GENERAL INFORMATION

(the "Company") in connection with the solicitation of proxies by the Board of Directors of the Company for use at the Annual Meeting of Stockholders to be held on April 18, 2006, or any adjournments thereof. The cost of the enclosed proxy is borne by the Company.

VOTING SECURITIES OUTSTANDING

As of February 9, 2006, there were 168,734,156 shares of common stock of the Company outstanding. Each share is entitled to one vote.

Only stockholders of record as of the close of business on February 9, 2006, will be entitled to vote at the Annual Meeting of Stockholders.

VOTING PROCEDURES

A stockholder giving the enclosed proxy has the power to revoke it at any time before it is exercised by filing a written notice of such revocation or a duly executed proxy bearing a later date with the Secretary of the Company at the corporate office of the Company, 3300 Publix Corporate Parkway, Lakeland, Florida 33811, or by mailing it to the Company at P.O. Box 407, Lakeland, Florida 33802-0407. The execution of the enclosed proxy will not affect a stockholder's right to vote in person at the meeting should the stockholder later find it convenient to attend the meeting and desire to vote in person.

The proxy cards will be tabulated by employees of the Company. A stockholder attending in person or by proxy will be counted as part of the quorum for the meeting, even if that person abstains or otherwise does not vote on any matter. A majority of the outstanding shares of the Company entitled to vote, represented in person or by proxy, shall constitute a quorum. The affirmative vote of a plurality of the votes cast is required for the election of directors. A properly executed proxy marked "WITHHOLD VOTES" for the election of all nominees for director or a particular nominee or nominees for director will not be voted for the director nominee or nominees indicated. A proxy marked "WITHHOLD VOTES" will be counted for purposes of determining whether there is a quorum. The amendment to increase the number of the Company's authorized shares of common stock to allow for a 5-for-1 stock split and any other matter submitted to a vote of the stockholders will be approved if the votes cast in favor of the matter are greater than the votes cast in opposition to the matter.

The proxies will be voted FOR the election of the ten nominees unless the stockholder specifies otherwise.

The term of office of the directors will be until the next annual meeting or until their successors shall be elected and qualified. If one or more of the nominees become unable or unwilling to serve at the time of the meeting, the shares represented by proxy will be voted for the remaining nominees and for any substitute nominee(s) designated by the Board of Directors or, if none, the size of the Board will be reduced accordingly. COMMITTEES

The Board of Directors had the following committees during 2005, each of which is described below: Executive, Compensation, Audit, Corporate Governance and Nominating.

held one meeting and consisted of Hoyt R. Barnett, Chairman, Howard M. Jenkins and E. Vane McClurg. The Nominating Committee members are not independent as defined by the rules of the New York Stock Exchange. In the opinion of the Board, each Nominating Committee member has the ability to make objective decisions independent of the interests of management.

The Company has no specific policy regarding the consideration of any director candidates recommended by stockholders. However, the Nominating Committee considers suggestions for director candidates from several sources, including stockholders. In general, candidates must meet minimum qualifications for directors as set forth in the Company's Corporate Governance Guidelines. The candidates also must have any additional qualifications identified by the Nominating Committee as may be currently required to maintain the appropriate balance of knowledge, experience and expertise on the Board of Directors. Candidate suggestions, together with appropriate biographical information, should be sent to the Chairman of the Nominating Committee, c/o Secretary, Publix Super Markets, Inc., P.O. Box 407, Lakeland, Florida, 33802-0407.

In evaluating candidates for the Board of Directors, the Nominating Committee considers that it is the Board of Directors' objective to maintain a balance of business experience in order to maximize the effectiveness of the Board of Directors. The Nominating Committee also considers the specific skills necessary for candidates to effectively participate on certain Board committees. The candidates should possess the highest personal and professional ethics, integrity and values, and be committed to representing the long-term interests of the stockholders. In addition, selection criteria may include, but not necessarily be limited to:

- o Willingness to devote adequate time and effort to Board responsibilities;

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Under Section 16 of the Securities Exchange Act of 1934, certain officers,

