June 2010 Private Placement, the Reporting Person entered into that certain Right of First Refusal Agreement, dated as of June 7, 2010, by and between the Company and the Reporting Person (the "ROFR"), a copy of which is annexed hereto as Exhibit 7, and is incorporated herein by reference, whereby, subject to the Board's determination in good faith of its fiduciary duties under law, the Reporting Person was granted a right of first refusal to match or exceed any Significant Transaction. The Reporting Person has a five (5) business day period in order to determine if he will exercise the ROFR. The ROFR expires the earlier of (i) a Deemed Rejection (as defined in the ROFR) or (ii) March 31, 2011.

The shares of Series C Preferred Stock held by the Reporting Person are initially convertible into an aggregate of 1,005,205 shares of Common Stock at a conversion price of \$0.50 per share. The Series C Preferred Stock has no dividend rights, votes on an as-converted basis with the Common Stock (less one share) and has a liquidation preference of \$50.00 per share, which is junior in preference only to the holders of the Company's Series A Preferred Stock. From the date of the July 2010 Purchase Agreement until March 31, 2011 (the "Participation Period"), the conversion price of the Series C Preferred Stock is subject to full-ratchet price protection in the event the Company issues or sells, or is deemed to have issued or sold, subject to certain standard exceptions, any shares of its Common Stock for consideration per share less than the conversion price of the Series C Preferred Stock then in effect. In addition, the number of shares of Common Stock into which the Series C Preferred Stock is convertible is subject to adjustment to reflect subdivisions or combinations of our Common Stock such as through stock splits, dividends, distributions and similar adjustments to the Company's capital stock.

During the Participation Period, the Reporting Person has a right of co-sale in the event the Company enters into an equity or equity-linked capital raising transaction with a third party in excess of \$3 million. In such an event, should such right of co-sale be accepted by the Reporting Person, he has the right to sell his shares of Series C Preferred Stock (the "Conversion Shares") to such third party and receive the following consideration; (i) during the ninety day period following the date of the Purchase Agreement (the "First Period") \$0.75 per Conversion Share; (ii) during the ninety day period following the First Period (the "Second Period") \$1.00 per Conversion Share; (iii) during the ninety day period following the Second Period (the "Third Period") \$1.25 per Conversion Share; and (iv) during the period following the Third Period until the expiration of the Participation Period (the "Final Period") \$1.50 per Conversion Share.

The Conversion Warrant issued pursuant to the terms of the July 2010 Purchase Agreement is exercisable for 1,005,205 shares of Common Stock, at an exercise price of \$0.50 per share (subject to adjustment). The Conversion Warrant vests 33% immediately and 33% on each of the first and second anniversaries of the date of grant. Each vested portion of the Conversion Warrant is exercisable for a 5-year period beginning on the date of vesting. Until March 31, 2011, the exercise price of the Conversion Warrant is subject to the same full-ratchet price protection and share adjustments as the Series C Preferred Stock. In addition, the number of shares of Common Stock subject to each Conversion Warrant is subject to adjustment to reflect subdivisions or combinations of the Company's Common Stock such as through stock splits, dividends, distributions and similar adjustments to the Company's capital stock.

The Reporting Person intends to review his investment in the Company from time to time. Subject to the limitations set forth herein and depending upon (i) the price and availability of the Common Stock, (ii) subsequent developments affecting the Company, (iii) the Company's business and prospects, (iv) other investment and business opportunities available to the Reporting Persons, (v) general stock market and economic conditions, (vi) tax considerations, and (vii) other factors deemed relevant, the Reporting Persons may decide to convert and/or exercise all or a portion of the shares of Series C Preferred Stock, the Conversion Warrant, or other warrants or stock options held by the Reporting Person and/or increase or decrease the size of his investment in the Company and/or make a proposal with respect to a recapitalization of the Company or similar transaction.

Except as described in this Schedule 13D, the Reporting Persons has no present plan or proposal which relates to, or could result in, any of the events referred to in paragraphs (a) through (j), inclusive, of Item 4 of Schedule 13D. However, the Reporting Persons will continue to review the business of the Company and, depending upon one or more of the factors referred to above, may in the future propose that the Company take one or more of such actions.

Item 5. Interest in Securities of the Issuer.

3.7 No Conflict. The execution, delivery and performance of this Agreement and the Notes by the Company and the consummation by the Company of the transactions contemplated hereby and thereby does not and will not (i) result in a violation of the Company’s certificate of incorporation (including, without limitation, any certificates of designations contained therein) or other organizational documents of the Company or any of its Subsidiaries, any capital stock of the Company, or the Company’s or any Subsidiaries Bylaws, (ii) conflict with, or constitute a default (or an event which with notice or lapse of time or both would become a default) under, or give to others any rights of termination, amendment, acceleration or cancellation of, any agreement, indenture or instrument to which the Company or any of its Subsidiaries is a party, or (iii) result in a violation of any law, rule, regulation, order, judgment or decree (including, without limitation, federal and state securities laws and regulations and the rules and regulations of FINRA, and including all applicable federal laws, rules and regulations) applicable to the Company or any of its Subsidiaries or by which any property or asset of the Company or any of its Subsidiaries is bound or affected except, in the case of clause (ii) or (iii) above, to the extent such violations do not or could not reasonably be expected to have a Material Adverse Effect.

3.9 No Integrated Offering. None of the Company, its Subsidiaries or any of their affiliates, nor any person or entity acting on their behalf has, directly or indirectly, made any offers or sales of any security or solicited any offers to buy any security, under circumstances that would cause the offer and sale of the Notes to require approval of stockholders of the Company under any applicable stockholder approval provisions, including, without limitation, under the rules and regulations of FINRA. None of the Company, its Subsidiaries, their affiliates nor any person or entity acting on their behalf have taken nor will they take any action or steps that would cause the offer and sale of any of the Notes to be integrated with other offerings of securities of the Company by the Company or any other person or entity. The offer and sale of the Notes is not and will not be integrated with other offerings of securities of the Company by the Company or any other person or entity.

