QUESTIONS AND ANSWERS ABOUT THE ANNUAL MEETING

Why did I receive a notice in the mail regarding the Internet availability of proxy materials this year instead of a full set of proxy materials?

Pursuant to the rules of the Securities and Exchange Commission (the “SEC”), we have elected to provide access to our proxy materials over the Internet. We believe that by electing to provide access to our proxy materials over the Internet, we will reduce the amount of natural resources used in connection with the distribution of our proxy materials and our Annual Meeting. Accordingly, we are sending a Notice of Internet Availability of Proxy Materials (the “Notice”) to our shareholders of record and beneficial owners. All shareholders will have the ability to access the proxy materials on a website referred to in the Notice or request to receive by mail a printed set of the proxy materials, at no charge. Shareholders who have already requested to receive paper copies of our proxy materials will receive a full set of our proxy materials, including our proxy card, in the mail and will not receive the Notice.

You may request that a copy of the proxy materials be sent to you at no charge by sending a written request to Frank De Costanzo, Secretary of Eagle Bulk Shipping Inc., at 300 First Stamford Place, 5th Floor, Stamford, Connecticut 06902, telephone (203) 276-8100. You may also indicate a preference for receiving an electronic or paper copy of proxy materials for future shareholder meetings by notification to the same address or by following the instructions on the website referred to in the Notice.

Why didn't I receive a Notice in the mail?

We are providing shareholders who have previously requested to receive paper copies of the proxy materials with paper copies instead of a Notice.

We are providing a Notice e-mail to those shareholders who have previously elected delivery of the proxy materials electronically. Those shareholders should have received an e-mail containing a link to the website where our proxy materials are available and a link to the proxy voting website.

Why am I receiving these proxy materials?

Our Board of Directors has made these proxy materials available to you on the Internet, or, upon your request, has delivered printed versions to you by mail, in connection with the Board of Directors' solicitation of proxies for use at the Annual Meeting. You are invited to attend the Annual Meeting and are requested to vote on the proposals described in this proxy statement.

What is included in these proxy materials?

These materials include:

- our proxy statement for the Annual Meeting; and
- our Annual Report on Form 10-K, filed with the SEC on March 12, 2018, which includes our audited consolidated financial statements for the fiscal year ended December 31, 2017 (the “Annual Report”).

If you request printed versions of these proxy materials by mail, these materials will also include the proxy card for the Annual Meeting.

How can I get electronic access to the proxy materials?

Your Notice or proxy card will contain instructions on how to:

- view our proxy materials for the Annual Meeting on the Internet; and
- instruct us to send our future proxy materials to you electronically by e-mail.

Can I find additional information on the Company's website?

Our website is www.eagleships.com. Although the information contained on our website is not part of this proxy statement, you can view additional information on the website, such as our Third Amended and Restated Articles of Incorporation (the “Articles of Incorporation”) and Second Amended and Restated By-Laws (the “By-laws”). We also make available on our website our annual reports on Form 10-K, quarterly reports on Form 10-Q, current reports on Form 8-K and amendments to these reports filed or furnished pursuant to Section 13(a) or 15(d) of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), as soon as reasonably practicable after the Company electronically files such material with, or furnishes it to, the SEC. You may read and copy any document we file with the SEC at the SEC’s public reference facilities maintained by the SEC at 100 F Street, N.E., Room 1580, Washington, D.C. 20549. Please call the SEC at (800) SEC-0330 for further information on the public reference facilities. Our SEC filings are also available to the public at the SEC’s web site at www.sec.gov. The information on our website is not incorporated by reference into this proxy statement.

What is the purpose of the Annual Meeting?

At the Annual Meeting, shareholders will be asked to consider and vote upon the following matters:

- the election of six Directors to hold office until the 2019 Annual Meeting of Shareholders;
- the ratification of the appointment of Deloitte & Touche LLP (“Deloitte & Touche”) as the Company’s independent registered public accounting firm for the Company’s fiscal year 2018; and
- to approve, on an advisory, non-binding basis, the compensation of named executive officers.

Shareholders will also be asked to consider and vote at the Annual Meeting on any other matter that may properly come before the Annual Meeting or any adjournment or postponement of the Annual Meeting. At this time, the Company’s Board of Directors is unaware of any matters, other than those set forth above, that may properly come before the Annual Meeting.

Who is entitled to vote at the Annual Meeting?

The Board of Directors has fixed the close of business on March 12, 2018 as the record date (the “Record Date”) for the determination of shareholders entitled to notice of, and to vote at, the Annual Meeting. Only shareholders of record at the close of business on that date will be entitled to vote at the Annual Meeting or any adjournments or postponements thereof. As of the Record Date, Eagle Bulk Shipping had 73,041,548 shares of its Common Stock issued and outstanding and entitled to vote.

How many votes do I have?

Each share of Common Stock outstanding on the Record Date will be entitled to one vote on each matter submitted to a vote of the shareholders, including the election of Directors. Cumulative voting by shareholders is not permitted.

What are the Board of Directors’ voting recommendations?

The Board of Directors recommends that you vote:

- (1) “FOR” the nominees of the Board of Directors in the election of Directors;
- (2) “FOR” the ratification of the appointment of Deloitte & Touche as the Company’s independent registered public accounting firm for the Company’s fiscal year 2018; and
- (3) “FOR” the approval, on an advisory, non-binding basis, the compensation of named executive officers.

How can I vote my shares?

You can vote either in person at the Annual Meeting or by proxy whether or not you attend the Annual Meeting. You can vote by proxy as follows:

by mail - If you are a shareholder of record and you requested to receive paper copies of our proxy materials by mail, you may submit your proxy by dating and signing the proxy card that is included in the paper proxy materials that will be mailed to you on or around March 30, 2018 and mailing it in the enclosed, postage paid envelope or, if you are a beneficial owner of shares held in street name, you may submit your proxy by filling out the voting instruction form provided by your broker, trustee or other nominee, and mailing it in the enclosed, postage paid envelope. Votes submitted by written proxy must be received by 5:00 p.m. local time on the day before the Annual Meeting.

by telephone or by Internet - If you have telephone or Internet access, you may submit your proxy via our electronic voting platform at <http://www.proxyvote.com> or submit a proxy by telephone at (800) 690-6903 until 11:59 p.m. local time on the day before the Annual Meeting by following the instructions provided in the Notice, or if you received a printed version of our proxy materials by mail, by following the instructions provided with your proxy materials and on your proxy card or voting instruction form.

If your shares are held in the name of a bank, broker or other nominee (also referred to as the “holder of record”), you will receive instructions from the holder of record that you must follow for your shares to be voted. Please follow their instructions carefully.

If you attend the Annual Meeting, you may vote in person, even if you have previously submitted a proxy. If you require directions to attend the meeting, please send a written request to Frank De Costanzo, Secretary of Eagle Bulk Shipping Inc., at 300 First Stamford Place, 5th Floor, Stamford, Connecticut 06902, telephone (203) 276-8100.

What do I need to bring to be admitted to the Annual Meeting?

If you plan to attend the Annual Meeting in person, please arrive at least 30 minutes before the meeting begins in order to check in with security, where you will be asked to present valid picture identification such as a driver’s license or passport. In addition, if your shares are held in the name of your broker, trustee or other nominee and you wish to attend the Annual Meeting, you must bring an account statement or letter from the broker, trustee or other nominee indicating that you were the owner of the shares as of the Record Date.

