Item 2.02 Results of Operations and Financial Condition.

On December 2, 2004 Huffly Corporation ("Huffly") filed its Financial Reports and Certification of Compliance with United States Trustee Operating Requirements for the period ended November 6, 2004 in the United States Bankruptcy Court for the Southern District of Ohio, a copy of which was filed with the Securities and Exchange Commission as an exhibit to a Form 8-K dated November 29, 2004. Huffly has subsequently determined that the unaudited balance sheet contained in such report, dated November 6, 2004, should be revised to reflect certain adjustments to Huffly's pre-petition retained earnings which were over-stated by \$9.445 million and its long-term liabilities which were understated by the same amount, as well as other adjustments related to allocations between the pre-petition and post-petition periods. A copy of the revised financial report, including the updated balance sheet dated November 6, 2004, is appended hereto as Exhibit 99.1.

Item 9.01 Financial Statements and Exhibits.
