Item 1.01. Entry into a Material Definitive Agreement.

On January 31, 2014, The Goldfield Corporation (the “Company”), the Company’s wholly owned subsidiaries, collectively, (the “Debtors”), and Branch Banking and Trust Company (“BB&T”) entered into a Master Loan Agreement (the “Master Loan Agreement”). The Master Loan Agreement replaces all previous BB&T loan agreements. The Master Loan Agreement restates the same terms and conditions as those set forth in the previous Master Loan Agreement originally entered into on December 16, 2013, and as described in the Company's Form 8-K filed on December 18, 2013, which description is incorporated herein by reference, except for (i) the addition of the wholly owned subsidiary C and C Power Line Inc. (“C&C”) as a party to the Master Loan Agreement, and (ii) the addition of a \$10 million equipment loan (the “\$10.0 Million Equipment Loan”) and a \$3.5 million acquisition loan (the “\$3.5 Million Acquisition Loan”). It is anticipated that all the borrowings under the \$10.0 Million Equipment Loan will be taken down over the next twenty-four (24) months, as permitted under the terms of the loan. The \$3.5 Million Acquisition Loan was funded in its entirety on February 4, 2014.

The \$10.0 Million Equipment Loan is for purchases of equipment and vehicles to be owned by the Company and its subsidiaries and any borrowings thereunder will mature on July 28, 2020. Accrued interest on any borrowings thereunder is payable monthly commencing on February 28, 2014, (or such later date as any borrowings occur) until January 28, 2016. Commencing on February 28, 2016, payments of principal in the amount of 1/54th of the principal balance outstanding as of January 28, 2016, plus accrued interest will be made each month thereafter, with one final payment of all remaining principal and accrued interest due on July 28, 2020.

The \$3.5 Million Acquisition Loan represented the partial financing of the acquisition of C&C and matures on January 28, 2019. Principal payments of \$58,350.00, plus accrued interest will be made commencing on February 28, 2014, and monthly thereafter through December 28, 2018, with one final payment of all remaining principal and accrued interest due on January 28, 2019.

Both the \$10.0 Million Equipment Loan and the \$3.5 Million Acquisition Loan bear interest at a rate per annum equal to One Month LIBOR (as defined in the Ancillary Loan Documents) plus 2.00%, which will be adjusted monthly and subject to a maximum rate of 24.00%, provided however, that upon receipt in 2014 of the Company’s Form 10-K for the year ended December 31, 2013, filed with the Securities and Exchange Commission, pricing will be based on the following table:

Leverage Ratio	Applicable Margin for LIBOR Loans and Letter of Credit Fees
< 1.0x	175.0 bps
≥ 1.0x but < 1.5x	200.0 bps
≥ 1.5x but < 2.0x	225.0 bps
≥ 2.0x but < 2.5x	250.0 bps
≥ 2.5x but < 3.0x	275.0 bps

“Leverage ratio” means total liability to tangible net worth. Pricing will be adjusted on a quarterly basis based on the table above and the Company’s quarterly financial reports with any interest rate changes taking effect in the month following receipt of the quarterly financial reports. These borrowings are guaranteed by the Debtors.

The obligations under the new \$10.0 Million Equipment Loan and the \$3.5 Million Acquisition Loan are secured by a continuing security interest in the personal property of the Company and the Debtors, as more fully described in the Company's Form 8-K filed on December 18, 2013, which description is incorporated herein by reference.

The foregoing descriptions of the Master Loan Agreement, the two new loans and the Ancillary Loan Documents do not purport to summarize all of the provisions of these documents and are qualified in their entirety by reference to the loan documents filed herewith as Exhibits 10-1 through 10-9 to this Current Report on Form 8-K, with each of the foregoing incorporated herein by reference.

Item 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

The information set forth, and the exhibits identified, in Item 1.01 are incorporated herein by reference.

Item 9.01. Financial Statements and Exhibits.
