Dear Shareholders:

You are cordially invited to attend the 2008 annual meeting of the shareholders of China Direct, Inc. on Friday, May 29, 2009, at 1:00 p.m., Eastern Standard Time, at the Hilton Hotel at 100 Fairway Drive, Deerfield Beach, Florida, 33441-1856. Matters on which action will be taken at the meeting are explained in detail in the attached Notice and Proxy Statement.

As a result of rules recently adopted by the U.S. Securities and Exchange Commission, we are pleased to be furnishing our proxy materials through a “notice and access” model. Instead of mailing printed copies to each shareholder, on or about April 17, 2009 we mailed a Notice of Internet Availability which contained instructions on how to access your proxy materials through the Internet, how each shareholder can receive a paper copy of proxy materials, including our Proxy Statement, our Annual Report and a form of proxy card, and how to access your proxy card to vote through the Internet or by telephone. We believe this new process will expedite your receipt of proxy materials, lower the cost of the annual meeting, and help to conserve natural resources.

We sincerely hope that you will be able to attend the meeting in person, and we look forward to seeing you. Whether or not you expect to be present, please promptly vote as your vote is important. Instructions regarding the various methods of voting are contained on the proxy card, including voting by toll-free telephone number or the Internet. If you attend the annual meeting, you may revoke your proxy and vote your own shares.

Sincerely,

China Direct, Inc.

Yuejian (James) Wang, Ph.D.
Chairman of the Board,
Chief Executive Officer and President

PROXY STATEMENT

FOR

ANNUAL MEETING OF SHAREHOLDERS
GENERAL

The enclosed proxy is solicited on behalf of the board of directors of China Direct, Inc. for use at our annual meeting of shareholders to be held on Friday, May 29, 2009 at 1:00 PM, Eastern Standard Time, and at any adjournments thereof. The annual meeting will be held at the Hilton Hotel in Deerfield Beach, Florida located at 100 Fairway Drive, Deerfield Beach, Florida, 33441-1856. Voting materials, including this proxy statement, the proxy card and our 2008 Form 10-K, are being made available to all of our shareholders on or about April 17, 2009.

QUESTIONS AND ANSWERS

Following are some commonly asked questions raised by our shareholders and answers to each of those questions.

What may I vote on at the annual meeting?

At the annual meeting, shareholders will consider and vote upon the following matters:

- to elect a board of directors consisting of five members;
- to ratify the appointment of Sherb & Co., LLP as our independent registered public accounting firm;
- to approve an amendment to our articles of incorporation to change our name from China Direct, Inc. to China Direct Industries, Inc. or such other name as the board of directors may elect; and
- such other matters as may properly come before the annual meeting or any adjournments thereof

How does the board of directors recommend that I vote on the proposals?

The board of directors recommends a vote “FOR” each of the nominees to the board of directors, “FOR” the proposal ratifying the appointment of Sherb & Co., LLP, and “FOR” the proposal approving an amendment to our articles of incorporation to change our name from China Direct, Inc. to China Direct Industries, Inc. or such other name as the board of directors may elect.

Why did I receive a one-page notice in the mail regarding the Internet availability of proxy materials this year instead of a full set of proxy materials?

In accordance with rules recently adopted by the U.S. Securities and Exchange Commission (SEC), rather than mailing a printed copy of our proxy materials to each shareholder of record, we may now send each of our shareholders a Notice of Internet Availability of Proxy Materials (Notice), which indicates how our shareholders may:

Edgar Filing: China Direct, Inc. - Form DEF 14A

- access their proxy materials over the Internet;
- make a one-time request to receive a printed set of proxy materials by mail; or
- make a permanent election to receive all of their proxy materials in printed form by mail or electronically by e-mail.

The Notice will also include your control number and instructions for voting your proxy over the Internet. If you no longer have your Notice and need to obtain your control number, you may contact us at 1-866-752-8683.

- 1 -

How can I get electronic access to the proxy materials?

The Notice provides you with instructions regarding how to:

- view our proxy materials for the annual meeting over the Internet; and
- instruct us to send our future proxy materials to you electronically by e-mail instead of sending you printed copies by mail.

Choosing to receive your future proxy materials by email will save us the cost of printing and mailing documents to you and will reduce the impact of our annual meetings of shareholders on the environment. If you choose to receive future proxy materials by email, you will receive an email next year with instructions containing a link to those materials and a link to the proxy voting site. Your election to receive proxy materials by email will remain in effect until you terminate it. Our Annual Report for the year ended December 31, 2008 on Form 10-K accompanies these proxy materials but is not considered part of the proxy soliciting materials.

How do I vote?

You can vote either in person at the annual meeting or by proxy, by telephone, by fax or over the Internet whether or not you attend the annual meeting. To obtain directions to attend the annual meeting and vote in person, please call (954) 363-7333. If your shares are registered directly in your name with our transfer agent, Computershare Trust Co., Inc., you are considered the shareholder of record with respect to those shares and we are sending a Notice of Internet Availability of Proxy Materials (Notice) directly to you. As the shareholder of record, you have the right to vote in person at the annual meeting. If you choose to do so, you can bring the proxy card that is part of this proxy statement or vote at the annual meeting using the ballot provided at the meeting. Even if you plan to attend the annual meeting in person, we recommend that you vote your shares in advance as described below so that your vote will be counted if you later decide not to attend the annual meeting in person.