3.10 Application of Takeover Protections. Other than the staggered board provisions contained in the Company's Certificate of Incorporation and power and authority to issue 'blank check' preferred stock, the Company and its board of directors (the "Board") have taken all necessary action, if any, in order to render inapplicable any control share acquisition, interested stockholder, business combination, poison pill (including, without limitation, any distribution under a rights agreement) or other similar anti-takeover provision under the Company's Certificate of Incorporation, Bylaws or other organizational documents or the laws of the jurisdiction of its incorporation or otherwise which is or could become applicable to any Purchaser as a result of the transactions contemplated by this Agreement.

During the two (2) years prior to the date hereof, the Company has timely filed all reports, schedules, forms, statements and other documents required to be filed by it with the SEC pursuant to the reporting requirements of the Securities Exchange Act of 1934, as amended (the "Exchange Act") (all of the foregoing filed prior to the date hereof and all exhibits included therein and financial statements, notes and schedules thereto and documents incorporated by reference therein being hereinafter referred to as the "SEC Documents"). As of their respective dates, the SEC Documents complied in all material respects with the requirements of the Exchange Act and the rules and regulations of the SEC promulgated thereunder applicable to the SEC Documents, and none of the SEC Documents, at the time they were filed with the SEC, contained any untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading. As of their respective dates, the financial statements of the Company included in the SEC Documents complied as to form in all material respects with applicable accounting requirements and the published rules and regulations of the SEC with respect thereto as in effect as of the time of filing. Such financial statements have been prepared in accordance with generally accepted accounting principles, consistently applied, during the periods involved (except (i) as may be otherwise indicated in such financial statements or the notes thereto, or (ii) in the case of unaudited interim statements, to the extent they may exclude footnotes or may be condensed or summary statements) and fairly present in all material respects the financial position of the Company and its Subsidiaries as of the dates thereof and the results of its operations and cash flows for the periods then ended (subject, in the case of unaudited statements, to normal year-end audit adjustments which will not be material, either individually or in the aggregate).

3.12 Absence of Certain Changes. Since the date of the Company's most recent audited financial statements contained in a Form 10-K, there has been no material adverse change and no material adverse development in the business, assets, liabilities, properties, operations (including results thereof), condition (financial or otherwise) or prospects (to the extent disclosed in the SEC Documents) of the Company or any of its Subsidiaries. Except as set forth in the SEC Documents, since the date of the Company's most recent audited financial statements contained in a Form 10-K, neither the Company nor any of its Subsidiaries has (i) declared or paid any dividends, (ii) sold any assets, individually or in the aggregate, outside of the ordinary course of business or (iii) made any material capital expenditures, individually or in the aggregate. Neither the Company nor any of its Subsidiaries has taken any steps to seek protection pursuant to any law or statute relating to bankruptcy, insolvency, reorganization, receivership, liquidation or winding up, nor does the Company or any Subsidiary have any actual knowledge or reason to believe that any of their respective creditors intend to initiate involuntary bankruptcy proceedings or any actual knowledge of any fact which would reasonably lead a creditor to do so. The Company and its Subsidiaries, individually and on a consolidated basis, are not as of the date hereof, and after giving effect to the transactions contemplated hereby to occur at the Closing will not be, Insolvent (as defined below). For purposes of this Section 3.12, "Insolvent" means, (a) with respect to the Company and its Subsidiaries, on a consolidated basis, (i) the Company and its Subsidiaries are unable to pay their debts and liabilities, subordinated, contingent or otherwise, as such debts and liabilities become absolute and matured or (ii) the Company and its Subsidiaries intend to incur or believe that they will incur debts that would be beyond their ability to pay as such debts mature; and (b) with respect to the Company and each Subsidiary, individually, (i) the Company or such Subsidiary (as the case may be) is unable to pay its respective debts and liabilities, subordinated, contingent or otherwise, as such debts and liabilities become absolute and matured or (ii) the Company or such Subsidiary (as the case may be) intends to incur or believes that it will incur debts that would be

beyond its respective ability to pay as such debts mature. Neither the Company nor any of its Subsidiaries has engaged in any business or in any transaction, and is not about to engage in any business or in any transaction, for which the Company's or such Subsidiary's remaining assets constitute unreasonably small capital.

3.13 No Undisclosed Events, Liabilities, Developments or Circumstances. No event, liability, development or circumstance has occurred or exists, or is reasonably expected to exist or occur with respect to the Company, any of its Subsidiaries or any of their respective businesses, properties, liabilities, prospects (to the extent disclosed in the SEC Documents), operations (including results thereof) or condition (financial or otherwise) that (i) would be required to be disclosed by the Company under applicable securities laws on a registration statement on Form S-1 filed with the SEC relating to an issuance and sale by the Company of its securities and which has not been publicly announced, (ii) could have a material adverse effect on any Purchaser's investment hereunder or (iii) could have a Material Adverse Effect.

3.14 Conduct of Business; Regulatory Permits. Neither the Company nor any of its Subsidiaries is in material violation of any term of or in material default under its Certificate of Incorporation, any certificate of designation, preferences or rights of any other outstanding series of preferred stock of the Company or any of its Subsidiaries or Bylaws or their organizational charter, certificate of formation or certificate of incorporation or bylaws, respectively. Neither the Company nor any of its Subsidiaries is in violation of any judgment, decree or order or any statute, ordinance, rule or regulation applicable to the Company or any of its Subsidiaries, and neither the Company nor any of its Subsidiaries will conduct its business in violation of any of the foregoing, except in all cases for possible violations which could not, individually or in the aggregate, have a Material Adverse Effect. The Company and each of its Subsidiaries possess all certificates, authorizations and permits issued by the appropriate regulatory authorities (including, without limitation, FINRA) necessary to conduct their respective businesses, except where the failure to possess such certificates, authorizations or permits would not have, individually or in the aggregate, a Material Adverse Effect, and neither the Company nor any such Subsidiary has received any notice of proceedings relating to the revocation or modification of any such certificate, authorization or permit, which if so initiated and adjudicated against the Company would be reasonably expected to have a Material Adverse Effect.

