Forward-Looking Information

Some of the statements contained herein include forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended (the "Securities Act"), and Section 21E of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), that involve substantial risks and uncertainties. Some of the forward-looking statements can be identified by the use of words such as "anticipate," "believe," "estimate," "may," "intend," "expect," "will," "should," "seeks" or other similar expressions. Forward-looking statements are based largely on management's expectations and involve inherent risks and uncertainties. In addition to the risks identified below, you should refer to Levitt Corporation's and Office Depot's periodic and current reports filed with the SEC for specific risks which could cause actual results to be significantly different from those expressed or implied by those forward-looking statements. Any number of important factors which could cause actual results to differ materially from those in the forward-looking statements include: the costs and disruption to Levitt Corporation's or Office Depot's business arising from the proxy contest and related litigation; the diversion of management time to issues related to the proxy contest; the ability to successfully solicit sufficient proxies to elect the Nominees to the board of directors of Office Depot; the ability of the Nominees to influence the other directors and the management of Office Depot and to improve the corporate governance and strategic direction of the Company; risk factors associated with the business of Levitt Corporation, as described in Levitt Corporation's periodic reports filed with the SEC, which may be viewed free of charge on the SEC's website at <http://www.sec.gov>; and risk factors associated with the business of Office Depot as described in Office Depot's Form 10-K for the fiscal year ended December 29, 2007, and in other periodic reports of Office Depot, which are available free of charge on the SEC's website, at <http://www.sec.gov>. Accordingly, you should not rely on forward-looking statements as a prediction of actual results.

The Proponents intend to use the following presentation as the basis for discussion with certain stockholders of the Company.
