COMBINED PROXY STATEMENT

Annual Meeting of Stockholders
to be held on Friday, June 10, 2011

This proxy statement is furnished in connection with a solicitation of proxies by the Board of Directors of each of Dreyfus Strategic Municipal Bond Fund, Inc. ("DSMB") and Dreyfus Strategic Municipals, Inc. ("DSM") (each, a "Fund" and, together, the "Funds") to be used at the Annual Meeting of Stockholders of each Fund to be held on Friday, June 10, 2011 at 10:00 a.m., at the offices of The Dreyfus Corporation ("Dreyfus" or the "Investment Adviser"), 200 Park Avenue, 8th Floor, New York, New York 10166, for the purposes set forth in the accompanying Notice of Annual Meeting of Stockholders. Stockholders of record at the close of business on March 31, 2011 are entitled to be present and to vote at the meeting. Stockholders are entitled to one vote for each Fund share held and fractional votes for each fractional Fund share held. Stockholders can vote only on matters affecting the Fund(s) in which they hold shares. If a proposal is approved by stockholders of one Fund and not approved by stockholders of the other Fund, the proposal will be implemented only for the Fund that approved the proposal. Therefore, it is essential that stockholders who own shares in both Funds complete, date, sign and return each proxy card they receive. Shares represented by executed and unrevoked proxies will be voted in accordance with the specifications made thereon. If any enclosed form of proxy is executed and returned, it nevertheless may be revoked by a proxy given later. To be effective, such revocation must be received prior to the meeting. In addition, any stockholder who attends the meeting in person may vote by ballot at the meeting, thereby cancelling any proxy previously given.

A quorum is constituted by the presence in person or by proxy of the holders of one-third of the outstanding shares of the Fund entitled to vote at the meeting. If a quorum is not present at the meeting, the stockholders present in person or by proxy, by majority vote and without notice other than by announcement at the meeting, may adjourn the meeting. If a proposal is to be voted upon by only one class of a Fund's shares, a quorum of that class of shares (the holders of a majority of the outstanding shares of the class) must be present in person or by proxy at the meeting in order for the proposal to be considered. Each Fund has two classes of capital stock: Common Stock, par value \$0.001 per share (the "Common Stock"), and Auction Preferred Stock, par value \$0.001 per share, liquidation preference \$25,000 per share (the "APS"). The APS is further divided into Series A, Series B and Series C for DSMB and Series M, Series T, Series W, Series TH and Series F for DSM. Currently, no proposal is expected to be presented at the meeting that would require separate voting for each Series of APS. As of March 31, 2011, the Funds had outstanding the following number of shares:

Name of Fund	Common Stock	APS
	Outstanding	Outstanding
DSMB	48,622,028	5,580
DSM	61,195,198	8,550

It is estimated that proxy materials will be mailed to stockholders of record on or about March 31, 2011. The principal executive office of each Fund is located at 200 Park Avenue, New York, New York 10166. **Copies of each Fund's most recent Annual Report to Stockholders are available upon request, without charge, by writing to the Fund at 144 Glenn Curtiss Boulevard, Uniondale, New York 11556-0144, or by calling toll-free 1-800-334-6899.**

Important Notice Regarding Internet Availability of Proxy Materials for the Annual Meeting of Stockholders to Be Held on June 10, 2011: This proxy statement and copies of each Fund's most recent Annual and Semi-Annual Reports to Stockholders are available at www.dreyfus.com/closedendfund.htm.

