Item 1.01. Entry into a Material Definitive Agreement.

On June 28, 2006, Automatic Data Processing, Inc., a Delaware corporation (the "Company"), entered into a \$1.75 billion 364-Day Credit Agreement (the "364-Day Facility") and a \$2.25 billion Five-Year Credit Agreement (the "Five-Year Facility," and together with the 364-Day Facility, the "Facilities") with a group of lenders. The Five-Year Facility contains an accordion feature under which the aggregate commitment can be increased by \$500 million, to \$2.75 billion, subject to the availability of additional commitments. The Facilities replaced the Company's prior \$1.25 billion 364-day facility and 2.25 billion five-year facility, which terminated on June 28, 2006. JPMorgan Chase Bank, N.A. acts as Administrative Agent and Bank of America, N.A. as Syndication Agent for the Facilities. The existing \$1.5 billion five-year facility entered into on June 29, 2005 will continue in full force and effect.

Two borrowing options will be available under the Facilities: (i) a competitive advance option and (ii) a revolving credit option. The competitive advance option will be provided on an uncommitted competitive advance basis through an auction mechanism. The revolving credit will be provided on a committed basis. Under each option amounts borrowed and repaid may be reborrowed subject to availability under each Facility.

The Lenders' commitments under the 364-Day Facility will expire on June 27, 2007 and any borrowings outstanding will mature and be payable on such date (or, at the option of the Company, subject to the accuracy of all representations and warranties and the absence of any default, on June 27, 2008). The Lenders' commitments under the Five-Year Facility will expire and the borrowings thereunder will mature on June 28, 2011.

Under each Facility, interest under a competitive advance option will be payable at the rates obtained from bids selected by the Company in accordance with standard competitive auction procedures of JPMorgan Chase Bank, N.A..

At the Company's option, revolving loans under the 364-Day Facility will bear interest at a rate per annum equal to (i) .130% plus a LIBOR-based rate for a one, two, three or six month interest period as selected by the Company, or (ii) a base rate determined by reference to the higher of (a) JPMorgan Chase Bank, N.A.'s prime rate and (b) the federal funds effective rate plus .50% (the "Alternative Base Rate"). Interest rates with respect to revolving borrowings under the 364-Day Facility will increase by .125% per annum if the commitments are extended for an additional year.

At the Company's option, revolving loans under the Five-Year Facility will bear interest at a rate per annum equal to (i) a LIBOR-based rate for a one, two, three or six month interest period as selected by the Company plus a percentage spread (ranging from .110% to .205%) determined by reference to ratings established for the Company's senior, unsecured, long-term, non-credit-enhanced debt by Standard & Poor's Ratings Group and Moody's Investors Service,

Edgar Filing: AUTOMATIC DATA PROCESSING INC - Form 8-K

Inc., (ii) the Alternative Base Rate, (iii) in the case of bankers' acceptances, stamping fees equal to the LIBOR spreads, and (iv) in the case of Canadian base rate loans, a base rate determined by reference to the higher of J.P. Morgan Bank Canada's prime rate and the rate for one-month Canadian dollar bankers' acceptances plus .50% per annum.

In addition, the Company will pay a fee on the revolving credit line as follows: (i) in the case of the 364-Day Facility, at a rate of .020% per annum, and (ii) in the case of the Five-Year Facility, at a rate (ranging from .040% to .095%) determined by Company's debt credit ratings.

The Facilities have terms that are substantially similar to the terms of the facilities they replaced, including customary covenants that restrict the Company's and its borrowing subsidiaries' ability to create liens or other encumbrances, enter into sale and leaseback transactions and enter into consolidations, mergers and transfers of all or substantially all of their respective assets. Each Facility contains customary events of default which would permit the lenders to accelerate the loans, including the failure to make timely payments under a Facility or other material indebtedness, the failure to satisfy covenants and specified events of bankruptcy and insolvency.

The Company has agreed to guarantee any obligations of any of its subsidiaries that are entitled to borrow the funds under each Facility. Borrowings under the Facilities may be used for general corporate purposes.

The Facilities are led by JPMorgan Securities Inc. and Banc of America Securities LLC, as Co-Lead Arrangers and Joint Bookrunners. Barclays Bank PLC, BNP Paribas, Citicorp USA, Inc., Deutsche Bank AG New York Branch and Wachovia Bank, National Association are Documentation Agents.

Certain of the lenders under the Facilities, and their respective affiliates, have performed, and may in the future perform for the Company and its subsidiaries, various commercial banking, investment banking, underwriting and other financial advisory services, for which they have received, and will receive, customary fees and expenses.

The foregoing description is qualified in its entirety by reference to the Facilities, which are filed as Exhibits 10.14 and 10.15 hereto and incorporated herein by reference.

Item 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

The information set forth above under Item 1.01 is hereby incorporated by reference into this Item 2.03.

Item 9.01. Financial Statements and Exhibits.
