Item 5.03 Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year

(a) Effective November 14, 2007, the Board of Directors of Key Technology, Inc. (the "Company") adopted amended and restated Bylaws (the "2007 Amended and Restated Bylaws"). Among other things, the 2007 Amended and Restated Bylaws:

- Revise the requirements for a shareholder properly to bring a matter before an annual meeting of the shareholders. As revised, the 2007 Amended and Restated Bylaws increase the advance notice period from 30 to 120 days prior to the date that corresponds to the date on which the preceding year's proxy materials were distributed and expand the information a shareholder must include in the advance written notice.

- Require shareholders to provide a written request for a special meeting of the shareholders 60 days prior to the proposed date for such meeting.

- Establish the Audit Committee, Compensation Committee, and Nominating and Corporate Governance Committee as standing committees of the Board of Directors with the power and authority specified in the charter for each such committee.

- Authorize ownership of shares of the Company's stock to be evidenced by direct registration on the books and records of the Company or its transfer agent without the issuance of a certificate. This will allow the Company's securities to be eligible for a direct registration system, as required by the Nasdaq Stock Market, LLC.

The 2007 Amended and Restated Bylaws include other immaterial changes, including changes to the organization and language of various provisions.

The foregoing is a general description of the 2007 Amended and Restated Bylaws and is qualified in its entirety by the copy of the 2007 Amended and Restated Bylaws attached hereto as Exhibit 3.1(ii) and incorporated herein by reference.
