PLEASE SIGN, DATE AND MAIL THE ENCLOSED GOLD PROXY CARD TODAY

Dear Fellow Shareholder:

LF-RB Management, LLC, a Delaware corporation (“LF-RB”), and certain of the other participants in this solicitation named below (collectively, the “LF-RB Group”, “we”, “us” or “our”) are the beneficial owners of an aggregate of 952,569 shares of common stock, no par value (“Common Stock”), of RiceBran Technologies, a California corporation (“RiceBran” or the “Company”), as of the date of the attached proxy statement (the “Proxy Statement”), representing approximately 9.0% of the outstanding shares of Common Stock of the Company. For the reasons set forth in the attached Proxy Statement, we believe significant changes to the composition of the Company’s Board of Directors (the “Board”) are necessary in order to ensure that the Company is being run in a manner consistent with the best interests of all shareholders and to unlock the Company’s potential for growth. We are seeking your support at the annual meeting of shareholders of the Company scheduled to be held at Scottsdale Plaza Resort, 7200 N. Scottsdale Road, Scottsdale, Arizona 85253, on Wednesday, June 22, 2016, beginning at 9:00 a.m. local time, including any adjournments or postponements thereof and any meeting which may be called in lieu thereof (the “Annual Meeting”). The attached Proxy Statement and **GOLD** proxy card are first being furnished to the Company’s shareholders on or about June 11, 2016.

It should be no surprise that we are deeply concerned by the current Board’s failure to address the Company’s prolonged underperformance and its seeming inability to hold current management accountable for its track record of ineffectiveness, as evidenced by, among other things, the Company’s stock price performance and net losses. The upcoming Annual Meeting represents a major opportunity for you, as fellow RiceBran shareholders, to express your dissatisfaction with the status quo and make an indelible statement that leadership change is mandatory by voting to elect our five highly qualified nominees, Gary L. Herman, Michael Goose, Stephen D. Baksa, Beth Bronner and Brent Rosenthal (the “LF-RB Nominees”), to the Board at the Annual Meeting. For more information on the qualifications and backgrounds of our nominees, see “Proposal No. 1 – Election of Directors” in the Proxy Statement.

Putting aside the long-term record of mismanagement, RiceBran otherwise possesses all of the components of a successful company: a unique food product, proprietary and patented technology and a large and growing addressable market. Despite the many opportunities to create shareholder value, RiceBran investors have suffered significantly over the past four years under the oversight of the current Board, and for a longer period, if the tenure of senior management is considered. Over the period from December 31, 2012 to present, RiceBran's Common Stock has experienced an absolute stock price decline of 86.2%, from \$10.80 per share to \$1.49 per share as of May 30, 2016 (in each case, giving effect to a reverse stock split effective as of November 2013).

We are seeking your support at the Annual Meeting to elect our five (5) highly qualified director candidates, who possess considerable credibility, decades of relevant experience, talent and, above all else, a deep commitment to creating shareholder value, which are attributes that we believe are notably lacking from today's Board. Among other things, we believe that a greater proportion of LF-RB Nominees have food industry and turn-around experience and expertise working with company management from an investor point of view than many members of current Board. Moreover, we believe that the current Board has demonstrated complacency and inadequate action in the face of the substantial decline in the price of the Common Stock, revenue stagnation, net losses, and similar examples of inadequate execution by senior management as discussed in the Proxy Statement, indicating insufficient strategic attention by the Board as a whole to preserving and creating shareholder value. The LF-RB Group methodically recruited each of the nominees for specific skill sets and industry expertise that the LF-RB Group believes have been missing for too long on the RiceBran Board. The individuals we have nominated are highly-qualified, capable and ready to serve shareholders to help make RiceBran a stronger, profitable, and ultimately more valuable company.

Through the attached Proxy Statement, we are soliciting proxies to elect the five (5) LF-RB Nominees, for the reasons stated above. According to publicly available information, the Board is currently composed of seven (7) directors, all of whom are up for election at the Annual Meeting to serve a one (1) year term expiring at the 2017 annual meeting of shareholders and until their respective successors have been selected and qualified. The Company's Board nominees are the same individuals who have served on the Company's Board, in whole or in part, since at least 2012. During this period of oversight by the current Board, the Company generated net losses attributable to RiceBran shareholders of \$8,268,000, \$23,029,000, \$15,021,000 and \$9,509,000 in 2015, 2014, 2013 and 2012, respectively, and annual revenues for 2015, 2014, 2013 and 2012 have stagnated at around the \$40 million level.

If successful in this solicitation, the Board will be composed of the LF-RB Nominees—Gary L. Herman, Michael Goose, Stephen D. Baksa, Beth Bronner and Brent Rosenthal—and the two (2) Company director nominees receiving the highest number of votes in favor of his or her election at the Annual Meeting. The foregoing statement does not take into account different voting outcomes reached in the event of other nominations or the ultimate impact of cumulative voting. If all five (5) of our nominees are elected, they will represent a majority of the members of the Board. There can be no assurance that any incumbent director will serve as a director if one or more of the LF-RB Nominees are elected to the Board. Each of the LF-RB Nominees, if elected at the Annual Meeting, will serve as a director until the Company's 2017 annual meeting of shareholders and until his or her successor shall have been duly elected and qualified, or until his or her death, resignation or removal.

We are soliciting proxies to elect only the LF-RB Nominees listed herein. Accordingly, the enclosed **GOLD** proxy card may only be voted for the LF-RB Nominees and **does not confer voting power with respect to any of the Company's director nominees**. Shareholders who return the **GOLD** proxy card will only be able to vote for the five LF-RB Nominees listed on the card, and will not have the opportunity to vote for the additional two (2) directors up for election at the Annual Meeting.