3.15 Foreign Corrupt Practices. Neither the Company nor any of its Subsidiaries nor any director, officer, agent, employee or other person or entity acting on behalf of the Company or any of its Subsidiaries has, in the course of its actions for, or on behalf of, the Company or any of its Subsidiaries (i) used any corporate funds for any unlawful contribution, gift, entertainment or other unlawful expenses relating to political activity; (ii) made any direct or indirect unlawful payment to any foreign or domestic government official or employee from corporate funds; (iii) violated or is in violation of any provision of the U.S. Foreign Corrupt Practices Act of 1977, as amended; or (iv) made any unlawful bribe, rebate, payoff, influence payment, kickback or other unlawful payment to any foreign or domestic government official or employee.

3.16 Sarbanes-Oxley Act. The Company and each Subsidiary is in compliance with all applicable requirements of the Sarbanes-Oxley Act of 2002 that are effective as of the date hereof, and all applicable rules and regulations promulgated by the SEC thereunder that are effective as of the date hereof.

3.17 Transactions With Affiliates. Except with respect to Purchasers hereunder that are principal shareholders, officers, directors or employees of the Company, none of the officers, directors or employees of the Company or any of its Subsidiaries is presently a party to any transaction with the Company or any of its Subsidiaries (other than for ordinary course services as employees, officers or directors), including any contract, agreement or other arrangement providing for the furnishing of services to or by, providing for rental of real or personal property to or from, or otherwise requiring payments to or from any such officer, director or employee or, to the knowledge of the Company or any of its Subsidiaries, any corporation, partnership, trust or other person or entity in which any such officer, director or employee has a substantial interest or is an employee, officer, director, trustee or partner.

3.18 Capitalization. The authorized and outstanding equity capitalization of the Company (including all options, warrants and other convertible or other securities of the Company or any Subsidiary) are as disclosed in the SEC Documents.

3.19 Absence of Litigation. There is no action, suit, proceeding, inquiry or investigation by any person or entity or before any Governmental Entity pending or, to the knowledge of the Company, threatened against or affecting the Company or any of its Subsidiaries or their respective officers or directors which is outside of the ordinary course of business or individually or in the aggregate has or would reasonable be expected to have a Material Adverse Effect. There has not been, and to the knowledge of the Company, there is not pending or contemplated, any investigation by the SEC or FINRA involving the Company, any of its Subsidiaries or any current or former director or officer of the Company or any of its Subsidiaries.

3.20 Insurance. The Company and each of its Subsidiaries are insured by insurers of recognized financial responsibility against such losses and risks and in such amounts as management of the Company believes to be prudent and customary in the businesses in which the Company and its Subsidiaries are engaged. Neither the Company nor any such Subsidiary has been refused any insurance coverage sought or applied for, and neither the Company nor any such Subsidiary has any reason to believe that it will be unable to renew its existing insurance coverage as and when such coverage expires or to obtain similar coverage from similar insurers as may be necessary to continue its business at a cost that would not have a Material Adverse Effect.

3.19 Subsidiary Rights. The Company or one of its Subsidiaries has the unrestricted right to vote, and (subject to limitations imposed by applicable law) to receive dividends and distributions on, all capital securities of its Subsidiaries as owned by the Company or such Subsidiary.

3.20 Tax Status. Each of the Company and its Subsidiaries (i) has timely made or filed all foreign, federal and state income and all other tax returns, reports and declarations required by any jurisdiction to which it is subject, (ii) has timely paid all taxes and other governmental assessments and charges that are material in amount, shown or determined to be due on such returns, reports and declarations, except those being contested in good faith and (iii) has set aside on its books provision reasonably adequate for the payment of all taxes for periods subsequent to the periods to which such returns, reports or declarations apply. There are no unpaid taxes in any material amount claimed to be due by the taxing authority of any jurisdiction, and the officers of the Company and its Subsidiaries know of no basis for any such claim.

3.21 Internal Accounting and Disclosure Controls. Each of the Company and its Subsidiaries maintains internal control over financial reporting (as such term is defined in Rule 13a-15(f) under the Exchange Act) that is effective to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles, including that (i) transactions are executed in accordance with management's general or specific authorizations, (ii) transactions are recorded as necessary to permit preparation of financial statements in conformity with generally accepted accounting principles and to maintain asset and liability accountability, (iii) access to assets or incurrence of liabilities is permitted only in accordance with management's general or specific authorization and (iv) the recorded accountability for assets and liabilities is compared with the existing assets and liabilities at reasonable intervals and appropriate action is taken with respect to any difference. The Company maintains disclosure controls and procedures (as such term is defined in Rule 13a-15(e) under the Exchange Act) that are effective in ensuring that information required to be disclosed by the Company in the reports that it files or submits under the Exchange Act is recorded, processed, summarized and reported, within the time periods specified in the rules and forms of the SEC, including, without limitation, controls and procedures designed to ensure that information required to be disclosed by the Company in the reports that it files or submits under the Exchange Act is accumulated and communicated to the Company's management, including its principal executive officer or officers and its principal financial officer or officers, as appropriate, to allow timely decisions regarding required disclosure. Neither the Company nor any of its Subsidiaries has received any notice or correspondence from any accountant or other person or entity relating to any potential material weakness or significant deficiency in any part of the internal controls over financial reporting of the Company or any of its Subsidiaries.

