ANNUAL GENERAL MEETING

The Combined General Meeting of Sanofi-Synthelabo shareholders was held on June 23, 2004.

The General Meeting approved the financial statements for the year ended December 31, 2003. Net profit attributable to the Group increased by 17.7% before exceptional items and goodwill amortization, to 2,069 million euros, and earnings per share before exceptional items and goodwill amortization increased

Edgar Filing: AVENTIS - Form 425

by 21.5% to 2.94 euros. Net profit attributable to the Group increased by 18%, to 2,076 million euros.

Also approved was the distribution of a net dividend of 1.02 euro per share, a 21% increase over the previous year. Due to the current public offer for Aventis and taking into account the payment of the interim dividend of 0.97 euro on May 5, 2004, the balance of 0.05 euro will be paid in the days following the settlement of the offers (or, if the offers are reopened for a subsequent offering period, on settlement of the reopened offers).

The General Meeting has resolved, subject to the successful outcome of the public offer for Aventis, to increase the company's share capital by issuing the new shares to be allotted to Aventis shareholders who have tendered their shares in the offers for Aventis shares in France, Germany or the United States of America. The shares thereby issued will have identical rights to the existing shares and will entitle the holder to the annual dividend of 1.02 euro in respect of Sanofi-Synthelabo's 2003 results, which will be paid in the days following the settlement of the offers (or, if the offers are reopened for a subsequent offering period, on settlement of the reopened offers).

The General Meeting has resolved to change the name of the company Sanofi-Synthelabo to "Sanofi-Aventis", subject to the condition precedent of the completion of the settlement of the offers for Aventis, and with effect from that date.

The General Meeting has reappointed Mrs Jean-Francois Dehecq, Rene Barbier de la Serre, Robert Castaigne, Thierry Desmarest, Lindsay Owen-Jones and Bruno Weymuller, as members of the Board of Directors to serve for a period of four years expiring at the end of the General Meeting held to approve the financial statements for the year ending December 31, 2007.

The General Meeting has confirmed Lord Douro as a member of the Board of Directors. His term of office will expire at the end of the General Meeting held to approve the financial statements for the year ending December 31, 2005.

The General Meeting has confirmed Gerard Van Kemmel as a member of the Board of Directors. His term of office will expire at the end of the General Meeting held to approve the financial statements for the year ending December 31, 2006.

The General Meeting has appointed Mr Christian Mulliez as a member of the Board of Directors to serve for a period of four years expiring at the end of the General Meeting held to approve the financial statements for the year ending December 31, 2007.

The General Meeting has appointed Mrs Jean-Marc Bruel, Jurgen Dormann, Jean-Rene Fourtou, Serge Kampf, Igor Landau, Hubert Markl, Klaus Pohle, Hermann Scholl, as members of the Board of Directors, subject to the condition precedent of the completion of the settlement of the offers for Aventis, and with effect from that date, to serve for a period of four years expiring at the end of the General Meeting held to approve the financial statements for the year ending December 31, 2007.

The Board of Directors of Sanofi-Synthelabo in its meeting held after the General Meeting has reappointed Mr Jean-Francois Dehecq as Chairman and CEO, and Mr Gerard Le Fur as Senior Executive Vice-President.

During the General Meeting, Marie-Helene Laimay, Senior Vice-President and Chief Financial Officer, declared:

Edgar Filing: AVENTIS - Form 425

"Sanofi-Synthelabo's performance in the first quarter allows us to confirm our 2004 forecasts: barring major adverse events and based on the current group structure, excluding the combination with Aventis, Sanofi-Synthelabo expects:

- o a similar level of consolidated sales growth, on a comparable basis, to that achieved in 2003;
- o at an exchange rate of 1 euro per 1.25 dollar, an increase in earnings per share of around 15%, before exceptional items and goodwill amortization. The sensitivity of this growth rate is 1.2% for a 3 cents change in the euro/dollar exchange rate."

In addition, Chairman and CEO Jean-Francois Dehecq declared :

"The proposed combination with Aventis is an ambitious project, which will position your group as one of the top 3 in the pharmaceuticals industry worldwide.

Sanofi-Synthelabo and Aventis will combine their strengths, talents and heritage in Sanofi-Aventis, which will become the no. 1 pharmaceuticals group in Europe and the no. 3 in the world.

Sanofi-Aventis will have one of the best portfolios of products in research and development in the pharmaceuticals industry, in major therapeutic areas. These areas include disorders of the central nervous system, cancer, thrombo-embolic diseases, management of diabetes and metabolic disorders, and vaccines. The annual budget that will be devoted to research and development will allow us to accelerate the development of the most promising drugs from both groups.

The existing presence of the two groups throughout the world will give Sanofi-Aventis a strong base in all major markets especially in Europe, in the United States and in Japan. It will allow sustaining a robust growth of the activity.

This project is based on a strategy of strong, sustainable and profitable growth. It should be earnings-accretive from year one after eliminating the accounting adjustments associated with the deal. It should create value for all shareholders".