The members of the LF-RB Group consist of LF-RB, Gary Herman, a Managing Member of LF-RB ("Mr. Herman"), Michael Goose, a Managing Member of LF-RB ("Mr. Goose"), Stephen D. Baksa (Mr. Baksa), Larry Hopfenspirger ("Mr. Hopfenspirger"), Richard Bellofatto ("Mr. Bellofatto"), Edward M. Giles ("Mr. Giles") and Richard Jacinto II ("Mr. Jacinto") (collectively, the "LF-RB Group"). Each member of the LF-RB Group, as well as Ms. Bronner and Mr. Rosenthal, is a participant in this solicitation. For additional information on the LF-RB Group and the LF-RB Nominees, see page 21.

We urge you to carefully consider the information contained in the attached Proxy Statement and then support our efforts by signing, dating and returning the enclosed **GOLD** proxy card today in the enclosed postage paid envelope, whether or not you attend the Annual Meeting.

THE LF-RB GROUP URGES YOU NOT TO SIGN ANY PROXY CARD THAT IS SENT TO YOU BY THE COMPANY, EVEN AS A FORM OF PROTEST, BECAUSE THIS WILL INVALIDATE ANY GOLD PROXY CARD YOU MAY HAVE PREVIOUSLY SUBMITTED. By executing the **GOLD** proxy card, you will authorize us to vote FOR the election of the five (5) LF-RB Nominees. **If you have already sent a proxy card furnished by RiceBran's management, you have every right to revoke it and change your vote by signing, dating and returning a later dated GOLD proxy card in the enclosed postage paid envelope prior to the Annual Meeting, or by voting by telephone or Internet or in person at the Annual Meeting (please see pages 6 and 19 for more information on voting). Only your latest dated and signed proxy card counts!**

If your shares are held in the name of a brokerage firm, bank or other nominee or custodian, only that firm can vote your shares and, with respect to the election of directors, that firm can only vote your shares if it receives your specific instructions. Accordingly, we urge you to contact the person responsible for your account and instruct that person to execute the **GOLD** proxy card on your behalf, including FOR the LF-RB Nominees, and provide a copy of your voting instructions to Alliance Advisors, the firm that is assisting us in this solicitation, by means of the address and/or toll-free phone number listed below.

YOUR VOTE IS IMPORTANT. If you agree that the LF-RB Nominees to the Board of Directors are a better alternative for the Company and for future shareholder value, please vote for the election of the LF-RB Nominees, no matter how many or how few shares you own.

If you have any questions or require assistance in voting your **GOLD** proxy card, please contact Alliance Advisors, LLC at their address and toll-free number listed below.

Thank you for your support,

On behalf of the LF-RB Nominees,

Sincerely,

Gary Herman

BACKGROUND OF THE SOLICITATION

The following is a chronology of events leading up to this proxy solicitation:

On previous occasions in the past several years, members of the LF-RB Group conducted sporadic dialogue with the Company's management, identifying various aspects of the Company's performance that required improvement or enhancement. For example, members of the LF-RB Group held discussions at the Marcum MicroCap Conference in May 2015 and discussed certain matters with the Company during the Company's investor conference calls in November 2015 and March 2016. Such discussions were primarily between Gary L. Herman, from the LF-RB Group, and W. John Short, the Company's Chief Executive Officer ("CEO"). Discussions with the Company substantially focused on the Company's business outlook, business prospects, financial condition, target markets and the status of the Company's Brazilian operations. In particular, the LF-RB Group expressed to the Company its view that the Company should strongly consider discontinuing its Brazilian operations. In addition, In June and December 2014, Mr. Herman, through an affiliate, sent letters to the Company expressing his disappointment with the Company's financings as well as disappointment in the financial performance and compensation levels.

In the Fall 2015, the LF-RB Group commenced in earnest its monitoring and examination of the Company, its strategy and financial condition.

On April 25, 2016, LF-RB, Mr. Herman, Mr. Jacinto, Mr. Bellofatto and Mr. Hopfenspirger entered into a Voting Agreement (the "Voting Agreement"), pursuant to which each such signatory appointed LF-RB as his proxy and attorney-in-fact to vote his shares of Common Stock with regard to any question, action, resolution, election or other matter presented to the shareholders of the Company. In addition, each of Messrs. Baksa and Giles informally agreed to consult with LF-RB with respect to actions taken by him with respect to the shares of Common Stock owned by him.

On April 29, 2016, LF-RB, Mr. Herman, Mr. Goose, Mr. Baksa, Mr. Jacinto, Mr. Bellofatto, Mr. Hopfenspirger and Mr. Giles, as the initial members of the LF-RB Group, filed their initial Schedule 13D (the "Original Schedule 13D") disclosing their beneficial ownership of more than 9.0% percent of the issued and outstanding shares of Common Stock. The filing also included a letter to the Company's Chairman of the Board highlighting a number of concerns of the LF-RB Group. In the same letter, LF-RB proposed a number of action steps that it believed would create shareholder value and enable RiceBran to reach its full potential, including, among others, (i) changes in management and the Board and replacement by with experienced food industry candidates and (ii) recommending that management and the Company's financial resources be focused in the United States to maximize the potential of the strong domestic market. In connection with the preparation and filing of the Original Schedule 13, the LF-RB Group members also entered into a Joint Filing Agreement, dated April 27, 2016. Also on April 29, 2016, Mr. Herman spoke with Robert Schweitzer, the Company's Chairman, informing him of the filing of the Original Schedule 13D by the LF-RB Group.