How may I vote my shares in person at the Annual Meeting?

If your shares are registered directly in your name with our transfer agent, Computershare Trust Company, N.A., you are considered, with respect to those shares, the shareholder of record. As the shareholder of record, you have the right to vote in person at the Annual Meeting. If your shares are held in a brokerage account or by another nominee or trustee, you are considered the beneficial owner of shares held in street name. As the beneficial owner, you are also invited to attend the Annual Meeting. Since a beneficial owner is not the shareholder of record, you may not vote these shares in person at the Annual Meeting unless you obtain a “legal proxy” from your broker, trustee or other nominee that holds your shares, giving you the right to vote the shares at the meeting.

If I am the beneficial owner of shares held in “street name” by my broker, will my broker automatically vote my shares for me?

Rules applicable to broker-dealers grant your broker discretionary authority to vote your shares without receiving your instructions on certain “routine” matters, including the ratification of the independent registered public accounting firm. The proposal to elect six Directors, the vote to approve, on an advisory, non-binding basis, the compensation of our named executive officers, and any other business properly presented at the Annual Meeting are non-routine matters. As a result, your broker does not have discretionary authority to vote your shares on these matters on your behalf without receiving specific voting instructions from you.

How will my voting instructions be treated?

If you provide specific voting instructions, your shares will be voted as instructed.

If you hold shares as the shareholder of record and sign and return a proxy card or vote by telephone or Internet without giving specific voting instructions, then your shares will be voted as recommended by our Board of Directors,

as described in greater detail under the section entitled “What are the Board of Directors’ voting recommendations?” above.

If you are the beneficial owner of shares held through a broker, trustee or other nominee, and you do not give instructions to that nominee on how you want your shares voted, then generally your nominee can vote your shares on certain “routine” matters. At our Annual Meeting, only Proposal No. 2 is considered routine, which means that your broker, trustee or other nominee can vote your shares on Proposal No. 2 if you do not timely provide instructions to vote your shares.

If you are the beneficial owner of shares held through a broker, trustee or other nominee, and that nominee does not have discretion to vote your shares on a particular proposal and you do not give your broker instructions on how to vote your shares, then the votes will be considered broker non-votes. A broker “non-vote” will be treated as unvoted for purposes of determining approval for the proposal and will have the effect of neither a vote for nor a vote against the proposal.

What are the quorum and voting requirements to elect Directors and approve the other proposals described in the proxy statement?

In order to take action on the matters scheduled for a vote at the Annual Meeting, a quorum (a majority of the aggregate number of shares of the Company’s Common Stock outstanding and entitled to vote as of the Record Date for the Annual Meeting) must be present in person or by proxy.

Proposal No. 1, concerning the election of the Director nominees to the Board of Directors, requires the affirmative vote of a plurality of the shares of Common Stock present in person or represented by proxy at the Annual Meeting and entitled to vote on such matters. Shareholders may either vote “FOR” or to “WITHHOLD” their vote for a Director nominee. All elections of Directors will be determined by a plurality of the votes cast.

Proposal No. 2, concerning the ratification of the appointment of Deloitte & Touche as the Company’s independent registered public accounting firm for fiscal year 2018, Proposal No. 3, concerning the approval, on an advisory, non-binding basis, of the compensation of our named executive officers, and any other business properly presented at the Annual Meeting, requires the affirmative vote of a majority of the shares present in person or represented by proxy at the Annual Meeting and entitled to vote on such matters. For each of these proposals, shareholders may vote “FOR” the proposal, “AGAINST” the proposal, or “ABSTAIN” from voting.

What is the “plurality” standard and how does a “withhold” affect the vote?

With respect to Proposal No. 1, concerning the election of the Director nominees to the Board of Directors, the “plurality” standard means that the nominees who receive the greatest number of “for” votes cast are elected as Directors. Thus, the number of shares not voted for the election of a nominee (and the number of “withhold” votes cast with respect to that nominee) will not affect the determination of whether that nominee has received the necessary votes for election. Proxies may not be voted for more than six directors and shareholders may not cumulate votes in the election of directors.

What is an “abstention” and how would it affect the vote?

An “abstention” occurs when a shareholder sends in a proxy with explicit instructions to decline to vote regarding a particular matter. Because abstentions are treated as shares of Common Stock present for purposes of determining a quorum and because Proposal No. 2, concerning the ratification of the appointment of Deloitte & Touche as the Company’s independent registered public accounting firm for fiscal year 2018, and Proposal No. 3, concerning the approval, on an advisory, non-binding basis, of the compensation of our named executive officers, each requires the affirmative vote of a majority of the shares of Common Stock present in person or by proxy and entitled to vote at the Annual Meeting for approval of such matters, abstaining has the same effect as a vote “AGAINST” such proposals.

What is a broker “non-vote” and how would it affect the vote?

A broker non-vote occurs when a broker or other nominee who holds shares for another person does not vote on a particular proposal because that holder does not have discretionary voting power for the proposal and has not received voting instructions from the beneficial owner of the shares. Under rules applicable to broker-dealers, Proposal No. 2, concerning the appointment of Deloitte & Touche as the Company’s independent registered public accounting firm for the Company’s fiscal year 2018, is an item on which brokerage firms may vote in their discretion on behalf of

their clients, even if such clients have not furnished voting instructions. Thus, there will be no broker “non-votes” on Proposal No. 2. Brokerage firms may not vote with respect to Proposals No. 1 or No. 3 without their clients having furnished voting instructions. Thus, there may be broker “non-votes” with respect to Proposals No. 1 and No. 3, but they will have no effect on the results of Proposals No. 1 and No. 3.

Who will count the votes?

The Company’s proxy processor and tabulator, Broadridge Financial Solutions, Inc., will serve as proxy tabulator and count the votes. The results will be certified by the inspectors of election.

Could other matters be decided at the Annual Meeting?

At this time, we are unaware of any matters, other than as set forth above, that may properly come before the Annual Meeting. If any other matters properly come before the Annual Meeting, the persons named in the proxy, or their duly constituted substitutes acting at the Annual Meeting or any adjournment or postponement of the Annual Meeting, will be deemed authorized to vote or otherwise act on such matters in accordance with their judgment.

How can I change my vote?

Any person signing a proxy card in the form to be mailed to you on or about April 27, 2018, has the power to revoke it prior to the Annual Meeting or at the Annual Meeting prior to the vote. A proxy may be revoked by any of the following methods:

- by writing a letter delivered to Frank De Costanzo, Secretary of Eagle Bulk Shipping, 300 First Stamford Place, 5th Floor, Stamford, Connecticut 06902, stating that the proxy is revoked;

- by submitting in writing, by telephone or Internet another proxy with a later date; or

- by attending the Annual Meeting and (i) voting in person or (ii) hand delivering a written notice of revocation to the Secretary of the Annual Meeting before we begin voting.

Who will conduct the proxy solicitation and how much will it cost?

We will pay the costs relating to this proxy statement, the proxy solicitation and the Annual Meeting. We may reimburse brokerage firms and other persons representing beneficial owners of shares held in street name for their expenses in forwarding solicitation material to beneficial owners. Directors, officers and employees may also solicit proxies. They will not receive any additional pay for the solicitation.

