PROXY STATEMENT

Annual Meeting of Shareholders –August 11, 2011

SOLICITATION AND REVOCABILITY OF PROXIES

This proxy statement (the “Proxy Statement”) is furnished in connection with the solicitation of proxies by the Board of Directors of Rocky Mountain Chocolate Factory, Inc. (the “Company”, “we”, “our” or “us”) for use only at the 2011 Annual Meeting of Shareholders (the “Annual Meeting”) to be held at the time and place and for the purposes set forth in the accompanying Notice of Annual Meeting of Shareholders.

Each shareholder, even if he or she now plans to attend the meeting, is requested to promptly submit his or her proxy and voting instructions as soon as possible. Any shareholder present at the meeting may withdraw his or her proxy and vote personally on each matter brought before the meeting.

A Notice of Internet Availability of Proxy Materials, which includes instructions about how to access this Proxy Statement, our 2011 Annual Report to Shareholders and the proxy card, is first being sent to our shareholders on or about July 1, 2011. A person giving his or her proxy has the power to revoke it at any time before it is exercised by (1) delivering written notice of revocation to our Secretary at our principal offices at 265 Turner Drive, Durango, Colorado 81303, (2) duly executing and delivering a proxy for the Annual Meeting bearing a later date, or (3) voting in person at the Annual Meeting.

We will bear the cost of this solicitation of proxies, including the charges and expenses of brokerage firms and others for forwarding solicitation materials to beneficial owners of our Common Stock, par value \$0.03 per share (the "Common Stock"). In addition, our officers, directors and other regular employees, without additional compensation, may solicit proxies by mail, email, personal interview, telephone or telegraph.

VOTING SECURITIES

The close of business on June 21, 2011 has been fixed as the record date for the determination of holders of record of our Common Stock entitled to notice of, and to vote at, the Annual Meeting. On the record date, approximately 6,090,775 shares of our Common Stock were outstanding and eligible to be voted at the Annual Meeting.

For each share of Common Stock held on the record date, a shareholder is entitled to one vote on all matters to be voted on at the Annual Meeting, except the election of directors.

Shareholders have cumulative voting rights in the election of directors, and there is no condition precedent to the exercise of those rights. Under cumulative voting, each shareholder is entitled to as many votes as shall equal the number of his or her shares of Common Stock multiplied by six, the number of directors to be elected, and he or she may cast all of those votes for a single nominee or divide them among any two or more nominees as he or she sees fit. It is the intention of the proxy holders to exercise voting rights in order to elect the maximum number of nominees named below. An instruction on the proxy to withhold authority to vote for any nominee will be deemed an authorization to vote cumulatively for the remaining nominees, unless otherwise indicated.

With respect to the proposal for ratification of the appointment of Ehrhardt Keefe Steiner & Hottman PC as our independent registered public accounting firm, shareholders may vote "FOR," "AGAINST" or "ABSTAIN." If you vote your shares without providing specific instructions regarding this proposal, your shares will be voted "FOR" this proposal.

Important Notice Regarding the Availability of Proxy Materials
for the Shareholder Meeting to be held on August 11, 2011

This Proxy Statement and our 2011 Annual Report to Shareholders are available on the internet at www.edocumentview.com/RMCF.

VOTING PROCEDURES

The vote required for the election of directors is a plurality of the shares of our Common Stock present or represented by proxy at the meeting and entitled to vote thereon, provided a quorum is present. The vote required for the ratification of the appointment of Ehrhardt Keefe Steiner & Hottman PC as our independent registered public accounting firm, and the approval of any other item to be acted upon at the Annual Meeting, is the affirmative vote of a majority of the shares of our Common Stock entitled to vote on the matter and present or represented by proxy at the Annual Meeting, provided a quorum is present. A quorum is established by the presence or representation at the Annual Meeting of the holders of a majority of the shares of our Common Stock.