- On April 29, 2016, the Company filed its initial definitive proxy statement relating to the Annual Meeting.

On May 10, 2016 there was a conference call between Messrs. Herman, Goose and Baksa of LF-RB and Robert Schweitzer and Peter Woog of RiceBran. During the call, the parties discussed various issues of the Company, the concerns of LF-RB and the importance of scheduling a meeting in New York City.

On May 11, 2016, the Company filed a revised definitive proxy statement to, among other things, update the beneficial ownership table contained in its proxy statement to include the ownership interests of the LF-RB Group and its members, which were omitted from the table contained in the Company's definitive proxy statement filed April 29, 2016.

On May 19, 2016, LF-RB, Mr. Herman, Mr. Goose, Mr. Baksa, Mr. Jacinto, Mr. Bellofatto, Mr. Hopfenspinger and Mr. Giles filed Amendment No. 1 to their Schedule 13D to correct the calculation of the percentage of shares of Common Stock beneficially owned by the LF-RB Group as of such date and to include an additional letter to the Company's management and the Voting Agreement as exhibits.

On May 25, 2016, several members of LF-RB Group, including Mr. Herman, Mr. Goose and Mr. Baksa, met with Robert C. Schweitzer, the Company's Chairman of the Board, and Company director Peter A. Woog. At this meeting, the LF-RB Group presented the Company's representatives with three requests: (1) postpone the date of the Annual Meeting by at least 45 days to allow for further discussions between the LF-RB Group, the Board and senior management, (2) hire Mr. Goose as a Chief Operating Officer or Co-CEO of the Company, and (3) nominate candidates recommended by the LF-RB Group to a majority of the seats on the Board. Following the meeting, Pepper Hamilton LLP, counsel to the LF-RB Group, communicated by letter to the Company that if, by 12:00 pm (New York time) on May 26, 2016, the Board did not agree to postpone the Annual Meeting, the LF-RB Group will have no alternative but to commence the preparation and filing of a proxy statement for the Annual Meeting to propose its nominees for election to the Board.

On May 26, 2016, the Company, through its legal counsel Weintraub Tobin Chediak Coleman Grodin Law Corporation, communicated by email correspondence to Pepper Hamilton that the Company and the Board would be willing to consider the points raised by the LF-RB Group during the May 25, 2016 meeting, the Board would not be able to come to a decision with respect to postponing the date of the Annual Meeting and/or related matters by May 26, 2016.

On May 31, 2016, members of the LF-RB Group collectively representing over 5% of the issued and outstanding Common Stock sent a demand letter to the Company, requesting certain information about the Company's shareholders in accordance with Section 1600 of the California Corporations Code. On the same date, members of the LF-RB Group collectively representing over 5% of the issued and outstanding Common Stock, sent a letter to the Company's Secretary, formally nominating Gary L. Herman, Michael Goose, Stephen D. Baksa, Beth Bronner and Brent Rosenthal for election to the Board at the Annual Meeting (the "Nomination Letter").

On June 1, 2016, the LF-RB Group also filed its preliminary proxy statement in connection with the Annual Meeting.

On June 3, 2016, the LF-RB Group issued a press release discussing its nomination of the LF-RB Nominees and the solicitation of proxies described in this Proxy Statement. Also on June 3, 2016, the LF-RB Group filed Amendment No. 2 to their Schedule 13D, disclosing that the Nomination Letter had been sent to the Company, the filing of the preliminary proxy statement and the LF-RB Group's issuance of its press release on the same date.

REASONS FOR THE SOLICITATION

Enhancement of the Company's Board Is Needed Now To

Restore the Company's Growth Prospects and Unlock Shareholder Value

Many of the members of the LF-RB Group are long-term shareholders of the Company.¹ We continue to believe RiceBran possesses immense value and earnings potential, but we have lost faith in the ability of incumbent management and the current Board to act in the best interest of, and create sustainable value for, all shareholders. LF-RB's management has conducted extensive due diligence on the Company. In doing so, we have carefully analyzed the Company's operating and financial performance as well as the competitive landscape in the food products industry in which it operates.

For over a year, certain members of the LF-RB Group have maintained an ongoing dialogue with the Company's Board and management team to discuss our concerns and opportunities that we believe are available to create value for the benefit of all RiceBran shareholders. Our interests are fully aligned with the interests of all RiceBran shareholders. We believe that the Company's financial performance under the oversight of the current Board has been abysmal and reflects poor strategic decisions with respect to the allocation of the Company's limited financial resources. For example, gross profit for the Company's Brazil segment was 3.9% of such segment's revenues in 2015 (as compared to 31.8% in the case of the Company's USA segment in 2015). In 2015, the Company's total selling, general and administrative ("SG&A") expenses were \$12.6 million – approximately \$4.5 million more than the Company's entire gross profit. In addition, the Company generated net losses attributable to RiceBran shareholders of \$8,268,000, \$23,029,000, \$15,021,000 and \$9,509,000 in 2015, 2014, 2013 and 2012, respectively, and the Company's annual revenues for 2015, 2014, 2013 and 2012 have stagnated at around the \$40 million level.

In addition, despite our sincere efforts to engage constructively with the Company, we have been continuously disappointed by RiceBran's lack of urgency in addressing our concerns and the opportunities that we have identified. For example, following letters and sporadic dialogue between several members of the LF-RB Group and the Company in 2015 and early 2016, based on publicly available information, we believe that the Company made minimal or no changes to its strategy to take into account our recommendations and concerns. As a result, we do not have confidence that the Board, as currently composed, will take the necessary steps to maximize opportunities for value creation.