Edgar Filing: PUBLIX SUPER MARKETS INC - Form DEF 14A

directors and stockholders of the Company are required to file reports of stock ownership and changes therein with the Securities and Exchange Commission. The Company believes that its officers, directors and stockholders complied with the Section 16 filing requirements except as follows. Reports filed by the following persons did not reflect their direct or indirect beneficial ownership of certain shares or changes therein: David E. Bridges (2004 - one Form 4 and one Form 5) and Maria A. Sastre (2005 - one Form 4). Upon learning of the omissions, Mr. Bridges and Ms. Sastre promptly filed the necessary reports to reflect the required information.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

During 2005, the Company purchased approximately \$2,272,000 of food products from Alma Food Imports, Inc., a company owned by Julia Jenkins Fancelli, sister of Howard M. Jenkins and Carol Jenkins Barnett, aunt of William E. Crenshaw, cousin of Charles H. Jenkins, Jr. and sister-in-law of Hoyt R. Barnett.

During 2005, the Company paid approximately \$205,000 to the law firm of Hahn, McClurg, Watson, Griffith & Bush for legal services. E. Vane McClurg is a director and continues to provide legal services to the Company.

In the opinion of management, the terms of the foregoing transactions are no less favorable than terms that could have been obtained from unaffiliated parties.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

Compensation Committee members, who were all directors of the Company during 2005, include: Joan G. Buccino, Sherrill W. Hudson and Kelly E. Norton, Chairman. There were no interlocks of the executive officers or directors of the Company serving on the compensation or equivalent committee of another entity which has any executive officer or director serving on the Compensation Committee, other committee or Board of Directors of the Company.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The Compensation Committee has responsibility for reviewing and setting the salary and benefits structure of the Company with respect to its executive officers. The compensation for the named executive officers, including the Chief Executive Officer (CEO), includes a base salary and an incentive bonus.

The factors considered in determining the base salary include: (1) the overall level of responsibility and the relationship to compensation levels of the Company's management, (2) the compensation levels of supermarket chains in the Company's Peer Group Index, taking into account the size and financial performance of the Company, (3) anticipated competitive operating conditions and (4) overall economic conditions. Charles H. Jenkins, Jr.'s annual base salary was increased by approximately 13.5% to \$609,930. This increase was heavily influenced by factor (2) above, the compensation levels of supermarket chains in the Company's Peer Group Index, taking into account the size and financial performance of the Company. The most recently available base salaries of the CEOs in the Company's Peer Group Index range from \$560,000 to \$1,405,000. The lowest CEO base salary is for a supermarket chain with approximately \$2 billion in sales. The financial performance of the Company has been significantly better than the performance of the supermarket chains in the Company's Peer Group Index.

Bonuses are paid generally once per year in the year following the year

Edgar Filing: PUBLIX SUPER MARKETS INC - Form DEF 14A

earned. The incentive bonus plan covers approximately 390 management employees. The Company's incentive bonus plan is based on a target bonus equal to two months pay for all full incentive bonus participants (participants generally transition in to the incentive bonus over a two year period). The formula for the incentive bonus plan is based on the Company achieving its sales and profit goals for the fiscal year and thus paying the target bonus. The incentive bonus would be more or less than the target bonus based on the Company's actual results compared to its sales and profit goals. There is no incentive bonus unless greater than 80% of the target profit is achieved. In general, the bonus pool is allocated among the participating management employees, including the named executive officers, according to their relative base compensation amounts paid to them during the calendar year for which the incentive bonus is being paid. The bonuses compensate the management employees for their services during the calendar year and an employee must be employed at the end of the calendar year to participate in the bonus. Although the Company has a defined method for calculating the incentive bonus, the Company's Executive Committee retains the right to alter or discontinue the incentive bonus plan at its discretion at any time for all or any participating employees except for the Company's executive officers. Any changes to the incentive bonus plan for all or any of the executive officers are at the discretion of the Compensation Committee. For fiscal 2005, based on the application of the parameters of the incentive bonus plan, the Compensation Committee awarded Charles H. Jenkins, Jr. the bonus of \$182,966 as set forth in the following Summary Compensation Table.

The compensation earned by the executive officers named in the following Summary Compensation Table ranks at or near the bottom of compensation earned by comparable positions among the peer group supermarket chains in the Company's Peer Group Index included in the performance graphs on pages 13 and 14.

This report is submitted by the following members of the Compensation Committee at the end of 2005: Joan G. Buccino, Sherrill W. Hudson, and Kelly E. Norton, Chairman.

