☐ Pre-commencement communications pursuant to Rule 13e-4(c) under the Exchange Act (17 CFR 240.13e-4(c))

Item 1.01 Entry into a Material Definitive Agreement.

On June 16, 2006, Mentor Corporation (the "Company") entered into a stock purchase plan with Citigroup Global Markets Inc. for the purpose of repurchasing shares of the Company's common stock (the "Plan"). Repurchases will be made under a Rule 10b5-1 plan compliant with Rule 10b-18. The first repurchase under the Plan cannot take place prior to the third trading day following the Company's announcement of its financial results for the three months ending June 30, 2006. The timing of purchases and the exact number of shares to be purchased will depend on market conditions. The repurchase program and the Plan may be suspended or discontinued at any time.

The text of the press release is attached hereto as Exhibit 99.1 and is incorporated in its entirety herein by reference.

Item 8.01 Other Information.

In connection with the Company's entry into the stock purchase plan, the Board of Directors of the Company (the "Board") increased the authorized number of shares available for repurchase pursuant to its stock repurchase program and under the Plan from 3.3 million to 5.0 million shares available under the Plan. The Board approved the repurchase of shares of the Company's common stock under the Plan in an amount not to exceed \$166 million in total repurchases (subject also to the 5.0 million shares limitation), consistent with the limitations set forth in the Company's Credit Agreement, dated as of May 25, 2005, as amended on May 31, 2006 (the "Credit Agreement"), among the Company, Bank of the West, as administrative agent, Union Bank of California, N. A., as syndication agent, Wells Fargo Bank, National Association, as documentation agent, and the lenders from time to time party thereto. The amended credit agreement permits the repurchase of up to \$250,000,000 of equity securities, a portion of which was utilized in prior repurchases, leaving a remaining amount of \$166,000,000. In addition, after the entire \$250,000,000 is utilized for such repurchases, the Company may repurchase during any four consecutive quarters additional equity securities in an amount limited to the Company's consolidated net income, less dividends paid, for the four most recent trailing quarters.

Item 9.01 Financial Statements and Exhibits.