The current Board has engaged in several rounds of financing in the aggregate of more than \$30 million, which have been dilutive to the shareholders. Further, based on our interactions with the Board, and what we believe to be an ineffective strategy, we do not believe the current members of the Board are acting in the best interest of all

shareholders, or that they have the relevant experience or ability to turn around the Company. Indeed, the Company has missed its business and financial projections and has suspended providing guidance to shareholders.² Moreover, as discussed above, the Board has exhibited complacency and inadequate action despite marked underperformance by the Company, as discussed above in this Proxy Statement, as reflected by the decline of the price of the Common Stock of 86.2% over the period from December 31, 2012 to May 30, 2016. At this point, the LF-RB Group believes the best way for shareholders to protect the value of their investment is by adding a fresh perspective to the Board by appointing new directors to be voted on by shareholders.

We view the Company's primary business opportunities to be in the functional food, beverage and nutraceutical sectors. Despite creating a unique and valuable protein/fiber food ingredient product set, we believe that the Company's products have not effectively penetrated the market or gained significant product adoption or achieved expectation in a growing market. The few supply agreements and joint ventures that the Company has announced have been disappointing in terms of revenues received. The following are examples of the concerns we are referring to:

- Inability to deliver a highly sought after product to end users, due to lack of distribution with key strategic customers.

- Management significantly missed its 2015 guidance for consolidated revenue of \$67 million and *positive* Adjusted EBITDA margins of 10%-12%.³ Rather, the Company generated a mere \$40 million in consolidated revenue and *negative* consolidated adjusted EBITDA of (\$1,200,000).⁴

- Annual revenues for 2015, 2014, 2013 and 2012 have stagnated at around the \$40 million level.⁵

¹ For example, Mr. Herman, directly or through affiliates, has owned shares of the Company's Common Stock since June 2011. In addition, Mr. Baksa and Mr. Giles invested in the Company's offering of convertible notes ("Notes") in March 2014; in May 2014, the Notes automatically converted into Common Stock, and they have held Common Stock since that time.

³ Company's Amendment No. 1 to Current Report on Form 8-K, filed November 17, 2014.

⁴ Company's Press Release, dated March 30, 2016.

⁵ Company's Annual Reports on Form 10-K filed on March 30, 2016, March 31, 2015, April 1, 2014 and April 1, 2013.

We therefore believe that urgent change is needed on the RiceBran Board. We are soliciting your support to elect the LF-RB Nominees at Annual Meeting, who we believe would bring significant and relevant experience, new insight and fresh perspectives to the Board. This Annual Meeting is a critical opportunity at which to begin realizing such change, in particular prior to the appointment of a new CEO to succeed W. John Short, so that we can play an active role in selecting a proven leader as CEO to begin to rebuild and revitalize the Company. The LF-RB Group's choice for CEO is Mr. Michael Goose, one of the LF-RB Nominees, in light of his qualifications and expertise described under "Proposal No. 1 – Election of Directors."

We also contend that the Company's proposed Board lacks an expert in the type of fundamental corporate restructuring that the Company must undertake. The tasks that lie ahead for this Board remain significant—including critical cost-cutting and further leveraging of the Company's brand and market knowledge—to effectively capitalize on market opportunities and chart a sustainable strategic course to profitability.

Our Goal: To Maximize Long-Term Value for All Shareholders

Our goal is simple: to maximize long-term value for all shareholders. If elected, the LF-RB Nominees will immediately review the Company's current strategy, capital allocation and corporate governance practices with a view toward revitalizing its market position in order to rebuild a profitable long-term foundation for success. Our nominees have the requisite finance, corporate governance, brand management, food industry and capital allocation expertise to effect fundamental changes to the Company's strategy, execution and governance.

We are Concerned with the Company's Prolonged Stock Price Underperformance Under the Current Board Leadership

Under the watch of current directors and management, RiceBran's shares of Common Stock have dramatically underperformed the Russell 3000 Index and a peer group selected by the LF-RB Group. Over the period from December 31, 2012 to May 30, 2016, RiceBran's Common Stock has experienced an absolute stock price decline of 86.2%, from \$10.80 per share to \$1.49 per share as of May 30, 2016 (in each case, giving effect to a reverse stock split effective as of November 2013). During the same period, an industry peer comparison group selected by the LF-RB Group delivered a median positive total return of 39.8%,⁶ while the Russell 3000 delivered a total return of 56.2%.⁷

We Believe Substantial Opportunities Exist at RiceBran to Create Value for All Shareholders

As a long-term investor in RiceBran, the LF-RB Group is focused on changes that we believe are essential to creating a platform for long-term shareholder value creation. Given the duration and magnitude of RiceBran's underperformance under the leadership of the current CEO and CFO and the current Board members, we believe the best outcome for our fellow long-term shareholders would be driven by leadership changes at the management and Board levels. Considering RiceBran's substantial strategic asset value and inherent earnings power, we believe there are significant opportunities to unlock value for shareholders. We believe RiceBran has a path to revitalize its valuation, revenue and income based on the following reasonable strategic and financial strategies:

Install Proven Leaders on the Management Team. As described above, during more than five years under Mr. Short's leadership, RiceBran has significantly underperformed the broader market and failed to execute on many strategic initiatives. The Board's recent decision to not renew Mr. Short's contract provides a critical opportunity for the Company to hire a proven leader, who can methodically execute on strategic initiatives while embracing employee collaboration, re-energize the RiceBran organization and rebuild credibility in the investor community. We believe that the qualifications and experience of the LF-RB Group and the LF-RB Nominees make us especially well-suited to selecting an exceptional CEO. If elected to the Board, the LF-RB Group intends to appoint Mr. Michael Goose, one of the LF-RB Nominees, as CEO to replace Mr. Short, in light of his qualifications and expertise described under "Proposal No. 1 – Election of Directors." We also plan to evaluate the performance of the Chief Financial Officer and other members of senior management and, if necessary and appropriate, replace them with experienced executive candidates we have identified or will identify.