Brokers who hold shares in street name have discretionary authority to vote on certain “routine” items even if they have not received instructions from the persons entitled to vote such shares. However, brokers do not have authority to vote on “non-routine” items without such instructions. Such “broker non-votes” (shares held by brokers or nominees as to which they have no discretionary power to vote on a particular matter and have received no instructions from the persons entitled to vote such shares) are counted as present and entitled to vote for purposes of determining whether a quorum is present but are not considered entitled to vote on any non-routine matter to be acted upon. For matters requiring the affirmative vote of a plurality of the shares of Common Stock present or represented at the Annual Meeting, such as the election of directors, broker non-votes would have no effect on the outcome of the vote. For matters requiring the affirmative vote of a majority of the shares of Common Stock present or represented at the Annual Meeting and entitled to vote, broker non-votes would not be counted as among the shares entitled to vote with respect to such matters. Thus, the effect of any broker non-votes with respect to such matters would be to reduce the number of affirmative votes required to approve the proposals and the number of negative votes required to block such approval.

Shareholders are not entitled to any rights of appraisal or similar dissenters’ rights with respect to any matter to be acted upon at the Annual Meeting, because, pursuant to Colorado law, the matters to be acted upon do not give rise to any such dissenters’ rights.

Shareholders may vote their proxy on the internet at www.investorvote.com/rmcf.

Recommendation of the Board of Directors

The Board of Directors unanimously recommends that the shareholders vote FOR the election of the six nominees named above.

Information Regarding Corporate Governance, the Board of Directors and Executive Officers

Nasdaq Listing Rule 5605(b)(1) requires that a majority of the Board of Directors must be comprised of "independent directors" as defined in Nasdaq Listing Rule 5605(a)(2). The Board of Directors has determined that Gerald A. Kien, Lee N. Mortenson, Clyde Wm. Engle, and Scott G. Capdevielle are each "independent directors" under Nasdaq Listing Rule 5605(a)(2).

During the last fiscal year, our Board of Directors held five meetings. Each director attended at least 75% of the aggregate of (i) the total number of meetings of the Board of Directors held and (ii) the total number of meetings held by all committees of the Board on which he served. Although we encourage our directors to attend the Annual Meeting, we do not have a formal policy regarding directors attendance at the Annual Meeting. Mr. Crail and Mr. Merryman attended last year's annual meeting.

No family relationships exist between any director or executive officer and any other of our directors or executive officers.

We have adopted a Code of Ethics that applies to our principal executive officer, principal financial officer, and principal accounting officer or controller, or persons performing similar functions. In addition, in accordance with Nasdaq Listing Rule 5610, we have adopted a Code of Conduct applicable to all our officers, directors and employees. The text of the Code of Ethics and the Code of Conduct is posted on our website at www.rmcf.com. If we waive, or implicitly waive, any material provision of the codes, or substantively amend the codes, we will disclose that fact on our website within four business days.

Board Leadership Structure and Role in the Oversight of Risk Management

Since we were founded in 1981, we have employed a traditional board leadership model, with our Chief Executive Officer also serving as Chairman of our Board of Directors. We believe this traditional leadership structure benefits us. A combined chairman/CEO role helps provide strong, unified leadership for our management team and Board of Directors. Furthermore, our customers, suppliers and other business partners have always viewed our Chairman/Chief Executive Officer as a visionary leader in our industry, and we believe that having a single leader is good for our business. Accordingly, we believe a combined Chairman/Chief Executive Officer position is the best governance model for our company and our shareholders at this time. The board has not specifically designated any director as

the lead independent director.

Our Board of Directors oversees our risk management activities and implements its risk oversight functions through delegation to the Audit Committee. The Audit Committee is responsible for overseeing our financial reporting processes and systems of internal controls regarding finance and accounting and certain other risk management functions as are delegated to the Audit Committee by the Board of Directors. The Audit Committee provides a forum for communication among the Board of Directors, the independent auditors and our financial and senior management to facilitate open dialogue and promote effective risk management within our company. In addition, the Audit Committee oversees our whistleblower/complaint procedures for accounting and auditing matters, which procedures provide that complaints or reports of suspected fraud, deficiencies or noncompliance relating to any accounting, internal controls or auditing matters should be promptly reported on an anonymous basis in writing to the chair of our Audit Committee. Similarly, under our Code of Ethics for senior financial officers, persons who become aware of suspected violations of the Code of Ethics are encouraged to report such suspected violations promptly to the chair of the Audit Committee. Under these policies, the Audit Committee monitors, investigates and makes determinations and recommendations for action to the Board of Directors as a whole with respect to suspected violations.

