- Item 5. Other Events and Regulation FD Disclosure
- Item 6. Resignations of Registrant's Directors

On June 3, 2003, Dr. Atul M. Mehta notified Elite Pharmaceuticals, Inc. ("Elite") that he was terminating his employment with Elite and resigning as a director of Elite and its subsidiaries, Elite Laboratories, Inc. and Elite Research, Ltd., effective immediately. The Board of Directors of Elite has appointed Mr. John A. Moore as Chairman of the Board and has retained Mr. Bernard Berk as its Chief Executive Officer to replace Dr. Mehta.

In his notice, Dr. Mehta claimed that his resignation was due to Elite's substantial interference with the discharge of his responsibilities under his

employment agreement and Elite's purported change of his duties and responsibilities without his consent. A copy of Dr. Mehta's notice of resignation is being filed as an Exhibit to this Current Report on Form 8-K and is incorporated herein by reference.

The Board of Directors of Elite disagrees with the basis that Dr. Mehta cited for the termination of his employment. Prior to Dr. Mehta's termination of his employment with Elite, a majority of the Board of Directors had notified Dr. Mehta that sufficient grounds existed for the termination of his employment by Elite pursuant to his employment agreement. At a special meeting of the Board of Directors held on Tuesday, May 27, 2003, the Board of Directors postponed terminating Dr. Mehta's employment to allow for settlement discussions between Elite and Dr. Mehta. Shortly before a Board of Directors' meeting scheduled for the evening of June 3, 2003 to consider the termination by Elite of Dr. Mehta's employment, Dr. Mehta resigned his positions with Elite and issued a press release citing his reasons for his resignation. Elite responded to Dr. Mehta's resignation, including the reasons cited by Dr. Mehta for his resignation, by issuing a press release. A copy of Elite's press release is being filed as an Exhibit to this Current Report on Form 8-K and is incorporated herein by reference.