⁶ Peer group composed of SunOpta, Inc. (Canada) and Balchem Corporation, Darling Ingredients Inc. and Omega Protein Corporation (United States).

⁷ FactSet.

Reconstitute the Board and Adopt Policies Targeting Shareholder Alignment. We believe that RiceBran's directors appear complacent towards current management's weak strategic execution, ineffective financial stewardship and mediocre performance. We believe that the Company's insufficient focus on preserving and creating shareholder value is demonstrated by, among other things, complacency and inadequate action in the face of the substantial decline in the price of the Common Stock, revenue stagnation, net losses and other financial results, as discussed above in this Proxy Statement. The LF-RB Nominees are highly-qualified, independent directors with considerable credibility and decades of relevant business and financial experience who we believe will bring fresh perspective into the boardroom and would be valuable in assessing and executing on initiatives to unlock value at the Company. Moreover, each of the LF-RB Nominees possesses a deep commitment to shareholder value, which we believe will allow them to independently make informed decisions to explore and identify opportunities to unlock value at RiceBran. Among other things, we believe that a greater proportion of LF-RB Nominees have food industry and turn-around experience and expertise working with company management from an investor point of view than many members of the current Board.

Right-size the Cost Structure and Optimize the Capital Structure. For many years, RiceBran's operating expenses have significantly exceeded the aggregate of revenue and cost of goods sold in each year, resulting in significant net loss to the Company and its Shareholders.⁷

With the right leadership, alignment of interests and governance structures in place, we believe RiceBran can deliver substantial value for all stakeholders.

Immediate Assessment of the Company's Business Segments

We believe a significant step necessary to turn around the Company will be to immediately review and examine a number of aspects of the Company's business, and conduct the following assessments and reviews:

A thorough assessment of the Brazilian business in light of the capital expenditures and distractions to management.

A thorough assessment of all contracts and joint ventures and their financial impact on the Company.

Evaluation of Selling, General and Administrative expenses, with the goal of causing these expenses to be more in line with the revenue of the Company and prior guidance, if available.

Immediate review of the Company's business mix, and focus on higher moving higher margin products, while placing less emphasis on slower-selling or less popular products.

Assessment of the low margin animal feed business.

Review and change the current sales strategy to seek to create greater awareness and increase product demand.

Action Steps

If our nominees are elected, we propose the following action steps immediately to improve the Company's performance and give shareholders a chance of recouping their losses and creating value:

Greater deployment of the Company's financial resources in the United States to maximize the potential of this strong domestic market.

Implement a growth plan to more effectively utilize the Company's resources to penetrate the food, beverage and nutraceuticals markets and drive product adoption and sales.

Evaluate the performance of the Chief Financial Officer and other members of senior management and, if necessary and appropriate, replace them with experienced executive candidates we have identified or will identify.

We are also prepared to seek to arrange for the additional capital resources to be infused into the Company, as needed, to execute the business plan of new management.

Our Nominees Have the Experience, Qualifications and Commitment Necessary to Fully Explore Available Opportunities to Unlock Value for RiceBran Shareholders

For the reasons set forth above, we lack confidence in management's and the Board's ability to unlock value for the benefit of all RiceBran shareholders. Further, we believe the Company's underperformance, ineffective strategy and approach to capital allocation, as described above in this Proxy Statement, warrant the addition of representatives to the Board who hold a significant stake in the Company, whose interests will be closely aligned with those of all shareholders and who would work constructively to protect the best interests of all RiceBran stakeholders.

⁷ Company's Annual Reports on Form 10-K filed on March 30, 2016, March 31, 2015, April 1, 2014 and April 1, 2013.

We have identified five (5) highly-qualified, independent directors with considerable credibility and decades of relevant business and financial experience who we believe will bring fresh perspective into the boardroom and would be valuable in assessing and executing on initiatives that are designed to unlock value at the Company. Moreover, each of the LF-RB Nominees possesses a deep commitment to shareholder value, which we believe will allow them to independently make informed decisions to explore and identify opportunities to unlock value at RiceBran.

We believe all of our nominees will satisfy the Nasdaq Stock Market Rules' definition of independence. Moreover, LF-RB believes that each of Mr. Rosenthal and Ms. Bronner qualify as audit committee financial experts, as defined by the rules of the Securities and Exchange Commission, and each is eligible to serve on the Finance and Audit committee of the Company. As members of the Board, they will owe fiduciary duties to the Company's shareholders and we believe they will, subject to those duties, endeavor to work constructively with RiceBran's management and the Board to address the issues described in this Proxy Statement in an effort to enhance value for all of RiceBran's shareholders. However, Mr. Goose will not be deemed independent of the Company, under Nasdaq Stock Market Rules, if after election, he is appointed as CEO of the Company, as we have recommended.

For biographical information of each of the LF-RB Nominees, see "Proposal No. 1 – Election of Directors."

