REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To Participants and Administrator of the WesBanco, Inc. KSOP

We have audited the accompanying statement of net assets available for benefits of the WesBanco, Inc. KSOP as of December 31, 2007 and 2006, and the related statement of changes in net assets available for benefits for the years then ended. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control over financial reporting. Accordingly, we express no such opinion. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan at December 31, 2007 and 2006, and the changes in its net assets available for benefits for the years then ended, in conformity with accounting principles generally accepted in the United States of America.

Our audits were performed for the purpose of forming an opinion on the financial statements taken as a whole. The accompanying supplemental schedules of assets (held at end of year) as of December 31, 2007 and reportable transactions for the year ended December 31, 2007 are presented for purposes of additional analysis and are not a required part of the financial statements, but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. These supplemental schedules are the responsibility of the Plan's management. The supplemental schedules have been subjected to the auditing procedures applied in our audits of the financial statements and, in our opinion, are fairly stated in all material respects in relation to the financial statements taken as a whole.

1. Plan Description

WesBanco, Inc. (“WesBanco” or “the Company”) is a bank holding company offering a wide range of financial services, including customary banking services, trust and investment management, insurance and brokerage services, through offices located in West Virginia, southern and central Ohio, and western Pennsylvania.

The following brief description of the WesBanco, Inc. KSOP (“Plan”) is provided for general information purposes only. Participants should refer to the Plan Agreement and Summary Plan Description for more complete information. The Plan is administered by a committee comprised of employees and directors appointed by the Board of Directors of WesBanco. The plan includes an employee stock ownership plan (“ESOP”), and a contributory 401(k) profit sharing plan. PNC Bank, N.A. (“PNC”) is the trustee and record keeper of the KSOP Plan. Trustee fees may be paid by the Plan or the Plan Sponsor, WesBanco, at the discretion of the Plan Sponsor.

Employee Stock Ownership Plan

Employer contributions to the ESOP are made in an amount determined by the Board of Directors. For any year in which the ESOP has a loan outstanding, the contribution may be no less than is needed to pay the required principal and interest on the loan for that year, net of dividends received on unallocated common stock. The ESOP makes contributions to the participants who complete 1,000 hours of service during the plan year and who are actively employed on December 31. Contributions and forfeitures are allocated to participants in proportion to each participant’s compensation, but cannot exceed the lesser of \$45,000 or 100% of such participant’s compensation during the plan year.

Participants’ interests in the ESOP are fully vested after five years of service. Distributions to participants who have left employment of the Company or their beneficiaries may be paid in either cash or stock in a lump-sum or installments over a period that the participant selects, within certain Plan restrictions. Generally, terminations of employment for reasons other than death, normal retirement, or permanent disability prior to completion of five years of service result in forfeiture. Forfeitures of terminated non-vested account balances at December 31, 2007 and 2006, totaled \$17,921 and \$34,160, respectively.

WesBanco, Inc. KSOP

Notes to Financial Statements (continued)

1. Plan Description (continued)

The ESOP in the past maintained a revolving line of credit with WesBanco Bank (“the Bank”) and used the proceeds of the loan to buy WesBanco common stock. The ESOP held the common stock in a suspense account until principal payments were made on the loan. As loan payments were made, an amount of common stock was released from the suspense account and allocated to the accounts of the participants based on each participant’s compensation. The borrowing was collateralized by the unallocated shares of stock and periodic payments were guaranteed by WesBanco. The lender has no rights against the shares once they are allocated under the ESOP. At December 31, 2007, the KSOP held 560,991 shares of WesBanco common stock, of which all the shares were allocated to specific

employee accounts. Effective March 31, 2007, participants may elect to redirect a portion of the prior ESOP allocated stock. The revolving line of credit was paid off in 2005 upon allocation of all remaining shares held in suspense, and was subsequently terminated. The Company has no current intention of purchasing or issuing shares for the ESOP portion of the Plan or negotiating a new line of credit for such purpose.

401(k)

The 401(k) provides for salary deferral and matching employer contributions. An employee who has completed 60 days of service after attaining 21 years of age shall become a participant of the 401(k) the first day of each calendar month. Eligible employees can invest the employee deferral, employer matching, and employee rollover contribution among funds that are made available by the Plan Administrator. A participant's interest is 100% vested in the employee deferral, employer matching, and rollover accounts. Hardship distributions can be made from a participant's employee deferral account with approval by the Plan Administrator, if specific criteria are met.

Employer matching contributions may be paid to the Trust in cash or shares of WesBanco common stock, as determined by the Board. For the years ended December 31, 2007 and 2006, the matching contributions are equal to 100% of the first 3% of compensation deferred and 50% of the next 2% of compensation deferred. The amount of the contribution was not greater than the amount permitted by federal law. Participants may redirect any employer matching contributions made in common stock into other registered investment funds

Notes to Financial Statements (continued)

1. Plan Description (continued)

Effective in January 2007, the Plan replaced the WesMark Small Company Growth Fund and the WesMark Balanced Fund with the Fidelity Advisor Small Cap Fund and the American Balanced Fund. The Plan was amended to allow participants an option to reinvest dividends from WesBanco Common Stock or opt to receive the dividends as cash payments and also amended to add a loan feature. A participant may borrow from the Plan subject to certain restrictions.

On November 30, 2007, WesBanco completed the acquisition of Oak Hill Financial, Inc. ("Oak Hill"). As a result of the acquisition, the Oak Hill Financial, Inc. 401(k) and Profit Sharing Plan ("the Oak Hill Plan") was closed to new contributions, and based on eligibility dates, all new Oak Hill participants were automatically enrolled in the WesBanco KSOP Plan. Effective May 1, 2008, the Oak Hill Plan was merged with and into the WesBanco KSOP Plan. The Oak Hill Plan had assets totaling \$13.3 million as of the date of transfer.

2. Summary of Significant Accounting Policies

The financial statements of the Plan are prepared on the accrual basis, except for distributions to participants that are recorded when paid. Purchases and sales of securities are accounted for as of the trade date. Interest and dividend income is recorded as earned.

Valuation of Investments

The Plan's investments are stated at fair value. Securities traded on a national securities exchange are valued at the last reported sales price on the last business day of the Plan year. Shares of registered investment companies are valued at the net asset value of shares held by the Plan at year-end.

Use of Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

Plan Termination

Although it has not expressed any intent to do so, WesBanco has the right to amend or terminate the Plan at any time. In the event that the Plan is completely or partially terminated or WesBanco determines it will permanently discontinue making contributions to the Plan, all property then credited to the participants' accounts will immediately become fully vested and non-forfeitable. The Trustee will be directed to either continue to hold the property in the participants' accounts

in accordance with the provisions of the Plan, or distribute to such participants all property allocated to their accounts.

3. Transactions with Parties in Interest

Legal, accounting, and other administrative fees are paid at the discretion of the Plan Sponsor by the Plan or Plan Sponsor. The Bank provides investment advisory services for the WesMark funds. The plan is administered by the Plan Sponsor.

4. Income Tax Status

The Plan has received a determination letter from the Internal Revenue Service dated May 15, 2003, stating that the Plan is qualified under Section 401(a) of the Internal Revenue Code ("the Code") and, therefore, the related trust is exempt from taxation. Subsequent to this determination by the Internal Revenue Service, the Plan was amended. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualification. The Plan Administrator believes the Plan is being operated in compliance with the applicable requirements of the Code and, therefore, believes that the Plan, as amended, is qualified and the related trust is tax-exempt.
