PROXY STATEMENT

FOR ANNUAL MEETING OF SHAREHOLDERS

February 14, 2019

Your proxy in the enclosed form is solicited by the Board of Directors of the Company for use at the Annual Meeting of Shareholders to be held on February 14, 2019 at 10:00 a.m. Pacific Standard Time, at the DoubleTree by Hilton Hotel, Los Angeles Downtown, located at 120 South Los Angeles Street, Los Angeles, CA 90012, and at any adjournment thereof. Each properly executed proxy received prior to the Annual Meeting will be voted as directed, but, if not otherwise specified, proxies will be voted (1) for the election of the five nominees named in this Proxy Statement to the current five seats on the Board of Directors, (2) to approve the amendment to the Bylaws increasing the size of the Board of Directors, (3) for the election of the nominee named in this Proxy Statement to the newly created sixth seat on the Board of Directors if shareholders approve the amendment to the Bylaws, and (4) to ratify the appointment of Squar Milner LLP as the Company's independent registered public accounting firm for the current fiscal year. As to any other business which may properly come before the meeting and be submitted to a vote of shareholders, proxies received by the Board of Directors will be voted in accordance with the discretion of the holders thereof.

Each shareholder has the right to revoke such shareholder's proxy at any time before it is voted. A proxy may be revoked by filing with the Secretary of the Company at 915 E.1st Street, Los Angeles, California 90012, a written revocation or a properly executed proxy bearing a later date, or by voting in person.

The Company will bear the cost it contracts for in the solicitation of proxies. In addition to the use of the mail, proxies may be solicited by personal interview, telephone, fax or e-mail by officers, directors and other employees of the Company (none of whom will receive additional compensation therefor). The Company will also request persons, firms and corporations holding shares in their names, or in the names of their nominees, which are beneficially owned by others, to send or cause to be sent proxy materials to, and obtain proxies from, such beneficial owners, and, on request, will reimburse such holders for their reasonable expenses in so doing.

The close of business on December 21, 2018 has been fixed as the record date for the determination of shareholders entitled to notice of and to vote at the Annual Meeting and any adjournment thereof. The only voting securities of the Company are the 1,380,746 shares of Common Stock outstanding as of the record date. A majority of the Company's outstanding shares of Common Stock as of the record date must be represented in person or by proxy to constitute a quorum for the Annual Meeting. All shares represented in person or by proxy, regardless of the nature of the vote, the indication of abstention or the absence of a vote indication, including broker non-votes, will be counted to determine the number of shares represented at the meeting. This Proxy Statement and the enclosed form of proxy are first being mailed to shareholders on or about December 28, 2018.

ELECTION OF DIRECTORS

(Items 1 and 3 on the Proxy Card)

The Bylaws of the Company currently permit from three to five members on the Board of Directors. Presently, five directors serve on the Board. Item 2 on the Proxy Card is a proposal to amend the Bylaws to permit from three to seven members on the Board of Directors, and to set that number at six directors until such time as it may be changed within the new range in accordance with the Bylaws. All directors are elected annually and serve until the next annual meeting of shareholders and the election of their successors.

The independent members of the Board of Directors have nominated for election to the existing five seats on the Board of Directors the five nominees listed below. They have also nominated Mary Conlin for election to the new sixth seat on the Board of Directors if the amendment to the Bylaws is approved by shareholders. In each election of directors, shareholders have cumulative voting rights. This means that each shareholder has the right to cast a number of votes equal to such shareholder's number of shares of Common Stock multiplied by the number of directors to be elected, and to cast all of such votes for one nominee or distribute such votes among two or more nominees. The right to vote cumulatively is dependent on a shareholder's giving notice of such shareholder's intention to cumulate votes either to an officer of the Company in writing 48 hours before the meeting or by an announcement during the meeting before the voting for directors commences. Once such notice is given, all other shareholders entitled to vote at the meeting will be without further notice entitled to cumulate their votes. Unless otherwise instructed, the persons named in the accompanying form of Proxy will vote the proxies for the nominees listed below, reserving the right, however, to cumulate such votes and to distribute them among the nominees at their discretion. If cumulative voting is invoked, it is important to understand that Mary Conlin is not a nominee for one of the existing five seats on the Board of Directors. She is only a nominee for the new sixth seat, which will be created if the amendment to the Bylaws is approved by shareholders at the Annual Meeting.

