This Amendment No. 1 ("Amendment No. 1") amends the Statement on Schedule 13D (the "Schedule 13D") filed on December 26, 2001, by and on behalf of EB Acquisition Corp., a Maryland corporation ("EB"), GE Capital International Holdings Corporation, a Delaware corporation ("GE Holdings"), General Electric Capital Corporation, a Delaware corporation ("GE Capital"), General Electric Capital Services, Inc., a Delaware corporation ("GECS"), and General Electric Company, a New York corporation ("GE", and collectively with GE Capital, EB, GE Holdings and GECS, the "Reporting Persons") with respect to their ownership of the Common Shares of Beneficial Interest, par value \$0.01 per share (the "Common Stock"), of ProLogis Trust (the "Company"). Capitalized terms used herein and not defined herein have the meanings ascribed thereto in the Schedule 13D, as amended.

ITEM 4. PURPOSE OF TRANSACTION.

On December 14, 2001, Security Capital, GE Capital and EB entered into the Merger Agreement, a copy of which is attached as Exhibit 1 to the Schedule 13D and is hereby incorporated herein by reference. Pursuant to the Merger Agreement and subject to the terms and conditions contained therein, EB will merge with and into Security Capital (the "Merger"), with Security Capital continuing as the surviving corporation. As a result of the Merger, Security Capital will become an indirect wholly owned subsidiary of GE Capital.

Under the Merger Agreement, GE Capital may elect (no later than the 15th day before the Group Stockholder Meeting) to include the Common Stock owned by Security Capital as part of the Class A Consideration and the Class B Consideration. If GE Capital so elects, the holders of Class B Shares would receive \$26 in cash per Class B Share less the value of the Common Stock received by them (with the Common Stock valued for such purposes based upon the average closing prices on the ten (10) consecutive full trading days ending on the day immediately preceding the two (2) full trading days before the Group

## Edgar Filing: PROLOGIS TRUST - Form SC 13D/A

Stockholder Meeting), and the holders of the Class A Shares would receive 50 times such amount. GE Capital also has the right to revoke its election to include the Common Stock as part of the Class A Consideration and Class B Consideration at any time before the tenth day prior to the Group Stockholder Meeting, provided however that no such revocation may be made if such revocation would make it reasonably necessary, based upon the advice of Security Capital's independent counsel, to delay the Group Stockholder Meeting.

At a meeting of the Executive Committee of GE Capital's Board of Directors held on March 8, 2002, the Executive Committee approved a proposed plan with respect to the use of shares of Common Stock beneficially owned by Security Capital as part of the merger consideration for the Merger. GE Capital's current plan is to cause Security Capital to distribute to Security Capital stockholders as part of the Class A Consideration and the Class B Consideration approximately 32.8 million shares of Common Stock currently held by Security Capital (or approximately 18.75% of the outstanding shares of Common Stock), with Security Capital retaining approximately 17.1 million of the shares of Common Stock currently held by Security Capital (or approximately 9.8% of the outstanding shares of Common Stock). Notwithstanding such approval by the Executive Committee of GE Capital's Board of Directors on March 8, 2002, GE Capital has not made a formal election under the Merger Agreement with respect to the shares of Common Stock currently held by Security Capital, intends to continue to evaluate its alternatives, and may change its current plans.

7

Accordingly, the final decision by GE Capital whether or not to substitute some or all of the shares of Common Stock currently held by Security Capital for a portion of the Class A Consideration or the Class B Consideration may be different than GE Capital's current plans as disclosed in this Amendment No. 1. GE Capital's final decision will be communicated to Security Capital's stockholders by means of a press release no later than the 15th day prior to the date of the Group Stockholder Meeting.

If GE Capital ultimately elects to cause Security Capital to distribute 32.8 million shares of Common Stock currently held by Security Capital as merger consideration in the Merger, then Security Capital would retain approximately 9.8% of the outstanding shares of Common Stock after the Merger and, accordingly, at such time, Security Capital would no longer have the right to designate any persons for nomination to the Company's Board of Trustees pursuant to the Third Amended and Restated Investor Agreement between Security Capital and the Company (the "Investor Agreement"). Similarly, upon completion of the Merger and distribution of the 32.8 million shares of Common Stock currently held by Security Capital, Security Capital would no longer have approval rights with respect to certain Company actions including:

- (1) the issuance of equity securities or securities convertible into equity securities (other than issuances in connection with option, dividend reinvestment and similar plans) for less than the fair market value of such securities;
- (2) the issuance of any preferred shares which would result in the fixed charge coverage ratio (as defined in the Investor Agreement) being less than 1.4 to 1.0;
- (3) adopting any employee benefit plans under which common shares may be issued;
- (4) the compensation of the Company's senior officers; and
- (5) the incurrence of additional indebtedness which would result

Edgar Filing: PROLOGIS TRUST - Form SC 13D/A

in the interest expense coverage ratio (as defined in the Investor Agreement) being less than 2.0 to 1.0.

Except as set forth above, the response of the Reporting Persons to this Item 4 as previously disclosed in the Schedule 13D has not changed.

The description of the Merger Agreement set forth in this Amendment No. 1 is qualified in its entirety by reference to such agreement, which is attached as Exhibit No. 1 to the Schedule 13D and is hereby incorporated herein by reference.
