Item 3. Source and Amount of Funds or Other Consideration

The shares of Class B Common Stock of the Issuer beneficially owned by the Reporting Persons were issued in exchange for securities in predecessor entities of the Issuer (which securities had been owned for many years by the Reporting Persons) in connection with a corporate reorganization that became effective on the closing date of the initial public offering of the Issuer (the “IPO”).

Item 4. Purpose of Transaction

The shares of Class B Common Stock were acquired by the Reporting Persons in connection with the corporate reorganization of the Issuer. The Reporting Persons intend to continue to participate in and influence the affairs of the Issuer through exercise of their rights to appoint directors of the Issuer (pursuant to the Stockholders' Agreement, described in Item 6) and through their voting rights with respect to their shares of Class B Common Stock.

Subject to regulatory restrictions, market conditions and other factors, the Reporting Persons may sell some or all of the securities of the Issuer from time to time in future transactions, including pursuant to their registration rights described in Item 6 below; may maintain their present ownership of securities of the Issuer; or may purchase additional securities of the Issuer. The Reporting Persons' plans will depend on their evaluation of various factors from time to time, including the investment potential of the Common Stock, the Issuer's business prospects and financial position, other developments concerning the Issuer, opportunities that may be available to the Issuer, the price level and availability of the Common Stock, available opportunities to acquire or dispose of the Common Stock, conditions in the securities markets and general economic and industry conditions and reinvestment opportunities, as well as financial and business considerations of the Reporting Persons and other factors deemed relevant by them. In connection with the activities described above, the Reporting Persons intend to exercise their rights under the Stockholders' Agreement described in Item 6 below and, as permitted by such Stockholders' Agreement, they intend to communicate with, and express their views to, the board of directors and management of the Issuer and may communicate with, and express their views to, other persons regarding the Issuer, including, without limitation, other stockholders of the Issuer and potential strategic or financing partners.

Except as described in this Item 4, at the present time, neither of the Reporting Persons nor, to the knowledge of the Reporting Persons, any of the directors or executive officers of ORIX listed on Annex A hereto has any plans or proposals which relate to or would result in (a) the acquisition by any person of additional securities of the Issuer, or the disposition of securities of the Issuer, (b) an extraordinary corporate transaction, such as a merger, reorganization or liquidation, involving the Issuer or any of its subsidiaries, (c) a sale or transfer of a material amount of assets of the Issuer or any of its subsidiaries, (d) any change in the present board of directors or management of the Issuer, including any plans or proposals to change the number or term of directors or to fill any existing vacancies on the board, (e) any material change in the present capitalization or dividend policy of the Issuer, (f) any other material change in the Issuer's business or corporate structure, (g) changes in the Issuer's charter, bylaws or instruments corresponding thereto or other action which may impede the acquisition of control of the Issuer by any person, (h) causing a class of securities of the Issuer to be delisted from a national securities exchange or to cease to be authorized to be quote in an inter-dealer quotation system of a registered national securities association, (i) a class of equity securities of the Issuer becoming eligible for termination of registration pursuant to Section 12(g)(4) of the Securities Exchange Act of 1934 or (j) any action similar to any of those enumerated above.