Directors are elected by a plurality of the votes cast by the shares entitled to vote thereon. Abstentions are not counted as votes cast in favor of any nominee. Broker non-votes (which occur when a broker or nominee does not receive voting instructions from the beneficial owner and does not have discretion under applicable rules to direct the voting of the shares, such as in the election of directors) will not affect the outcome.

The Board of Directors of the Company does not contemplate that any of the following nominees will become unavailable prior to the meeting, but if any such persons should become unavailable, proxies will be voted for such other nominees as may be selected by the Company's independent directors.

Director Nominees for the Existing Five Seats

Qualifications and Skills: Mr. Guerin has approximately 50 years of experience in business, working with both private and public companies. The Company benefits immensely from that experience, as well as his financial expertise, which qualifies him as the Company’s “audit committee financial expert”.

Mr. Salzman was elected to the Board of Directors and became President of the Company in 1986. Mr. Salzman also acts as Chief Executive Officer, Chief Financial Officer, Treasurer and Assistant Secretary of the Company.

Gerald L. Salzman 79

Qualifications and Skills: Mr. Salzman offers the Company a unique broad range of skills, which together are invaluable. Few individuals would be capable of serving as the principal executive officer, principal financial officer and principal accounting officer of a public corporation. Having served the Company for more than 30 years, Mr. Salzman has a deep understanding of the Company’s businesses and their evolution over time.

Mr. Kaufman joined the Board of Directors in 2006. Mr. Kaufman is Chairman and Chief Executive Officer of Glenair, Inc., a privately held manufacturer of electrical and fiber optic components and assemblies for the aerospace industry. He has served in various capacities at that company since 1977.

Gary L. Wilcox 71

Qualifications and Skills: Dr. Wilcox has extensive experience building and growing start-up ventures into successful public companies. His guidance has been particularly helpful as the Company works to expand its case management software business. Dr. Wilcox has also served on other public company boards and has experience both as a CEO and as an operational executive.

Director Nominee for the New Sixth Seat

Below is certain information as of December 28, 2018 about the nominee for election to the new sixth seat on the Company's Board of Directors, which will be created if the amendment to the Bylaws is approved by shareholders at the Annual Meeting:

<u>Name</u>	<u>Age</u>	<u>Principal Occupation Last Five Years</u>
Mary Conlin	54	<p>Ms. Conlin is retired. She is the former Director and Head of Marketing & Corporate Communications for Pixar Animation Studios. Prior to Pixar, Ms. Conlin worked at Warner Bros. Pictures as Director of International Distribution and Director of Worldwide Promotions for the theatrical division. She started her career in advertising at Young & Rubicam.</p> <p>Qualifications and Skills: Ms. Conlin graduated from Harvard Business School, and has decades of experience in advertising, marketing and promotions. In joining the Board of Directors, she will add a valuable new perspective that can benefit both the Company's traditional publishing business and its case management software business.</p>

Proxies given without instructions will be voted FOR the nominees listed above.

CORPORATE GOVERNANCE

The Board of Directors has determined that Messrs. Guerin, Kaufman and Wilcox are “independent” in accordance with NASDAQ Listing Rule 5605(a)(2). Accordingly, a majority of the members of the Board of Directors are independent, as required by NASDAQ Listing Rule 5605(b)(1). The Board of Directors has also determined that Ms. Conlin is independent under the NASDAQ rule.

The Board of Directors has two standing committees: the audit committee and the compensation committee, both consisting of Messrs. Guerin, Kaufman and Wilcox. (If Ms. Conlin is elected to the Board of Directors, she is expected to join both the audit committee and the compensation committee.) During the fiscal year ended September 30, 2018, the Board of Directors held three meetings. The audit committee held three meetings and the compensation committee held one meeting during the fiscal year. Each director attended all of the meetings of the Board and any committee of which he was a member. The Company does not require its directors to attend the Annual Meetings of Shareholders, but all of the Company’s directors attended the 2018 Annual Meeting.

