ITEM 8.01 OTHER EVENTS

As we have previously noted in our Current Report on Form 8-K dated August 24, 2007, our Annual Report on Form 10-K for the fiscal year ended February 24, 2007 (the "Form 10-K") has been revised to reflect, the reclassification of revenues and expenses of our supermarkets in the Greater New Orleans area as discontinued operations in accordance with Statement of Financial Accounting Standards No. 144, Accounting for the Impairment or Disposal of Long-lived Assets ("SFAS 144"). In addition, we revised our reportable segments to reflect our operations by geographic region. Our revised segments, as reported in the August 24, 2007 Form 8-K, were the Northeast, Midwest, and our investment in Metro, Inc.

On April 24, 2007, we announced that, based upon unsatisfactory operating trends and the need to devote resources to our expanding Northeast core business, we were in negotiations for the potential sale of our non-core stores within our Midwest operations, including inventory related to these stores. During the quarterly period ended September 8, 2007, sale transactions for a majority of these stores were completed, with final negotiations pending on one location. Further, we ceased sales operations in all stores as of July 7, 2007. As such, the criteria for reporting the Midwest segment as discontinued operations was met during the quarterly period ended September 8, 2007.

We are filing this Current Report on Form 8-K to reclassify financial information and disclosures for our supermarkets in the Midwest as discontinued operations in accordance with SFAS 144. Accordingly, our segments reflected in continuing operations are now comprised of the Northeast and our investment in Metro, Inc. Financial information and disclosures previously set forth in Current Report on Form 8-K dated August 24, 2007 have been reclassified in order to be consistent with the current presentation. Under current Securities and Exchange Commission ("SEC") Guidance, the same classification as discontinued operations for the quarterly period ended September 8, 2007 required by SFAS 144 is also required for previously issued financial statements included in the Form 10-K if those financial statements are incorporated by reference in filings with the SEC under the Securities Act of 1933, as amended, even though those financial statements relate to periods prior to the operations being classified as discontinued operations.

This report includes the following with respect to the periods presented in the Form 10-K:

- Revised Selected Financial Data (Part II. Item 6);
- Revised Management's Discussion and Analysis of Financial Condition and Results of Operations (Part II. Item 7); and
- Revised Financial Statements and Supplementary Data (Part II. Item 8).

The reclassification of A&P's stores in the Greater New Orleans area and the Midwest as discontinued operations and the revision of our reportable segments had no effect on the net income previously reported by A&P in the audited financial statements contained in the Form 10-K.

This Form 8-K does not reflect events occurring after the filing of the Form 10-K, and does not modify or update the disclosures therein, except as required to reflect the changes for discontinued operations and segment disclosures as described above. The information filed with this Form 8-K should be read together with the Form 10-K (except for Items 6, 7 and 8 which are contained in this report) and A&P's subsequent SEC filings, including A&P's Quarterly Reports on Form 10-Q for the periods ended June 16, 2007 and September 8, 2007.