PROPOSAL NO. 1:

ELECTION OF DIRECTORS

Under our Articles of Incorporation, the Board of Directors consists of not less than one and not more than fifteen members, with the exact number of Directors comprising the Board of Directors determined from time to time by resolutions adopted by the Board of Directors. Currently, the Board of Directors is comprised of six Directors. The six Directors have terms expiring at the Annual Meeting. The Nominating and Governance Committee has recommended and the Board of Directors has nominated the six current Directors, Paul M. Leand, Jr., Randee E. Day, Justin A. Knowles, Bart Veldhuizen, Gary Vogel and Gary Weston for re-election as Directors, each to serve until the 2019 Annual Meeting of Shareholders of the Company and until his or her respective successor is elected and qualified or until his or her earlier death, resignation, retirement, disqualification or removal. Although management has no reason to believe that the nominees will not be available as candidates, should such a situation arise, proxies may be voted for the election of such other persons as the holders of the proxies may, in their discretion, determine.

Directors are elected by a plurality of the votes cast at the Annual Meeting, either in person or by proxy.

Nominee Information

The Board of Directors believes that each Director nominee possesses the qualities and experience that the Nominating and Governance Committee (the “Nominating and Governance Committee”) believes that nominees should possess, as described in detail below in the section entitled “Corporate Governance-Nomination of Directors.” The Board of Directors seeks out, and the Board of Directors is comprised of, individuals whose background and experience complement those of other members of the Board of Directors. The nominees for election to the Board of Directors, together with biographical information furnished by each of them, are set forth below. There are no family relationships among executive officers and Directors of the Company.

The following is information regarding the nominees for election as Directors.

Committees of the Board of Directors

The Board of Directors has a standing Audit Committee, Compensation Committee and Nominating and Governance Committee, the respective members and functions of which are described below. Current charters describing the nature and scope of the responsibilities of each of the Audit Committee, Compensation Committee and Nominating and Governance Committee are posted on our website at www.eagleships.com under the headings "Investor Relations-Corporate Governance" and are available in print upon request to Eagle Bulk Shipping Inc., 300 First Stamford Place, 5th Floor, Stamford, Connecticut 06902.

Audit Committee

The Company's Audit Committee is comprised of Justin A. Knowles (Chairman), Randee E. Day and Gary Weston, each of whom qualifies as independent under the applicable Nasdaq listing requirements and SEC rules. The Board of Directors has determined that Justin A. Knowles is an audit committee "financial expert" as such term is defined in applicable SEC rules, and that he has the requisite financial management expertise within the meaning of Nasdaq rules and regulations. As directed by its written charter, which was adopted on October 29, 2014 and amended on December 13, 2017, the Audit Committee is responsible for, among other duties, appointing and overseeing the work of, and relationship with, the independent auditors, including reviewing their formal written statement describing the Company's internal quality-control procedures and any material issues raised by the internal quality-control review or peer review of the Company or any inquiry or investigation by governmental or professional authorities and their formal written statement regarding auditor independence; reading and discussing with management and the independent auditors the annual audited financial statements and quarterly financial statements, and preparing annually a report to be included in the Company's proxy statement; providing oversight of the Company's accounting and financial reporting principles, policies, controls, procedures and practices; and discussing with management policies with respect to risk assessment and risk management. In addition, the Board of Directors has tasked the Audit Committee with reviewing transactions with related parties. The Audit Committee held five meetings during 2017.

Compensation Committee

The Company's Compensation Committee is comprised of Gary Weston (Chairman), Paul M. Leand, Jr. and Bart Veldhuizen, each of whom qualifies as independent under the applicable Nasdaq listing requirements and SEC rules. As directed by its written charter, which was approved on December 13, 2017 the Compensation Committee, among other duties, makes recommendations to the Board of Directors as to the Company's general compensation philosophy; reviews and approves those corporate goals and objectives established by the Board of Directors that are relevant to the compensation of the Company's Chief Executive Officer and evaluates the performance of the Company's Chief Executive Officer and other executive officers and determines executive officer compensation, including benefits and perquisites; and reviews and approves employment, severance or change in control agreements. In addition, the

Compensation Committee evaluates and recommends, for approval by the Board of Directors, the appropriate level of compensation and fees for Board of Director committee service by non-employee Directors. The Compensation Committee held four meetings during 2017.

Role of the Compensation Consultant

In accordance with the Compensation Committee Charter, the Compensation Committee has the authority to engage, retain and terminate a compensation consultant. The Compensation Committee also has the sole authority to approve the fees of such consultant. The Compensation Committee engaged Steven Hall & Partners (“Steven Hall”) as its independent compensation consultant for 2018 as well as the cash bonuses paid to our NEOs in early 2018 but earned in 2017 (the “2017 Cash Bonuses”). Steven Hall reported directly to the Compensation Committee, which has authority under the Compensation Committee Charter to retain compensation consultants, although its representatives may also meet with management from time to time. The Compensation Committee did not direct Steven Hall to perform its services in any particular manner or under any particular method.

Services performed by Steven Hall for the Compensation Committee in relation to the 2017 Cash Bonuses included:

- analysis and recommendations of peer group companies for compensation benchmarking purposes;
- preparation of competitive benchmarking reviews regarding executive compensation;
- evaluation of proposed compensation programs and changes to existing programs; and
- analysis of current trends in executive compensation, and updates regarding applicable legislative and governance activity.

The Compensation Committee determined that the services provided by Steven Hall to the Compensation Committee in relation to the 2017 Cash Bonuses did not give rise to any conflicts of interest. The Compensation Committee made this determination by assessing the independence of Steven Hall under the applicable rules adopted by the SEC and incorporated into the Nasdaq Corporate Governance Requirements. In making this assessment, the Compensation Committee also considered Steven Hall’s written correspondence to the Compensation Committee that affirmed the independence of Steven Hall and the consultants and employees who provide services to the Compensation Committee on executive compensation matters.

Nominating and Governance Committee

The Company’s Nominating and Governance Committee is comprised of Randee E. Day (Chairwoman), Paul M. Leand, Jr., and Bart Veldhuizen, each of whom qualifies as independent under the applicable Nasdaq listing requirements and SEC rules. As directed by its written charter, which was approved on October 29, 2014, and amended on December 13, 2017, the Nominating and Governance Committee, among other duties, assists the Board of Directors in identifying and evaluating qualified individuals to become members of the Board of Directors, and proposing nominees for election to the Board of Directors and to fill vacancies; considers nominees duly recommended by shareholders for election to the Board of Directors; and evaluates annually the independence of each member of the Board of Directors under applicable Nasdaq listing requirements and SEC rules. The Nominating and Governance Committee held two meetings in 2017.

Nomination of Directors

Nominees for our Board of Directors are selected by the Board of Directors based upon the recommendation of the Nominating and Governance Committee in accordance with the policies and principles set forth in the Nominating and Governance Committee’s charter and our corporate governance guidelines. The Nominating and Governance

Committee seeks members from diverse professional and personal backgrounds who combine a broad spectrum of experience and expertise with a reputation for integrity. This assessment will include an individual's independence, as well as consideration of diversity (although we have not adopted a formal diversity policy with regard to the selection of Directors), age, skills, necessary experience, soundness of judgment, ability to contribute to a diversity of viewpoints among board members, commitment, time and diligence to effectively discharge board responsibilities, qualifications, intelligence, education and experience to make a meaningful contribution to board deliberations. Directors should be persons of good character and thus should generally have the personal characteristics of integrity, accountability, judgment, responsibility, high performance standards, commitment, enthusiasm, and courage to express his or her views. The Nominating and Governance Committee examines a candidate's specific experiences and skills, time availability in light of other commitments, potential conflicts of interest and independence from management and the Company.