3.22 Off Balance Sheet Arrangements. There is no transaction, arrangement, or other relationship between the Company or any of its Subsidiaries and an unconsolidated or other off balance sheet entity that is required to be disclosed by the Company in its Exchange Act filings and is not so disclosed or that otherwise could be reasonably likely to have a Material Adverse Effect

3.23 Investment Company Status. The Company is not, and upon consummation of the sale of the Notes will not be, an “investment company,” an affiliate of an “investment company,” a company controlled by an “investment company” or an “affiliated person” of, or “promoter” or “principal underwriter” for, an “investment company” as such terms are defined in the Investment Company Act of 1940, as amended.

3.24 Money Laundering. The Company and its Subsidiaries are in compliance with, and have not previously violated, the USA Patriot Act of 2001 and all other applicable U.S. and non-U.S. anti-money laundering laws and regulations, including, but not limited to, the laws, regulations and Executive Orders and sanctions programs administered by the U.S. Office of Foreign Assets Control, including, but not limited, to (i) Executive Order 13224 of September 23, 2001 entitled, “Blocking Property and Prohibiting Transactions With Persons Who Commit, Threaten to Commit, or Support Terrorism” (66 Fed. Reg. 49079 (2001)); and (ii) any regulations contained in 31 CFR, Subtitle B, Chapter V.

4.1 Existence and Power. The Purchaser (a) is duly organized and validly existing and (b) has the requisite power and authority to execute, deliver and perform its obligations under this Agreement. In the event the Purchaser is an individual, such Purchaser has the legal capacity to execute, deliver and perform the obligations under this Agreement.

4.2 Authorization; No Contravention. The execution delivery and performance by each Purchaser of this Agreement and the transactions contemplated hereby, (a) have been duly authorized by all necessary action, (b) do not contravene the terms of such Purchaser's organizational documents, or any amendment thereof, and (c) do not violate, conflict with or result in any breach or contravention of, or the creation of any lien under, any material contractual obligation of such Purchaser or any requirement of law applicable to such Purchaser, and (d) do not violate any orders of any Governmental Entity against, or binding upon, such Purchaser.

4.3 Disclosure of Information. The Purchaser acknowledges that it has received all the information that it has requested relating to the Company and the purchase of the Notes. 4.5 Purchase for Own Account. The Notes hereby acquired by each Purchaser pursuant to this Agreement are being acquired for such Purchaser's own account and with no intention of distributing or reselling such securities in any transaction that would be in violation of the securities laws of the United States of America or any state, without prejudice. If such Purchaser should in the future decide to dispose of any of such Notes, such Purchaser understands and agrees that it may do so only in compliance with the Securities Act and applicable state securities laws, as then in effect. Each Purchaser agrees to the imprinting, so long as required by law, of legends on certificates representing all of its Notes, and, upon conversion, on the Preferred Stocks and Unit Warrants and any Common Stock into which they are convertible and/or exercisable.

4.7 Investment Representations. Each Purchaser (i) has such knowledge and experience in financial and business affairs that it is capable of evaluating the merits and risks involved in purchasing the Securities, (ii) is able to bear the economic risks involving in purchasing the Securities, (iii) is an “accredited investor” as defined in Rule 501(a) of Regulation D promulgated under the Securities Act and (iv) has had the opportunity to ask questions of, and receive answers from, Company and persons acting on Company’s behalf concerning Company’s business, management, and financial affairs and the terms and conditions of the Securities.

4.8 Brokers. 4.9 Short Sales and Confidentiality Prior to the Date hereof. Other than the transaction contemplated hereunder, the Purchaser has not directly or indirectly, nor has any person acting on behalf of or pursuant to any understanding with the Purchaser, executed any disposition, including short sales, in the securities of the Company during the period commencing from the time that the Purchaser first received an indication of interest (written or oral) from the Company or any other person setting forth the material terms of the transactions contemplated hereunder until the date hereof. Other than to other persons party to this Agreement, the Purchaser has maintained the confidentiality of all disclosures made to it in connection with this transaction (including the existence and terms of this transaction).

5. Conditions of Closing of the Initial Purchasers and Additional Purchasers. The obligations of the Initial Purchasers or Additional Purchasers, as the case may be, to purchase their respective Notes and transfer the Purchase Price for the Notes being purchased at the Initial Closing or Additional Closing, as the case may be, are subject to the fulfillment at or before the Initial Closing or Additional Closing, as applicable, of the following conditions precedent, any one or more of which may be waived in whole or in part by the Initial or Additional Purchasers, which waiver shall be at the sole discretion of such Purchasers:

5.1 Representations and Warranties. The representations and warranties made by the Company in this Agreement shall have been true and correct in all respects as of the date when made and as of each Closing Date, except for the representations and warranties that are expressly made as of a particular date (which shall remain true and correct as of such date).

5.2 Agreements. All agreements, and conditions contained in this Agreement to be performed or complied with by the Company prior to the Initial Closing or Additional Closing, as the case may be, shall have been performed or complied with by the Company prior to or at the Initial or Additional Closing, as applicable.

5.5 Proceedings and Documents. All corporate and other proceedings in connection with the transactions contemplated by this Agreement and all documents and instruments incident to such transactions shall be in a form and substance reasonably satisfactory to the Purchasers and their counsel, and the Purchasers and their counsel shall have received all such counterpart originals or certified or other copies of such documents as the Purchasers or their counsel may reasonably request.

5.6 Board Appointment; New Committee; Board Size. The Board shall have taken all corporate actions necessary to appoint Frank Plimpton, the Lead Investor, as a director of the Board, effective as of the Initial Closing Date. The Company agrees that Frank Plimpton shall not be removed as a director of the Company by the Board other than as permitted by law. In addition, the Board shall have created a new committee of the Board (the "New Committee") responsible for pursuing equity financing in excess of \$3 million, significant debt financings, relationships with strategic partners and similar material fundamental transactions, including mergers and acquisitions ("Significant Transactions"). The members of the New Committee shall consist of Mr. Plimpton, Chris Dewey (a current member of the Board of Directors) and a currently serving independent member of the Board of Directors. The New Committee shall have the primary responsibility to pursue and evaluate, in lieu of the Board, all Significant Transaction, it being agreed, however, that all Significant Transaction shall remain subject to approval by the full Board. The New Committee shall remain in existence until the earlier of (i) March 31, 2011 or (ii) such time, if ever, that Mr. Plimpton exercises his ROFR (as defined below). In addition, the Company agrees that Board shall not be increased beyond nine (9) members from the date hereof until March 31, 2011.