Most of our shareholders hold their shares in street name through a stockbroker, bank or other nominee rather than directly in their own name. In that case, you are considered the beneficial owner of shares held in street name, and the Notice is being forwarded to you. As the beneficial owner, you are also invited to attend the annual meeting. Because a beneficial owner is not the shareholder of record, you may not vote these shares in person at the annual meeting unless you obtain a "legal proxy" from the stockbroker, trustee or nominee that holds your shares, giving you the right to vote the shares at the meeting. You will need to contact your stockbroker, trustee or nominee to obtain a legal proxy, and you will need to bring it to the annual meeting in order to vote in person.

You can vote by proxy in four ways:

- by mail – If you received your proxy materials by mail, you can vote by mail by using the enclosed proxy card;
- by telephone – In the United States and Canada, you can vote by telephone by following the instructions on the Notice to access the proxy materials or on your proxy card if you received your materials by mail;
- by Internet – You can vote by Internet by following the instructions on the Notice to access the proxy materials or on your proxy card if you received your materials by mail; and
- By Fax – 212-521-3464

If you vote by proxy, your shares will be voted at the annual meeting in the manner you indicate.

Edgar Filing: China Direct, Inc. - Form DEF 14A

The internet, telephone and fax voting system for shareholders of record will close at 11:59 p.m., Eastern Standard Time, on May 28, 2009. Please refer to the proxy card for details on all methods of voting.

What happens if additional matters are presented at the annual meeting?

Other than the election of directors, the ratification of the appointment of our auditor and the approval of an amendment to our articles of incorporation changing our corporate name, we are not aware of any other business to be acted upon at the annual meeting. If you grant a proxy, the person named as proxy holder, Mr. Lazarus Rothstein, our Executive Vice President, General Counsel and Corporate Secretary, will have the discretion to vote your shares on any additional matters properly presented for a vote at the annual meeting.

What happens if I do not give specific voting instructions?

If you hold shares in your name, and you sign and return a proxy card without giving specific voting instructions, your shares will be voted as recommended by our board of directors on all matters and as the proxy holder may determine in his discretion with respect to any other matters properly presented for a vote before the annual meeting. If you hold your shares through a stockbroker, bank or other nominee and you do not provide instructions on how to vote, your stockbroker or other nominee may exercise their discretionary voting power with respect to the election of our directors and the ratification of the appointment of Sherb & Co., LLP as our independent registered public accounting firm.

What is the quorum requirement for the annual meeting?

On April 1, 2009, the Record Date for determining which shareholders are entitled to vote, there were 23,460,432 shares of our common stock outstanding which is our only class of voting securities. Each share of common stock entitles the holder to one vote on matters submitted to a vote of our shareholders. A majority of our outstanding common shares as of the Record Date must be present at the annual meeting (in person or represented by proxy) in order to hold the meeting and conduct business. This is called a quorum. Your shares will be counted for purposes of determining if there is a quorum, even if you wish to abstain from voting on some or all matters introduced at the annual meeting, if you are present and vote in person at the meeting or have properly submitted a proxy card or voted by telephone or by using the Internet.

How can I change my vote after I return my proxy card?

You may revoke your proxy and change your vote at any time before the final vote at the annual meeting. You may do this by signing a new proxy card with a later date, by voting on a later date by using the Internet (only your latest Internet proxy submitted prior to the annual meeting will be counted), or by attending the annual meeting and voting in person. However, your attendance at the annual meeting will not automatically revoke your proxy unless you vote at the annual meeting or specifically request in writing that your prior proxy be revoked.

Is my vote confidential?

Proxy instructions, ballots and voting tabulations that identify individual shareholders are handled in a manner that protects your voting privacy. Your vote will not be disclosed either within our company or to third parties, except:

- as necessary to meet applicable legal requirements;
- to allow for the tabulation of votes and certification of the vote; and
- to facilitate a successful proxy solicitation.

Any written comments that a shareholder might include on the proxy card will be forwarded to our management.

Where can I find the voting results of the annual meeting?

The preliminary voting results will be announced at the annual meeting. The final voting results will be tallied by our transfer agent and Inspector of Elections and published in our quarterly report on Form 10-Q for the quarter ended June 30, 2009. We will also make the results available on our website, which is www.cdii.net. We will identify a link to the results on the Investor Relations page of our website.

How can I obtain a separate set of voting materials?

To reduce the expense of delivering duplicate voting materials to our shareholders who may have more than one China Direct stock account, we are delivering only one Notice of Internet Availability of Proxy Materials (Notice) to certain shareholders who share an address, unless otherwise requested. If you share an address with another shareholder and have received only one Notice, you may write or call us to request to receive a separate Notice. Similarly, if you share an address with another shareholder and have received multiple copies of the Notice, you may write or call us at the address and phone number below to request delivery of a single copy of this Notice. For future annual meetings, you may request separate Notices, or request that we send only one Notice to you if you are receiving multiple copies, by writing or calling us at:

Who pays for the cost of this proxy solicitation?