The Nominating and Governance Committee identifies potential candidates by asking current Directors and executive officers to notify the Nominating and Governance Committee if they become aware of persons meeting the criteria described above, who might have an interest in serving as a Director.

Shareholders may recommend qualified persons for consideration by the Nominating and Governance Committee. The Nominating and Governance Committee's evaluation process does not vary based on whether or not a candidate is recommended by a shareholder. Shareholders making a recommendation must follow the requirements made pursuant to our By-laws and submit the same information as that required to be included by the Company in its proxy statement with respect to nominees of the Board of Directors. The shareholder recommendation should be submitted in writing, addressed to: Frank De Costanzo, Secretary of Eagle Bulk Shipping Inc., 300 First Stamford Place, 5th Floor, Stamford, Connecticut 06902.

Code of Ethics

The Company's Code of Ethics, which applies to our Directors, executive officers and employees, is available on our website at www.eagleships.com under the headings "Investor Relations-Corporate Governance," and copies are available in print upon request to Eagle Bulk Shipping Inc., 300 First Stamford Place, 5th Floor, Stamford, Connecticut 06902. The Company intends to satisfy any disclosure requirements regarding any amendment to, or waiver from, a provision of this Code of Ethics by posting such information on the Company's website within four business days after such amendment or waiver.

Communications with the Board of Directors

Shareholders and other interested parties may communicate with members of the Board of Directors, including reporting any concerns related to governance, corporate conduct, business ethics, financial practices, legal issues and accounting or audit matters in writing addressed to the Board of Directors, or any such individual Directors or group or committee of Directors by either name or title, in care of: Secretary of Eagle Bulk Shipping Inc., 300 First Stamford Place, 5th Floor, Stamford, Connecticut 06902.

All communications received as set forth above will be opened by the office of our Secretary for the sole purpose of determining whether the contents represent a message to our Directors. Materials that are unrelated to the duties and responsibilities of the Board of Directors, such as solicitations, résumés and other forms of job inquiries, surveys and individual customer complaints, or materials that are unduly hostile, threatening, illegal or similarly unsuitable will not be distributed, but will be made available upon request to the Board of Directors, a committee of the Board of Directors or individual Directors as appropriate, depending on the facts and circumstances outlined in the communication.

Board of Directors Leadership Structure

We recognize that different Board of Directors leadership structures may be appropriate for the Company during different periods of time and under different circumstances. We believe that our current Board of Directors leadership structure is suitable for us because it allows us to consider a broad range of opinions in the course of our Board of Directors deliberations, including those with knowledge of the Company's day-to-day operations and business strategy, as well as those with an experienced independent viewpoint.

Our Board of Directors has determined that the Company should maintain separate roles for our Chairman of the Board of Directors and Chief Executive Officer. We believe this leadership structure is currently in the best interests of the Company and our shareholders, is appropriate given the particular expertise and strengths of our Chairman and Chief Executive Officer, and allows the individuals to focus on their primary roles. We separate the roles of Chairman and Chief Executive Officer in recognition of the differences between the two roles. Our Chief Executive Officer has the general responsibility for implementing the policies of the Company and for the management of the day-to-day business and affairs of the Company. Our Chairman has been closely involved with the Company since its emergence from bankruptcy. Given his unique knowledge, experience and relationship with the Board of Directors, we believe his continued service as Chairman provides significant value to the Company and its shareholders, and that it is beneficial for our Chairman to lead our Board of Directors members as they provide leadership to our management team. In addition, our Chairman contributes significantly to developing and implementing our strategy; facilitating communication among the Directors; developing Board of Directors meeting agendas in consultation with management; and presiding at Board of Directors and shareholder meetings. We believe that having a separate Chairman creates an environment that is more conducive to objective evaluation and oversight of management's performance, increasing management accountability and improving the ability of the Board of Directors to monitor whether management's actions are in the best interests of the Company and our shareholders. As a result, we believe that having a separate Chairman can enhance the effectiveness of the Board of Directors as a whole.

Our corporate governance guidelines provide the flexibility for our Board of Directors to modify or continue our leadership structure in the future, as it deems appropriate.

The Role of the Board of Directors in Risk Oversight

Senior management is responsible for assessing and managing the Company's various exposures to risk on a day-to-day basis, including the creation of appropriate risk management programs and policies. The Company has developed a consistent, systemic and integrated approach to risk management to help determine how best to identify, manage and mitigate significant risks throughout the Company.

The Board of Directors is responsible for overseeing management in the execution of its responsibilities, including assessing the Company's approach to risk management. The Board of Directors exercises these responsibilities periodically as part of its meetings and also through three of its committees, each of which examines various components of enterprise risk as part of its responsibilities. The Audit Committee has primary responsibility for addressing risks relating to financial matters, particularly financial reporting, accounting practices and policies, disclosure controls and procedures and internal control over financial reporting. The Nominating and Governance Committee oversees risks associated with the independence of the Board of Directors and succession planning. The Compensation Committee has primary responsibility for risks and exposures associated with the Company's compensation policies, plans and practices, regarding both executive compensation and the compensation structure generally, including whether it provides appropriate incentives that do not encourage excessive risk taking. An overall review of risk is inherent in the Board of Directors' evaluation of the Company's long-term strategies and other matters presented to the Board of Directors. The Board of Directors' role in risk oversight of the Company is consistent with the Company's leadership structure; the Chief Executive Officer and other members of senior management are responsible for assessing and managing the Company's risk exposure, and the Board of Directors and its committees provide oversight in connection with those efforts.

Executive Sessions

Consistent with our corporate governance guidelines, the non-employee Directors of the Board of Directors regularly hold executive sessions. The Audit Committee, in accordance with its charter, meets separately with our executives at regular intervals or as otherwise deemed appropriate throughout the year to review our financial affairs, and meets separately in sessions with the independent auditors at such times as the Audit Committee deems appropriate to fulfill its responsibilities under its charter. The independent Directors met in executive sessions 12 times during 2017.

EXECUTIVE OFFICERS

Executive officers are elected by and serve at the discretion of the Board of Directors and shall be a President (or Chief Executive Officer), a Secretary and a Treasurer (or Chief Financial Officer). Set forth below is biographical information regarding our current executive officers (not including any executive officer who is also a nominee for election as a Director, for whom information is set forth under the heading “Nominee Information” above).

Mr. De Costanzo earned a B.S. in Finance from Providence College and an Executive MBA from the University of Connecticut.

COMPENSATION DISCUSSION & ANALYSIS

Introduction

This Compensation Discussion and Analysis (“CD&A”) is a discussion of how we use different elements of compensation to achieve the objectives of our executive compensation program. This information should be read in conjunction with the data and associated narrative provided in the Summary Compensation Table and other tables following this CD&A. For 2017, the following individuals were our named executive officers (each a “Named Executive Officer” or “NEO” and collectively the “Named Executive Officers” or “NEOs”):

• Gary Vogel, Director and Chief Executive Officer.

• Frank De Costanzo, Chief Financial Officer and Secretary, effective as of September 30, 2016.

Compensation Objectives and Philosophy

We believe that the leadership and proven talents of our executive team are essential for our continued success and sustained financial performance. The primary objectives of our compensation program are to attract and retain

highly qualified personnel for positions of substantial responsibility, and to provide incentives for such persons to perform to the best of their abilities, achieve our strategic objectives, enable the Company to compete effectively in the seaborne transportation industry and to promote the success of our business. Therefore, our compensation program is designed to attract, motivate and retain executives who possess the talent, leadership and commitment needed to operate our business, create and implement new opportunities, anticipate and effectively respond to new challenges, and make and execute difficult decisions.