5.7 Right of First Refusal. Subject to the Board's determination, in good faith, of its fiduciary duties under law, the Company shall grant the Lead Investor a right of first refusal to match or exceed any Significant Transaction ("ROFR"). The Lead Investor shall have a five (5) business day period in order to determine if he will exercise the ROFR and/or extend such right to the other Noteholders. Following the Initial Closing, the Company and the Lead Investor shall enter into a customary definitive agreement to memorialize the ROFR.

5.8 Independent Consultant. The Company shall have engaged, for a period of not fewer than 30 days from the Initial Closing Date, a financial consultant designated by the Lead Investor (who shall have experience in the management and supervision of the financial affairs of a FINRA member broker-dealer, and who shall be reasonably acceptable to the Board) to advise the Company with respect to and oversee at the offices of the Company the Company's financial and accounting controls and procedures.

5.9 Broker-Dealer Matters. 6.1 Representations and Warranties. The representations and warranties made by the Purchasers in this Agreement shall have been true and correct in all respects as of the date when made and as of each Closing Date, except for the representations and warranties that are expressly made as of a particular date (which shall remain true and correct as of such date).

6.2 Agreements. All agreements, and conditions contained in this Agreement to be performed or complied with by the Purchasers prior to the Initial Closing or Additional Closing, as the case may be, shall have been performed or complied with by the Company prior to or at the Initial or Additional Closing, as applicable.

6.3 Payment of Purchase Price. The Purchasers shall have tendered (either directly or through a designated escrow agent) the aggregate Purchase Price in exchange for the Notes being issued hereunder in accordance with Section 2.2 or 2.3, as applicable.

7. Miscellaneous.

7.1 Indemnification.

(a) Subject to the provisions of Section 7.6 below, in consideration of each Purchaser's execution and delivery of this Agreement and acquiring the Notes and in addition to all of the Company's other obligations hereunder and under the Notes, the Company shall defend, protect, indemnify and hold harmless each Purchaser and all of their respective stockholders, partners, members, officers, directors, employees, direct or indirect investors, heirs, successors and assigns, and any agents or other representatives of any of the foregoing (including, without limitation, those retained in connection with the transactions contemplated by this Agreement) (collectively, the "Indemnitees") from and against any and all actions, causes of action, suits, claims, losses, costs, penalties, fees, liabilities and damages, and expenses in connection therewith (irrespective of whether any such Indemnitee is a party to the action for which indemnification hereunder is sought), and including reasonable attorneys' fees and disbursements (the "Indemnified Liabilities"), incurred by any Indemnitee as a result of, or arising out of, or relating to (a) any misrepresentation or breach of any representation or warranty made by the Company in this Agreement or in the Notes, (b) any breach of any covenant, agreement or obligation of the Company contained in this Agreement or in the Notes or (c) any cause of action, suit or claim brought or made against such Indemnitee by a third party (including for these purposes a derivative action brought on behalf of the Company) and arising out of or resulting from (i) the execution, delivery, performance or enforcement of this Agreement or the Notes, (ii) any transaction financed or to be financed in whole or in part, directly or indirectly, with the proceeds of the issuance of the Notes, or (iii) the status of such Purchaser as an investor in the Company pursuant to the transactions contemplated by this Agreement and the Notes, except to the extent that the Purchaser breached any of its representations and warranties contained in Section 4 hereof. To the extent that the foregoing undertaking by the Company may be unenforceable for any reason, the Company shall make the maximum contribution to the payment and satisfaction of each of the Indemnified Liabilities which is permissible under applicable law.

(b) Promptly after receipt by an Indemnitee under this Section 7.1 of notice of the commencement of any action or proceeding (including any governmental action or proceeding) involving an Indemnified Liability, such Indemnitee shall, if a claim in respect thereof is to be made against the Company under this Section 7.1, deliver to the Company a written notice of the commencement thereof, and the Company shall have the right to participate in, and, to the extent the Company so desires, to assume control of the defense thereof with counsel mutually satisfactory to the Company and the Indemnitee; provided, however, that an Indemnitee shall have the right to retain its own counsel with the fees and expenses of such counsel to be paid by the Company if: (i) the Company has agreed in writing to pay such fees and expenses; (ii) the Company shall have failed promptly to assume the defense of such Indemnified Liability and to employ counsel reasonably satisfactory to such Indemnitee in any such Indemnified Liability; or (iii) the named parties to any such Indemnified Liability (including any impleaded parties) include both such Indemnitee and the Company, and such Indemnitee shall have been advised by counsel that a conflict of interest is likely to exist if the same counsel were to represent such Indemnitee and the Company (in which case, if such Indemnitee notifies the Company in writing that it elects to employ separate counsel at the expense of the Company, then the Company shall not have the right to assume the defense thereof and such counsel shall be at the expense of the Company), provided further, that in the case of clause (iii) above the Company shall not be responsible for the reasonable fees and expenses of more than one (1) separate legal counsel for such Indemnitee. The Indemnitee shall reasonably cooperate with the Company in connection with any negotiation or defense of any such action or Indemnified Liability by the Company and shall furnish to the Company all information reasonably available to the Indemnitee which relates to such action or Indemnified Liability. The Company shall keep the Indemnitee reasonably apprised at all times as to the status of the defense or any settlement negotiations with respect thereto. The Company shall not be liable for any settlement of any action, claim or proceeding effected without its prior written consent, provided, however, that the Company shall not unreasonably withhold, delay or condition its consent. The Company shall not, without the prior written consent of the Indemnitee, consent to entry of any judgment or enter into any settlement or other compromise which does not include as an unconditional term thereof the giving by the claimant or plaintiff to such Indemnitee of a release from all liability in respect to such Indemnified Liability or litigation, and such settlement shall not include any admission as to fault on the part of the Indemnitee. Following indemnification as provided for hereunder, the Company shall be subrogated to all rights of the Indemnitee with respect to all third parties, firms or entities relating to the matter for which indemnification has been made. The failure to deliver written notice to the Company within a reasonable time of the commencement of any such action shall not relieve the Company of any liability to the Indemnitee under this 7.1, except to the extent that the Company is materially and adversely prejudiced in its ability to defend such action.