PROPOSAL 1: ELECTION OF DIRECTORS

Each Fund's Board of Directors is divided into three classes with the term of office of one class expiring each year. It is proposed that stockholders of each Fund consider the election of the individuals listed below (the "Nominees") as Directors of the indicated class of such Fund, to serve for three-year terms and until their respective successors are duly elected and qualified. With respect to DSMB, Messrs. David W. Burke, Hans C. Mautner, Burton N. Wallack and John E. Zuccotti are nominated to be elected as Class III Directors to serve for a three-year term. With respect to DSM, Messrs. Gordon J. Davis and Ehud Houminer and Ms. Robin A. Melvin are nominated to be elected as Class II Directors to serve for a three-year term. Messrs. Davis and Houminer and Ms. Melvin also are continuing Class II Directors of DSMB and Messrs. Burke, Mautner, Wallack and Zuccotti also are continuing Class III Directors of DSM. Each Nominee also currently serves as a Director of the Fund for which his or her election is proposed. Each Nominee was nominated by the respective Fund's nominating committee and has consented to being named in this proxy statement and has agreed to continue to serve as a Director of the indicated Fund if elected. Biographical information about each Nominee is set forth below. Biographical information about each Fund's Directors not standing for election at the meeting (the "Continuing Directors"), information on each Nominee's and Continuing Director's ownership of Fund shares and other relevant information is set forth on Exhibit A. Unless otherwise indicated, information set forth herein applies to both Funds. None of the Nominees or Continuing Directors are "interested persons" of either Fund, as defined in the Investment Company Act of 1940, as amended (the "1940 Act").

Under the terms of each Fund's Charter, holders of the APS voting as a single class are entitled, to the exclusion of holders of the Common Stock, to elect two Directors. Mr. Zuccotti was elected in 2009 as a Class III Director for APS holders of DSM to serve for a three year term. He currently is a nominee for election by holders of DSMB's APS as a Class III Director. The other Director designated for holders of APS, Ms. Robin Melvin, was elected as a Class II Director for APS holders of DSMB in 2010 to serve for a three year term. Ms. Melvin currently is a nominee for election by holders of DSM's APS as a Class II Director.

Voting with regard to the election of Directors will be as follows: for DSMB, holders of Common Stock and APS will vote together as a single class with respect to the election of Class III Directors Messrs. Burke, Wallack and Mautner; for DSM, holders of Common Stock and APS will vote together as a single class with respect to the election of Class II Directors Messrs. Davis and Houminer; APS holders of the respective Fund will vote separately, to the exclusion of holders of the Common Stock, with respect to the election of Ms. Melvin as a Class II Director who is nominated as a designee of the APS of DSM and Mr. Zuccotti as a Class III Director who is nominated as a designee of the APS of DSMB.

The persons named as proxies on the accompanying proxy card(s) intend to vote each such proxy for the election of the Nominees, unless stockholders specifically indicate on their proxies the desire to withhold authority to vote for elections to office. It is not contemplated that any Nominee will be unable to serve as a Director for any reason, but if that should occur prior to the meeting, the proxyholders reserve the right to substitute another person or persons of their choice as nominee or nominees. The address of each Nominee is 200 Park Avenue, New York, New York 10166.

Board's Oversight Role in Management. Each Board's role in management of the respective Fund is oversight. As is the case with virtually all investment companies (as distinguished from operating companies), service providers to each Fund, primarily the Investment Adviser and its affiliates, have responsibility for the day-to-day management of the Fund, which includes responsibility for risk management (including management of investment performance and investment risk, valuation risk, issuer and counterparty credit risk, compliance risk and operational risk). As part of its oversight, each Board, acting at its scheduled meetings, or the Chairman, acting between Board meetings, regularly interacts with and receives reports from senior personnel of service providers, including the Investment Adviser's Chief Investment Officer (or a senior representative of his office), the Fund's and the Investment Adviser's Chief Compliance Officer and portfolio management personnel. Each Board's audit committee (which consists of all Directors) meets during its scheduled meetings, and between meetings the audit committee chair maintains contact with the Fund's independent registered public accounting firm and the Fund's Chief Financial Officer. Each Board also receives periodic presentations from senior personnel of the Investment Advisor or its affiliates regarding risk management generally, as well as periodic presentations regarding specific operational, compliance or investment areas, such as

business continuity, personal trading, valuation, credit and investment research. Each Board also receives reports from counsel to the Investment Adviser and each Board's own independent legal counsel regarding regulatory compliance and governance matters. Each Board has adopted policies and procedures designed to address certain risks to the Fund. In addition, the Investment Adviser and other service providers to each Fund have adopted a variety of policies, procedures and controls designed to address particular risks to the Fund. Different processes, procedures and controls are employed with respect to different types of risks. However, it is not possible to eliminate all of the risks applicable to each Fund.

