ITEM 5.03. Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year

On February 1, 2012, the Board of Directors of the Company approved amendments to Article II, Section 7 and Article III, Section 3 of the Company's bylaws to change the vote standard for the election of directors in uncontested elections, effective with the annual meeting of stockholders in 2012, from a plurality to a majority of the votes cast. A majority of the votes cast means that the number of shares voted for a director must exceed the number of shares voted against the director. The date for determining if an election is contested or uncontested is a date that is 14 days before the Company files its proxy statement, so that if an election is contested as of a date that is 14 days before the Company files its proxy statement, directors will be elected under the plurality vote standard.

In conjunction with the bylaw amendment, the Company amended its corporate governance guidelines to require that prior to any meeting of stockholders for the election of directors (commencing with the 2012 annual meeting of stockholders), an incumbent director must submit a contingent resignation that becomes effective if the director fails to receive a sufficient number of votes for election and the Board of Directors accepts the resignation. Article I, Section 7 of the Company's corporate governance guidelines, as amended, provides that the Board will decide whether to accept such a resignation and publicly disclose its decision and the rationale behind it within 90 days from the date of the certification of the election results.

The summary of the bylaw amendment is qualified in its entirety by reference to Article II, Section 7 and Article III, Section 3 of the Amended and Restated Bylaws, attached as Exhibit 3.2 to this Current Report on Form 8-K.