(c) The indemnification required by this Section 7.1 shall be made by periodic payments of the amount thereof during the course of the investigation or defense, as and when bills are received or Indemnified Liabilities are incurred.

(d) The indemnity agreement contained herein shall be in addition to (i) any cause of action or similar right of the Indemnitee against the Company or others, and (ii) any liabilities the Company may be subject to pursuant to the law.

7.2 Subsequent Financing; Other Financings; Liquidated Damages. For the period beginning on the Initial Closing Date and ending on the Maturity Date, the Lead Investor, the Purchasers and the Company shall undertake its good faith best efforts to negotiate documentation relating to and to consummate the Subsequent Financing. The Company shall ensure that the Purchasers' rights to participate in the Subsequent Financing on the terms set forth herein and in the Notes are upheld and enforced. For the period beginning on the Initial Closing Date and ending on the Maturity Date, without the prior written consent of the Lead Investor, neither the Company nor any Subsidiary shall consummate, or enter into or continue (and shall immediately cease) any discussions with any person or entity relating to, any debt, equity or equity-linked financing of the Company or any Subsidiary that is not on the terms and conditions of the Subsequent Financing unless, as liquidated damages, and not as a penalty, the Company (i) pays to the Purchasers in cash an amount equal to the "Makewhole Price" (as such term is defined in Schedule A attached to the Note) as if the Purchasers had actually converted the Note into the Preferred Stock and (ii) issues the Purchasers the Unit Warrants.

7.3 No Strict Construction. The language used in this Agreement will be deemed to be the language chosen by the parties to express their mutual intent, and no rules of strict construction will be applied against any party.

7.4 Remedies. Each Purchaser shall have all rights and remedies applicable to it which are set forth in this Agreement and in the Notes and all rights and remedies which such parties have been granted at any time under any other agreement or contract and all of the rights which such holders have under any law. The Company acknowledges and agrees that in the event that it fails to perform, observe, or discharge any or all of its obligations under this Agreement or the Notes, any remedy at law may prove to be inadequate relief to the Purchasers. The Company therefore agrees that the Purchasers shall be entitled to seek specific performance and/or temporary, preliminary and permanent injunctive or other equitable relief from any court of competent jurisdiction in any such case without the necessity of proving actual damages and without posting a bond or other security.

7.5 Successors and Assigns. This Agreement, and the rights and obligations of each Purchaser hereunder, may be assigned by such Purchaser to (a) any person or entity to which the Notes are transferred by such Purchaser, or (b) to any Affiliated Party (as hereinafter defined), and, in each case, such transferee shall be deemed a "Purchaser" for purposes of this Agreement; provided that such assignment of rights shall be contingent upon the transferee providing a written instrument to the Company notifying the Company of such transfer and assignment and agreeing in writing to be bound by the terms of this Agreement. The Company may not assign its rights under this Agreement. For purposes of this Agreement, "Affiliated Party" shall mean, with respect to any Purchaser, any person or entity which, directly or indirectly, controls, is controlled by or is under common control with such Purchaser, including, without limitation, any general partner, manager, officer or director of such Purchaser and any venture capital fund now or hereafter existing which is controlled by one or more general partners of, or shares the same management company as, such Purchaser.

7.6 Survival of Representations and Warranties. All of the representations, warranties, covenants and agreements made herein shall survive the execution and delivery of this Agreement for one (1) year from the Initial Closing Date. The Purchasers are entitled to rely, and the parties hereby acknowledge that the Purchasers have so relied, upon the truth, accuracy and completeness of each of the representations and warranties of the Company contained herein, irrespective of any independent investigation made by Purchasers. The Company is entitled to rely, and the parties hereby acknowledge that the Company has so relied, upon the truth, accuracy and completeness of each of the representations and warranties of the Purchasers contained herein, irrespective of any independent investigation made by the Company.

7.7 Expenses. Each party hereto shall pay its own expenses relating to the transactions contemplated by this Agreement, including, without limitation, the fees and expenses of their respective counsel, financial advisors and accountants.

7.8 Severability. The invalidity or unenforceability of any provision of this Agreement shall not affect the validity or enforceability of any other provision of this Agreement.

7.9 Governing Law; Venue. This Agreement shall be governed by and construed in accordance with the internal laws of the State of New York (without reference to the conflicts of law provisions thereof). Each party hereby irrevocably submits to the exclusive jurisdiction of the state and federal courts sitting in The City of New York, Borough of Manhattan, for the adjudication of any dispute hereunder or in connection herewith or with any transaction contemplated hereby or discussed herein, and hereby irrevocably waives, and agrees not to assert in any suit, action or proceeding, any claim that it is not personally subject to the jurisdiction of any such court, that such suit, action or proceeding is brought in an inconvenient forum or that the venue of such suit, action or proceeding is improper. Each party hereby irrevocably waives personal service of process and consents to process being served in any such suit, action or proceeding by mailing a copy thereof to such party at the address for such notices to it under this Agreement and agrees that such service shall constitute good and sufficient service of process and notice thereof. Nothing contained herein shall be deemed to limit in any way any right to serve process in any manner permitted by law. EACH PARTY HEREBY IRREVOCABLY WAIVES ANY RIGHT IT MAY HAVE TO, AND AGREES NOT TO REQUEST, A JURY TRIAL FOR THE ADJUDICATION OF ANY DISPUTE HEREUNDER OR IN CONNECTION WITH OR ARISING OUT OF THIS AGREEMENT.