Board Composition and Leadership Structure. The 1940 Act requires that at least 40% of each Fund's Directors not be "interested persons" (as defined in the 1940 Act) of the Fund and as such are not affiliated with the Investment Adviser ("Independent Directors"). To rely on certain exemptive rules under the 1940 Act, a majority of each Fund's Directors must be Independent Directors, and for certain important matters, such as the approval of investment advisory agreements or transactions with affiliates, the 1940 Act or the rules thereunder require the approval of a majority of the Independent Directors. Currently, all of each Fund's Directors, including the Chairman of the Board, are Independent Directors, although the Board could in the future determine to add Directors who are not Independent Directors. Each Board has determined that its leadership structure, in which the Chairman of the Board is not affiliated with the Investment Adviser, is appropriate in light of the services that the Investment Adviser and its affiliates provide to the Fund and potential conflicts of interest that could arise from these relationships.

Each Nominee has been a Board member of each Fund and/or other Dreyfus mutual funds for over ten years. Additional information about each Nominee follows (supplementing the information provided in the table above) that describes some of the specific experiences, qualifications, attributes or skills that each Nominee possesses which the respective Board believes has prepared them to be effective Directors (this information for Continuing Directors is set forth on Exhibit A). Each Board believes that the significance of each Director's experience, qualifications, attributes or skills is an individual matter (meaning that experience that is important for one Director may not have the same value for another) and that these factors are best evaluated at the board level, with no single Director, or particular factor, being indicative of board effectiveness. However, each Board believes that Directors need to have the ability to critically review, evaluate, question and discuss information provided to them, and to interact effectively with the Fund's management, service providers and counsel, in order to exercise effective business judgment in the performance of their duties; each Board believes that its members satisfy this standard. Experience relevant to having this ability may be achieved through a Director's educational background; business, professional training or practice (*e.g.*, medicine, accounting or law), public service or academic positions; experience from service as a board member (including the Board of the Fund) or as an executive of investment funds, public companies or significant private or not-for-profit entities or other organizations; and/or other life experiences. The charter for each Board's nominating committee contains certain other factors considered by the committee in identifying and evaluating potential Director nominees. To assist them in evaluating matters under federal and state law, the Directors are counseled by their own independent legal counsel, who participates in Board meetings and interacts with the Investment Adviser, and also may benefit from information provided by the Investment Adviser's counsel; counsel to each Fund and to each Board have significant experience advising funds and fund board members. Each Board and its committees have the ability to engage other experts as appropriate. Each Board evaluates its performance on an annual basis.

Evaluation of Potential Nominees/Diversity. In addition to the general experience, qualifications, attributes or skills described above, each Fund's nominating committee (see "Fund Board Committees" below) may consider whether a potential nominee's professional experience, education, skills and other individual qualities and attributes, including gender, race or national origin, would provide beneficial diversity of skills, experience or perspective to each Board's membership and collective attributes. Such considerations will vary based on each Board's existing membership and other factors, such as the strength of a potential nominee's overall qualifications relative to diversity considerations. Each Fund's Nominating Committee Charter (the "Nominating Committee Charter"), attached as Exhibit B to this proxy statement, contains certain other factors considered by the Committee in identifying and evaluating potential Director nominees (including any nominees recommended by shareholders as provided in the Nominating Committee Charter).

Fund Board Committees. Each Fund has standing audit, nominating and compensation committees, each comprised of its Directors who are not “interested persons,” as defined in the 1940 Act, of the Fund. The function of the audit committee is (1) to oversee the Fund’s accounting and financial reporting processes and the audits of the Fund’s financial statements and (2) to assist in the Board’s oversight of the integrity of the Fund’s financial statements, the Fund’s compliance with legal and regulatory requirements and the qualifications, independence and performance of the Fund’s independent registered public accounting firm. A copy of each Fund’s Audit Committee Charter, which describes the audit committee’s purposes, duties and powers, is available at www.dreyfus.com in the “Individual Investors” section.

Each Fund’s nominating committee is responsible for selecting and nominating persons as members of the Board for election or appointment by the Board and for election by stockholders. Each nominating committee member is “independent” as defined by the New York Stock Exchange rules. A copy of each Fund’s Nominating Committee Charter and Procedures is not available on the Fund’s or Dreyfus’ website, but is attached as Exhibit B. In evaluating potential nominees, including any nominees recommended by stockholders, the committee takes into consideration the factors listed in the Nominating Committee Charter, including character and integrity, business and professional experience, and whether the committee believes the person has the ability to apply sound and independent business judgment and would act in the interest of the Fund and its stockholders. The committee will consider recommendations for nominees from stockholders submitted to the Secretary of the Fund, c/o The Dreyfus Corporation Legal Department, 200 Park Avenue, 8th Floor, New York, New York 10166, and including information regarding the recommended nominee as specified in the Nominating Committee Charter.

