Item 2.01. Completion of Acquisition or Disposition of Assets.

On March 9, 2007, pursuant to a Bulk Gas Business Equity Purchase Agreement, dated November 22, 2006 (the Agreement), by and among Airgas, Inc. (the Company), Holox (USA) B.V., a Netherlands private company with limited liability, Holox Inc., a Georgia corporation, and Linde Aktiengesellschaft, a German corporation (the Guarantor), the Company completed the acquisition of the U.S. bulk gas business of the Guarantor that the U.S. Federal Trade Commission (FTC) had ordered the Guarantor to divest after its acquisition of The BOC Group (BOC), which was completed on September 5, 2006. Airgas paid cash consideration of approximately \$495 million. The amount and type of consideration was determined on the basis of arm's length negotiations between the Company and the Guarantor and is subject to a working capital adjustment. The acquisition was financed through borrowings under the Company's Twelfth Amended and Restated Credit Agreement dated July 25, 2006, which was previously filed with the Securities and Exchange Commission as Exhibit 4 to the Company's Form 10-Q for the quarter ended September 30, 2006.

The closing of the acquisition was conditioned upon FTC review and approval of the transactions contemplated by the Agreement, and other customary closing conditions. On March 5, 2007, the FTC approved the acquisition and publicly announced its approval on March 9, 2007. The acquisition includes eight air separation units and related bulk gas business, with about 300 employees.

The Agreement was filed as Exhibit 10.1 to the Company's Form 10-Q for the quarter ended December 31, 2006 and is incorporated herein by reference.

The Company's press release dated March 9, 2007 announcing the closing of the acquisition is filed as Exhibit 99.1 to this Current Report and is incorporated herein by reference.

Item 8.01. Other Events

In a separate transaction, Airgas transferred the Rock Hill, SC plant and the aligned sales and service associates to its joint venture partner, National Welders Supply Company, Inc., which operates in the Carolinas and southern Virginia. The transferred business employs about 26 people and had more than \$10 million in revenues in 2006.
