Item 8.01. Other Events.

On May 22, 2008, Andover Medical, Inc. (Andover) entered into a non-binding memorandum of terms (the MOT) pursuant to which Medical Solutions Management Inc., a Nevada corporation that markets and sells orthopedic and podiatric durable medical equipment in the United States (MSMT), will acquire the subsidiaries of Andover and Certified Diabetic Services, Inc., a Delaware corporation that provides diabetes medical supplies, testing, products, education and information (CDIP). Andover and CDIP are collectively referred to herein as the Target Companies.

The MOT contemplates that the parties will negotiate and execute a definitive agreement and plan of consolidation (the Plan of Consolidation) pursuant to which MSMT will acquire the following subsidiaries of the Target Companies: (i) Certified Diabetic Supplies, Inc., (ii) CDS Health Management, Inc., (iii) CDS Medical Supplies, Inc., (iv) Certified Pharmacies of America, Inc., and Andover 's two operating subsidiaries, (v) Ortho-Medical Products, Inc. and (vi) Rainier Surgical Incorporated. The parties may also form a new holding company to be incorporated in Delaware (Holdco), in which case each of MSMT, Andover and CDIP would become subsidiaries of Holdco, the shareholders of each such company would receive shares of Holdco common stock to reflect the overall ownership percentages described below, and the transaction would be structured on an overall basis to effect the material business agreement of the parties described herein and as may be otherwise negotiated.

The Plan of Consolidation will provide that in exchange for the capital stock of the above referenced subsidiaries, the Target Companies shareholders shall receive shares of MSMT 's common stock, as described below. As a result, the percentage of beneficial ownership of MSMT common stock owned by each of the parties shall be as follows: (i) former CDIP shareholders - forty-five (45%) percent, (ii) existing MSMT shareholders - twenty (20%) percent, and (iii) former Andover shareholders - thirty-five (35%) percent (calculated on an as-converted basis, i.e., inclusive of common stock, preferred stock and convertible debentures, but exclusive of options and warrants). An additional 10% of the issued and outstanding shares of common stock of MSMT (calculated on the closing date) shall be issued to the former shareholders of the respective companies following the closing based upon the respective performances of MSMT, Andover and CDIP in achieving revenue and earnings targets during calendar year 2008.

With respect to management and governance, it is anticipated that the composition of MSMT 's Board of Directors shall change and be increased to nine members, the majority of whom shall be deemed independent in order to help facilitate a proposed listing on a stock exchange.

The closing of the transactions contemplated by the Plan of Consolidation is conditioned upon and subject to satisfactory completion of due diligence, respective Board of Director and shareholder approval, the effectiveness of a registration statement covering the shares of MSMT common stock to be issued to the shareholders of the