We will pay the costs of the solicitation of proxies. We may also reimburse brokerage firms and other persons representing beneficial owners of shares for expenses incurred in forwarding the voting materials to their customers who are beneficial owners and obtaining their voting instructions. In addition to soliciting proxies by mail, our board members, officers, and employees may solicit proxies on our behalf, without additional compensation, personally or by telephone.

- 3 -

How can I obtain a copy of China Direct's 2008 Form 10-K?

You may obtain a copy of our Form 10-K for the year ended December 31, 2008 by sending a written request to the address listed above under "How can I obtain a separate set of voting materials?". We will furnish the Form 10-K without exhibits at no charge. If you prefer a copy of the 2008 Form 10-K including exhibits, you will be charged a fee (which will be limited to our reasonable expenses in furnishing such exhibits). Our 2008 Form 10-K is available in PDF format from the Investor Relations page of our website at www.cdii.net and our Form 10-K with exhibits is available on the website of the U.S. Securities and Exchange Commission at www.sec.gov.

What is the voting requirement to approve the proposals?

In the election of directors, the five persons receiving the highest number of (or plurality) "FOR" votes at the annual meeting will be elected. There will be no cumulative voting in the election of directors. The proposal to ratify the appointment of Sherb & Co., LLP as our independent registered public accounting firm and the proposal to approve the amendment to our articles of incorporation changing our corporate name will be approved if the votes cast "FOR" each of the proposals exceed those cast against each of the respective proposals. Abstentions and broker non-votes will be treated as shares that are present, or represented and entitled to vote for purposes of determining the presence of a quorum at the annual meeting. Broker non-votes will not be counted as a vote cast on any matter presented at the annual meeting. Abstentions will not be counted in determining the number of votes cast in connection with any matter presented at the annual meeting.

How can I communicate with the non-employee directors on China Direct's board of directors?

The board of directors encourages shareholders who are interested in communicating directly with the non-employee directors as a group to do so by writing to the non-employee directors in care of our corporate secretary. Shareholders can send communications by mail to:

Mr. Lazarus Rothstein,
Executive Vice President, General Counsel
and Corporate Secretary
China Direct, Inc.
431 Fairway Drive, Suite 200
Deerfield Beach, Florida 33441

Correspondence received that is addressed to the non-employee directors will be reviewed by our corporate secretary or his designee, who will regularly forward to the non-employee directors a summary of all such correspondence and copies of all correspondence that, in the opinion of our corporate secretary, deals with the functions of the board of directors or committees thereof or that our corporate secretary otherwise determines requires their attention. Directors may at any time review a log of all correspondence received by us that is addressed to the non-employee members of the board of directors and request copies of any such correspondence.

CORPORATE GOVERNANCE

Board of Directors

The board of directors oversees our business affairs and monitors the performance of management. In accordance with our corporate governance principles, the board of directors does not involve itself in day-to-day operations. The directors keep themselves informed through discussions with the Chief Executive Officer, other key executives and by reading the reports and other materials that we send them and by participating in board of directors and committee meetings. Our directors hold office until their successors have been elected and duly qualified unless the director resigns or by reason of death or other cause is unable to serve in the capacity of director. Biographical information about our directors is provided in “Election of Directors – Proposal No. 1” on page 21.

Director Independence

We are required to have a majority of independent directors within the meaning of applicable NASDAQ Stock Market Rules. The board of directors has determined three of the five directors and nominees who would serve after May 29, 2009 are independent which excludes Dr. Yuejian (James) Wang, our Chief Executive Officer, and Mr. Yuwei Huang, our Executive Vice President - Magnesium. The board of directors’ determinations of independence was made in accordance with applicable SEC and NASDAQ Stock Market Rules.

Board of Directors Meetings and Attendance

During 2008, the board of directors held five physical meetings. No incumbent Director attended during their term, either in person or via telephone, fewer than 75% of the total meetings of the board of directors and at least 75% of the total meetings of the committees of the board of directors on which such director served. The board of directors also approved certain actions by unanimous written consent. It is our policy that directors should make every effort to attend the annual meeting of shareholders. Dr. Yuejian (James) Wang and Messrs. David Barnes, Sheldon Steiner and George Leibowitz were present at our annual shareholders meeting held on May 30, 2008.

Code of Business Conduct and Ethics

We adopted a Code of Business Conduct and Ethics that applies to all of our directors, officers and employees, including our principal executive officer, principal financial and accounting officer. A copy of the Code of Business Conduct and Ethics is available on the Investor Relations page of our website at www.cdii.net. We will post on our website any amendment to our Code of Business Conduct and Ethics or waivers of our Code of Business Conduct and Ethics for directors and executive officers.

Complaints Regarding Accounting Matters

The audit committee has established procedures for:

- the receipt, retention and treatment of complaints regarding accounting, internal accounting controls, or auditing matters; and
- the confidential, anonymous submission by our employees of concerns regarding questionable accounting or auditing matters.