Audit Committee

The audit committee was established in accordance with Section 3(a)(58)(A) of the Securities Exchange Act of 1934 (the “Exchange Act”) and is responsible for assisting the Board in fulfilling its responsibilities as they relate to the Company’s accounting policies, internal controls, and financial reporting practices. The audit committee operates in accordance with a written charter that is not available on the Company’s website but was previously attached as Appendix A to the Company’s proxy statement dated December 29, 2016. The Board of Directors has determined that Mr. Guerin is an “audit committee financial expert,” as that term is used in Item 407 of Regulation S-K promulgated under the Exchange Act. The Board of Directors has also determined that Mr. Guerin is independent even though he falls outside the “safe harbor” definition set forth in Rule 10A-3(e)(1)(ii) under the Exchange Act because he owns in excess of 10% of the Company’s common stock. Among other things, the Board considered Mr. Guerin’s history of service and the percentage of common stock held by others, and it determined that he is not an “affiliated person” of the Company who would be ineligible to serve on the audit committee. The Board of Directors believes that each of Messrs. Guerin, Kaufman and Wilcox is independent under NASDAQ Listing Rule 5605(a)(2), meets the criteria for independence set forth in Rule 10A-3 under the Exchange Act and satisfies the other audit committee membership requirements specified in NASDAQ Listing Rule 5605(c)(2)(A).

Compensation Committee

The compensation committee is responsible for determining the compensation of the Company’s Chief Executive Officer and all of its other executive officers, if any. As required by NASDAQ Listing Rules, the compensation

committee operates under a written charter that is not available on the Company's website but was previously attached as Appendix B to the Company's proxy statement dated December 29, 2016. The Company's only executive officer, Gerald L. Salzman, does not determine or recommend the amount or form of his compensation or of any director's compensation. The compensation committee relies on its own good judgment in carrying out its duties and does not waste shareholder money on compensation consultants. The compensation committee may form and delegate authority to subcommittees as it deems appropriate.

Nominations

There is no standing nominating committee, but the Company's independent directors are responsible for selecting nominees for election to the Board of Directors. The Company believes that its independent directors are able to fully consider and select appropriate nominees for election to the Board without operating as a formal committee or pursuant to a written charter. For this same reason, the Company does not have a formal policy by which its shareholders may recommend director candidates, but the independent directors will certainly consider candidates recommended by shareholders. A shareholder wishing to submit such a recommendation should send a letter to the Secretary of the Company at 915 E. 1st Street, Los Angeles, California 90012. The mailing envelope must contain a clear notation indicating that the enclosed letter is a "Director Nominee Recommendation." The letter must identify the author as a shareholder and provide a brief summary of the candidate's qualifications, as well as contact information for both the candidate and the shareholder. At a minimum, candidates for election to the Board must meet the independence requirements of NASDAQ Listing Rule 5605(a)(2) and Rule 10A-3 under the Exchange Act. Candidates should also have relevant business and financial experience, and they must be able to read and understand fundamental financial statements. Candidates recommended by shareholders will be evaluated in the same manner as candidates recommended by anyone else, although the independent directors may prefer candidates who are personally known to the existing directors and whose reputations are highly regarded. The independent directors will consider all relevant qualifications as well as the needs of the Company in terms of compliance with NASDAQ listing standards and Securities and Exchange Commission rules.

Board Leadership Structure and Role in Risk Oversight

Separate individuals currently hold the positions of Chairman and Chief Executive Officer, and Mr. Munger, who serves as Chairman, is not an employee. As Chairman, Mr. Munger leads the Board of Directors and coordinates the Board's activities, including the setting of relevant agenda items for Board meetings (in consultation with Mr. Salzman, the Chief Executive Officer). The Company believes this structure provides an appropriate allocation of leadership responsibilities and an effective way for the Board to carry out its obligations on behalf of shareholders.