The amount of the Company's discretionary contribution to the ESOP is determined annually by the Board of Directors and can be made in Company common stock or cash. The Company's contribution to this plan is allocated to all participants on the basis of compensation and the plan does not discriminate, in scope, terms, or operation, in favor of officers. Non-employee directors of the Company's Board of Directors do not participate in the plan. Amounts earned for 2005, 2004 and 2003 under the plan by the CEO and the four most highly compensated executive officers other than the CEO are listed in the Summary Compensation Table.

The match, which is determined as of the last day of the plan year and paid in the subsequent year, is in common stock of the Company. The plan does not discriminate, in scope, terms, or operation, in favor of officers. Non-employee directors of the Company's Board of Directors do not participate in the plan. The match earned for 2005, 2004 and 2003 under the plan by the CEO and the four most highly compensated executive officers other than the CEO are listed in the Summary Compensation Table.

The Company's group health and dental insurance plans are available to eligible full-time and part-time employees and the group life insurance plan and long-term disability plan are available to eligible full-time employees. These plans do not discriminate, in scope, terms, or operation, in favor of officers.

Non-employee directors of the Company's Board of Directors do not participate in the plans.

All compensation paid to executive officers during 2005, other than cash and compensation pursuant to the plans described above, does not exceed the minimum amounts required to be reported pursuant to the Securities and Exchange Commission rules.

AUDIT COMMITTEE REPORT

At the end of 2005, the Audit Committee of the Company's Board of Directors was comprised of three Board members who were not involved in the current management of the Company. The Audit Committee members are independent as defined by the rules of the New York Stock Exchange.

The roles and responsibilities of the Audit Committee are set forth in a written charter adopted by the Board of Directors. A copy of the charter was attached as an appendix to the 2004 Proxy Statement. The Audit Committee reviews and reassesses the charter annually and recommends any changes to the Board of Directors for approval.

Management is responsible for the Company's internal controls and the financial reporting process. The Company's independent registered public accounting firm is responsible for performing an independent audit of the Company's consolidated financial statements and an audit of the Company's internal control over financial reporting in accordance with the standards of the Public Company Accounting Oversight Board (United States). The Audit Committee monitors and oversees these processes as described in the Audit Committee charter.

The Audit Committee reviewed and discussed with management and the Company's independent registered public accounting firm the Company's audited consolidated financial statements for the fiscal year ended December 31, 2005. The Audit Committee also discussed with the Company's independent registered public accounting firm the matters required to be discussed by Statement on Auditing Standards No. 61, Communication with Audit Committees. The Audit Committee received the written disclosures from the Company's independent registered public accounting firm required by Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees, and discussed with the independent registered public accounting firm its independence.

11

Based upon the review and discussions referred to in the preceding paragraph, the Audit Committee recommended to the Board of Directors that the audited consolidated financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2005, for filing with the Securities and Exchange Commission.

This report is submitted by the following members of the Audit Committee at the end of 2005: Joan G. Buccino, Sherrill W. Hudson, Chairman, and Kelly E. Norton.

RELATIONSHIP WITH INDEPENDENT PUBLIC ACCOUNTANTS

The firm of KPMG LLP was the Company's independent registered public accounting firm during 2005. The Audit Committee will make its recommendation to the Board of Directors as to the Company's independent registered public accounting firm for 2006 later this year.

Representatives of KPMG LLP will be present at the meeting with an opportunity to make a statement if they desire to do so and will be available to

Edgar Filing: PUBLIX SUPER MARKETS INC - Form DEF 14A

respond to appropriate questions.

The fees of the Company's independent registered public accounting firm, KPMG LLP, for the indicated services performed for the fiscal years ended December 31, 2005 and December 25, 2004, were as follows:

Amounts are in thousands. -----	2005 ----	2004 ----
Audit fees (1).....	\$1,224	1,103
Audit-related fees(2).....	30	41
Tax fees (3).....	22	95
All other fees.....	--	--
	-----	-----
	\$1,276	1,239
	=====	=====

- (1) Fees for audit services include fees associated with the annual audit of the Company's financial statements, annual audit of the Company's internal control over financial reporting and reviews of the Company's quarterly financial statements.
- (2) Fees for audit-related services primarily include fees associated with the annual audit of employee benefit plans and other audit services.
- (3) Fees for tax services include fees associated with tax compliance, tax advice and tax planning.

