

Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers;
Compensatory Arrangements of Certain Officers.

On November 30, 2016, the 162(m) Subcommittee of the Compensation Committee of the Board of Directors of Live Oak Bancshares, Inc. (the “Company”) approved restricted stock unit (“RSU”) awards for S. Brett Caines, the Company’s Chief Financial Officer, and Steven J. Smits, the Company’s Chief Credit Officer, under the Company’s 2015 Omnibus Stock Incentive Plan (the “Plan”).

Under the terms of the awards, Mr. Caines is entitled to receive 50,000 shares of the Company’s voting common stock and Mr. Smits is entitled to receive 100,000 shares of the Company’s voting common stock, in each case upon vesting of the RSUs. The vesting of the RSUs is subject to the Company achieving total revenue of at least \$100 million for the four-quarter period ending September 30, 2017. In addition, in order for the RSUs to vest, the Company’s voting common stock must attain a closing price equal to or greater than \$34.00 per share for at least twenty (20) consecutive trading days at any time prior to November 30, 2023. In the event of a Corporate Transaction (as such term is defined in the Plan) or the termination of employment due to death or Disability (as such term is defined in the Plan), in each case prior to November 30, 2023, a portion of the RSUs are eligible for vesting if the applicable modified stock price is achieved. Each of Mssrs Caines and Smits executed a Confidentiality and Non-Solicitation Agreement as a condition to receipt of his award which imposes certain non-solicitation and other restrictive covenants.

The Company granted RSU awards on November 30, 2016, to employees of the Company covering a total of 1,514,500 shares of the Company's voting common stock, including the awards to Mssrs Caines and Smits. The terms and conditions of the awards to each employee are the same, including the vesting conditions described above. The compensation expense for these RSU awards is measured based on their grant date fair value as calculated using the Monte Carlo Simulation and will be recognized on a straight-line basis over the implied term. The Company expects that the total compensation expense relating to these RSUs that will be recognized over an estimated implied term of four years will be approximately \$13.6 million.

The foregoing description of the RSU awards and the Confidentiality and Non-Solicitation Agreements does not purport to be complete and is qualified in its entirety by reference to the forms of RSU award agreement and Confidentiality and Non-Solicitation Agreement, copies of which are filed as Exhibits 99.1 and 99.2 hereto and incorporated by reference herein.