The full Board of Directors is responsible for managing the material risks facing the Company. Certain oversight responsibilities that touch on the risks facing the Company have been delegated to the audit committee and compensation committee in the ordinary course, but Mr. Salzman reports to the full Board, and the full Board participates in the discussion and management of any material risks. On an annual basis, and more frequently as deemed appropriate, the Board evaluates with Mr. Salzman the overall risks facing the Company, including risks to its business and to its internal operations, as well as possible actions that may be taken to address those risks. As described later in this Proxy Statement, the Company has designed its executive compensation program to align the interests of Mr. Salzman with those of the shareholders, and the Company does not believe that its executive compensation arrangements, plans, programs and policies are likely to pose a material risk or otherwise have a material adverse effect on the Company.

Shareholder Communication with the Board of Directors

Shareholders who wish to communicate with the Board of Directors or with a particular director may send a letter to the Secretary of the Company at 915 E. 1st Street, Los Angeles, California 90012. The mailing envelope must contain a clear notation indicating that the enclosed letter is a "Shareholder-Board Communication" or "Shareholder-Director Communication." All such letters must identify the author as a shareholder and clearly state whether the intended recipients are all members of the Board or just certain specified individual directors. The Secretary will make copies of all such letters and circulate them to the appropriate director or directors.

Code of Ethics

The Company has adopted a Code of Ethics that applies to all directors, officers and employees of the Company. The Code of Ethics was attached as an exhibit to the Company's annual report on Form 10-K for the fiscal year ended September 30, 2014.

Related Person Transactions

In accordance with the audit committee's written charter, any related person transaction that the Company would be required to disclose pursuant to Item 404(a) of Regulation S-K must be reviewed and approved by the audit committee. The audit committee also reviews and approves certain other transactions between the Company and related persons or their family members, including the employment or engagement by the Company of any family members. The audit committee will approve transactions that it believes are in the best interests of shareholders using its judgment and based on the facts and circumstances of each situation.

Compensation Committee Interlocks and Insider Participation

All members of the compensation committee served throughout fiscal 2018, and no member was part of a "compensation committee interlock" as defined in the Securities and Exchange Commission rules. In addition, Mr. Salzman, our only executive officer, did not serve as a director or member of the compensation committee of another entity that would constitute a compensation committee interlock.

EXECUTIVE COMPENSATION*Summary Compensation Table*

The following table sets forth compensation paid by the Company during the last three fiscal years to Gerald L. Salzman, who is the only executive officer of the Company.

Summary Compensation Table**Annual Executive Compensation in Fiscal 2016 – 2018**

	Fiscal Year	Salary	Bonus	Non-Equity	
				Incentive Plan Compensation(1)	Total
Gerald L. Salzman	2018	\$250,000	\$400,000	\$ ---	\$650,000
Chief Executive Officer, President,	2017	250,000	400,000	---	650,000
Chief Financial Officer, Chief Accounting Officer, Treasurer and Assistant Secretary	2016	250,000	400,000	---	650,000

(1) No amounts were paid pursuant to the Company's Management Incentive Plan. Mr. Salzman has received certificates entitling him to a designated share (currently 8.2%) of the Company's income before taxes and certain other items on a consolidated basis. In fiscal 2017, Mr. Salzman received a certificate entitling him to 1.39 % of such earnings for the current and the next nine years. (The 1.39% awarded in fiscal 2017 replaced an earlier awarded certificate which expired in fiscal 2018.) Mr. Salzman's 2017 certificate resulted in a payment of \$0 for fiscal 2018.