Communications with Directors

The board of directors has approved procedures for shareholders to send communications to individual directors or the non-employee directors as a group. Written correspondence should be addressed to the director or directors in care of Mr. Lazarus Rothstein, corporate secretary of China Direct, Inc., at our primary address. Correspondence received that is addressed to the non-employee directors will be reviewed by our corporate secretary or his designee, who will regularly forward to the non-employee directors a summary of all such correspondence and copies of all correspondence that, in the opinion of our corporate secretary, deals with the functions of the board of directors or committees thereof or that the corporate secretary otherwise determines requires their attention. Directors may at any time review a log of all correspondence received by China Direct that is addressed to the non-employee members of the board of directors and request copies of any such correspondence. You may also contact individual directors by calling our principal executive offices at (954) 363-7333.

Legal Proceedings

There are no legal proceedings to which any director, director nominee, officer or affiliate of our company, any owner of record or beneficially of more than 5% of common stock, or any associate of any such director, officer, affiliate of our company or security holder that is a party adverse to our company or any of our subsidiaries or has a material interest adverse to us.

Compliance With Section 16(a) of the Exchange Act

Based solely upon a review of Forms 3 and 4 and amendments thereto furnished to us under Rule 16a-3(d) of the Securities Exchange Act of 1934 during the year ended December 31, 2008 and Forms 5 and amendments thereto furnished to us with respect to the year ended December 31, 2008, as well as any written representation from a reporting person that no Form 5 is required, we are not aware that any officer, director or 10% or greater shareholder failed to file on a timely basis, as disclosed in the aforementioned Forms, reports required by Section 16(a) of the Securities Exchange Act of 1934 during the year ended December 31, 2008 with the exception of the one Form 4 filing by Yi (Jenny) Liu in connection with a restricted stock award which was inadvertently filed late.

BOARD COMMITTEES

The board of directors has standing audit, compensation and nominating and governance committees. Each of the audit committee, the compensation committee and the nominating and governance committee has a written charter. The charters are available on our website at www.cdii.net. Information concerning the current membership and function of each committee is as follows:

Board of Directors Committee Membership			
Director	Audit Committee Member	Compensation Committee Member	Nominating and Governance Committee Member
Dr. Yuejian (James) Wang			
Marc Siegel (1)			
David Barnes	X(2)	X	X
Sheldon Steiner	X	X(2)	X(2)
George Leibowitz (3)	X		X
Yuwei Huang (4)			
Philip Y. Shen, Ph.D. (4)			

- (1) Mr. Siegel resigned as an officer and director of our company effective on January 26, 2009.
- (2) Denotes Chairman.
- (3) As described in this proxy, Mr. Leibowitz is not standing for reelection to the board of directors at the annual meeting. If elected at the annual meeting, it is anticipated that Dr. Shen will serve on the audit committee.
- (4) Appointed as a director effective January 26, 2009.

Audit Committee. The audit committee is responsible to the board of directors for the areas of audit and compliance, and oversees our financial reporting process, including monitoring the integrity of the financial statements and the independence and performance of the registered public accounting firm and supervises our compliance with legal and regulatory requirements. The current members of the audit committee are Messrs. Barnes (Chairman), Steiner and Leibowitz. The board of directors has determined that each of Messrs. Barnes, Steiner and Leibowitz are “audit committee financial experts” as defined under SEC rules. The board of directors has affirmatively determined that none of the members of the audit committee have a material relationship with us that would interfere with the exercise of independent judgment and each of the members of the audit committee are “independent” as defined in the applicable SEC and NASDAQ Stock Market Rules. The audit committee held three telephonic meetings during 2008.

Compensation Committee. The compensation committee is responsible for establishing and reviewing our compensation and employee benefit policies. The members of the compensation committee are Messrs. Steiner (Chairman) and Barnes, each of whom are “independent” directors within the meaning of the applicable SEC and NASDAQ Stock Market Rules.

The compensation committee reviews and recommends to the board of directors for approval the compensation for our Chief Executive Officer and all of our other executive officers, including salaries, bonuses and grants of awards under, and administration of, our equity incentive plans. The compensation committee, among other things, reviews and recommends to the board of directors employees to whom awards will be made under our equity incentive plans, determines the number of options to be awarded, and the time, manner of exercise and other terms of the awards. For further information on the compensation committee's consideration and determination of executive officer compensation, see “Executive Compensation - Compensation Discussion and Analysis”, below. During 2008 the compensation committee met two times.

Nominating and Governance Committee. The nominating and governance committee was formed to (1) to assist the board of directors by identifying individuals qualified to become board members, and to recommend for selection by the board of directors the director nominees to stand for election for the next annual meeting of our shareholders; (2) to recommend to the board of directors director nominees for each committee of the board of directors; (3) to oversee the evaluation of the board of directors and management, and (4) to develop and recommend to the board of directors a set of corporate governance guidelines and enhancements to the Code of Business Conduct and Ethics.