The function of the compensation committee is to establish the appropriate compensation for serving on the Board. Each Fund also has a standing pricing committee comprised of any one Director. The function of the pricing committee is to assist in valuing the Fund’s investments.

DSM’s and DSMB’s audit committee met 7 times during each Fund’s fiscal year ended September 30, 2010 and November 30, 2010, respectively. Each Fund’s nominating committee met twice and each Fund’s pricing committee did not meet during the Fund’s last fiscal year. DSM’s compensation committee and DSMB’s compensation committee met once during the respective Fund’s last fiscal year.

Compensation. Each Director also serves as a director of other funds in the Dreyfus fund complex. Annual retainer fees and meeting attendance fees are allocated among each Fund and those other funds on the basis of net assets, with the Chairman of each Board, Joseph S. DiMartino, receiving an additional 25% of such compensation. Each Fund reimburses Directors for their expenses. Emeritus Directors are entitled to receive an annual retainer of one-half the amount paid as a retainer at the time the Director became Emeritus and per meeting attended fee of one-half the amount paid to Directors. Neither Fund has a bonus, pension, profit-sharing or retirement plan.

The aggregate amount of compensation paid to each Nominee by the DSMB for its fiscal year ended November 30, 2010 by DSM for its fiscal year ended September 30, 2010, and the aggregate amount of compensation paid to each such Nominee by all funds in the Dreyfus Family of Funds for which the Nominee was a Board member (the number of portfolios of such funds is set forth in parenthesis next to the Nominee’s total compensation) for the year ended December 31, 2010, was as follows:

Required Vote

The election of a Nominee for each Fund requires the affirmative vote of a plurality of votes cast at the Fund's meeting for the election of Directors.

ADDITIONAL INFORMATION

Selection of Independent Registered Public Accounting Firm

The 1940 Act requires that each Fund's independent registered public accounting firm (the "independent auditors" or "auditors") be selected by a majority of the Independent Directors. The audit committee has direct responsibility for the appointment, compensation, retention and oversight of the Fund's independent auditors. At a meeting held on November 8, 2010 for DSMB and July 19, 2010 for DSM, each Fund's audit committee approved and each Fund's Board, including a majority of the Independent Directors, ratified and approved the selection of Ernst & Young LLP ("E&Y") as the independent auditors for the respective Fund's fiscal year ending in 2011. E&Y, a major international accounting firm, has acted as auditors of each Fund since the Fund's

organization. After reviewing the Fund's audited financial statements for the fiscal year ended September 30, 2010 for DSM, and November 30, 2010 for DSMB, each Fund's audit committee recommended to the Fund's Board that such statements be included in the Fund's annual report to stockholders. Copies of the audit committee's reports for DSM and DSMB are attached as Exhibits C and D, respectively, to this proxy statement.

Independent Registered Public Accounting Firm Fees and Services

The following chart reflects fees paid to E&Y in each Fund's last two fiscal years. For Service Affiliates (i.e., Dreyfus and any entity controlling, controlled by or under common control with Dreyfus that provides ongoing services to the rel-

7

evant Fund), such fees represent only those fees that required pre-approval by the audit committee, except the Aggregate Non-Audit fees amounts, which includes the all non-audit fees paid to E&Y by the Fund and Service Affiliates. All services provided by E&Y were pre-approved as required.

¹ Fiscal years ended September 30, 2009/September 30, 2010.

² Fiscal years ended November 30, 2009/November 30, 2010.

³ Services to the Fund consisted of (i) agreed-upon procedures related to compliance with basic maintenance requirements for APS; and (ii) security counts required by Rule 17f-2 under the 1940 Act.

⁴ Services to the Fund consisted of (i) review or preparation of U.S. federal, state, local and excise tax returns; (ii) U.S. federal, state and local tax planning, advice and assistance regarding statutory, regulatory or administrative developments; and (iii) tax advice regarding tax qualification matters and/or treatment of various financial instruments held or proposed to be acquired or held.