Compensation Discussion and Analysis

The compensation for Mr. Salzman consists of three elements: base salary, year-end bonus and participation in the Management Incentive Plan. Salary and bonus payments are primarily designed to reward current and past performance, while awards granted pursuant to the Management Incentive Plan are aimed at providing incentives for long-term future profitability of the Company. In determining the amount and form of compensation to be paid or awarded in 2018, the compensation committee considered the Company's overall performance over a period of years, rather than constructing a guideline or formula based on any particular performance measured in a single year. The compensation committee also recognized that Mr. Salzman serves in several executive capacities. Mr. Salzman

currently serves as the Company's chief executive officer, president, chief financial officer, chief accounting officer, treasurer and assistant secretary. In addition, the compensation committee considered the results of the advisory vote held at the Company's 2018 Annual Meeting, in which a vast majority of shareholders approved the Company's executive compensation program, in deciding to maintain the company's executive compensation program on substantially the same terms as the past several years.

Mr. Salzman's base salary remained \$250,000, or the same as the amounts paid in each fiscal year since 1992. The compensation committee believes that the amounts of base salary (which will be continued at the same level for fiscal 2019) have been warranted by the Company's financial performance, and by Mr. Salzman's personal performance. While the compensation committee did not undertake a comparison of Mr. Salzman's compensation to amounts paid by other companies to their chief executive officers, the committee members did utilize in their determination of Mr. Salzman's compensation their collective current and past experience as directors and executive officers of numerous companies, and their subjective judgments about the performance of the Company and Mr. Salzman in light of the highly competitive market conditions in the publishing and case management software businesses.

Mr. Salzman's bonus in each of fiscal 2018, 2017 and 2016 was \$400,000. The non-equity incentive plan compensation column in the Summary Compensation Table above reflects no supplemental compensation payouts to Mr. Salzman under the Management Incentive Plan based on the Company's earnings before taxes, workers' compensation expenses, supplemental compensation expenses, realized gains or losses on investments and any write-downs of unrealized losses on investments.

The Company has no stock option plans, retirement plans, deferred compensation plans, disability insurance programs or traditional perquisites (other than health insurance and a life insurance policy, which are offered to all full-time employees). It instead maintains the Management Incentive Plan, which is designed to link compensation to the performance of the Company by granting to Mr. Salzman and other participants a percentage of income before taxes and certain other items in the current year and each of the next nine years subsequent to the grant, provided they continue working for the Company or are retired (and not competing with any of the Company's businesses) and have worked for the Company until age 65. If a participant dies while any of his or her certificates remain outstanding, future payments under those certificates will be made to the deceased participant's beneficiaries. As of September 30, 2018, the Management Incentive Plan had three different kinds of certificates entitling participants to a share of the Company's earnings related to their core responsibilities. Participants who work in the Company's traditional publishing business were eligible to receive "Daily Journal Non-Consolidated Certificates," while those working for Journal Technologies, Inc. were eligible to receive "Journal Technologies Certificates." Mr. Salzman and other participants, if any, with responsibilities for the entire business were eligible to receive "Daily Journal Consolidated Certificates."

Payouts under the Journal Technologies Certificates are calculated based on the pre-tax income of Journal Technologies before supplemental compensation expenses, workers' compensation expenses, intangible amortizations and goodwill impairment, and accrued interest and penalty for uncertain and unrecognized tax positions. The Journal Technologies Certificates also have an addendum which defines how the value of the Certificate will be paid upon a triggering event such as a sale of Journal Technologies or an initial public offering. The calculation of payouts under the Daily Journal Non-Consolidated Certificates is based on the pre-tax earnings of the traditional publishing business before supplemental compensation expenses, workers' compensation expenses, financing costs of the non-traditional business activities, intangible amortizations, realized gains or losses on investments and any write-downs of unrealized losses on investments. The calculation of payouts under the Daily Journal Consolidated Certificates is based on the pre-tax earnings of the Company as a whole before taxes, workers' compensation expenses, supplemental compensation expenses, realized gains or losses on investments and any write-downs of unrealized losses on investments. (In fiscal 2019, the payouts for the Management Incentive Plan are being amended to reflect a change in accounting guidance which requires recognitions of unrealized gains and losses arising from changes in market values of marketable securities in the consolidated statement of earnings effective fiscal 2019.)

