**Item 5.07.**

**Submission of Matters to a Vote of Security Holders.**

Arrow Financial Corporation (the Company) is amending the Form 8-K it filed on April 29, 2011 (the Original Form 8-K), reporting voting information for the Company's 2011 Annual Meeting of Shareholders held on April 27, 2011 (the Meeting). The purpose of this amendment is to correct an overstatement in the Original Form 8-K on the number of shares represented in person or by proxy at the Meeting, as well as a comparable overstatement in the number of shares voting FOR each of the Items voted upon at the Meeting, including the number of shares voted in favor of management's recommendation on Item 4, the so-called say-on-frequency proposal. The overstatement was the result of an inadvertent computational error on the part of the Company's servicing agent that tabulated the vote. In no case, however, did the overstatement have an impact as a matter of law on the validity of the Meeting or the outcome of the votes taken at the Meeting. That is, on the basis of the corrected totals, there was a quorum at the Meeting and each of the Items voted on at the Meeting was approved in accordance with the recommendations of the Board of Directors, as reported in the Original Form 8-K.

Specifically, the Original Form 8-K overreported the number of shares present in person or represented by proxy at the Meeting by a total of 1,815,665 shares. The number of shares actually present or represented at the Meeting was 8,752,599, or 76.22% of the outstanding shares, and not 10,568,264, or 92.03% of the outstanding shares, as reported in the Original Form 8-K. The corrected number of shares still represents a quorum, however.

In addition, the Original Form 8-K overreported the number of shares voting FOR Items 1, 2, 3 and 5, and voting in favor of management's recommended choice on Item 4 (i.e., 3 years), by a total of 1,815,665 shares. The corrected voting totals for each such Item are set forth below. In no event did the change in vote totals change the outcome of the vote for any such Item, as reported on the Original Form 8-K.

Corrected voting information for each proposal is set forth below. This amendment does not change any other information contained in the Original Form 8-K.

The Items voted upon at the Meeting, and the voting tabulation for each matter, are restated as follows:

1.

The election of three (3) directors to Class A for a term of three (3) years or until their successors shall have been elected and qualified.

next required advisory vote on the frequency of such shareholder votes on executive compensation. We are required to hold advisory votes on frequency every six years.