7.10 Notices. All notices, requests, consents, and other communications under this Agreement shall be in writing and shall be deemed delivered (i) three business days after being sent by registered or certified mail, return receipt requested, postage prepaid or (ii) one business day after being sent via a reputable nationwide overnight courier service guaranteeing next business day delivery or (iii) by facsimile transmission (with printed confirmation of receipt), in each case to the intended recipient as set forth below:

Littman, Esq., Fax Number: (212) 490-2990.

(b) If to a Purchaser, at its address set forth on Exhibit A, or at such other address as may have been furnished in writing by such Purchaser to the other parties hereto, with a copy (which shall not constitute notice) to Ellenoff Grossman & Schole LLP, 150 East 42nd Street, New York, NY 10017, Attention: Douglas S. Ellenoff, Esq. Fax Number: (212) 370-7889.

(c) Any party may give any notice, request, consent or other communication under this Agreement using commercially reasonable means (including, without limitation, personal delivery, messenger service, telecopy, first class mail or electronic mail), but no such notice, request, consent or other communication shall be deemed to have been duly given unless and until it is actually received by the party for whom it is intended. Any party may change the address to which notices, requests, consents or other communications hereunder are to be delivered by giving the other parties notice in the manner set forth in this Section.

7.11 Complete Agreement. This Agreement (including its exhibits and schedules and any other agreement or instrument contemplated hereby) constitutes the entire agreement and understanding of the parties hereto with respect to the subject matter hereof and supersedes all prior agreements and understandings relating to such subject matter.

7.12 Amendments and Waivers. This Agreement may be amended or terminated and the observance of any term of this Agreement may be waived with respect to all parties to this Agreement (either generally or in a particular instance and either retroactively or prospectively), with the written consent of the Company and the holders of at least 50% of the aggregate amount of principal under all Notes then held by all Purchasers (the "Requisite Holders"). Notwithstanding the foregoing, (a) this Agreement may not be amended or terminated and the observance of any term hereunder may not be waived with respect to any Purchaser without the written consent of such Purchaser unless such amendment, termination or waiver applies to all Purchasers in the same fashion, (b) Exhibit A hereto may be amended by the Company from time to time in accordance with Section 2.2 to add information regarding Additional Purchasers without the consent of the other parties hereto and (c) no amendment of this Agreement may be made with respect to the Maturity Date or interest rate of a Note without the consent of the holder thereof. The Company shall give prompt written notice of any amendment or termination hereof or waiver hereunder to any party hereto that did not consent in writing to such amendment, termination or waiver. Any amendment, termination or waiver effected in accordance with this Section 7.9 shall be binding on all parties hereto, even if they do not execute such consent. No waivers of or exceptions to any term, condition or provision of this Agreement, in any one or more instances, shall be deemed to be, or construed as, a further or continuing waiver of any such term, condition or provision.

7.13 Pronouns. Whenever the context may require, any pronouns used in this Agreement shall include the corresponding masculine, feminine or neuter forms, and the singular form of nouns and pronouns shall include the plural, and vice versa.

7.14 Counterparts. This Agreement may be executed in any number of counterparts (including, in the case of the Purchasers, Financing Signature Pages), each of which shall be deemed to be an original, and all of which shall constitute one and the same document. In the event that any signature is delivered by facsimile transmission or by e-mail delivery of a “.pdf” format data file, such signature shall create a valid and binding obligation of the party executing (or on whose behalf such signature is executed) with the same force and effect as if such facsimile or “.pdf” signature page were an original thereof.

7.15 Section Headings and References. The section headings are for the convenience of the parties and in no way alter, modify, amend, limit or restrict the contractual obligations of the parties. Any reference in this agreement to a particular section or subsection shall refer to a section or subsection of this Agreement, unless specified otherwise.

7.16 Independent Nature of Purchasers' Obligations and Rights

. The obligations of each Purchaser are several and not joint with the obligations of any other Purchaser, and no Purchaser shall be responsible in any way for the performance of the obligations of any other Purchaser. Nothing contained herein or in any other agreement or instrument contemplated hereby, and no action taken by any Purchaser pursuant hereto or thereto, shall be deemed to constitute the Purchasers as, and the Company acknowledges that the Purchasers do not so constitute, a partnership, an association, a joint venture or any other kind of group or entity, or create a presumption that the Purchasers are in any way acting in concert or as a group or entity with respect to such obligations or the transactions contemplated hereby or thereby or any matters, and the Company acknowledges that the Purchasers are not acting in concert or as a group, and the Company shall not assert any such claim, with respect to such obligations or the transactions contemplated hereby or thereby. The decision of each Purchaser to purchase Notes has been made by such Purchaser independently of any other Purchaser. Each Purchaser acknowledges that no other Purchaser has acted as agent for such Purchaser in connection with such Purchaser making its investment hereunder and that no other Purchaser will be acting as agent of such Purchaser in connection with monitoring such Purchaser's investment in the Notes or enforcing its rights hereunder. The Company and each Purchaser confirms that each Purchaser has independently participated with the Company in the negotiation of the transaction contemplated hereby with the advice of its own counsel and advisors. Each Purchaser shall be entitled to independently protect and enforce its rights, including, without limitation, the rights arising out of this Agreement or the Notes, and it shall not be necessary for any other Purchaser to be joined as an additional party in any proceeding for such purpose. The use of a single agreement to effectuate the purchase and sale of the Notes contemplated hereby was solely in the control of the Company, not the action or decision of any Purchaser, and was done solely for the convenience of the Company and not because it was required or requested to do so by any Purchaser. It is expressly understood and agreed that each provision contained in this Agreement and in the Notes is between the Company and a Purchaser, solely, and not between the Company and the Purchasers collectively and not between and among the Purchasers.