The compensation committee recognizes that a significant portion of the compensation paid pursuant to the Management Incentive Plan relates to certificates earned under the Plan in prior years, with future payments entirely dependent on earnings. Certificates are awarded annually on the basis of participant performance. The aggregate supplemental compensation awarded under the Management Incentive Plan to all participants in fiscal 2018 was \$367,400. That compares to an aggregate of \$268,250 awarded under the plan in fiscal 2017 and \$271,350 in 2016. Mr. Salzman did not receive any payment pursuant to his Certificates for fiscal 2018, 2017 and 2016 because the Company as a whole did not have positive pre-tax earnings for the year, as calculated under the Daily Journal Consolidated Certificates, which are the only certificates held by Mr. Salzman.

The compensation committee believes the Management Incentive Plan is preferable to a conventional stock option plan. As a mechanism for compensation, a stock option plan is capricious, as individuals awarded options in a particular year would ultimately receive too much or too little compensation for reasons unrelated to their

performance. Such variations could cause undesirable effects, as participants receive different results for options awarded in different years. In addition, a conventional stock option plan would fail to properly weigh the disadvantage to shareholders through dilution. The Management Incentive Plan was implemented in combination with repurchases of the Company's stock to reduce the dilution to earnings per share caused by grants under the Management Incentive Plan. At September 30, 2018, 110,000 units for Daily Journal Non-Consolidated Certificates, 261,500 units for Journal Technologies Certificates and 148,000 units for Daily Journal Consolidated Certificates were outstanding under the Management Incentive Plan, while 424,307 shares of the Company's common stock have been repurchased since the commencement of the Management Incentive Plan.

Grants of Plan-Based Awards during Fiscal 2018

Name	Grant Date	Type of Award	Award Description	Estimated Possible Payouts Under		
				Non-Equity Incentive Plan Awards (a) Threshold	Target	Maximum
Mr. Salzman	9/12/2018	MIP Units	1.11% of pre-tax earnings	---	---	---

(a) There are no threshold, target or maximum amounts, because the actual amount earned by Mr. Salzman will depend on the actual pre-tax earnings of the Company in a given year.

Certificates awarded to Mr. Salzman in earlier years of the Management Incentive Plan began to expire after fiscal 1998, and those certificates expiring in fiscal 2018 were for 1.39% of the pre-tax earnings of the Company after the last payout of \$0 in fiscal 2018. These expired certificates in fiscal 2018 were replaced by the certificates of 1.39% granted in fiscal 2017. After considering the amount of the certificates previously granted to Mr. Salzman, the compensation committee granted Mr. Salzman in fiscal 2018 a certificate that entitles him to receive 1.11% of the pre-tax earnings of the Company in 2019 and each of the next nine years, subject to the discretion of the committee to reduce that percentage prior to the first payout in 2019. This essentially replaces an identical award expiring in 2019 and maintains Mr. Salzman's interest in the earnings of the Company at 8.2%.

The compensation committee will continue to examine the appropriate amount of future grants to Mr. Salzman in light of the Company's financial performance and the expiration, or expected expiration, of the certificates Mr. Salzman currently holds. Absent substantial changes in Mr. Salzman's performance or the performance of the Company, the compensation committee's working assumption is that it will make future grants that maintain Mr. Salzman's interest in the pre-tax earnings of the Company at approximately 8.2%.

Mr. Salzman does not have an employment contract with the Company, nor is he otherwise entitled to any sort of special payment in connection with his termination or a change in control of the Company.

Pay Ratio

As required pursuant to Item 404(u) of Regulation S-K promulgated under the Exchange Act, the Company has calculated the ratio of the median annual total compensation of all Company employees in fiscal 2018 to the total annual compensation of the Company's chief executive officer. The Company included in its calculation each employee's base salary (annualized for employees with less than 12 months of service), bonuses, overtime and any amounts paid pursuant to the Management Incentive Plan with respect to fiscal 2018. The Company used September 30, 2018 as its measurement date. Total compensation for Mr. Salzman, which was \$650,000 in fiscal 2018, was determined to be approximately 8.78 times the median annual compensation for all of the Company's other employees in fiscal 2018, which was approximately \$74,000. For purposes of this calculation, the Company had 368 employees at September 30, 2018, not including Mr. Salzman who is the President, Chief Executive Officer, Chief Financial Officer, Treasurer and Assistant Secretary.