The Audit Committee has reviewed and discussed the fees of KPMG LLP during the last fiscal year for audit and non-audit services and has determined that the provision of the non-audit services are compatible with the firm's independence.

Under its charter and in accordance with the Audit Committee Pre-Approval Policy, the Audit Committee must pre-approve all engagements of the Company's independent registered public accounting firm. The Audit Committee Pre-Approval Policy provides that the Audit Committee is required to pre-approve all audit and non-audit services performed by the independent registered public accounting firm in order to assure that the provision of such services will not impair its independence. The Audit Committee has delegated the Chairman of the Audit Committee the authority to evaluate and approve engagements on behalf of the Audit Committee in the event that the need for pre-approval arises between Audit Committee meetings. If the Chairman approves any such engagements, he will report that approval to the Audit Committee at its next meeting. During 2005, each new engagement of the independent registered public accounting firm was approved in accordance with the policy.

PERFORMANCE GRAPHS

The following performance graph sets forth the Company's cumulative total stockholder return during the five years ended December 31, 2005, with the cumulative total return on the S&P 500 Index and a custom Peer Group Index including companies in the same line of business (supermarket retail companies)(1). The Peer Group Index is weighted based on the various companies' market capitalization. The comparison assumes \$100 was invested at the end of 2000 in the Company's common stock and in each of the related indices and assumes reinvestment of dividends.

The Company's common stock is valued as of the end of each fiscal quarter.

Edgar Filing: PUBLIX SUPER MARKETS INC - Form DEF 14A

After the end of a quarter, however, shares continue to be traded at the prior valuation until the new valuation is received. The cumulative total return for the companies represented in the S&P 500 Index and the custom Peer Group Index is based on those companies' calendar year end trading price. Therefore, the Company has provided a performance graph based on the Company's fiscal year end valuation (rather than the trading price at fiscal year end, representing the appraised value as of the prior fiscal quarter). For comparative purposes, additional information is provided based on the fiscal year end trading price of the Company's shares.

PROPOSAL TO INCREASE THE AUTHORIZED SHARES OF COMMON STOCK
TO ALLOW FOR A 5-FOR-1 STOCK SPLIT

Edgar Filing: PUBLIX SUPER MARKETS INC - Form DEF 14A

On November 9, 2005, the Board of Directors unanimously approved a 5-for-1 stock split of the Company's common stock to be effective on July 1, 2006. However, the Company did not have a sufficient number of authorized but unissued shares of the Company's common stock to effect the 5-for-1 stock split. Accordingly, the stock split approved by the Board of Directors was conditioned on the approval by the stockholders of an amendment to the Company's Restated Articles of Incorporation. This amendment would increase the number of authorized shares of the Company's common stock from 300,000,000 to 1,000,000,000 shares. The Board of Directors approved this amendment and directed the amendment to be placed on the agenda of the 2006 Annual Meeting of Stockholders for consideration of and to be voted upon by the stockholders.

If the amendment is approved, the amendment will be promptly filed with the Florida Secretary of State and then the stock split will be effective on July 1, 2006. The stock split would be accomplished by directing stockholders of record as of the close of business on June 30, 2006, to retain their current stock certificates and by mailing to such stockholders new stock certificates representing four times the number of shares of common stock held by them as of the close of business on June 30, 2006. The certificates for the additional shares will be mailed to the stockholders approximately 45 days after the effective date. Stockholders should not send in their current stock certificates to the Company.

14

The proposed amendment in no way affects or alters the rights or privileges of current holders of the Company's common stock. Each share of common stock shall continue to be entitled to one vote upon all matters presented to meetings of stockholders.

The proposed amendment to the Restated Articles of Incorporation will be approved if the votes cast in favor of the proposed amendment are greater than the votes cast in opposition of the proposed amendment. The Board of Directors recommends a vote FOR the amendment.

PROPOSALS OF STOCKHOLDERS

Proposals of stockholders intended to be presented at the 2007 Annual Meeting of Stockholders must be received at the Company's corporate office prior to November 16, 2006, for consideration for inclusion in the Proxy Statement relating to that meeting.

OTHER MATTERS THAT MAY COME BEFORE THE MEETING

At the date of this Proxy Statement, the Board of Directors knows of no matter other than the matters described herein that will be presented for consideration at the meeting. However, if any other business shall properly come before the meeting, all proxies signed and returned by stockholders will be voted in accordance with the best judgment of the persons voting the proxies.