PROPOSAL NO. 1

ELECTION OF DIRECTORS

We are seeking your support at the Annual Meeting to elect the five (5) LF-RB Nominees. According to publicly available information, the Board is currently composed of seven (7) directors, all of whom are up for election at the Annual Meeting to serve a one (1) year term expiring at the 2017 annual meeting of shareholders and until their respective successors have been selected and qualified. For the reasons stated above, we are seeking your support at the Annual Meeting to elect the five (5) LF-RB Nominees. If successful in this solicitation, the Board will be composed of the LF-RB Nominees—Gary L. Herman, Michael Goose, Stephen D. Baksa, Beth Bronner and Brent Rosenthal—and the two (2) Company director nominees receiving the highest number of votes in favor of his or her election at the Annual Meeting. The foregoing statement does not take into account different voting outcomes reached in the event of other nominations or the ultimate impact of cumulative voting. If all five (5) of our Nominees are elected, they will represent a majority of the members of the Board. There is no assurance that any incumbent director will serve as a director if one or more of the LF-RB Nominees are elected to the Board. Each of the LF-RB Nominees, if elected at the Annual Meeting, will serve until the Company's 2017 annual meeting of shareholders and until his or her successor shall have been duly elected and qualified, or until his or her death, resignation or removal.

We are soliciting proxies to elect only the LF-RB Nominees listed herein. Accordingly, the enclosed **GOLD** proxy card may only be voted for the LF-RB Nominees and does not confer voting power with respect to any of the Company's director nominees. Shareholders who return the **GOLD** proxy card will only be able to vote for the five LF-RB Nominees listed on the card and will not have the opportunity to vote for the additional two (2) seats up for election at the Annual Meeting. Assuming that the only persons nominated for election to the Board of Directors at the Annual Meeting will be the seven incumbent directors and LF-RB's five nominees, there will be a total of 12 nominees competing for seven available directorships. The seven nominees who receive the most votes will be elected as directors. Although there are seven available directorships for which candidates may be elected at the Annual Meeting, the LF-RB Group has determined that it would nominate only five candidates for the Annual Meeting. You can vote for a maximum of five candidates for director through the **GOLD** proxy card.

Since only your latest dated proxy card will count, we urge you not to sign or return any proxy card that you receive from the Company, even as a form of protest against the Company's current directors, because doing so would revoke and invalidate any **GOLD** proxy card you may have previously submitted in which you have voted for the LF-RB Nominees. You can vote for our five (5) nominees only on our **GOLD** proxy card. Therefore, if you wish to vote for the election of the LF-RB Nominees for the Board of Directors at the Annual Meeting, please make certain that the latest dated proxy card you return is the **GOLD** proxy card.

Unless we are otherwise instructed, we intend to vote shares of Common Stock represented by properly executed **GOLD** proxy cards cumulatively at the Annual Meeting in favor of our LF-RB Nominees, at our sole discretion, in order to elect as many of the LF-RB Nominees as possible. For more information on cumulative voting, see “Voting & Proxy Procedures.”

THE LF-RB NOMINEES

The LF-RB Group has nominated five (5) highly qualified nominees, who, if elected, will exercise their independent judgment in accordance with their fiduciary duties as a director in all matters that come before the Board. The LF-RB Nominees are independent of the Company in accordance with Nasdaq Stock Market rules on board independence. However, Mr. Goose will not be deemed independent of the Company, under the Nasdaq Stock Market Rules, if after election, he is appointed as CEO of the Company, as we have recommended. Mr. Goose would also receive compensation commensurate with the position of CEO if appointed. If elected, and subject to their fiduciary duties as directors, the LF-RB Nominees would work with the other members of the Board to take those steps that they deem are necessary or advisable to maximize value for all shareholders.

Set forth below are the name, age as of May 30, 2016, business address, present principal occupation and employment and material occupations, positions, offices or employments for the past five (5) years of each of the LF-RB Nominees. Ms. Bronner received a B.A. from Vassar College and an M.B.A. from The University of Chicago.

We believe that Ms. Bronner's extensive experience as a senior executive and private equity investor and service on the boards of several multi-billion dollar companies makes her a strong candidate for the Board.

Gary Herman, 51, has over 20 years of investment experience with a significant focus on public companies and undervalued opportunities. Since 2002, Mr. Herman has been a managing member of Galloway Capital Management, LLC, which, through its investment fund, Strategic Turnaround Equity Partners, LP focuses on investments in primarily undervalued small-cap and micro-cap securities. The LF-RB Nominees will not receive any compensation from any member of the LF-RB Group for their services as a director of the Company. The LF-RB Group has entered into an informal understanding with each of the LF-RB Nominees pursuant to which it agreed to indemnify the LF-RB Nominees against certain liabilities arising from their service as members of the Board, if elected, as well as certain liabilities arising in connection with their participation in the solicitation of proxies to which this Proxy Statement relates. Other than as stated in this Proxy Statement, there are no arrangements or understandings between members of the LF-RB Group and any of the LF-RB Nominees or any other person or persons pursuant to which the nomination of the LF-RB Nominees described herein is to be made, other than the consent by each of the LF-RB Nominees to be named in this Proxy Statement and to serve as a director of RiceBran if elected as such at the Annual Meeting. LF-RB reserves the right to nominate additional persons if RiceBran increases the size of the Board above its existing size. Any additional nominations made pursuant to the preceding sentence are without prejudice to the position of LF-RB that any attempt to increase the size of the current Board or to classify the Board would constitute an improper manipulation of the Company's corporate machinery.

