### **Item 5.03 Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year**

On December 18, 2015, NovaBay Pharmaceuticals, Inc. (the “*Company*” or “*NovaBay*”) filed a Certificate of Amendment to the Company’s Amended and Restated Certificate of Incorporation, as amended (the “*Certificate of Incorporation*”) with the Secretary of State of the State of Delaware to effect a 1-for-25 reverse stock split of all outstanding common stock of the Company, effective immediately. The Certificate of Amendment is filed herewith as Exhibit 3.1. The filing of the Certificate of Amendment was pursuant to the authorization provided by the stockholders of NovaBay at the Company’s December 11, 2015 special stockholder meeting (the “*Special Meeting*”), which authorized the Board of Directors of the Company to effect a reverse stock split of all outstanding shares of NovaBay common stock at a specific ratio within a range from 1-for-15 to 1-for-25 at any time before January 31, 2016. On December 11, 2015, following the Special Meeting, the Board of Directors of the Company unanimously approved the Certificate of Amendment to the Certificate of Incorporation.

As a result of the reverse stock split, each twenty-five (25) shares of outstanding common stock will be combined into one (1) new share, with no change in authorized shares or par value per share, thereby reducing the number of shares of common stock outstanding from approximately 87,138,547 shares to approximately 3,485,541 shares (prior to rounding). Proportional adjustments will be made to the exercise prices of the Company’s outstanding warrants and stock options, and to the number of shares issued and issuable under the Company’s stock incentive plans. The reverse stock split will not affect any stockholder’s ownership percentage of the Company’s common stock, except to the limited extent that the reverse stock split would result in any stockholder owning a fractional share. The Company will not issue fractional certificates for post-reverse stock split shares in connection with the reverse stock split; rather, the Company will issue an additional share to all holders of fractional shares.

The Company’s trading symbol of “NBY” will not change as a result of the reverse stock split, although it is expected that the letter “D” will be appended to the Company’s ticker for approximately twenty (20) trading days following the effective date to indicate the completion of the reverse stock split. In addition, the common stock will trade under a new CUSIP number, 66987P201.
