Item 3.02 Unregistered Sales of Equity Securities

Tri-Valley Corporation has sold 100,000 restricted shares of common stock, together with warrants to purchase 33,333 common shares at an exercise price of \$12.00 per share for two years, to an accredited investor at \$10.00 per share. The sale was made in a privately negotiated transaction in reliance on the exemption from registration requirements contained in Section 4(2) of the Securities Act of 1933, and pending expected approval by the American Stock Exchange.

This sale was made on November 18, 2005, after the open market close. The closing market price on November 18 was \$9.97 per share. The sale also occurred after the Company's public announcement of the commencement of operations on its Monarch calcium carbonate mine after the market opened on November 16, 2005. The Company plans to use the proceeds to assist in exploiting asset purchases.