PROPOSAL NO. 2

ADVISORY VOTE ON COMPENSATION OF THE COMPANY'S NAMED EXECUTIVE OFFICERS

As discussed in further detail in the Company's proxy statement, the Company is asking shareholders to indicate their support for the compensation of the Company's named executive officers. This proposal, commonly known as a "Say-on-Pay" proposal, is not intended to address any specific item of compensation, but rather the overall compensation of the Company's named executive officers and the philosophy, policies and practices described in the Company's proxy statement. Accordingly, the Company is asking shareholders to vote for the follow resolution:

"RESOLVED, that the Company's shareholders approve, on an advisory basis, the compensation of the named executive officers, as disclosed in the Company's proxy statement for the 2016 Annual Meeting of Shareholders pursuant to the compensation disclosure rules of the Securities and Exchange Commission."

As disclosed in the Company's proxy statement, the shareholder vote on the Say-on-Pay Proposal is an advisory vote only, and is not binding on the Company, the Board, or the Compensation Committee of the Board; however, the Board and the Compensation Committee may take into account the outcome of the vote when considering future compensation arrangements with the Company's named executive officers.

We believe the Company's executive compensation program is in need of significant revision and adjustment due to its inability to strongly align shareholder and management interests in light of the marked decline in stock price, undervaluation and unacceptable levels of revenue performance.

WE RECOMMEND A VOTE "AGAINST" THIS SAY-ON-PAY PROPOSAL AND INTEND TO VOTE OUR SHARES AGAINST THIS PROPOSAL.

PROPOSAL NO. 3

**COMPANY PROPOSAL TO RATIFY SELECTION OF INDEPENDENT
REGISTERED PUBLIC ACCOUNTANTS**

As discussed in further detail in the Company's proxy statement, the Finance and Audit Committee of the Board has appointed Marcum LLP as the Company's independent registered public accounting for the 2016 fiscal year.

We do not object to the ratification of the appointment of Marcum LLP as the Company's independent registered public accounting for the year ending December 31, 2016.

**WE MAKE NO RECOMMENDATION WITH RESPECT TO THE RATIFICATION
OF THE APPOINTMENT OF MARCUM AS THE INDEPENDENT REGISTERED
PUBLIC ACCOUNTING FIRM OF THE COMPANY FOR THE FISCAL YEAR ENDING
DECEMBER 31, 2016 AND INTEND TO VOTE OUR SHARES "FOR" THIS PROPOSAL.**

VOTING AND PROXY PROCEDURES

THE LF-RB GROUP RECOMMENDS A VOTE FOR THE ELECTION OF THE LF-RB NOMINEES BECAUSE WE BELIEVE THAT THE LF-RB NOMINEES WOULD SERVE TO UNLOCK AND CONTRIBUTE TO THE FURTHER CREATION OF SHAREHOLDER VALUE FOR RICEBRAN.

Shareholders Entitled to Vote; Record Date

In accordance with the Company's definitive proxy statement (Amendment No. 1), filed May 11, 2016 (as amended and supplemented, the "RiceBran Proxy Statement"), only holders of record of RiceBran's Common Stock at the close of business on April 25, 2016 (the "Record Date") are entitled to notice of and to vote at the Annual Meeting. As of the Record Date, there were 10,496,339 shares of Common Stock outstanding.

Each share of Common Stock is entitled to one vote, except as stated below in regard to cumulative voting. Shareholders who sell shares of Common Stock before the Record Date (or acquire them without voting rights after the Record Date) may not vote such shares. Shareholders of record on the Record Date will retain their voting rights in connection with the Annual Meeting even if they sell such shares after the Record Date. Based on publicly available information, the LF-RB Group believes that the only outstanding class of securities of RiceBran entitled to vote at the Annual Meeting is the Common Stock.

Pursuant to the RiceBran Proxy Statement, with respect to the election of directors, every shareholder voting for the election of directors may cumulate such shareholder's votes and give one candidate a number of votes equal to the number of directors to be elected multiplied by the number of votes to which the shareholder's shares of Common Stock are entitled, or distribute the shareholder's votes on the same principle among as many candidates as the shareholder thinks fit, up to the number of director seats that are up for election provided that votes cannot be cast for more than seven (7) candidates. In order for shareholders to be entitled to cumulate votes with respect to any director candidate, the candidate's name must be placed in nomination prior to the voting and any shareholder must give notice at the Annual Meeting prior to the voting of the intention to cumulate the shareholder's votes. We intend to provide such a notice to the Company in order to cumulate our votes, and those represented by properly executed GOLD proxy cards, in our sole discretion, in order to elect as many of the LF-RB Nominees as possible. On all other matters, each share of Common Stock outstanding on the Record Date entitles its owner to one vote.

Shares represented by properly executed **GOLD** proxy cards will be voted at the Annual Meeting as marked and, in the absence of specific instructions, will be voted FOR the election of the LF-RB Nominees to the Board, AGAINST the advisory vote on executive compensation of the Company's named executive officers, FOR the ratification of the

appointment of Marcum LLP as the Company's independent registered public accounting firm for the year ending December 31, 2016, and in the discretion of the persons named as proxies on all other matters as may properly come before the Annual Meeting.

QUORUM

In order to conduct any business at the Annual Meeting, a quorum must be present in person or represented by valid proxies. The presence in person or by proxy of the holders of a majority of the outstanding shares of Common Stock entitled to vote at the Annual Meeting is necessary to constitute a quorum. Pursuant to the RiceBran Proxy Statement, shares that are voted "FOR" or "AGAINST" each proposal at the Annual Meeting are treated as being present at the meeting for purposes of establishing a quorum, while abstentions and broker non-votes will be counted in determining whether a quorum is present at the Annual Meeting, but are not deemed to be present or represented for purposes of determining whether shareholder approval of a proposal has been obtained.