[Signature Page Follows]

IN WITNESS WHEREOF, each Purchaser and the Company have caused their respective signature page to this Agreement to be duly executed as of the date first written above.

EXHIBIT C
FORM OF NOTE

EXHIBIT 7

RIGHT OF FIRST REFUSAL AGREEMENT

This RIGHT OF FIRST REFUSAL AGREEMENT (this “Agreement”), dated as of June 7, 2010, is entered into by and between National Holdings Corporation, a Delaware corporation (the “Company”), and Frank Plimpton, an individual (“Lead Investor”).

WHEREAS, pursuant to a certain Note Purchase Agreement, dated of even date herewith, between the Company and certain investors who are parties thereto (the “NPA”), the Company has agreed to issue up to an aggregate of \$2,000,000 principal amount of 5% Convertible Subordinated Promissory Notes of the Company (the “Notes”). Capitalized terms used herein not otherwise defined shall have the meanings ascribed to them in the NPA; and

WHEREAS, pursuant to the NPA, the Lead Investor has acquired a Note in the in principal amount of Five Hundred Thousand (\$500,000) Dollars;

WHEREAS, pursuant to Section 5.7 of the NPA, Lead Investor has been granted a right of first refusal (the “Right of First Refusal”) with respect to Significant Transactions (as defined in the NPA); and

WHEREAS, the Company and the Lead Investor desire to further memorialize the Right of First Refusal by entering into this Agreement.

NOW, THEREFORE, in consideration of the mutual covenants and agreements set forth in this Agreement, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties do hereby agree as follows:

1. Right of First Refusal.

1.1 If the Company determines to consummate a Significant Transaction with any Person other than Lead Investor, the Company shall give written notice (the “Significant Transaction Notice”) of such proposed Significant Transaction to Lead Investor, which Significant Transaction Notice shall (A) set forth the structure of the proposed Significant Transaction, the proposed consideration for such Significant Transaction, the terms of payment of such consideration and all other material terms of such Significant Transaction and (B) be accompanied by a copy of the letter of intent and/or draft definitive agreement, if any, relating to such Significant Transaction. The Significant Transaction Notice shall constitute a binding offer by the Company to enter into a Significant Transaction with Lead Investor on the terms described in the Significant Transaction Notice, subject to negotiation of acceptable definitive documentation with respect thereto as provided for in Section 1.3 hereof.

1.2 Following his receipt of the Significant Transaction Notice, Lead Investor shall have the right, but not the obligation, exercisable within the five (5) Business Day period immediately following his receipt of the Significant Transaction Notice (the “Acceptance Period”), to accept the Company’s offer set forth in the Significant Transaction Notice by delivering written notice (the “Acceptance Notice”) to the Company by the conclusion of the Acceptance Period. A failure by Lead Investor to give an Acceptance Notice shall be deemed to constitute a rejection by Lead Investor of the Company’s offer set forth in the Significant Transaction Notice and a waiver of Lead Investor’s right of first refusal with respect to such Significant Transaction (“Deemed Rejection”).

1.3 If Lead Investor timely delivers an Acceptance Notice to the Company, the parties shall use diligent, good faith efforts to negotiate and enter into a binding definitive agreement with respect to such Significant Transaction on the terms set forth in the Significant Transaction Notice and other customary terms for transactions of that nature within the forty-five (45) day period (the "Negotiation Period") immediately following the Company's receipt of the Acceptance Notice and to consummate such Significant Transaction as promptly as commercially practicable thereafter; provided, however, that (A) if the Significant Transaction Notice provides for the payment of any non-cash consideration, Lead Investor may elect to pay the consideration in cash equal to the fair market value of the non-cash consideration, and (B) if the Company and the proposed party to the Significant Transaction have already negotiated a definitive agreement with respect to the Significant Transaction, Lead Investor and the Company shall utilize such form of definitive agreement as the form of their definitive agreement.

1.4 If (A) Lead Investor fails to timely deliver an Acceptance Notice to the Company or (B) Lead Investor and the Company are unable to agree on the terms for such Significant Transaction or consummate such Significant Transaction as provided in Section 1.3 above, the Company shall thereafter have the right to enter into a binding agreement with respect to, and consummate, a Significant Transaction with any other person or entity, subject to applicable laws, rules and regulations, provided that (x) the price and other economic and terms and conditions of such Significant Transaction are not less favorable to the Company, and the non-economic terms and conditions are not more favorable to the investors than those set forth in the Significant Transaction Notice, and (y) such Significant Transaction is consummated within 120 days (which period may be extended for a reasonable period of time by the Company, in good faith, if the delay in consummation is due to regulatory issues beyond the control of the parties, such as FINRA approval) following the end of the Acceptance Period or Negotiation Period, as applicable (the "Consummation Period"). If such Significant Transaction is not consummated within the Consummation Period, then the Company shall not be permitted to consummate such Significant Transaction without first again complying with the provisions of this Section 1.

1.5 All determinations to be made and actions to be taken by the Company pursuant to this Section 1 shall be made or taken at the direction of the Board of Directors of the Company (the "Board"). In addition, all obligations of the Company pursuant to this Section 1 shall be subject to the fiduciary duties of the Board, and the Company shall not be required to make any determination or take any action hereunder, or refrain from making any determination or taking any action hereunder, or otherwise comply with the provisions of this Section 1, to the extent that the Board determines in good faith that to do so would constitute a violation of its fiduciary duties under applicable law.

1.6 The Right of First Refusal granted to the Lead Investor shall expire on the earlier of (i) a Deemed Rejection or (ii) March 31, 2011.

2. Miscellaneous

2.1 No Strict Construction. The language used in this Agreement will be deemed to be the language chosen by the parties to express their mutual intent, and no rules of strict construction will be applied against any party.
