Dear Sirs:

With reference to the registration statement on Form S-8 which AT&T Corp. (the "Company") proposes to file with the Securities and Exchange Commission (the "SEC") under the Securities Act of 1933, as amended, registering 2,000,000 shares of AT&T Common Stock (par value \$1 per share) (the "Shares") which may be offered and sold by the Company under the AT&T Amended 1996 Employee Stock Purchase Plan (the "Plan"), which Shares, under the terms of the Plan may be authorized and unissued shares or treasury shares, I am of the opinion that:

1. the Company is a corporation duly organized, validly existing and in good standing under the laws of the State of New York;

2. all proper corporate proceedings have been taken so that any Shares to be offered and sold which are newly issued have been duly authorized and, upon sale and payment therefor in accordance with the Plan and the resolutions of the Board of Directors relating to the offering and sale of common shares thereunder, will be legally issued, fully paid and nonassessable.

I hereby consent to the filing of this opinion with the SEC in connection with the registration statement referred to above.

CONSENT OF INDEPENDENT AUDITORS

The Board of Directors
AT&T Canada Inc.

Edgar Filing: AT&T CORP - Form S-8

We consent to the incorporation by reference in the registration statement on Form S-8 of AT&T Corp. of our report to the Board of Directors dated January 31, 2003, except as to notes 1, 8 and 25, which are as of February 25, 2003, relating to the consolidated balance sheet of AT&T Canada Inc. ("the Company") as of December 31, 2001, and the related consolidated statements of operations and deficit and cash flows for the year then ended, which appears as an exhibit to the AT&T Corp. 2002 Annual Report on Form 10-K

Our report contains Comments by the Auditors for U.S. Readers on Canada - U.S. Reporting Differences which states that in the United States, reporting standards for auditors require the addition of an explanatory paragraph (following the opinion paragraph) when the financial statements are affected by conditions and events that cast substantial doubt on the Company's ability to continue as a going concern such as those described in note 1 to the consolidated financial statements. Our report to the Board of Directors is expressed in accordance with Canadian reporting standards, which do not permit a reference to such conditions and events in the auditors' report when these are adequately disclosed in the financial statements.

In addition, in the United States, reporting standards for auditors require the addition of an explanatory paragraph (following the opinion paragraph) when there is a change in accounting principles that has a material effect on the comparability of the Company's financial statements, such as the change described in note 2(e) to the consolidated financial statements. Our report to the Board of Directors is expressed in accordance with Canadian reporting standards, which do not require a reference to such a change in accounting principles in the auditors' report when the change is properly accounted for and adequately disclosed in the financial statements.

Independent Auditors' Consent

The Board of Directors
AT&T Corp.:

We consent to the incorporation by reference in the registration statement on Form S-8, relating to the AT&T 1996 Amended Employee Stock Purchase Plan, of our report, dated March 8, 2002, with respect to the consolidated balance sheets of Liberty Media Corporation and subsidiaries ("New Liberty" or "Successor") as of December 31, 2001 and 2000, and the related consolidated statements of operations, comprehensive earnings, stockholders' equity, and cash flows for the years ended December 31, 2001 and 2000 and the period from March 1, 1999 to December 31, 1999 (Successor periods) and from January 1, 1999 to February 28, 1999 (Predecessor period), which report appears in the 2002 annual report on Form 10-K of AT&T Corp.

As discussed in notes 3 and 8 to the aforementioned consolidated financial statements, the Company changed its method of accounting for derivative instruments and hedging activities in 2001.

As discussed in note 1 to the aforementioned consolidated financial statements, effective March 9, 1999, AT&T Corp., the former parent company of New Liberty, acquired Tele-Communications, Inc., the former parent company of Liberty Media Corporation, in a business combination accounted for as a purchase. As a result of the acquisition, the consolidated financial information for the periods after the acquisition is presented on a different cost basis than that for the periods before the acquisition and, therefore, is not comparable.