NASDAQ Stock Market Rules require director nominees to be either selected, or recommended for the board of directors' selection, either by a majority of our independent directors or our nominating and governance committee.

The nominating and governance committee is responsible for selecting those individuals to recommend to the entire board of directors for election to the board. The committee will consider candidates for directors proposed by security holders. The nominating and governance committee has no formal procedures for submitting candidates and, until otherwise determined, accepts written submissions that include the name, address and telephone number of the proposed nominee, along with a brief statement of the candidate's qualifications to serve as a director. If the proposed nominee is not the security holder submitting the name of the candidate, a letter from the candidate agreeing to the submission of his or her name for consideration should be provided at the time of submission. If the committee believes it to be appropriate, committee members may meet with the proposed nominee before making a final determination whether to recommend the individual as a nominee to the entire board of directors to stand for election to the board.

The nominating and governance committee identifies director nominees through a combination of referrals, including by management, existing board members and security holders, and direct solicitations, where warranted. Once a candidate has been identified the nominating and governance committee reviews the individual's experience and background, and may discuss the proposed nominee with the source of the recommendation.

Among the factors that the committee considers when evaluating proposed nominees are their knowledge and experience in business matters, finance, capital markets and mergers and acquisitions. The committee may request references and additional information from the candidate prior to reaching a conclusion. The committee is under no obligation to formally respond to recommendations, although as a matter of practice, every effort is made to do so.

The nominating and governance committee received no security holder recommendations for nomination to the board of directors in connection with the annual meeting of shareholders. Dr. Yuejian (James) Wang and Messrs. David Barnes, Sheldon Steiner and George Leibowitz are incumbent directors standing for reelection. Dr. Philip Y. Shen and Mr. Yuwei Huang were appointed in January 2009 and are standing for election.

During 2008 the nominating and governance committee met once.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

Senior executive officers

The following Compensation Discussion and Analysis describes, among other items, the material elements of compensation for our Chief Executive Officer, President and Chief Operating Officer who we refer to as our “senior executive officers.” In 2008, our senior executive officers included Yuejian (James) Wang, Ph.D., our Chief Executive Officer (“CEO”); Marc Siegel, our former President and David Stein, our former Chief Operating Officer. On January 26, 2009, we announced that Mr. Siegel was resigning as our President and a Director and taking on a role as consultant to our company through December 31, 2009. In addition, in February 2009, Mr. Stein resigned as an officer of our company and took on a role as a consultant to us through December 31, 2009.

Overview

This Compensation Discussion and Analysis describes the key principles and approaches used to determine the compensation of our senior executive officers and should be read in conjunction with the tables and narrative included in the rest of the Executive Compensation section of this proxy statement. We are providing this compensation discussion and analysis on a voluntary basis as we are a smaller reporting company. All compensation paid to our CEO and other Senior Executive Officers was determined by the independent directors of the full Board, as defined by the applicable rules for companies listed on Nasdaq, following recommendations made by the compensation committee of the Board. The compensation committee is composed solely of independent non-employee directors who meet regularly each year. During 2008, the compensation committee engaged Watson Wyatt Worldwide (“Watson Wyatt”) as a compensation consultant, in certain matters related to executive compensation.

Executive Compensation Philosophy and Objectives

Our philosophy for compensating executives is to provide fair total cash compensation consistent with job markets in which we compete and reward performance. Compensation levels for the senior executive officers reflect base salary for the executive’s role in our company, the market value of the position, performance in that position and the opportunity for additional rewards when we either meet or exceed business objectives that are supportive of our business strategy. To attract and retain the best people, we offer meaningful rewards when we and our executives achieve specific business goals or when outstanding individual performance is demonstrated. Performance rewards fluctuate based on the results of established objectives and provide executives with the opportunity to earn additional compensation beyond their base salary.

In establishing compensation for our senior executive officers, the following are the compensation committee’s objectives:

- Attract and retain individuals of superior ability and managerial talent;
- Ensure senior officer compensation is aligned with our corporate strategies, business objectives and the long-term interests of our shareholders;
- Increase the incentive to achieve key strategic and financial performance measures by linking incentive award opportunities to the achievement of performance goals in these areas; and
- Enhance the officers’ incentive to increase our stock price and maximize shareholder value.

Compensation Evaluation Process

To assure our compensation programs are suitably competitive, the compensation committee, with the assistance of management and Watson Wyatt, reviewed outside compensation programs to align our executive compensation levels to market practices. A combination of salary survey data and information from a comparator group of companies is used in these reviews.

Salary Survey Data

In 2008 we utilized the Watson Wyatt 2007/2008 top management and Mercer executive compensation surveys for comparison purposes in connection with determining the salaries of our senior executive officers. These surveys were selected based on the comparison of benchmark positions available, ability to adjust survey data to similar size organizations, and sample of reporting organizations.