Compensation of Directors

Messrs. Munger, Guerin and Salzman receive no fees for serving on the Company's Board of Directors. The other directors each receive a yearly stipend of \$5,000. The Company also reimburses directors for travel and other expenses incident to service, but it provides no other compensation or perquisites. Non-employee director compensation for 2018 is summarized in the following table:

Non-Employee Director Compensation

<u>Name</u>	Fees earned or paid in cash	All other compensation	Total
Charles T. Munger	\$0	\$ 0	\$0
J.P. Guerin	0	0	0
Peter D. Kaufman	5,000	0	5,000

AMENDMENT TO THE COMPANY'S BYLAWS

TO INCREASE THE SIZE OF THE BOARD OF DIRECTORS

(Item 2 on the Proxy Card)

The Company is asking shareholders to approve an amendment to the Company's Bylaws to increase the size of the Board of Directors. The amendment accomplishes this by (i) increasing the permissible range of the size of the Board of Directors, which is now between three and five directors, to between three and seven directors; and (ii) setting the number of directors at six until such time as it may be changed within the new range by resolution of the Board of Directors in accordance with the Bylaws.

The Company would like to increase the size of the Board of Directors to benefit from the talented contributions of a sixth member. This will also allow the Company to satisfy a new obligation under California law to have at least one woman serving on the Board of Directors, without requiring one of the existing five directors to resign. Increasing the upper end of the range to seven members will also provide the Board of Directors with the flexibility to add another member if an exceptional candidate is identified, without again needing to seek shareholder approval of an amendment to the Bylaws.

The shareholders are being asked to approve the following amendment to Article III, Section 2 of the Company's Bylaws. If approved, such Section shall read as follows:

Number of Directors. The authorized number of directors shall not be less than three (3) nor more than seven (7), until changed by amendment of the articles of incorporation or these bylaws. The exact number of directors shall be fixed, within the limits specified, by resolution duly adopted by the Board of Directors. Until changed by resolution duly adopted by the Board of Directors, the exact number of directors shall be six (6).

Approval of the amendment to the Company's Bylaws will require votes in favor of the amendment from holders of a majority of the outstanding shares entitled to vote. Abstentions and broker non-votes are the equivalent of "against" votes. A marked version of the proposed amendment compared to the existing language of Article III, section 2 of the Company's Bylaws is attached as Annex A to this Proxy statement.

Proxies given without instructions will be voted FOR approval of the amendment to the Company's Bylaws.

**RATIFICATION OF APPOINTMENT OF THE COMPANY'S
INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

(Item 4 on the Proxy Card)

The audit committee of the Board of Directors has selected Squar Milner LLP (“Squar Milner”) to serve as the Company’s independent registered public accounting firm for fiscal 2018. A representative of Squar Milner is expected to be present at the Annual Meeting to make such statements as Squar Milner may desire and to answer appropriate questions from shareholders.

Ratification of the appointment of Squar Milner as the Company’s independent registered public accounting firm for the current fiscal year will require that the votes cast in favor of ratification exceed the votes cast against ratification. Abstentions have no effect on the outcome. Brokers and other nominees have the discretion under applicable rules to vote on the ratification of Squar Milner when they have not received voting instructions from the beneficial owner on a timely basis.

If Squar Milner’s appointment is not ratified, the audit committee will consider whether to retain Squar Milner, but still may retain the firm. Even if the appointment is ratified, the audit committee, in its discretion, may change the appointment of the Company’s independent registered public accounting firm at any time during the year if it determines that such a change would be in the Company’s best interest.

Proxies given without instructions will be voted FOR ratification of Squar Milner as the Company’s independent accountants.