The Company's Compensation Committee believes that the Company's compensation programs should:

- align the interests of our executives with those of our shareholders;
- encourage and reward achievement of the Company's annual and longer-term performance objectives;
- promote the long-term success of the Company through an appropriate balance of current and long-term compensation opportunities;
- differentiate pay based on individual and company performance;
- reflect the market and provide competitive compensation opportunities based on performance;
- make wise use of our equity resources to ensure compatibility between senior management and shareholder interests; and
- balance incentives for constructive risk management.

How Our Compensation Decisions Are Made

The Company's executive compensation is determined by the Compensation Committee. Although not required under the Compensation Committee's charter (the "Compensation Committee Charter"), the Company's executive compensation for 2017 has been ratified by the unanimous consent of the full Board of Directors.

Role of the Board of Directors and Compensation Committee

Our Board of Directors is responsible for establishing and administering our executive compensation and equity incentive programs. This duty of the Board of Directors has been delegated to the Compensation Committee in accordance with the Compensation Committee Charter. The Compensation Committee reviews executive performance to establish compensation and approves appropriate modifications to our NEOs' compensation. The Compensation Committee also evaluates and recommends for approval by the Board of Directors, the annual compensation of the non-employee Directors and oversees the equity compensation plans.

Role of Management

The Compensation Committee has sole authority to establish annual compensation for the NEOs, and none of the NEOs determines his own pay. At the request of the Compensation Committee, our Chief Executive Officer provides recommendations regarding compensation of our other NEOs during the annual compensation approval process and information regarding compensation trends within the seaborne transportation industry.

Competitive Marketplace Assessment

Most of our direct business competitors are foreign companies that are not required to disclose compensation information for their executive officers on an individual basis and detailed compensation data is, therefore,

limited or unavailable. Additionally, the management structures of comparable organizations are often non-traditional, further complicating direct comparison of positions and responsibilities. To provide context and to ensure that Eagle Bulk arrangements are reasonable, the Compensation Committee does reference compensation arrangements for executives at other similarly sized companies in the shipping industry for whom compensation data is publicly available. However, the Compensation Committee does not target a specific percentile or make compensation decisions based solely on the market data. Rather, consistent with our historical practices, in 2017 in addition to market data, the Compensation Committee utilized both Company performance and individual performance as the main drivers of decisions on compensation decisions.

Role of Our Shareholders

At our 2011 Annual Meeting of Shareholders, as required by the Dodd-Frank Wall Street Reform and Consumer Protection Act and SEC regulations, our shareholders voted to conduct a non-binding, advisory vote on the compensation of our NEOs (each such non-binding, advisory vote, a “say-on-pay” vote or proposal) every three years. At our 2015 Annual Meeting of Shareholders, our shareholders approved the say-on-pay vote relating to our fiscal year 2014 executive compensation policies and procedures for NEOs. In light of the approval of the say-on-pay vote, the Compensation Committee did not make specific changes to our executive compensation program in response to the vote. At our 2017 Annual Meeting of Shareholders, our shareholders voted to conduct a non-binding advisory vote on the compensation of our named executive officers on an annual basis. The Compensation Committee intends to consider the outcome of the Company’s say-on-pay vote when making future compensation decisions for the NEOs.

Elements of the Company’s Executive Compensation Program

Our compensation program is comprised of two main elements:

- fixed compensation in the form of base salary; and
- variable incentive compensation, which is delivered in cash and equity.

Fixed Compensation

Base Salary

Base salary provides a competitive rate of fixed pay and reflects different levels of responsibility within the Company, the skills and experience required for the job, individual performance and labor market conditions.

Variable Incentive Compensation

Annual Incentive Compensation

Pursuant to their respective employment agreements, NEOs are eligible to receive annual cash incentives, calculated as a target amount equal to a percentage of the respective NEO’s annual base salary, based upon performance goals set by the Compensation Committee following reasonable consultation with the respective NEO. The Compensation Committee considers performance across a wide range of quantitative, qualitative, operational and strategic measures and determines annual incentive compensation following a comprehensive assessment of the macro-economic environment, the Company’s performance, and each executive’s contribution to that performance. The Compensation Committee believes that this approach provides for greater flexibility to reward executives for proactive decision making that position the Company for long-term success.

As in past years, the Compensation Committee established Company level performance measures:

- Above market Commercial performance as measured against the Baltic Supramax Index (BSI).
- Implementation of our active management Commercial strategy which will include increasing the Company's portfolio of third-party chartered tonnage and cargo to create supplemental profitability to the Company's owned fleet.
- Optimize the Company's technical management performance. The Company will operate the fleet with a focus on safety, reliability and environmental responsibility in a cost-effective manner.

The Compensation Committee also established individual performance goals for the Company's NEO's in 2017. The individual performance goals covered wide range of financial and operational indicators. These goals included:

- Optimize the Company's capital structure through the proactive management of balance sheet, along with maintaining a good working relationship with the banking community and other capital providers.
- Improve and develop the Company's human capital with an objective of recruiting and retaining a world-class workforce.
- Continuously strengthening the Company's processes, controls and technological platform;
- Effectively engage with the S&P and M&A markets in support of our ongoing fleet renewal program.

At the end of 2017, the Compensation Committee assessed performance against the corporate and individual goals set at the beginning of the year and determined that each of our NEOs had either achieved or exceeded for all established goals.

2017 Cash Bonuses

Based on the above, the NEOs received the following cash incentive awards for 2017

• Mr. Gary Vogel - \$964,000

• Mr. Frank De Costanzo - \$275,000

Please see the "Employment Agreements" section of the Proxy statement for additional details on the cash bonus payments made to Mr. Vogel and Mr. De Costanzo.

Long-Term Incentive Compensation - Equity Awards

The Compensation Committee believes that the effective use of stock-based long-term incentive compensation has been integral to the Company's success and is vital to its ability to achieve strong performance in the future and, therefore, delivers a portion of each executive's incentive compensation in the form of equity. These awards are intended to align the interests of our executives with those of our shareholders, enhance the personal stake of executive officers in the growth and success of the Company, provide an incentive for the executive officers' continued service at the Company, and provide an opportunity for executives to increase their stock ownership levels.

The Company maintains two long-term equity incentive plans: (i) the Eagle Bulk Shipping Inc. 2014 Equity Incentive Plan (the "2014 Plan") and (ii) the Eagle Bulk Shipping Inc. 2016 Equity Incentive Plan (the "2016 Plan"). The material terms of the 2014 Plan and 2016 Plan are described below. The Company adopted the 2016 Plan on November 7, 2016. Following shareholder approval of the 2016 Plan on December 15, 2016, the 2016 Plan replaced

the 2014 Plan and no other awards will be granted under the 2014 Plan. Outstanding awards under the 2014 Plan will continue to be governed by the terms of the 2014 Plan until exercised, expired or otherwise terminated or canceled.