⁵ Aggregate fees from the Fund and Service Affiliates are shown under the Service Affiliates column.

Audit Committee Pre-Approval Policies and Procedures. Each Fund's audit committee has established policies and procedures (the "Policy") for pre-approval (within specified fee limits) of E&Y's engagement for non-audit services to the Fund and Service Affiliates without specific case-by-case consideration. The pre-approved services in the Policy can include pre-approved audit services, pre-approved audit-related services, pre-approved tax services and pre-approved all other services. Pre-approval considerations include whether the proposed services are compatible with maintaining E&Y's independence. Pre-approvals pursuant to the Policy are considered annually.

Auditor Independence. Each Fund's audit committee has considered whether the provision of non-audit services that were rendered to Service Affiliates which did not require pre-approval are compatible with maintaining E&Y's independence.

A representative of E&Y is expected to be present at the meeting, will have the opportunity to make a statement, and will be available to respond to appropriate questions.

Voting Information

To vote, please complete, date and sign the enclosed proxy card for each Fund you own and mail it in the enclosed, postage-paid envelope.

Each Fund will bear its pro rata share of the cost of soliciting proxies based on the net assets of the Fund. In addition

to the use of the mails, proxies may be solicited personally or by telephone, and each Fund may pay persons holding shares of the Fund in their names or those of their nominees for their expenses in sending soliciting materials to their principals. Authorizations to execute proxies may be obtained by fax, or by telephonic instructions in accordance with procedures designed to authenticate the stockholder's identity. In all cases where a telephonic proxy is solicited, the stockholder will be asked to provide or confirm certain identifiable information and to confirm that the stockholder has received the Fund's proxy statement and proxy card in the mail. Within 72 hours of receiving a stockholder's solicited telephonic voting instructions, a confirmation will be sent to the stockholder to ensure that the vote has been taken in accordance with the stockholder's instructions and to provide a telephone number to call immediately if the stockholder's instructions are not correctly reflected in the confirmation. Shares represented by executed and unrevoked proxies will be voted in accordance with the specifications made thereon, and if no voting instructions are given, shares will be voted "FOR" the Proposals.

If a proxy is properly executed and returned accompanied by instructions to withhold authority to vote, represents a broker "non-vote" (that is, a proxy from a broker or nominee indicating that such person has not received instructions from the beneficial owner or other person entitled to vote shares of a Fund on a particular matter with respect to which the broker or nominee does not have discretionary power) or marked with an abstention (collectively, "abstentions"), the Fund's shares represented thereby will be considered to be present at the meeting for purposes of determining the existence of a quorum for the transaction of business. Under Maryland law, abstentions do not constitute a vote "for" or "against" a matter and will be disregarded in determining "votes cast" on an issue.

OTHER MATTERS

Neither Fund's Board is aware of any other matter which may come before the meeting. However, should any such matter with respect to one or both Funds properly come before the meeting, it is the intention of the persons named in the accompanying form of proxy to vote the proxy in accordance with their judgment on such matter.

Proposals that stockholders wish to include in a Fund's proxy statement for the Fund's next Annual Meeting of Stockholders must be sent to and received by such Fund no later than December 1, 2011 at the principal executive office of the Fund at 200 Park Avenue, New York, New York 10166, Attention: Secretary of the Fund. The date after which notice of a stockholder proposal is considered untimely, except as otherwise permitted under applicable law, is February 15, 2012.

Stockholders who wish to communicate with Directors should send communications to the attention of the Secretary of the Fund, 200 Park Avenue, New York, New York 10166, and communications will be directed to the Director or Directors indicated in the communication or, if no Director or Directors are indicated, to the Chairman of the Board.

NOMINATING COMMITTEE CHARTER AND PROCEDURES

THE DREYFUS FAMILY OF FUNDS

(each, the "Fund")

Organization

The Nominating Committee (the "Committee") of each fund in the Dreyfus Family of Funds (each, the "Fund") shall be composed solely of Directors/Trustees ("Directors") who are not "interested persons" of the Fund as defined in Section 2(a)(19) of the Investment Company Act of 1940, as amended (the "1940 Act") ("Independent Directors"). The Board of Directors of the Fund (the "Board") shall select the members of the Committee and shall designate the Chairperson of the Committee.