- 10 -

Comparator Group

For comparative purposes, we used the following peer group of 17 public companies of a similar size and industry to us:

Aceto Corp.	Kenexa Corp
Advisory Board Co.	Metalico, Inc.
Diamond Mgmt & Tech Consultants, Inc.	Nn, Inc
Duff & Phelps Corp.	Nuco2, Inc.
eLoyalty Inc.	Sutor Technology, Inc.
Exponent Inc.	Synalloy Corp.
Friedman Industries Inc.	Universal Stainless & Alloy Products, Inc.
General Steel Holdings, Inc.	Whx Corp.
Hawkins, Inc.	

Analysis of Data

In general, we attempted to target each component of total compensation at or around the 50th percentile of executive salary survey information. We believe this allows us to attract and retain executives with a necessary level of skill and talent for our business.

Executive salary survey data was used at the median level and adjusted based on responsibility for each executive position. Survey benchmark positions were selected to determine salary range midpoints based on market medians.

The base salary survey data for these benchmark positions is updated to April 1, 2008, using an annual adjustment factor of 3.5% and were scaled to our size of approximately \$200 million in revenue. This data was used to produce a salary structure midpoint and then reviewed with the compensation committee to establish a base salary structure and a short-term incentive target. No provision in the compensation arrangements was made for long term equity incentives for Dr. Wang and Messrs. Siegel and Stein as the compensation committee determined that each of these individuals had been previously awarded sufficient stock options.

Compensation Components

The primary components of our executive compensation program includes:

- Base salary;
- Short-term incentives; and
- Benefits and perquisites.

Base Salary. Base salary reflects the executive's role in our company and the market value of the position. The salary structure provides an amount of pay for each level. We use base salaries to provide competitive compensation to attract and retain talented executives. The compensation committee targeted base salary levels at the median of market data collected through our benchmarking process. Adjusting base salaries to achieve or approach median is consistent with the compensation committee's philosophy. The compensation committee considered the following factors in setting annual base salaries:

- the individual's scope of responsibility;
- the individual's level of performance and experience;
- any promotions resulting in increases in responsibility; and
-

competitive salaries within the market, drawing on data from our compensation survey analysis and the group of comparative companies.

On an annual basis, the compensation committee will make recommendations to the full Board on base salaries for senior executive officers, other than the CEO, and will make recommendations to the independent directors as to the CEO.

The independent directors evaluated our CEO's performance and determined his annual base salary in consultation with an outside compensation consultant. Similarly, the CEO evaluates the performance of each of the other senior executive officers, using the same factors identified above to make compensation recommendations to the compensation committee. Considering these recommendations and advice by the outside consultant, the compensation committee establishes a recommended annual base salary for the other senior executive officers.

At its August 6, 2008 board meeting, the independent directors approved employment agreements for its senior executive officers which became effective as of August 1, 2008 and expire on December 31, 2013 (collectively, the "Executive Employment Agreements"). In 2009 Messrs. Marc Siegel and David Stein resigned from the company and entered into a separation and severance agreement with us terminating their respective employment agreements. In addition, Messrs. Siegel and Stein each entered into consulting agreements with our company expiring on December 31, 2009 .

Currently the Executive Employment Agreement with Dr. Wang is effective and provides for, among other things, payment of a base salary which increases annually at fixed amounts, eligibility to receive an annual incentive bonus in 2008 as described below, a discretionary bonus if approved by our board of directors based on a recommendation of the compensation committee, participation in certain health and welfare benefit plans, an automobile allowance and an allowance for use of an email enabled mobile phone. Dr. Wang's employment agreement provides that he will serve as our CEO and a member of our board of directors through December 31, 2013 at a base salary of \$166,667 payable from August 1, 2008 through December 31, 2008 and an annual base salary of \$450,000 in 2009, \$500,000 in 2010, \$550,000 in 2011, \$600,000 in 2012 and \$650,000 in 2013.

In approving Dr. Wang's employment agreement and determining the amount of his base salary, the independent directors took into consideration his overall performance in successfully completing numerous acquisitions and capital raising transactions and competitive market data included in the 2008 executive compensation review prepared by Watson Wyatt. When determining the other senior executive officers' salaries, the compensation committee took into consideration overall individual performance and general company performance, scope of responsibility and competitive market data included in the 2008 executive compensation review prepared by Watson Wyatt.

Annual Incentive Bonus. Through the incentive compensation provision of the Executive Employment Agreements (the "incentive bonus"), the compensation committee attempts to focus efforts of the senior executive officers on achievement of near term financial objectives that are critical to our success, reward accomplishments when performance meets or exceeds established targets or business plan objectives and more closely tie total cash compensation (base salary plus incentive compensation) to our financial results.

We use a company-wide financial goal to determine the amount of incentive compensation. We believe the combination of a financial performance goal under the Executive Employment Agreements provides an appropriate balance between income statement and balance sheet management while focusing on shareholder value. For 2008, our performance goal was comprised of an operating results target of total consolidated net income plus non-cash charges and dividends. The performance goal is assigned a base salary multiplier. Incentive payments vary based on our financial results in comparison to the established goals.

