Edgar Filing: KEY TECHNOLOGY INC - Form 10-Q/A

Table of Contents

ExplanatoryNote

We are filing this Amendment No. 1 on Form 10-Q/A to the Company's Quarterly Report on Form 10-Q for the quarter ended March 31, 2005 (the "March 31 Form 10-Q"), which was originally filed with the Securities and Exchange Commission ("the SEC") on May 13, 2005.

We reported the decision to restate this information in a Current Report on Form 8-K which was filed with the SEC on December 29, 2005. The decision to restate was made by the Audit Committee of the Board of Directors of the Company on December 21, 2005 based on the recommendation of the Company's management. Management determined that adjustments relating to lease accounting identified by the Company's independent registered public accounting firm in connection with completing audit procedures for the year ended September 30, 2005 also affected the Company's interim financial statements and other financial information for the quarters ended March 31, 2005 and June 30, 2005. Part I of this Form 10-Q/A contains more information about this restatement in "Note 2. Restatement of Financial Statements" which accompanies the restated condensed unaudited consolidated financial statements in Item 1.

We revised our disclosure controls and procedures reports contained in our March 31 Form 10-Q by removing any qualifying language to the effectiveness of such disclosure controls and procedures and by discussing the facts and circumstances surrounding the above-described restatements and amendments. We also disclose how such restatements and amendments affected our CEO's and CFO's original conclusions regarding the effectiveness of our disclosure controls and procedures and procedures were not effective at March 31, 2005.

Accordingly, this Form 10-Q/A includes our restated financial statements for the three-month and six-month periods ended March 31, 2005 with accompanying notes.

Except for the foregoing amended information in Note 2 of Notes to the restated condensed unaudited consolidated financial statements, this Form 10-Q/A continues to describe conditions as of the date of the original filing and we have not updated the disclosures contained herein to reflect events that occurred at a later date. Other events occurring after the original filing or other disclosures necessary to reflect subsequent events have been addressed in reports filed with the SEC subsequent to the date of the original filing.

This Form 10-Q/A sets forth the original filing in its entirety; however, as a result of the items noted above, this Form 10-Q/A only amends or restates the condensed unaudited consolidated financial statements and accompanying notes of Item 1, Item 2, and Item 4 of the original filing. In each case, the amendment or restatement was made solely as a result of the items discussed in Note 2 of Notes to the restated condensed unaudited consolidated financial statements, and no other information in the original filing is amended hereby. The foregoing items have not been updated to reflect other events occurring after the original filing or to modify or update those disclosures affected by subsequent events. In addition, pursuant to the rules of the SEC, the original filing has been amended to contain currently dated certifications for our Chairman of the Board of Directors and our Chief Financial Officer that are attached to this 2005 Form 10-Q/A, as Exhibits 31.1, 31.2, 32.1 and 32.2, respectively.
