## Section 8 - Other Events

### Item 8.01 Other Events.

On October 23, 2015, Talen Energy Corporation issued a press release announcing the execution of an agreement on October 22, 2015 to sell its 399-megawatt C.P. Crane coal-fired power plant in Baltimore, Maryland. The transaction is expected to close in the first quarter of 2016, following receipt of required regulatory approvals and other customary closing conditions. The transaction is not expected to have a significant impact on Talen Energy's financial condition or results of operations.

A copy of the press release is filed as Exhibit 99.1 hereto and is incorporated by reference herein.

### Forward-Looking Statements

All statements contained herein other than statements of historical fact are "forward-looking" statements for purposes of the U.S. federal and state securities laws. Although Talen Energy believes that the expectations and assumptions reflected in these forward-looking statements are reasonable, these statements are subject to a number of risks and uncertainties, and actual results may differ materially from the results discussed in the statements. Among the important factors that could cause actual results to differ materially from the forward-looking statements are: operating performance and the length of scheduled and unscheduled outages at generating plants; weather conditions affecting customer energy usage and/or the availability of fuel for the plants; volatility in the availability and/or price of electric transmission and/or fuel transmission and delivery services; the effect of any business, industry or market restructuring; and new accounting requirements or new interpretations or applications of existing requirements. Any such forward-looking statements should be considered in light of such important factors and in conjunction with the risk factors and other disclosures included in Talen Energy's filings with the Securities and Exchange Commission that are available at [www.sec.gov](http://www.sec.gov).