VOTES REQUIRED FOR APPROVAL

Vote required for the election of directors. Assuming that the only persons nominated for election to the Board of Directors at the Annual Meeting will be the seven incumbent directors and LF-RB's five nominees, there will be a total of 12 nominees competing for seven available directorships. The seven nominees who receive the most votes will be elected as directors; votes cast against any nominee or withheld have no legal effect. Any shares not voted (whether by abstention, broker non-votes or otherwise) will have no impact on the election of directors, except to the extent that withholding the authority to vote for an individual results in another individual receiving a larger number of votes.

Advisory Vote on Executive Compensation. According to the Company's proxy statement, although the vote is non-binding, assuming that a quorum is present, the advisory vote on the compensation of the Company's named executive officers will be approved if the holders of a majority of the shares present in person or represented by proxy at the Annual Meeting vote in favor of approval of the resolution. The Company has indicated that broker non-votes will have no effect on the approval of the resolution, but abstentions will act as a vote against approval of the resolution.

Vote required for the ratification of the appointment of Marcum LLP. For ratification, this proposal will require the affirmative vote of the holders of a majority of the shares of represented at the Annual Meeting in person or by proxy. Votes on the ratification of Marcum LLP marked "abstain" and broker non-votes will not be counted as votes cast, but will count toward the determination of the presence of a quorum and have the same effect as votes cast against the proposal.

BROKER DISCRETIONARY VOTING

Shares held in "street name" and held of record by banks, brokers or nominees generally may not be voted by such banks, brokers or nominees on any contested matters unless the beneficial owners of such shares provide them with instructions on how to vote.

REVOCAION OF PROXIES

Shareholders of RiceBran may revoke their proxies at any time prior to exercise by attending the Annual Meeting and voting in person (although attendance at the Annual Meeting will not in and of itself constitute revocation of a proxy) or by delivering a written notice of revocation. The delivery of a subsequently dated proxy which is properly completed will constitute a revocation of any earlier proxy. The revocation may be delivered either to the LF-RB Group in care of Alliance Advisors at the address set forth on the back cover of this Proxy Statement, or to RiceBran at 6720 N. Scottsdale Road, Suite # 390, Scottsdale, Arizona 85253, or any other address provided by RiceBran. Although a revocation is effective if delivered to RiceBran, the LF-RB Group requests that either the original or photocopies of all revocations be mailed to the LF-RB Group in care of Alliance Advisors at the address set forth on the back cover of this Proxy Statement so that the LF-RB Group will be aware of all revocations and can more accurately determine if and when proxies have been received from the holders of record on the Record Date and the number of outstanding shares of Common Stock represented thereby. Additionally, Alliance Advisors may use this information to contact shareholders who have revoked their proxies in order to solicit later dated proxies for the election of the LF-RB Nominees.

IF YOU WISH TO VOTE FOR THE ELECTION OF THE LF-RB NOMINEES TO THE BOARD, AGAINST THE EXECUTIVE COMPENSATION OF THE COMPANY'S NAMED EXECUTIVE OFFICERS OR FOR THE RATIFICATION OF THE APPOINTMENT OF MARCUM LLP, PLEASE SIGN, DATE AND RETURN PROMPTLY THE ENCLOSED GOLD PROXY CARD IN THE POSTAGE-PAID ENVELOPE PROVIDED.

SOLICITATION OF PROXIES

The solicitation of proxies pursuant to this Proxy Statement is being made by the LF-RB Group and the LF-RB Nominees. Proxies may be solicited by mail, facsimile, telephone, telegraph, Internet, in person and by advertisements.

LF-RB has entered into an agreement with Alliance Advisors for solicitation and advisory services in connection with this solicitation, for which Alliance Advisors will receive a fee not to exceed \$45,000 (exclusive of reimbursement for its reasonable out-of-pocket expenses), and will be indemnified against certain liabilities and expenses, including certain liabilities under the federal securities laws. Alliance Advisors will solicit proxies from individuals, brokers, banks, bank nominees and other institutional holders. LF-RB has requested banks, brokerage houses and other custodians, nominees and fiduciaries to forward all solicitation materials to the beneficial owners of the shares of Common Stock they hold of record. LF-RB will reimburse these record holders for their reasonable out-of-pocket expenses in so doing. It is anticipated that Alliance Advisors will employ approximately 25 persons to solicit the Company's shareholders for the Annual Meeting.

Costs of this solicitation of proxies are currently estimated to be approximately \$186,000. LF-RB estimates that through the date hereof, its expenses in connection with this solicitation are approximately \$40,000. LF-RB intends to seek reimbursement from RiceBran of all expenses it incurs in connection with the solicitation of proxies for the election of the LF-RB Nominees to the Board at the Annual Meeting. LF-RB does not intend to submit the question of such reimbursement to a vote of security holders of the Company.

Shareholders wishing to make such proposals must also satisfy the other requirements set forth in the Company's bylaws. If a shareholder does not also comply with the requirements of Rule 14a-4 under the Exchange Act, the Company may exercise discretionary voting authority under proxies it solicits to vote in accordance with its best judgment on any such proposal submitted by a shareholder.

Pursuant to information contained in the RiceBran Proxy Statement, if there is a change in the deadlines set forth above for shareholder proposals with respect to the 2017 annual meeting, the Company will disclose the new deadlines in a Quarterly Report on Form 10-Q, a Current Report on Form 8-K, or by other means.
