Item 1.01. Entry into a Material Definitive Agreement.

On May 12, 2011, Swift Energy Company and its wholly-owned subsidiary, Swift Energy Operating, LLC (collectively referred to herein as “Swift Energy” or the “Company”), entered into the First Amendment and Consent to the Second Amended and Restated Credit Agreement with JPMorgan Chase Bank, N.A., as Administrative Agent, and institutions named therein as lenders (the “Amendment”). The Amendment was executed in conjunction with the Company’s semi-annual borrowing base review. The Company’s borrowing base was increased from \$300 million to \$400 million, and Swift Energy elected to retain the existing \$300 million commitment amount. The increased borrowing base would allow Swift Energy, if it so chose, to increase its borrowings under the credit facility up to aggregate borrowings of \$400 million with unanimous consent of the bank group (as it might change from time to time). The credit facility provides liquidity to the Company to use to finance the exploration, development and/or acquisitions of oil and gas properties, as required, and for any other corporate purpose not prohibited under the Credit Agreement.

Pricing was also amended to establish the Eurodollar Rate borrowing margins at escalating rates of between 150 and 250 basis points and the Alternative Base Rate borrowing margins at escalating rates of between 50 and 150 basis points. The Commitment Fee associated with the unfunded portion of the borrowing base remains set at 50 basis points.

The Amendment also extended the credit facility’s maturity date approximately 8 months to May 12, 2016

This description of the Credit Agreement does not purport to be complete and is qualified in its entirety by reference to the complete text of such agreement, a copy of which is filed as Exhibit 10.1 to this current report on Form 8-K and is incorporated herein by reference.

Item 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

The information set forth in Item 1.01 above is hereby incorporated by reference into this Item 2.03.