2014 Plan

In connection with the Company's emergence from bankruptcy, the Company adopted the 2014 Plan, which provides for equity-based compensation, including in the form of restricted shares of the Company's Common Stock and options to acquire shares of Common Stock. Under the 2014 Plan, the Company granted equity-based compensation to the participating senior management and other employees of the reorganized Company in the form of restricted stock of 2% of the Company's Common Stock (on a fully diluted basis) as of such date, and two tiers of options to acquire 5.5% of the Common Stock (on a fully diluted basis) with different strike prices based on the equity value for the reorganized Company and a premium to the equity value, each of the foregoing to vest generally over a four year schedule through 25% annual installments commencing on the first anniversary of the grant date. The equity awards are subject to vesting, but the holders thereof are entitled to receive all dividends paid with respect to the underlying shares as if such shares had vested on the grant date (subject to forfeiture by the holder in the event that such grant is terminated prior to vesting unless the administrator of the 2014 Plan determines otherwise). The awards granted under the 2014 Plan contain adjustment provisions to reflect certain transactions involving shares of the Company's Common Stock, including as a result of any dividend, recapitalization, or stock split, so as to prevent any diminution or enlargement of the holder's rights under the award.

2016 Plan

Administration. The 2016 Plan is administered by the Compensation Committee, which, among other things, has the authority to (i) designate participants; (ii) determine the type or types of awards to be granted, the number of shares to be covered by, or with respect to which payments, rights, or other matters are to be calculated with respect to, awards and the terms and conditions of any awards; (iii) interpret the 2016 Plan or awards made thereunder; and (iv) make any other determination and take any other action that it deems necessary or desirable for the administration of the 2016 Plan.

Shares. A maximum of 5,348,613 shares of Common Stock may be issued under the 2016 Plan, subject to adjustment as provided in the 2016 Plan. In general, awards for up to a maximum of 3,000,000 and 500,000 shares may be granted under the 2016 Plan to any one employee and any one non-employee director of the Company and its subsidiaries, respectively, during any one calendar year, subject to adjustment as provided in the 2016 Plan.

Eligibility. Any director, officer, employee or consultant of the Company or any of its subsidiaries (including any prospective officer or employee) is eligible to be designated to participate in the 2016 Plan.

Awards. The 2016 Plan provides the Compensation Committee with the discretion to provide for the award of incentive stock options, nonqualified stock options, stock appreciation rights ("SARs"), restricted stock, restricted stock units, dividend equivalents, unrestricted stock, other equity-based or equity-related awards, and/or performance compensation awards.

Termination of Employment. In general, if a participant experiences a termination from the Company, the participant's options will remain exercisable for 90 days, but in no event later than the option's original expiration date. If the participant is terminated for cause, all options will immediately terminate. The treatment of SARs in connection with the participant's termination from the Company is similar to that with respect to option exercisability following such termination. The Compensation Committee may waive or modify the provisions regarding exercisability of options or SARs, as applicable, following termination of employment, subject to the 2016 Plan's provisions regarding required consent from the participant in cases of modifications materially adverse to the participant. In general, if a participant

experiences a termination from the Company for any reason other than (i) death, (ii) disability or (iii) a termination of employment without cause, restricted stock and restricted stock units that have not yet vested as of the date of such termination will be forfeited. If a participant incurs a termination from the Company without cause or as the result of death or disability, restricted stock and restricted stock units that have not yet vested as of the date of such termination

but that would have vested had the participant remained employed for an additional year, will immediately vest as of such date.

Change in Control. In the event of a “change in control” (as defined in the 2016 Plan), the Compensation Committee has the power to (i) provide that awards granted under the 2016 Plan will continue in effect, be assumed or substituted for an equivalent award; provided, that, a participant who incurs a termination of employment for any reason, other than a termination for cause, or a participant who resigns for good reason (as defined in the award agreement or in an applicable employment agreement between the Company and the participant), concurrent with or within one year following the change in control, may exercise any outstanding option or SAR, but only to the extent that the participant was entitled to exercise the award on the date of his or her termination of employment (after taking into account any accelerated vesting as determined by the Compensation Committee), until the earlier of (A) the original expiration date of the award and (B) the later of (x) the date provided for under the terms of the 2016 Plan and (y) the date provided for under the applicable award agreement; (ii) cancel awards granted under the 2016 Plan immediately prior to such event (whether or not then vested or exercisable) and pay to the holder of such award a cash payment in an amount equal to the excess, if any, of the fair market value (as of a date specified by the Compensation Committee) of the shares subject to such award (or the value of such award, as determined by the Compensation Committee, if not based on the fair market value of shares) over the aggregate exercise price of such award (or the grant price of such award, if any, if applicable); or (iii) notify the holder of an option or SAR that each option and SAR shall be fully vested and exercisable for a period of 30 days from the date of such notice, or such shorter period as the Compensation Committee may determine to be reasonable, and the option or SAR shall terminate upon the expiration of such period (which period shall expire no later than immediately prior to the consummation of the corporate transaction).

Amendment and Termination of the 2016 Plan. The Board may suspend, discontinue, revise or amend the 2016 Plan in any respect whatsoever, except, in general, no amendment may be made without shareholder approval if such amendment would: (i) expand the types of awards available under the 2016 Plan; (ii) increase the number of shares that may be issued under the 2016 Plan, except as permitted pursuant to adjustment provisions provided under the 2016 Plan; (iii) expand the eligibility requirements of persons eligible to receive awards under the 2016 Plan; (iv) extend the term of the 2016 Plan; or (v) otherwise be necessary to comply with any tax or regulatory requirement applicable to the 2016 Plan. No amendment or cancellation of the 2016 Plan or any outstanding award granted under the 2016 Plan may materially impair the rights or materially increase the obligations of any holder of an outstanding award without the consent of the affected holder. No awards may be granted under the 2016 Plan following the tenth anniversary of the date on which the 2016 Plan was adopted by the Board.

Forfeiture; Clawback. The Compensation Committee may specify in the applicable award agreement that any realized gain with respect to options or SARs and any realized value with respect to other awards shall be subject to forfeiture or clawback, in the event of: (i) a participant’s breach of any non-competition, non-solicitation, confidentiality or other restrictive covenants with respect to the Company or its subsidiaries, (ii) a participant’s breach of any employment or consulting agreement with the Company or its subsidiaries, (iii) a participant’s termination of employment for cause, or (iv) a financial restatement that reduces the amount of compensation under the 2016 Plan previously awarded to a participant that would have been earned had results been properly reported.

Outstanding Awards Granted to NEOs

The Company granted awards of options and shares of restricted stock to Mr. Vogel in 2017 and shares of restricted stock in 2018 and awards of shares of restricted stock to Mr. De Costanzo in 2018. The awards granted to Mr. Vogel and Mr. De Costanzo were under the 2016 Plan and the applicable award agreement.

Special Awards

From time to time, the Company also makes special cash incentive awards, as deemed appropriate by the Compensation Committee. The purpose of these payments is to recognize significant individual contributions that would not, in the view of the Compensation Committee, be fully accounted for under our annual compensation

determinations. The amount of any special cash incentive award is determined and approved by the Compensation Committee. No NEO received a special award in 2017.

Other Elements

Perquisites

As a general matter, the Company does not provide perquisites for its executive officers.

401(k) Savings Plan

We provide all qualifying full-time employees with the opportunity to participate in our tax-qualified 401(k) savings plan. Our NEOs participate in this plan on the same basis as our other full-time employees.

Employment Agreements

We have entered into employment agreements with our Chief Executive Officer and our Chief Financial Officer. The terms of the agreements are described in greater detail under the section entitled “Agreements with our Chief Executive Officer” and “Agreements with our Chief Financial Officer.”