OTHER MATTERS REGARDING

THE INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Audit Fees

Squar Milner billed aggregate fees of approximately \$285,000 for professional services rendered for audits of the Company's fiscal 2018 financial statements and its internal control over financial reporting, and for the three quarterly reviews of the financial statements included in the Company's Forms 10-Q for fiscal 2018. Squar Milner billed aggregate fees of approximately \$285,000 for the same services in fiscal 2017.

Audit-Related Fees

"Audit-related fees" include fees billed for assurance and related services that are reasonably related to the performance of the audit and not included in the "audit fees" mentioned above. There were no such fees billed by Squar Milner in fiscal 2018 and 2017.

Tax Fees

There were no fees billed by Squar Milner in either fiscal 2018 or 2017 for tax compliance, tax advice or tax planning. The Company's tax services are performed by a separate outside accounting firm.

All Other Fees

The "audit fees" mentioned above are the only fees billed by Squar Milner in fiscal 2018 and 2017.

Pre-Approval Policy

Pursuant to the rules and regulations of the Securities and Exchange Commission, before the Company's independent registered public accounting firm is engaged to render audit or non-audit services, the engagement must be approved by the Company's audit committee or entered into pursuant to a pre-approval policy. The audit committee has adopted a pre-approval policy, and it was previously attached as Appendix C to the Company's proxy statement dated December 29, 2016.

The policy requires the audit committee to specifically pre-approve each service that the Company's independent auditor provides to the Company (including audit services, tax services and other services), with the exception of certain audit-related services that do not impair the firm's independence. Generally, pre-approval under the policy is provided for a period of 12 months and relates to a particular category or group of services. Pre-approval fee levels for all services are also established periodically by the audit committee. To ensure prompt handling of unexpected matters, the chair of the audit committee has been delegated authority under the policy to amend or modify any pre-approved non-audit services and fees, with any such action to be reported to the full committee at its next scheduled meeting. The audit committee does not delegate its responsibilities to pre-approve services performed by the independent auditor to management or to the Board generally. The policy also contains a list of non-audit services which the Company's independent auditor is prohibited from providing if the results of those services would be subject to audit procedures during the audit of the Company's financial statements.

The audit committee pre-approved all services provided by Squar Milner during fiscal 2018.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires the Company's directors and its executive officer and all persons who own more than 10% of a registered class of the Company's equity securities, to file reports of ownership and changes in ownership with the Securities and Exchange Commission. The directors, executive officer and greater than 10% shareholders are required to furnish the Company with copies of all Section 16(a) forms they file. Based solely on a review of the copies of such forms received by the Company and written representations from certain reporting persons, the Company believes that during fiscal 2018 all filing requirements were timely satisfied, except that J.P. Guerin filed four late Forms 4 with respect to four different transactions in June 2018.

OTHER MATTERS

Other Business

The Board of Directors does not know of any matter to be presented at the Annual Meeting which is not listed in the notice of Annual Meeting and discussed above. If other matters should come before the meeting, however, the persons named in the form of proxy will vote in accordance with their best judgment.

Cost of Solicitation

The solicitation of proxies for the Annual Meeting will be made primarily by mail. The Company may reimburse persons holding shares in their names as custodians, nominees, or fiduciaries for expenses they may incur in obtaining instructions from beneficial owners of such shares.

Proposals of Security Holders

It is expected that the Company's 2020 Annual Meeting will be held on or about February 12, 2020. Shareholders desiring to submit proposals for action at that meeting will be required to submit them to the Company on or before August 30, 2019. Any such shareholder proposal must also be proper in form and substance, as determined in accordance with the Securities Exchange Act of 1934 and the rules and regulations promulgated thereunder.

Shareholders intending to present proposals from the floor of the 2019 Annual Meeting in compliance with Rule 14a-4 promulgated under the Securities Exchange Act of 1934, must notify the Company of such intentions before November 13, 2019. After such date, the Company's proxy in connection with the 2020 Annual Meeting will confer discretionary authority on the Board to vote on any such proposals.

Enclosed with this Proxy Statement is the Annual Report of the Company for the year ended September 30, 2018.
