Item 1.01. Entry into a Material Definitive Agreement.

On May 22, 2014, First Business Financial Services, Inc. (“First Business”) entered into an Agreement and Plan of Merger (the “Merger Agreement”) with Aslin Group, Inc., a Delaware corporation (“Aslin Group”), and AGI Acquisition Corp., a Delaware corporation and a wholly owned subsidiary of First Business (the “Merger Sub”).

The Merger Agreement contemplates that the Merger Sub will be merged with and into Aslin Group (the “Merger”), with Aslin Group continuing as the surviving corporation of the Merger, and each outstanding share of common stock of Aslin Group (other than shares held in the treasury of Aslin Group, owned by First Business or any subsidiary of First Business, or subject to validly exercised appraisal rights) will cease to be outstanding and will be converted into the right to receive a combination of shares of common stock of First Business and cash, as described in more detail below. Immediately following the Merger, Aslin Group will be merged with and into First Business in a second merger, with First Business continuing as the surviving corporation. The Merger and the second merger are together referred to as the “Mergers.”

Under the terms of the Merger Agreement, stockholders of Aslin Group will receive, in the aggregate, approximately \$16.6 million of First Business common stock plus approximately \$13.5 million in cash. The number of shares of First Business common stock to be issued to Aslin Group stockholders will be determined based on the volume-weighted average closing price of First Business common stock on The NASDAQ Global Select Market (“NASDAQ”) according to the Bloomberg VWAP Price and Volume Dashboard during the 10 consecutive trading days ending on and including the third trading day immediately prior to the date the Merger closes, ranging between approximately \$34 per share and \$51 per share. The transaction is expected to close in late 2014, subject to the conditions set forth in the Merger Agreement.

Aslin Group has made customary representations, warranties and covenants in the Merger Agreement, including, among others, covenants (i) to conduct business in the ordinary course between the execution of the Merger Agreement and the completion of the Merger and covenants not to engage in certain kinds of transactions during that period; (ii) to seek certain consents and assignments; (iii) not to solicit proposals relating to alternative business combination transactions or, subject to certain exceptions, enter into discussions concerning or provide information in connection with alternative business combination transactions; and (iv) subject to certain exceptions, not to change, qualify, withhold, withdraw or modify in a manner adverse to First Business the recommendation of Aslin Group’s Board of Directors to Aslin Group’s stockholders, as described below. Aslin Group has also agreed to convene and hold a meeting of Aslin Group’s stockholders for the purpose of approving the Merger Agreement and the transactions contemplated thereby, including the Merger, and Aslin Group’s Board of Directors has resolved to recommend that the stockholders of Aslin Group vote in favor of adoption and approval of the Merger Agreement.

Consummation of the Merger is subject to various customary conditions, including, among others, (a) the adoption and approval of the Merger Agreement by the requisite vote of Aslin Group’s stockholders; (b) effectiveness of the registration statement for the First Business common stock to be issued in the Merger; (c) receipt of required regulatory approvals; (d) the continued effectiveness of the Non-Disclosure, Non-Solicitation and Non-Competition Agreement with Malcolm M. Aslin and the employment-related agreements with various employees of Alterra Bank,

including Pam Berneking, each of which were signed as of the date of the Merger Agreement and effective upon consummation of the Merger; and (e) approval of the listing on NASDAQ of the First Business common stock to be issued in the Merger. The Merger Agreement contains certain termination rights, and provides that, in the event of termination of the Merger Agreement (i) by First Business if there is a Change of Recommendation (as defined in the Merger Agreement) or if Aslin Group shall have materially violated or breached its obligations not to solicit proposals relating to alternative business combination transactions, (ii) by Aslin Group in order to enter into a definitive agreement with respect to an unsolicited Superior Offer (as defined in the Merger Agreement), or (iii) by either party if the requisite vote of Aslin Group's stockholders is not obtained at the Aslin Group stockholders' meeting, then Aslin Group will pay a termination fee of \$1.2 million to First Business within two business days after such termination. In addition, subject to certain exceptions and limitations, either party may terminate the Merger Agreement if the Mergers are not consummated by March 31, 2015. The consummation of the Mergers is not subject to a financing condition.

Concurrently with the execution of the Merger Agreement, and as a condition to First Business' and Merger Sub's willingness to enter into the Merger Agreement, First Business and certain Aslin Group stockholders (collectively, the "Aslin Stockholders") entered into a Voting Agreement, dated as of May 22, 2014 (the "Voting Agreement"). Pursuant to the Voting Agreement, the Aslin Stockholders have agreed, subject to the terms thereof, to vote all shares of Company common stock beneficially owned or controlled by them in favor of the adoption of the Merger Agreement and the transactions contemplated thereby, including the Merger; provided, however, that in response to an unsolicited bona fide written Acquisition Proposal (as defined in the Merger Agreement) that did not result from Aslin Group's breach of the Merger Agreement, each Aslin Stockholder that is an officer or director of Aslin Group may take such actions (in such capacities) as are required to fulfill the officers' or directors' fiduciary duties to Aslin Group and Aslin Group's stockholders, subject to the restrictions and conditions set forth in the Merger Agreement.

The foregoing descriptions of the Merger Agreement and the Voting Agreement are qualified in their entirety by reference to the full text of such agreements, which are attached hereto as Exhibits 2.1 and 2.2, respectively, and are incorporated by reference herein.

The Merger Agreement has been included to provide investors with information regarding its terms. It is not intended to provide any other factual information about Aslin Group. The representations, warranties and covenants contained in the Merger Agreement were made only for purposes of that agreement and as of specific dates, were solely for the benefit of the parties to the Merger Agreement, may be subject to limitations agreed upon by the contracting parties, including being qualified by confidential disclosures made for the purposes of allocating contractual risk between the parties to the Merger Agreement instead of establishing these matters as facts, and may be subject to standards of materiality applicable to the contracting parties that differ from those applicable to investors. Investors are not third-party beneficiaries under the Merger Agreement and should not rely on the representations, warranties and covenants or any descriptions thereof as characterizations of the actual state of facts or condition of Aslin Group, First Business or Merger Sub or any of their respective subsidiaries or affiliates. Moreover, information concerning the subject matter of the representations and warranties may change after the date of the Merger Agreement, which subsequent information may or may not be fully reflected in First Business' public disclosures.