The annual incentive bonus eligibility for Dr. Wang is 75% of his respective base salary if our total consolidated net income, after taxes, and excluding non-cash charges and dividends equals or exceeds \$26,000,000, 100% of base salary if our total consolidated net income, after taxes, and excluding non-cash charges and dividends equals or exceeds \$28,000,000, 150% of base salary if our total consolidated net income, after taxes, and excluding non-cash charges and dividends equals or exceeds \$32,000,000, and 200% of base salary if our total consolidated net income, after taxes, and excluding non-cash charges and dividends equals or exceeds \$36,000,000. No annual incentive bonuses were paid to our senior executive officers in 2008.

Benefits and Perquisites. In order to attract and retain executive officers, we offer health and welfare programs and include medical and dental benefits. In addition, our senior executive officers we awarded a monthly car allowance of \$750 per month and an allowance for an email enabled mobile phone service of \$500 per month.

Severance Benefits

Under the terms of the Executive Employment Agreements, if the employee's employment is terminated as a result of his death, disability, by us without cause or the employee resigns within 90 days following a change of control or for "good reason", the employee will be entitled to receive (in addition to salary and certain other benefits earned prior to termination) a single lump sum payment in an amount equal to two times the sum of the employee's then-current annual base salary and the highest annual discretionary bonus and the highest incentive bonus that the employee was entitled to receive within the three (3) years preceding the date of termination. In addition, the employee will become

fully vested in all outstanding stock incentive awards, will be entitled to certain health and welfare benefits for a period of two years following such termination and payment of additional amounts in the event additional taxes are imposed on the under Section 280G of the Internal Revenue Code. Under the Executive Employment Agreements, “cause” means: (i) a final non-appealable adjudication of the employee of a felony, which would have a material or adverse effect on our business; or (ii) the determination of the board of directors (other than the affected employee) that the employee has engaged in intentional misconduct or the gross neglect of his duties, which has a continuing material adverse effect on our business.

Compliance with Internal Revenue Code Section 162(m)

As a result of Section 162(m) of the Internal Revenue Code of 1986, as amended (the “Code”), we will not be allowed a federal income tax deduction for compensation paid to certain executive officers to the extent that compensation exceeds \$1 million per officer in any one year. This limitation will apply to all compensation paid to the covered executive officers which is not considered to be performance-based. Compensation which does qualify as performance-based compensation will not have to be taken into account for purposes of this limitation. Section 162(m) of the Code did not affect the deductibility of compensation paid to our executive officers in 2008 and it is anticipated it will not affect the deductibility of such compensation expected to be paid in the foreseeable future. The compensation committee will continue to monitor this matter and may propose additional changes to the executive compensation program if warranted.

Compensation Committee Report

The compensation committee has discussed and reviewed with management the Compensation Discussion and Analysis set forth above. Based upon this review and discussion, the compensation committee recommended to the Board that the Compensation Discussion and Analysis be included in this proxy statement.

Executive Employment Agreements and Narrative Regarding Executive Compensation

In August 2006 we entered into employment agreements with Dr. Wang. The agreement provides for a base salary and annual bonuses as determined by the board of directors based upon their evaluation of a variety of factors including our revenues, net income and other financial and operating factors the board of directors deems appropriate. In

addition, Dr. Wang is entitled to participate in any of our employee benefit plans and he will be reimbursed for reasonable business expenses incurred by him on our behalf. The employment agreement also contains customary confidentiality and non-compete provisions.

The August 2006 employment agreement may be terminated upon Dr. Wang's death or disability, and with or without cause. In the event we should terminate Dr. Wang's employment upon his death or disability, for cause (as defined in the agreement) or if he should resign, he is entitled to payment of his base salary through the date of termination, any earned but unpaid bonuses, reimbursement for any unreimbursed business expenses and any employment benefits, if any, that he is then legally entitled to receive. Dr. Wang's August 2006 employment agreement which included a December 31, 2009 expiration date, provided for an annual base salary of \$100,000 for 2007, increasing to \$150,000 for 2007, \$200,000 for 2008 and \$250,000 for 2009. Dr. Wang's August 2006 employment agreement was approved by our board of directors when there were no independent directors on the board. Accordingly, Dr. Wang and other members of management who were also board members in August 2006, each had significant influence over the terms and conditions of Dr. Wang's employment agreement and their own.

On August 6, 2009 our board of directors approved, based on the recommendation of the compensation committee, an employment agreement with Dr. Wang to replace the August 2006 employment agreement effective as of August 1, 2008. Dr. Wang's August 1, 2008 employment agreement expires on December 31, 2013 and provides for, among other things, payment of a base salary which increases annually at fixed amounts, eligibility to receive an annual incentive bonus in 2008 as described below, a discretionary bonus if approved by our board of directors based on a recommendation of the compensation committee, participation in certain health and welfare benefit plans, an automobile allowance and an allowance for use of an email enabled mobile phone. In January 2009, Dr. Wang waived his salary and any incentive bonus due for 2008.

Dr. Wang's August 1, 2008 employment agreement provides that he will serve as our chief executive officer and a member of our board of directors through December 31, 2013 at a base salary of \$166,667 from August 1, 2008 through December 31, 2008 and an annual base salary of \$450,000 in 2009, \$500,000 in 2010, \$550,000 in 2011, \$600,000 in 2012 and \$650,000 in 2013.

