## INFORMATION TO BE INCLUDED IN THE REPORT

### ITEM 7.01 REGULATION FD DISCLOSURE.

Sterling Chemicals, Inc. (the "Company") issued a press release today regarding fire damage to its styrene production facilities and certain effects on operations from such damage. The press release is filed herewith as Exhibit 99.1 and incorporated herein by reference.

Statements in this report that contain "forward-looking statements" within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended, include, but are not limited to, statements concerning the length of time to complete repairs to its production facilities, the timing of the return to normal operations, the Company's ability to meet contractual commitments in the interim and the extent of the Company's ability to recover its losses under its various insurance policies. Such statements are inherently subject to a variety of risks and uncertainties that could cause actual results to differ materially from those anticipated or projected. A discussion of the risk factors that could impact these areas and Sterling's overall business and financial performance can be found in Sterling's filings with the Securities and Exchange Commission, including Sterling's Annual Report on Form 10-K. Investors and analysts should not place undue reliance on forward-looking statements. Each forward-looking statement speaks only as of the date of this report, and the Company undertakes no obligation to publicly update or revise any forward-looking statements.