The Board of Directors and its committees encourage management to promote a corporate culture that understands risk management and incorporates it into the overall corporate strategy and day-to-day business operations of the Company. The Company's risk management structure also includes an ongoing effort to assess and analyze the most likely areas of future risk for the Company and to address them in its planning process.

Involvement in Certain Legal Proceedings

On March 29, 1994, a class action was filed in the Circuit Court for the 21st Judicial District, Centerville, Hickman County, Tennessee against National Development Company, Inc. (“NDI”) and Sunstates Corporation (“Sunstates”) for breach of contract by a class of purchasers (the “Plaintiffs”) of real property in a recreational development developed and marketed by NDI. The Plaintiffs brought the class action to recover for the diminution in value of their properties caused by the failure of NDI to complete the primary lake in the development. On January 19, 1999, Mr. Engle was added as a defendant to the class action, alleging that Mr. Engle operated the two defendant corporations as his alter ego. On January 24, 2000, the court found defendant NDI liable for over \$2.5 million to the plaintiffs for the diminution in value of their real property based on a failure to build an adjacent lake as promised. On August 30, 2005, a judgment was entered against Mr. Engle, personally, for the amount of the original judgment plus statutory interest (the “Tennessee Judgment”).

In a related case filed on October 29, 2007 in the Circuit Court for the Second Circuit, State of Hawaii, the Plaintiffs pursued a class action against Mr. Engle and others to set aside fraudulent transfers, for declaratory and injunctive relief and for damages. In that complaint, the Plaintiffs claimed they were unable to collect on the Tennessee Judgment and alleged that Mr. Engle engaged in a scheme to aggressively and fraudulently transfer assets and earnings to his wife to hinder, delay and defraud his creditors. Following a trial, a jury verdict was entered against Mr. Engle on March 3, 2010, whereby he was found to have fraudulently transferred shares of stock valued at \$10,768,450 and the jury awarded punitive damages to the Plaintiffs in the amount of \$43,073,800. Several post-trial motions were filed after the jury verdict, but no material activity has occurred in this case since March 2010.

AUDIT COMMITTEE REPORT

Management is responsible for our internal controls and the financial reporting process. The independent registered public accounting firm is responsible for performing an independent audit of our financial statements in accordance with auditing standards generally accepted in the United States of America and to issue a report thereon. The Audit Committee’s responsibility is to monitor and oversee these processes. It is not our duty or our responsibility to conduct auditing or accounting reviews or procedures. We are not employees of the Company and we may not be, and we may not represent ourselves to be, or to serve as, accountants or auditors by profession or experts in the fields of accounting or auditing. Therefore, we have relied, without independent verification, on management’s representation that the financial statements have been prepared with integrity and objectivity and in conformity with accounting principles generally accepted in the United States of America, and on the representations of the independent registered public accounting firm included in the report on the Company’s financial statements. Our oversight does not provide us with an independent basis to determine that management has maintained appropriate accounting and financial reporting principles or policies, or appropriate internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, our considerations and discussions with management and the independent registered public accounting firm do not assure that the Company’s financial statements are presented in accordance with generally accepted accounting principles, that the audit of the Company’s financial statements has been carried out in accordance with the standards of the Public Company Oversight Board (United States) or that the Company’s independent registered public accounting firm is in fact “independent.”

In this context, the Audit Committee has met and held discussions separately with management and the independent registered public accounting firm. Management represented to the Audit Committee that the Company’s audited financial statements were prepared in accordance with accounting principles generally accepted in the United States of America, and the Audit Committee has reviewed and discussed the audited financial statements with management and the independent registered public accounting firm. The Audit Committee discussed with the independent registered public accounting firm matters required to be discussed by the Statement on Auditing Standards No. 61, Communication with Audit Committees, as adopted by the Public Company Accounting Oversight Board (the

"PCOAB") in Rule 3200T.

The independent registered public accounting firm also provided to the Audit Committee the written disclosure required by the PCAOB regarding the independent accounting firm's communications with the Audit Committee concerning independence. The Audit Committee discussed with the independent registered public accounting firm the firm's independence and considered whether the non-audit services provided by the independent registered public accounting firm are compatible with maintaining its independence.

