(b) On January 3, 2019, NuVasive, Inc. (the “Company”) issued a press release (the “Organizational Press Release”) announcing updates to its organizational structure and leadership team. The Organizational Press Release included changes in management roles and responsibilities under the leadership of J. Christopher Barry, who joined the Company as Chief Executive Officer on November 5, 2018. A copy of the Organizational Press Release is furnished as Exhibit 99.1 to this Current Report on Form 8-K.

Under the new organizational structure, the Company eliminated the positions of Executive Vice President, People and Culture, and Executive Vice President, Global Process Transformation, which positions had been held by Peter Leddy, Ph.D. and Stephen Rozow, respectively. Each of Dr. Leddy and Mr. Rozow ceased to be officers and employees of the Company as of December 31, 2018, and each entered into a separation agreement and general release with the Company with respect thereto. Dr. Leddy and Mr. Rozow also entered into general consulting and services agreements with the Company pursuant to which they agreed to assist with the transition of their responsibilities. In addition, each entered into an amendment to his existing Proprietary Information, Inventions Assignment and Restrictive Covenant Agreement with the Company (each, an “Amended PIIA”), which provides that certain restrictive covenants, including non-competition and non-solicitation restrictions, shall continue for a period of two years following termination of their respective consulting engagements.

Additional changes to management roles and responsibilities are disclosed in Item 8.01 of this Current Report on Form 8-K.

(e) On December 29, 2018, Dr. Leddy and the Company entered into a separation agreement and general release (the “Separation Agreement”). In accordance with the terms of the Separation Agreement, Dr. Leddy will be eligible to receive, in exchange for a general release of claims against the Company, benefits under the Company’s executive severance plan, which provides for the payment of (i) 12 months of annual base salary, (ii) an annual performance bonus for the year ended December 31, 2018, payable in March 2019 at the lesser of target or actual performance, (iii) an amount equal to the after-tax cost of health benefits for a period of 12 months, and (iv) outplacement services. In addition, Dr. Leddy’s outstanding long-term incentive awards that had not vested as of December 31, 2018 were modified, such that any and all service vesting conditions for such awards were waived; provided, however, that such awards shall remain subject to and conditioned on satisfaction of any and all applicable performance conditions and such modification shall not shorten any performance period applicable to such awards or accelerate the settlement date of any such awards prior to the end of the performance period. On December 29, 2018, Dr. Leddy and the Company also entered into a general consulting and services agreement (the “Consulting Agreement”). Pursuant to the Consulting Agreement, Dr. Leddy has agreed to provide consulting services to the Company from December 31, 2018 through December 31, 2019, to assist with the transition of his current responsibilities, for which he will receive monthly compensation of \$20,000.

The foregoing information is a summary of select terms from the agreements entered into with Dr. Leddy, is not complete, and is qualified in its entirety by reference to the full text of the agreements. Dr. Leddy’s Separation
