Item 5. Other Events.

Ventas, Inc. ("Ventas" or the "Company") announced on January 2, 2002 that the Company's fourth quarter dividend of \$0.26 per share would be paid through a combination of cash and shares of common stock in its primary tenant, Kindred Healthcare, Inc. ("Kindred"). For every 200 shares of Ventas common stock, stockholders will receive one share of Kindred common stock and \$0.98 in cash. In addition, stockholders will receive cash for all shares of Ventas stock that are not exact multiples of 200. Stockholders who own fewer than 200 shares of Ventas stock will receive all cash. For purposes of this dividend, the Kindred stock was valued on December 31, 2001 at \$51.02 per share.

Ventas's fourth quarter 2001 dividend is composed of the regular quarterly \$0.22 per share dividend and a one-time adjustment of \$0.04 per share. The dividend is payable on January 7, 2002 to stockholders of record on December 14, 2001.

Ventas received 1,498,500 shares of Kindred common stock in conjunction with the successful restructuring of Kindred when it emerged from Chapter 11 bankruptcy on April 20, 2001. In November 2001, Ventas sold 83,300 of its Kindred shares in a public underwritten offering.

The Company also announced that the common stock dividends it paid or declared for 2001, including the dividend to be paid on January 7, 2002, qualify to be treated as ordinary income in 2001, in accordance with Internal Revenue Code section 857 governing real estate investment trusts ("REITs").

Ventas also said that on December 31, 2001 it paid \$10 million to its lenders to reduce the outstanding principal balance of its Amended Credit Agreement to \$623 million. The remaining principal balance is composed of \$150 million in Tranche B debt, due December 31, 2005, priced at LIBOR plus 325 basis points, and \$473 million in Tranche C debt, due December 31, 2007, priced at LIBOR plus 425 basis points. The Tranche B spread was reduced by 50 basis points with the payment of \$10 million of Tranche B debt on December 31, 2001. With the Company's recently completed Commercial Mortgage Backed Securitization transaction, Ventas has reduced its weighted, all-in cost of debt to 5.6 percent (or 9.5 percent taking into account the Company's 5.985 percent LIBOR swap).

At December 31, 2001, the Company's long-term debt totaled \$848 million, reflecting \$38 million in aggregate debt paydown during 2001. At December 31, 2001, the Company had unrestricted cash reserves of approximately \$18 million and restricted cash of approximately \$20 million.

Ventas also announced that the registration statement for its Distribution Reinvestment and Stock Purchase Plan (the "Plan"), previously announced in July 2001, was declared effective by the Securities and Exchange Commission (the "Commission") on December 31, 2001. Ventas stockholders may participate in the Plan beginning with the first quarterly dividend for 2002.

Under the Plan's terms, existing stockholders may purchase shares of common stock in Ventas by reinvesting all or a portion of the cash distribution on their shares of Ventas common stock. In addition, existing Ventas stockholders as well as new investors may purchase shares of common stock in Ventas by making optional cash payments. Information about the Plan will be mailed to stockholders in January 2002.

Lastly, the Company announced that John C. Thompson was promoted to Executive Vice President - Chief Investment Officer, effective immediately. In his new position, Thompson will lead the Company's diversification efforts. Since 1998, Thompson, 34, has been a vice president of Ventas, where he has played a significant role in the restructuring of the Company's primary tenant, as well as Ventas's refinancing efforts and its asset-repositioning program.

A copy of a press release issued by the Company on January 2, 2002 is included as exhibit 99.1 to this filing and is incorporated herein by reference.
