**Item 1.01 Entry Into Material Definitive Agreement**

The Board of Directors of Mentor Corporation (the "Company") previously adopted an amended and restated version of the Company's Amended 2000 Long-Term Incentive Plan referred to as the Mentor Corporation 2005 Long-Term Incentive Plan (the "2005 Plan"), subject to shareholder approval.

The 2005 Plan reflects, among other things, amendments to the plan to (i) provide the Company with flexibility to grant awards other than stock options, including but not limited to restricted stock, stock bonuses, stock units and dividend equivalents, (ii) allow the Company to grant awards intended to qualify as performance-based compensation within the meaning of Section 162(m) of the U.S. Internal Revenue Code and (iii) extend the term of the plan to July 24, 2015. The 2005 Plan does not reflect an increase in the number of shares of the Company's common stock available for award grants under the plan.

According to the preliminary results from the Company's annual shareholders' meeting held on September 14, 2005, the Company's shareholders have approved the 2005 Plan.

The following summary of the 2005 Plan is qualified in its entirety by reference to the text of the 2005 Plan, which was previously filed as Appendix A to the Company's proxy statement filed on August 9, 2005.

The Company's Board of Directors (the "Board") has designated the Compensation Committee of the Board (the "Administrator") as the administrator of the 2005 Plan. The Administrator has broad authority under the 2005 Plan to, among other things, select participants and determine the type(s) of award(s) that they are to receive, and determine the number of shares that are to be subject to awards and the terms and conditions of awards, including the price (if any) to be paid for the shares or the award.

Persons eligible to receive awards under the 2005 Plan include officers or employees of the Company or any of its subsidiaries, directors of the Company or any of its subsidiaries, and certain consultants and advisors to the Company or any of its subsidiaries.

The maximum number of shares of the Company's common stock that may be issued or transferred pursuant to awards under the 2005 Plan is 6.0 million shares (inclusive of approximately 4.6 million options previously granted under the Amended 2000 Long-Term Incentive Plan).

To the extent that an award is settled in cash or a form other than shares, the shares that would have been delivered had there been no such cash or other settlement will not be counted against the shares available for issuance under the 2005 Plan. In the event that shares are delivered in respect of a dividend equivalent right, only the actual number of shares delivered with respect to the award will be counted against the share limits of the 2005 Plan. To the extent that shares are delivered pursuant to the exercise of a stock option, the number of underlying shares as to which the exercise related shall be counted against the share limits of the 2005 Plan, as opposed to only counting the shares actually issued. Shares that are subject to or underlie awards which expire or for any reason are cancelled or terminated, are forfeited, fail to vest, or for any other reason are not paid or delivered under the 2005 Plan will again be available for subsequent awards under the 2005 Plan.

The types of awards that may be granted under the 2005 Plan include stock options, restricted stock, stock bonuses and other forms of awards granted or denominated in the Company's common stock or units of the Company's common stock, as well as certain cash bonus awards.

As is customary in incentive plans of this nature, each share limit and the number and kind of shares available under the 2005 Plan and any outstanding awards, as well as the exercise or purchase prices of awards, and performance targets under certain types of performance-based awards, are subject to adjustment in the event of certain reorganizations, mergers, combinations, recapitalizations, stock splits, stock dividends, or other similar events that change the number or kind of shares outstanding, and extraordinary dividends or distributions of property to the shareholders.
