ITEM 1.01. Entry into a Material Definitive Agreement.

In 2004, we paid for repairs totalling \$302,160.00, that we made to the buildings and property that we lease from K&R, LLC, located at 7100 Grade Lane, Louisville, Kentucky. K&R executed an unsecured promissory note, dated March 25, 2005, but effective December 31, 2004, to us for the principal sum of \$302,160.00. K&R will make payments on the promissory note of principal and interest in ninety-six (96) monthly installments of \$3,897.66. The rate of interest is five and one-half percent (5.5%) per annum. Failure of K&R to make any payment when due under this note within fifteen (15) days of its due date shall constitute a default. After the fifteen day period, the note shall bear interest at a rate equal to fifteen percent 15% per annum and we have the right to exercise our remedies to collect full payment of the note.

We anticipate that an increase in our rent payable to K&R will result from the improvements made to the leased property. Currently, the lease from K&R to us provides K&R with the ability to adjust rent for improvements to the leased premises. To date, we have not agreed with K&R on any adjustment to rent.
