## Edgar Filing: HALLIBURTON CO - Form S-8

Under the Halliburton Directors' Deferred Compensation Plan, non-employee Directors of Halliburton may at any time elect to defer all or a portion of their compensation for services as a Director until after their Board service terminates. The amounts of compensation deferred by participants under the Plan are referred to as "Deferred Compensation Obligations." The Plan is administered by a committee of Directors (the "Committee") appointed by Halliburton's Board of Directors.

A participant may elect to have his or her deferred compensation and earnings thereon held subject to interest ("Deferred Compensation Account") or translated into stock equivalents based on Halliburton's common stock ("Stock Equivalents Account"). Amounts allocated to a participant's Deferred Compensation Account is credited quarterly with an amount equivalent to interest at Citibank N.A.'s prime rate for major corporate borrowers. The number of stock equivalents, or fractions thereof, to be credited quarterly to a participant's Stock Equivalents Account is determined by dividing the amount of deferred compensation by the market price of Halliburton's common stock on the last trading day of the fiscal quarter. Such Stock Equivalents Account is also credited with any dividends or other distributions paid during the quarter which the participant would have received if he or she had been the owner of the number of shares of common stock equal to the number of stock equivalents in his or her Stock Equivalents Account on the applicable record date.

The Deferred Compensation Obligations will be payable following termination of Board service in one of the following forms, as determined by the Committee (defined below) in its sole discretion: (a) single lump sum; (b) five equal annual installments; or (c) ten equal annual installments. The lump sum payment or initial annual installment will be distributed on the last business day of January following the close of the calendar year in which service terminates. If

a participant should die, the undistributed balance of his or her account(s) will be paid to his or her estate or personal representative as soon as administratively feasible. Amounts from a participant's Stock Equivalents Account will be distributed in shares of Halliburton's common stock.

The Deferred Compensation Obligations are unsecured general obligations of Halliburton and will rank equally with other unsecured indebtedness of Halliburton. Benefits under the Plan may not be assigned or alienated, either voluntarily or involuntarily, other than by will or the applicable laws of descent and distribution.

Halliburton may amend or terminate the Plan at any time; provided, however, that no such amendment or termination may deprive a participant of the amounts allocated to his or her account(s) or be retroactive in effect to the prejudice of any participant.

### ITEM 5. INTERESTS OF NAMED EXPERTS AND COUNSEL.

None.

### ITEM 6. INDEMNIFICATION OF DIRECTORS AND OFFICERS.

Section 145 of the General Corporation Law of the State of Delaware or DGCL, provides that a Delaware corporation has the power, under specified circumstances, to indemnify its directors, officers, employees, and agents. Indemnification is allowed in connection with threatened, pending, or completed actions, suits, or proceedings, whether civil, criminal, administrative, or investigative, other than an action by or in right of the corporation, brought against them by reason of the fact that they were or are directors, officers, employees, or agents, for:

## Edgar Filing: HALLIBURTON CO - Form S-8

- expenses, judgments, and fines; and
- amounts paid in settlement actually and reasonably incurred in any action, suit, or proceeding.

Article X of the Registrant's restated certificate of incorporation together with Section 47 of its by-laws provide for indemnification of each person who is or was made a party to any actual or threatened civil, criminal, administrative, or investigative action, suit, or proceeding because:

- the person is or was an officer or director of the Registrant; or
- is a person who is or was serving at the request of the Registrant as a director, officer, employee, or agent of another corporation or of a partnership, joint venture trust, or other enterprise, including service relating to employee benefit plans,

to the fullest extent permitted by the DGCL as it existed at the time the indemnification provisions of the Registrant's restated certificate of incorporation and the by-laws were adopted or as may be amended. Section 47 of the Registrant's by-laws and Article X of its restated certificate of incorporation expressly provide that they are not the exclusive methods of indemnification.

Section 47 of the by-laws provides that the Registrant may maintain insurance, at its own expense, to protect itself and any director, officer, employee, or agent of the Registrant or of another entity against any expense, liability, or loss. This insurance coverage may be maintained regardless of whether the Registrant would have the power to indemnify the person against the expense, liability, or loss under the DGCL.

Section 102(b)(7) of the DGCL provides that a certificate of incorporation may contain a provision eliminating or limiting the personal liability of a director to the corporation or its stockholders for monetary damages for breach of fiduciary duty as a director. However, that provision shall not eliminate or limit the liability of a director:

- for any breach of the director's duty of loyalty to the corporation or its stockholders;
- for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law;
- under Section 174 of the DGCL, relating to liability for unauthorized acquisitions or redemptions of, or dividends on, capital stock; or
- for any transaction from which the director derived an improper personal benefit.

Article XV of the Registrant's restated certificate of incorporation contains this type of provision.

### ITEM 9. UNDERTAKINGS.

The Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933, as amended (the "1933 Act");

(ii) To reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement. Notwithstanding the foregoing, any increase or decrease in the volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent not more than a 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective Registration Statement;

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement;

provided, however, that paragraphs (1)(i) and (1)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with the Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in the Registration Statement.

(2) That, for the purpose of determining any liability under the 1933 Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the

## Edgar Filing: HALLIBURTON CO - Form S-8

offering.

The undersigned Registrant hereby undertakes that for the purposes of determining any liability under the 1933 Act, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934, as amended (the "Exchange Act") (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the Registration Statement shall be deemed to be a new Registration Statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

Insofar as indemnification of liabilities arising under the 1933 Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the 1933 Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the 1933 Act and will be governed by the final adjudication of such issue.