Based on the Audit Committee's discussion with management and the independent registered public accounting firm, and the Audit Committee's review of the representation of management and the report of the independent registered public accounting firm to the Audit Committee, the Audit Committee recommended that the Board of Directors include the audited financial statements in the Company's Annual Report on Form 10-K for the year ended February 28, 2011 filed with the Securities and Exchange Commission.

Submitted by the Audit Committee of the Company's Board of Directors,

(1) Consists of \$21,145 for life insurance premiums paid by the Company.

(2) Represents the grant date fair value for restricted stock unit awards granted during fiscal 2009, 2010 and 2011 computed in accordance with the requirements of FASB ASC Topic 718, excluding any expected forfeiture rate. A summary of the assumptions we applied in calculating these amounts is set forth in the Notes to Financial Statements included in our Annual Report on Form 10-K for such fiscal years.

The following narrative discusses material information necessary to understand the information in the tables above.

Bonus and Stock Awards. For fiscal year 2010, the Compensation Committee, upon recommendation from our Chief Executive Officer, approved discretionary bonus payments for our named executive officers to reward them for their hard work to preserve the progress that the Company had made towards its financial and strategic goals and to prepare the Company for continued growth during fiscal year 2011. These bonuses for fiscal year 2010 performance were paid as a combination of cash and restricted stock units, with the specific allocation between cash and restricted stock units negotiated with each named executive officer. The amounts reflected in the "Stock Awards" and "Bonus" columns of the Summary Compensation Table and in the Grants of Plan-Based Awards Table reflect these bonus payments.

For fiscal year 2011, Mr. Crail and Mr. Merryman recommended to the Compensation Committee that the named executive officers receive no bonus payment for fiscal year 2011 in the interest of the Company and its shareholders. The Compensation Committee approved the recommendation and no level of performance based compensation was paid.

Benefits. Our named executive officers generally receive health and welfare benefits under the same programs and subject to the same terms and conditions as our other salaried employees. Other elements of compensation for our named executive officers are participation in company-wide life insurance, long-term disability insurance, medical benefits and the ability to defer compensation pursuant to a 401(k) plan. The named executive officers also receive matching contributions by us under our 401(k) plan at a rate of 25% to 50% of 6% of base salary, which is the same benefit available to all salaried employees.

Potential Payments on Termination or Change in Control

We have arrangements with each of our named executive officers providing for post-employment payments under certain conditions, as described below.

Employment Agreements. We have entered into employment agreements with certain of our executives which contain, among other things, "change in control" severance provisions. Specifically, we have entered into employment agreements with Franklin E. Crail, Edward L. Dudley, Jay B. Haws and Bryan J. Merryman. The employment agreements generally provide that, if we terminate the executive's employment under circumstances constituting a "triggering termination," the executive will be entitled to receive, among other benefits, 2.99 times the sum of (i) the executive's annual salary and (ii) the lesser of (a) two times the bonus that would be payable to the executive for the bonus period in which the change in control occurred and (b) 25% of the executive's annual salary. The executive will also receive an additional payment of \$16,200, which represents the estimated cost to the executive of obtaining accident, health, dental, disability and life insurance coverage for the 18-month period following the expiration of COBRA coverage.

A "change in control," as used in these employment agreements, generally means a change in the control of us following (1) a person acquiring direct or indirect beneficial ownership of 20% or more of our then outstanding voting securities, without the prior approval of two-thirds of the Board of Directors, (2) a merger or other consolidation transaction in which our Board of Directors prior to the transaction constitutes less than a majority of our Board of Directors after the transaction or (3) the members of our Board of Directors during any consecutive two-year period ceasing to be the majority of the Board of Directors at the conclusion of that period. A "triggering termination" generally occurs when an executive is terminated during a specified period preceding a change in control of us, or if the executive or we terminate the executive's employment under circumstances constituting a triggering termination during a specified period after a change in control. A triggering termination also includes a voluntary termination by the executive within five business days before an anticipated change in control with the concurrence of two concurring persons (either the Chairman of the Board of Directors or a member of our Compensation Committee) that the change in control is likely to occur during such five-business day period. In such event, the executive must agree to continue to work on an at-will basis, without compensation, until the change in control occurs. If the change in control does not occur within ten business days, the executive must refund the severance payment to us.