Severance Benefits

Under the terms of each respective employment agreement, our Chief Executive Officer and our Chief Financial Officer, respectively, is entitled to certain payments and benefits if we terminate his employment without cause or he terminates employment for good reason, as these terms are defined in his contract. These benefits and payments are described in greater detail in the section below entitled “Potential Payments Upon Termination or Change-in-Control.”

Risk Assessment

The Compensation Committee believes that the Company’s compensation objectives and policies do not create risks that are reasonably likely to have a material adverse effect on the Company. Determinations regarding incentive compensation are based on a discretionary assessment of a variety of factors related to the performance of the Company and the contributions of each executive officer to that performance. Incentive compensation awards are not tied to formulas based on short-term performance, and no one factor disproportionately affects incentive amounts, which diversifies the risk associated with any single indicator of performance. A significant portion of each executive’s total compensation is delivered in the form of equity that vests over multiple years, thereby aligning the interests of our executive officers with those of our shareholders. Compensation is determined by our Compensation Committee, which is comprised solely of independent members of our Board of Directors under Nasdaq listing standards.

Tax and Accounting Implications

As part of its role, the Compensation Committee reviews and considers the expected tax treatment to the Company and its executive officers as one of the factors in determining compensation matters. Section 162(m) of the Internal Revenue Code generally denies a federal income tax deduction for certain compensation in excess of \$1 million per year paid to “covered employees” in any fiscal year. For these purposes, prior to January 1, 2018, “covered employees” generally were the chief executive officer and the three other most highly-paid executive officers serving on the last day of the fiscal year (other than the chief executive officer and chief financial officer) of a publicly traded corporation. Prior to January 1, 2018, certain types of compensation, including compensation based on performance criteria that are approved in advance by shareholders, were excluded from the deduction limit. However, this exemption from Section 162(m)’s deduction limit for “performance-based compensation” has been repealed, effective for tax years beginning after December 31, 2017, unless such compensation qualifies for transition relief applicable to certain written binding contracts in place as of November 2, 2017. In addition, the scope of “covered employees” has been expanded to include the chief financial officer and certain former covered employees. The Compensation Committee has taken,

and intends to continue to take, actions, as appropriate, to attempt to minimize, if not eliminate, the Company's non-deductible compensation expense within the context of maintaining the flexibility that the Compensation Committee believes to be an important element of the Company's executive compensation program. The Company intends to comply with the transition rule for written binding contracts in place as of November 2, 2017, as long as the Compensation Committee determines that to be in the Company's best interest.

Generally under GAAP, compensation is expensed as earned. Equity compensation is expensed in accordance with ASC Topic 718, which generally is over the vesting period for awards.

COMPENSATION COMMITTEE REPORT

Our Compensation Committee has reviewed and discussed the CD&A required by Item 402(b) of Regulation S-K with management and based on such review and discussions, the Compensation Committee recommended to the Board of Directors that the CD&A be included in this proxy statement.

Respectfully submitted,

The Compensation Committee

CEO Pay Ratio Disclosure

As required by SEC regulation, we are providing the following information about the relationship of the annual total compensation of our median employee and the annual total compensation of our Chief Executive Officer (“CEO”). For 2017, our last completed fiscal year, the median of the annual total compensation of all employees (including part-time employees) of the Company (other than our CEO) was \$12,532, and the annual total compensation of our CEO was \$3,613,803. Our workforce as of December 31, 2017 totaled 1001 employees, comprised of 84 full and part-time shore based employees (excluding the CEO) and 917 ship-based employees from Eastern European countries who worked an average of six months during the year.

For the purposes of this calculation, the median-paid employee as of December 31, 2017 was a part-time employee who worked for seven months as a crew member on one of our ships.

Based on this information, for 2017 the ratio of the annual total compensation of our CEO to the annual total compensation paid to the median-paid employee was 288:1.

If the compensation received by the median-paid employee is annualized for 12 months, the ratio would equal 168:1.

To identify the median employee, we conducted a comprehensive analysis of the total employee population other than our CEO as of December 31, 2017, without the use of statistical sampling. We determined our median employee using total compensation for the full year 2017. We then calculated the annual total compensation of the median employee using the same methodology used in calculating the annual total compensation of our CEO in the Summary Compensation Table.

The pay ratio reported above is a reasonable estimate calculated in a manner consistent with SEC rules, based on our internal records and the methodology described above. The SEC rules for identifying the median employee and calculating the pay ratio based on that employee’s annual total compensation allow companies to adopt a variety of methodologies, to apply certain exclusions, and to make reasonable estimates and assumptions that reflect their employee populations and compensation practices. Accordingly, the pay ratio reported by other companies may not be comparable to the pay ratio reported above, as other companies have different employee populations and compensation practices and may use different methodologies, exclusions, estimates and assumptions in calculating their own pay ratios.

The shares of restricted common stock vest in three substantially equal installments on each of the first three anniversaries of the date of the grant, subject to Mr. Vogel's continued employment with the Issuer or any of its affiliates on the applicable vesting date. In the event that Mr. Vogel's employment is terminated by the Issuer for any reason, any portion of the restricted stock which has not vested as of the date of such termination shall be forfeited. Pre-Approval Policy for Services Performed by Independent Auditor

The Audit Committee has responsibility for the appointment, compensation and oversight of the work of the Company's independent auditor. As part of this responsibility, the Audit Committee must pre-approve all permissible services to be performed by the independent auditor.

The Audit Committee has adopted an auditor pre-approval policy which sets forth the procedures and conditions pursuant to which pre-approval may be given for services performed by the independent auditor. Under the policy, the Audit Committee must give prior approval for any amount or type of service within four categories: audit, audit-related, tax services or, to the extent permitted by law, other services that the independent auditor provides. Prior to the annual engagement, the Audit Committee may grant general pre-approval for independent auditor services within these four categories at maximum pre-approved fee levels. During the year, circumstances may arise when it may become necessary to engage the independent auditor for additional services not contemplated in the original pre-approval and, in those instances, such service will require separate pre-approval by the Audit Committee if it is to be provided by the independent auditor. For any pre-approval, the Audit Committee will consider whether such services are consistent with the SEC's rules on auditor independence, whether the auditor is best positioned to provide the most cost effective and efficient service and whether the service might enhance the Company's ability to manage or control risk or improve audit quality. The Audit Committee may delegate to one or more of its members authority to approve a request for pre-approval provided the member reports any approval so given to the Audit Committee at its next scheduled meeting. The Audit Committee pre-approved 100% of the services, if applicable, described above under the captions "Audit Fees," "Audit-Related Fees," "Tax Fees" and "All Other Fees" for the years ended December 31, 2017 and 2016.

PROPOSAL NO. 2:

RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee has appointed the firm of Deloitte & Touche as the Company's independent registered public accounting firm to audit the financial statements of Eagle Bulk Shipping for the fiscal year ending December 31, 2018 and recommends that shareholders vote to ratify this appointment. Representatives of Deloitte & Touche are expected to be present at the Annual Meeting, will have the opportunity to make a statement if they desire to do so and are expected to be available to respond to appropriate questions. The affirmative vote of the holders of a majority of the shares present in person or represented by proxy and voting at the Annual Meeting will be required to ratify the selection of Deloitte & Touche.

If the shareholders fail to ratify the selection, the Audit Committee will reconsider its selection of auditors. Even if the selection is ratified, the Audit Committee in its discretion may direct the appointment of a different independent registered public accounting firm at any time during the year if it determines that such change would be in the best interests of the Company and its shareholders. For a discussion of the fees paid to and the pre-approval policy for services performed by Deloitte & Touche, see the sections above entitled "Fees to Independent Registered Public Accounting Firm" and "Pre-Approval Policy for Services Performed by Independent Auditor."

