CORRESPONDENCE WITH A CERTAIN STOCKHOLDER

“Hi [Redacted],

We apologize in advance for so many emails, but this is a very important issue for us.

In past years, [Redacted] has always voted in favor of TCPC’s proposal for authority to issue shares below NAV. We would like to understand why [Redacted] voted against the proposal this year. There has been no change in the proposal from years past, and the leading independent proxy advisory firms, Institutional Shareholder Services (ISS), Glass Lewis and Egan Jones, all recommend voting FOR the proposal.

We are trying to understand why you changed your vote this year. It is a very time sensitive issue as online voting ends at midnight Eastern time on May 18.

Howard is currently travelling, but he is available on his cell phone at [Redacted] starting at 2pm [Redacted] time/8am Eastern time. Is there anyone else that could have a call with him today?

Kind regards,”