2007 Equity Compensation Plan. The 2007 Equity Incentive Plan provides that in the event of a company transaction in which all of the named executive officer's unvested restricted stock units are not converted, assumed or replaced by the successor company, such restricted stock units will immediately vest and become payable immediately prior to the company transaction. In addition, in the event of a change in control, all of the named executive officer's unvested restricted stock units will immediately vest and become payable.

Assuming the applicable triggering event took place on February 28, 2011, the named executive officers would have been eligible for payments set forth in the following table. These payments are estimates. If a specific triggering event had actually occurred, the named executive officer would only receive the payments that applied to that specific triggering event. These payments would come from us if the triggering event occurred before a change in control and from the successor company if after a change in control.

Name of Executive Officer	Change in Control Severance Payment (\$)(1)	Payment for Insurance Coverage (\$)	RSU Acceleration (2)
Franklin E. Crail, Chairman of the Board, Chief Executive Officer and President	\$1,080,138	\$16,200	\$108,150
Bryan J. Merryman, Chief Operating Officer, Chief Financial Officer and Director	\$859,625	\$16,200	\$340,930
Edward L. Dudley, Sr. Vice President – Sales and Marketing	\$710,125	\$16,200	\$159,032
Gregory L. Pope, Senior Vice President—Franchise Development	--	--	\$154,912
Jay B. Haws, Vice President – Creative Services	\$650,325	\$16,200	\$177,366

(1) These amounts are based on 2.99 times 125% of each executive's salary in place during fiscal year 2011.

(2) Assumes that the intrinsic value per share is \$10.30 per share, the closing price of the common stock on February 26, 2011, the last business day of our fiscal year.

DIRECTOR COMPENSATION

Our directors do not receive any compensation for serving on the Board of Directors. Members of our Compensation Committee are paid \$750 quarterly, with the chairman of the Compensation Committee being paid \$1,500 quarterly. Audit committee members are paid \$500 quarterly, with the chairman of the Audit Committee being paid \$1,500 quarterly. Additionally, audit committee members receive \$250 for each meeting held by phone and \$500 for each meeting held in person. Also, an audit committee member attending all of the audit committee meetings for any fiscal year will receive a \$1,000 bonus for that year. Directors who are not also officers or employees are entitled to receive stock awards under the 2007 Plan.

Formerly, the 2000 Director's Plan provided for automatic grants of nonqualified stock options to our directors who are not also employees or officers. The 2000 Director's Plan provided that, during the term of the 2000 Director's Plan, options were granted automatically to new non-employee directors upon their election. Each such option permitted the non-employee director to purchase 32,340 shares of Common Stock at an exercise price equal to the fair market value of the Common Stock on the date of grant of the option. Each year following adoption of the 2000 Director's Plan, on a date established by the Compensation Committee, during the term of the 2000 Director's Plan, options to purchase 3,234 shares of Common Stock were granted automatically to each non-employee director, if any, who is serving as a director on such date. On August 17, 2007, our shareholders approved the 2007 Equity Incentive Plan (the "2007 Plan"), which replaced all outstanding equity plans, including the 2000 Director's Plan. The 2007 Plan does

not provide for automatic grants of nonqualified stock options to our directors who are not also employees or officers. Each year following adoption of the 2007 Plan, the Compensation Committee, in its administration of the 2007 Plan, will make a determination if any awards to non-employee directors, including awards to non-employee directors upon their election, are to be made. On March 15, 2011, the Compensation Committee approved the issuance of 1,000 shares of unrestricted stock to each nonemployee director.

Director Compensation for Fiscal Year 2011

The following table sets forth information regarding compensation of our non-employee directors for fiscal year 2011, which consisted of cash compensation and stock option awards, including amounts associated with serving and/or chairing Board committees. Each of these components is described in more detail above.