Responsibilities

The Committee shall select and nominate persons for election or appointment by the Board as Directors of the Fund.

Evaluation of Potential Nominees

The Board believes that Directors need to have the ability to critically review, evaluate, question and discuss information provided to them, and to interact effectively with Fund management, service providers and counsel, in order to exercise effective business judgment in the performance of their duties. In evaluating potential Director nominees (including any nominees recommended by shareholders as provided below) in light of this standard, and to address certain legal and other requirements and considerations associated with composition of the Board, the Committee shall consider, among other factors it may deem relevant: tion of the Board, the Committee shall consider, among other factors it may deem relevant:

- the character and integrity of the person;
- whether or not the person is qualified under applicable laws and regulations to serve as a Director of the Fund;
- whether or not the person has any relationships that might impair his or her service on the Board;
- whether nomination of the person would be consistent with Fund policy and applicable laws and regulations regarding the number and percentage of Independent Directors on the Board;
- whether or not the person serves on boards of, or is otherwise affiliated with, competing financial service organizations or their related fund complexes;
- whether or not the person is willing to serve and is willing and able to commit the time necessary for the performance of the duties and responsibilities of a Director of the Fund; and
- the educational background; business, professional training or practice (e.g., medicine, accounting or law), public service or academic positions; experience from service as a board member (including the Board) or as an executive of investment funds, public companies or significant private or not-for-profit entities or other organizations; and/or other life experiences.

In addition, the Committee may consider whether a potential nominee's professional experience, education, skills and other individual qualities and attributes, including gender, race or national origin, would provide beneficial diversity of skills, experience or perspective to the Board's membership and collective attributes. Such considerations will vary based on the Board's existing membership and other factors, such as the strength of a potential nominee's overall qualifications relative to diversity considerations.

While the Committee is solely responsible for the selection and nomination of Directors, the Committee may consider nominees recommended by Fund shareholders. The Committee will consider recommendations for nominees from shareholders sent to the Secretary of the Fund, c/o The Dreyfus Corporation Legal Department, 200 Park Avenue, 8th Floor East, New York, New York 10166. A nomination submission must include all information relating to the recommended

nominee that is required to be disclosed in solicitations or proxy statements for the election of Directors, as well as information sufficient to evaluate the factors listed above. Nomination submissions must be accompanied by a written consent of the individual to stand for election if nominated by the Board and to serve if elected by the shareholders, and such additional information must be provided regarding the recommended nominee as reasonably requested by the Committee.

Nomination of Directors

After a determination by the Committee that a person should be selected and nominated as a Director of the Fund, the Committee shall present its recommendation to the full Board for its consideration.

Review of Charter and Procedures

The Committee shall review the charter and procedures from time to time, as it considers appropriate.

REPORT OF THE AUDIT COMMITTEE

The audit committee oversees the Fund's financial reporting process on behalf of the Board of Directors. Management has the primary responsibility for the financial statements and the reporting process including the systems of internal controls. In fulfilling its oversight responsibilities, the committee reviewed the audited financial statements in the Annual Report with management.

The committee reviewed with the independent registered public accounting firm (the "independent auditors" or "auditors"), who are responsible for expressing an opinion on the conformity of those audited financial statements with generally accepted accounting principles, their judgments as to the quality, not just the acceptability, of the Fund's accounting principles and such other matters as are required to be discussed with the committee under the standards of the Public Company Accounting Oversight Board (United States) ("PCAOB"). In addition, the committee has discussed with the independent auditors the auditors' independence from management and the Fund including the auditors' letter and the matters in the written disclosures required by the PCAOB, and considered the compatibility of non-audit services with the auditors' independence.

The committee discussed with the independent auditors the overall scope and plan for the audit. The committee met with the independent auditors, with and without management present, to discuss the results of their examinations, their evaluations of the Fund's internal controls, and the overall quality of the Fund's financial reporting.

In reliance on the reviews and discussions referred to above, the committee recommended to the Board of Directors (and the Board has approved) that the audited financial statements for the Fund be included in the Annual Report to Shareholders for the year ended September 30, 2010.
