The shares may be repurchased in order to develop the capital structure of the Company, finance or carry out acquisitions or other arrangements, settle the Company's equity-based incentive plans, be transferred for other purposes, or be cancelled. The shares may be repurchased either a) through a tender offer made to all the shareholders on equal terms; or b) through public trading by repurchasing the shares in another proportion than that of the current shareholders. It is proposed that the authorization be effective until 30 JUN 2011 and terminate the corresponding authorization granted by the AGM on 23 APR 2009. Mgmt For
17. Authorize the Board of Directors to resolve on the issuance of shares and special rights entitling to shares. The Board proposes that the AGM authorizes the Board to resolve to issue a maximum of 740 million shares during the validity period of the authorization through issuance of shares or special rights entitling to shares [including stock options] under Chapter 10, Section 1 of the Finnish Companies Act in 1 or more issues. The Board proposes that the authorization may be used to develop the Company's capital structure, diversify the shareholder base, finance or carry out acquisitions or other arrangements, settle the Company's equity-based incentive plans, or for other purposes resolved by the Board. It is proposed that the authorization include the right for the Board to resolve on all the terms and conditions of the issuance of shares and such special rights, including to whom shares or special rights may be issued as well as the consideration to be paid. The authorization thereby includes the right to deviate from the shareholders' pre-emptive rights within the limits set by law. It is proposed that the authorization be effective until 30 JUN 2013 and terminate the corresponding authorization granted by the AGM on 03 MAY 2007. Mgmt Against