Name	Fees		Total (\$)
	Earned or Paid in Cash (\$)	Stock Awards (1)(2) (\$)	
Lee N. Mortenson	\$14,000	\$ 9,470	\$23,470
Gerald A. Kien	\$ 7,000	\$ 9,470	\$16,470
Scott G. Capdevielle	\$ 5,750	\$ 9,470	\$15,220
Clyde Wm. Engle	\$ -0-	\$ 9,470	\$ 9,470

(1) On March 22, 2010, each director was granted 1,000 shares. As of February 28, 2011, the total number of outstanding options held by each director was as follows: Mr. Mortenson - 6,468 shares; Mr. Kien - 6,468 shares; Mr. Engle - 6,468 shares and Mr. Capdevielle - 0 shares.

(2) Represents the grant date fair value for stock awards granted during fiscal 2011 computed in accordance with the requirements of FASB ASC Topic 718, excluding any expected forfeiture rate. A summary of the assumptions we applied in calculating these amounts is set forth in the Notes to Financial Statements included in our Annual Report on Form 10-K for the fiscal year ended February 28, 2011.

CERTAIN RELATIONSHIPS AND RELATED PERSON TRANSACTIONS

Related Person Transactions

We had no transactions with related persons during fiscal year 2011 which are required to be disclosed pursuant to SEC rules.

Policies and Procedures for Approving Transactions with Related Persons

The independent members of the Board of Directors have the responsibility to review and approve related person transactions, either in advance or when we become aware of a related person transaction that was not reviewed and approved in advance; however, the Board of Directors has not adopted a written policy or procedures governing its approval of transactions with related persons.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

We have no knowledge that any person who was a director, named executive officer or 10% or more shareholder (a "Reporting Person") at any time during fiscal 2011 failed to file, or was late in filing, any required reports under Section 16(a) of the Securities Exchange Act of 1934, as amended. In making these disclosures, we have relied solely on written representations of our Reporting Persons, including certain written representations from our Reporting Persons that Form 5s were not required, and on the reports filed by such Reporting Persons with the Securities and Exchange Commission.

PROPOSAL 2. RATIFICATION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Ehrhardt Keefe Steiner & Hottman (EKS&H) has been appointed as our independent registered public accounting firm for the fiscal year ending February 28, 2012. EKS&H was our independent registered public accounting firm for the year ended February 28, 2011. Although we are not required to seek shareholder approval of this appointment, the Board of Directors believes it to be sound corporate governance to do so. If the appointment of EKS&H as our independent registered public accounting firm is not ratified, the Audit Committee will investigate the reasons for shareholder rejection and will reconsider the appointment. It is expected that representatives of EKS&H will be present at the Annual Meeting, and the representatives of EKS&H will have the opportunity to make any statement they desire and will be available to respond to appropriate questions at the Annual Meeting.

Recommendation of the Board of Directors

The Board of Directors unanimously recommends that the shareholders vote FOR the ratification of the appointment of EKS&H as our independent registered public accounting firm for the fiscal year ending February 28, 2012.

PRINCIPAL ACCOUNTANT AUDIT FEES AND SERVICES

For the fiscal years ended February 28, 2010 and February 28, 2011, EKS&H, our independent registered public accounting firm, billed the approximate fees as follows:

	2011	2010
Audit fees	\$ 94,393	\$ 97,131
Audit-related fees(1)	\$ 14,092	\$ 15,915
Tax fees(2)	\$ 34,631	\$ 29,842
All other fees	\$ 0	\$ 0

(1) Audit-related fees consist of assurance and related services that are reasonably related to the performance of the audit or review of the Company's financial statements. This category includes fees related to the performance of audits and attest services not required by statute or regulations, audits of the Company's benefit plans, and additional compliance procedures related to performance of the review or audit of the Company's financial statements, and accounting consultations about the application of GAAP to proposed transactions. These services support the evaluation of the effectiveness of internal controls.

(2) Tax fees consist of the aggregate fees billed for professional services rendered for tax compliance, tax advice, and tax planning services.

The Audit Committee is responsible for appointing, setting compensation for and overseeing the work of the independent auditor. The Audit Committee has established a policy regarding pre-approval of all audit and permissible non-audit services to be provided by the independent auditor. Such policy requires that all audit and permissible non-audit services to be provided by the independent auditor must be submitted to the Audit Committee for approval at a meeting of the Audit Committee or by unanimous written consent of the Audit Committee in lieu of a meeting. The Audit Committee has determined that the provision of the services listed above is compatible with maintaining the principal accountant's independence, and pre-approved all such services.
