#### PART III NARRATIVE

State below in reasonable detail why Forms 10-K, 20-F, 11-K, 10-Q, 10-D, N-SAR, N-CSR, or the transition report or portion thereof, could not be filed within the prescribed time period.

The Annual Report on the Form 11-K for the year ended December 31, 2005 (the "2005 Form 11-K") for the Bairnco Corporation 401(k) Savings Plan and Trust (the "Registrant")cannot be filed within the prescribed time period because of significant challenges in reconciling the plan financial statements due to a mid-year change of plan recordkeepers. In addition, delays beyond the Registrant's control were experienced in relation to receiving validation of the market value of certain plan funds without quoted market prices. Consequently, the plan's independent registered public accounting firm has not yet completed their full-scope audit to enable them to express an opinion on the financial statements of the plan. As a result, the Registrant was unable to complete its financial statements in a timely manner and will be unable to file the 2005 Form 11-K for the plan without unreasonable effort and expense. The Registrant fully intends to file the 2005 Form 11-K within the time frame mandated by Rule 12b-25.

Persons who are to respond to the collection of information contained in this form are not required to respond unless the form displays a currently valid OMB control number.
