Item 1.01 Entry into a Material Definitive Agreement.

As of August 1, 2014, Preferred Apartment Communities Operating Partnership, L.P. ("PACOP") entered into a Purchase and Sale Agreement with U.S. Retail Income Fund VI, Limited Partnership ("Fund VI") to acquire a fee simple interest in a grocery-anchored necessity retail shopping center on approximately 8.6 acres in Tampa, Florida ("Barclay"); a fee simple interest in a grocery-anchored necessity retail shopping center on approximately 8.5 acres in Miami, Florida ("Doral"); and a fee simple interest in a grocery-anchored necessity retail shopping center on approximately 8.6 acres in Charleston, South Carolina ("Sweetgrass") for an aggregate purchase price of approximately \$53.6 million, exclusive of acquisition-related and financing-related transaction costs (the "Fund VI Purchase Agreement"). As of August 1, 2014, PACOP also entered into a Purchase and Sale Agreement with U.S. Retail Income Fund VII, Limited Partnership ("Fund VII", and together with Fund VI, collectively "Sellers") to acquire a fee simple interest in a grocery-anchored necessity retail shopping center on approximately 11.1 acres in Deltona, Florida near Orlando, Florida ("Deltona"); a fee simple interest in a grocery-anchored necessity retail shopping center on approximately 12.7 acres in Houston, Texas ("Kingwood"); a fee simple interest in a grocery-anchored necessity retail shopping center on approximately 8.4 acres in Columbus, Georgia ("Parkway"); and a fee simple interest in a grocery-anchored necessity retail shopping center on approximately 12.0 acres in Atlanta, Georgia ("Powder Springs" and together with Barclay, Doral, Sweetgrass, Deltona, Kingwood and Parkway, each an "Acquired Property" and collectively, the "Acquired Properties") for an aggregate purchase price of approximately \$46.8 million, exclusive of acquisition-related and financing-related transaction costs (the "Fund VII Purchase Agreement", and collectively with the Fund VI Purchase Agreement, the "Purchase Agreements"). The Company hereby amends the Current Report on Form 8-K filed on August 4, 2014 reporting events on and after August 1, 2014, to modify Item 1.01 to include the language herein.

On September 12, 2014, PACOP and Sellers amended the Purchase Agreements to, among other things: (1) extend the outside closing date from September 15, 2014 to September 30, 2014; (2) immediately release all of the earnest money to Sellers; (3) limit the defeasance costs paid by Sellers to those costs that would have been incurred if the closing occurred on September 15, 2014; (4) waive the conditions to closing except for the delivery obligations of Sellers at closing under the terms of the Purchase Agreements; and (5) have all representations and warranties of Sellers brought down to September 15, 2014 rather than the actual closing date. Although the Company believes these acquisitions are probable, there can be no assurance that the acquisitions will be consummated.

We received quotes and applications from a variety of lenders to provide a separate non-recourse first mortgage loan on each of the Acquired Properties (the "New Loans") at approximately 65% of the purchase price, or approximately an aggregate of \$65 million for all of the Acquired Properties. We have now signed applications and rate lock agreements all the transactions. We expect that each of the New Loans will be non-recourse to the borrower, will mature in five years and will bear interest at a fixed rate of 3.48% per year. However, the New Loan for Sweetgrass is expected to be at a slightly lower leverage point and bear interest at 3.58% per year for a five year term. We expect each of the New Loans will amortize over a 30-year term for the stated term of the New Loans, will only be secured by its respective Acquired Property and there will be no loan guaranties by the Company or PACOP.

We are reviewing the final terms and conditions of the New Loans in the draft loan documents to ensure they meet our needs. Assuming we approve the terms for the New Loans, we would then determine

the final structure and cost of our financing. The terms and conditions we have described for the New Loans are based on the terms and conditions quoted in the applications and rate lock agreements we have executed and may change as we negotiate final documentation for each of the New Loans.

The foregoing description of the amendments to the Purchase Agreements is qualified in its entirety by reference to the First Amendment to Purchase and Sale Agreements, copies of which are filed as Exhibits 10.1 and 10.2 to this Current Report on Form 8-K.