Under the August 1, 2008 employment agreement, if Dr. Wang's employment is terminated as a result of his death, disability, by us without cause or he resigns within 90 days following a change of control or for "good reason", Dr. Wang will be entitled to receive (in addition to salary and certain other benefits earned prior to termination) a single lump sum payment in an amount equal to two times the sum of his then-current annual base salary and the highest annual discretionary bonus and the highest incentive bonus that the employee was entitled to receive within the three (3) years preceding the date of termination. In addition, Dr. Wang will become fully vested in all outstanding stock incentive awards, will be entitled to certain health and welfare benefits for a period of two years following such termination and payment of additional amounts in the event additional taxes are imposed on the under Section 280G of the Internal Revenue Code.

Under the August 1, 2008 employment agreement, "cause" means: (i) a final non-appealable adjudication of Dr. Wang of a felony, which would have a material or adverse effect on our business; or (ii) the determination of the board of directors (other than the affected employee) that Dr. Wang has engaged in intentional misconduct or the gross neglect of his duties, which has a continuing material adverse effect on our business.

On January 23, 2009, Dr. Wang entered into an amendment to his August 1, 2008 employment agreement waiving the annual base salary provided for in the employment agreement from October 1, 2008 through December 31, 2008 and the incentive compensation including bonus, if any, due in 2008. All other terms and conditions of the employment agreement remain in full force and effect.

Jenny Liu, who has served as our Vice President of Finance and as our Principal Financial and Accounting Officer from August 2006 until February 2009, is not a party to an employment agreement with our company. Our Chief Executive Officer or board of directors did not consult with any experts or other third parties in fixing the amount of Ms. Liu's compensation. During 2008 Ms. Liu's compensation package included a base annual salary of \$70,000 from January 1, 2008 until June 30, 2008. On July 1, 2008, Ms. Liu's annual base salary was increased to \$105,000 plus payment of a monthly allowance of \$1,000 per month for automobile and cellular phone expenses. The restricted common stock will vest 100% 12 months after each Award Date and will be subject to the terms and conditions of our restricted stock award agreement as approved by our compensation committee. The number of shares of our common stock to be issued under the Stock Award will be computed by dividing \$12,500 by the closing price of our common stock on the last business day of each full month over the 12 month period after the Effective Date. In addition, Mr. Weeraratne is entitled to participate in our health benefit plan. Mr. Weeraratne's employment may be terminated by us or Mr. Weeraratne at will without penalty. PROPOSAL 2

RATIFICATION OF THE APPOINTMENT OF SHERB & CO., LLP

The audit committee has appointed Sherb & Co, LLP as our independent registered public accounting firm to audit the consolidated financial statements of China Direct and its subsidiaries for the year ending December 31, 2009 and our internal control over financial reporting as of December 31, 2009. Representatives of Sherb & Co., LLP will be present at the annual meeting and will have an opportunity to make a statement or to respond to appropriate questions from shareholders. Although shareholder ratification of the appointment of our independent auditor is not required by our bylaws or otherwise, we are submitting the selection of Sherb & Co., LLP to our shareholders for ratification to permit shareholders to participate in this important corporate decision. If not ratified, the audit committee will reconsider the selection, although the audit committee will not be required to select a different independent auditor for our company.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE “FOR” RATIFICATION OF SHERB & CO, LLP AS THE INDEPENDENT REGISTERED ACCOUNTING FIRM OF CHINA DIRECT

PROPOSAL 3

APPROVAL OF AN AMENDMENT TO OUR ARTICLES OF INCORPORATION TO CHANGE OUR NAME TO CHINA DIRECT INDUSTRIES, INC. OR SUCH OTHER NAME AS THE BOARD OF DIRECTORS MAY ELECT

Background

Starting in the fourth quarter of 2006, our company has evolved from exclusively providing advisory services to small and medium sized companies in China to acquiring controlling interest of Chinese business entities, mainly in the areas of magnesium production and distribution and basic materials. In 2007 and 2008, we have devoted a substantial majority of our resources in both capital and personnel toward building these operations. In 2008 we derived the vast majority of our revenues from subsidiaries operating in China; management intends to continue to focus its efforts in this area. As a result, the board of directors in January 2009 approved, subject to shareholder approval, the change of our corporate name to China Direct Industries, Inc. which it believes more accurately reflects our business operations. A form of the proposed amendment to our articles of incorporation is attached as Appendix A to this proxy statement.

Vote Required for Approval

The affirmative vote of holders of a majority of our issued and outstanding shares of common stock entitled to vote at the annual meeting is required to approve our proposal to approve the amendment to our Articles of Incorporation changing our corporate name to China Direct Industries, Inc. or such other name as the board of directors may elect.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE “FOR” APPROVAL OF AN AMENDMENT TO THE ARTICLES OF INCORPORATION CHANGING THE NAME OF THE COMPANY TO CHINA DIRECT INDUSTRIES, INC. OR SUCH OTHER NAME AS THE BOARD OF DIRECTORS MAY ELECT
