Section 1 – Registrant’s Business and Operations

Item 1.01 Entry Into a Material Definitive Agreement.

On July 2, 2012, the Registrant issued the press release filed herewith as Exhibit 99.1 with information announcing that The First, N.A., a subsidiary of The First Bancorp, Inc., and Camden National Bank, a subsidiary of Camden National Corporation, jointly announced that the two banks have signed a definitive agreement for The First to purchase the branch at 63 Union Street in Rockland, Maine. As part of the transaction, The First will acquire deposit accounts in the Rockland location as well as a small volume of loans. In addition, The First has signed a definitive agreement to purchase the 145 Exchange Street building in Bangor, Maine, owned by Camden National.

The 63 Union Street branch location in Rockland represents one of 15 Maine branches Camden National is currently acquiring from Bank of America. Camden National is divesting this branch to resolve competitive concerns in that market raised by the U.S. Department of Justice’s Antitrust Division. Customers who bank at the existing Rockland branches of The First and Camden National will not be impacted.

In Bangor, The First intends to open a full-service banking center at the 145 Exchange Street location in the first quarter of 2013. Upon completion of the acquisition, the Camden National branch in Bangor will be relocating from the 145 Exchange Street building to the 80 Exchange Street branch they are purchasing from Bank of America.

The total value of the transaction is estimated to be \$7.7 million, which includes the premises and equipment for the two locations plus the premium paid for the Rockland deposits. The Rockland branch transaction is subject to regulatory approval, and is expected to close in the fourth quarter of this year. The sale of the 145 Exchange Street building in Bangor will close at the same time.