Recommendation of the Board of Directors

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT SHAREHOLDERS VOTE "FOR" PROPOSAL NO. 2, THE RATIFICATION OF THE APPOINTMENT OF DELOITTE & TOUCHE AS THE COMPANY'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE FISCAL YEAR 2018.

PROPOSAL NO. 3:

ADVISORY VOTE ON EXECUTIVE COMPENSATION

In accordance with Section 14A of the Exchange Act, the Board of Directors is providing shareholders with a non-binding advisory vote on the Company's executive compensation as reported in this proxy statement. Shareholders are being asked to vote on the following resolution:

"RESOLVED, that the shareholders of the Company approve, on an advisory basis, the compensation of the Company's named executive officers, as disclosed in the proxy statement for the 2018 Annual Meeting of Shareholders pursuant to Item 402 of Regulation S-K, including the Compensation Discussion and Analysis, the 2017 Summary Compensation Table and other related tables and accompanying narrative disclosures."

Shareholders are encouraged to carefully review the "Compensation Discussion and Analysis" section of this proxy statement, which discusses our compensation policies and procedures, including our compensation philosophy, and to refer to the related executive compensation tables and accompanying disclosures. Our executive compensation programs play a key role in our ability to attract and retain a highly experienced, successful team to manage our Company and deliver strategic and financial results. We have designed our executive compensation programs to motivate our executives to achieve the business goals set by us and to reward the executives for achieving these goals through a combination of base salary, performance-based incentive compensation, long-term equity incentive compensation, retirement and other benefits and perquisites. We are also committed to containing the cost of the executive compensation programs to a level the Compensation Committee believes is reasonable and appropriate. We believe our executive compensation programs are structured in the best manner possible to support us and our business objectives.

While the vote on executive compensation is non-binding and solely advisory in nature, the Board and the Compensation Committee will review and consider the voting results when making future decisions regarding our executive compensation programs. Following the advisory vote to be held at the 2018 Annual Meeting, the next scheduled advisory vote on executive officer compensation is expected to be held at our 2019 Annual Meeting of Shareholders.

Recommendation of the Board of Directors

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT SHAREHOLDERS VOTE “FOR” THE APPROVAL ON AN ADVISORY, NON-BINDING BASIS, OF THE COMPENSATION OF THE COMPANY’S NAMED EXECUTIVE OFFICERS, AS DISCLOSED IN THIS PROXY STATEMENT.

SHAREHOLDER PROPOSALS FOR THE 2019 ANNUAL MEETING OF SHAREHOLDERS

Any shareholder desiring to present a proposal for inclusion in the proxy statement for the Company’s 2019 Annual Meeting of Shareholders pursuant to procedures set forth in Rule 14a-8 of the Exchange Act must deliver the proposal to the Secretary of the Company not later than December 27, 2018, which is 120 calendar days before the anniversary of the date that the proxy statement for the Annual Meeting is being released to shareholders. However, if the date of the 2019 Annual Meeting of Shareholders is more than 30 days after June 8, 2019, the anniversary date of the Annual Meeting, a proposal will be considered timely if we receive it in a reasonable time before we begin to print and send our proxy materials for such meeting. Only those proposals that comply with the Company’s By-laws and the requirements of Rule 14a-8 of the Exchange Act will be included in the Company’s proxy statement for the 2019 Annual Meeting of Shareholders.

Shareholders may also present proposals that are proper subjects for consideration at an annual meeting of shareholders, even if the proposal is not submitted by the deadline for inclusion in the proxy statement, pursuant to the Rule 14a-8 of the Exchange Act. To do so, the shareholder must comply with the procedures specified in the By-laws, which have been filed as Exhibit 3.2 to our current report filed on Form 8-K, filed with the SEC on October 16, 2014, and are available in print upon request to the Secretary of the Company. Our By-laws require all shareholders who intend to make proposals at an annual meeting of shareholders to submit their proposals to the Secretary of the Company not fewer than 60 and not more than 90 days before the anniversary date of the previous year’s annual meeting of shareholders. The By-laws also provide that nominations for Director may only be made by the Board of Directors (or an authorized committee of the Board of Directors) or by a shareholder of record entitled to vote who sends notice to the Secretary of the Company not fewer than 60 nor more than 90 days before the anniversary date of the previous year’s annual meeting of shareholders. Any nomination by a shareholder must comply with the procedures specified in the By-laws. To be eligible for consideration at the 2019 Annual Meeting of Shareholders, proposals for inclusion in the proxy statement and any nominations for Director must be received by the Company’s Secretary between March 10, 2019 and April 9, 2019. This advance notice period is intended to allow all shareholders an opportunity to consider all business and nominees expected to be considered at the meeting. However, if the 2019 Annual Meeting of Shareholders is held on a date that is more than 30 days after June 8, 2019, the anniversary of the Annual Meeting shareholder proposals that have not been submitted by the deadline for inclusion in the proxy statement and any nominations for Director must be received by the close of business on the tenth day following the earlier of the date on which notice of the 2019 Annual Meeting of Shareholders is mailed or the date on which public disclosure of the date of the 2019 Annual Meeting of Shareholders is made.

All submissions to, or requests from, the Secretary of the Company should be made to: Frank De Costanzo, Secretary of Eagle Bulk Shipping Inc., at 300 First Stamford Place, 5th Floor, Stamford, Connecticut 06902.

IMPORTANT NOTICE REGARDING DELIVERY OF SHAREHOLDER DOCUMENTS

The SEC has adopted rules that permit companies and intermediaries such as brokers to satisfy proxy material delivery requirements with respect to two or more shareholders sharing the same address by delivering a single proxy statement and annual report addressed to those shareholders. This process, which is referred to as “householding,” potentially provides extra convenience for shareholders and reduces printing and postage costs for companies. The Company and some brokers utilize the householding process for proxy materials. In accordance with a notice sent to certain shareholders who share a single address, only one copy of this proxy statement and the Company’s Annual Report is being sent to that address, unless we received contrary instructions from any shareholder at that address. Shareholders who participate in householding will continue to receive separate proxy cards. Householding will continue until you are notified otherwise or until one or more shareholders at your address revokes consent. If you revoke consent, you will be removed from the householding program within 30 days of receipt of the revocation. If you hold your Company stock in “street name,” additional information regarding householding of proxy materials should be forwarded to you by your broker.

If you wish to receive a separate copy of this proxy statement or the Company’s 2017 Annual Report, or would like to receive separate proxy statements and annual reports in the future, or if you are receiving multiple copies of annual reports and proxy statements at an address shared with another shareholder and would like to participate in householding, please notify your broker if your shares are held in a brokerage account or us if you hold registered shares. You can notify us by sending a written request to Frank De Costanzo, Secretary of Eagle Bulk Shipping Inc., at 300 First Stamford Place, 5th Floor, Stamford, Connecticut 06902 or making a request via telephone at (203) 276-8100.

OTHER MATTERS

As of the date of this proxy statement, management was not aware that any matters not referred to in this proxy statement would be presented for action at the Annual Meeting. If any other matters should come before the Annual Meeting, the persons named in the accompanying proxy will have discretionary authority to vote all proxies in accordance with their best judgment, unless otherwise restricted by law.
