ITEM 4. PURPOSE OF TRANSACTION

Item 4 is amended as follows:

"On October 2, 2007, the Issuer entered into a Master Agreement (the "Master Agreement") with CBS Radio. The Master Agreement and the agreements attached as exhibits thereto document a proposed new business relationship between the Issuer and CBS Radio through March 2017. The documentation and the transactions described therein are subject to the approval of the Issuer's shareholders as described in more detail below and such other conditions described in the Master Agreement. Capitalized terms used but not defined herein shall have the meaning ascribed to them in the Master Agreement. Subject to the terms and conditions of the Master Agreement, as of the Closing Date and as more particularly described in the Master Agreement, the Issuer and CBS Radio will terminate and/or amend the existing agreements between the parties (such amended agreements and new agreements together with the Master Agreement, the "New Transaction Documents").

Pursuant to the terms of the Master Agreement, each of the existing Management Agreement and Representation Agreement between the parties will terminate on the Closing Date. Thereafter, CBS Radio will cease to manage the Issuer and the Issuer will manage its business directly and separately from CBS Radio, and employ all of its own officers. Additionally, on the Closing Date, CBS Radio shall cause the two CBS Radio employees who serve on the Issuer's Board to resign as directors. At the Closing, all of the warrants to acquire shares of Issuer common stock held by CBS Radio will terminate and CBS Radio

## Edgar Filing: WESTWOOD ONE INC /DE/ - Form SC 13D/A

will receive registration rights for the 16,000,000 Common Shares beneficially owned by CBS Radio. CBS Radio also has agreed under the terms of the Master Agreement that, prior to December 31, 2007, it will not sell, transfer or otherwise dispose of, or enter into any short sale or other similar transactions with respect to, any Common Shares beneficially owned by CBS Radio.

Notwithstanding the foregoing, certain provisions of the existing Management Agreement have been incorporated in the Master Agreement and such provisions will continue in substantially the same manner after the Closing Date. In particular, the provisions of the Management Agreement providing the Issuer with: (i) a right of first refusal to syndicate certain CBS Radio programming will continue through March 2017 and (ii) certain non-competition and non-solicitation rights will continue through March 31, 2010 and March 31, 2012, respectively.

Page 12 of 36

Consummation of the Master Agreement and the arrangements described above are subject to customary closing conditions, including the approval of the Issuer's shareholders, which will require the affirmative vote of shareholders owning a majority of the Common Shares and Class B stock of the Issuer, voting together (not including shares owned by CBS Radio or its affiliates), represented in person or by proxy at the Issuer's annual meeting of shareholders to be held for the purpose of approving these arrangements between the Issuer and CBS Radio. The Issuer has informed CBS Radio that it anticipates filing a preliminary proxy statement with the SEC by November 10, 2007, and intends to submit definitive proxy materials to its shareholders at an annual meeting of shareholders to be held early in the first quarter of 2008, at which time the proposed agreements will be voted on by the Issuer's shareholders.

Further conditions to closing include the Issuer having adequate financing to conduct its business operations following the Closing and the Issuer paying all undisputed amounts owed to CBS Radio on or prior to the Closing Date. Also, on the Closing Date, the Issuer will pay CBS Radio a lump-sum payment of \$5 million. If the Clearance Rate for CBS' top ten markets (as determined by Arbitron) in 2008 is less than 93.75%, the Issuer will have the right to receive \$2 million from CBS Radio (or offset such amount against future payments by the Issuer to CBS Radio) after the Clearance Rate for 2008 is finally determined. As described in the Issuer's Quarterly Report on Form 10-Q for the second quarter ended June 30, 2007, the Issuer has informed CBS Radio that it is pursuing a modification or waiver of certain provisions of its existing credit facility (which is also a closing condition under the Master Agreement) and, in connection with the execution of the Master Agreement, is seeking new financing in order to satisfy the financing closing condition.

With the exception of the Master Agreement, which was executed and became effective on October 2, 2007, the parties shall execute and deliver the New Transaction Documents on the Closing Date. The Station Agreements shall be effective on the Effective Date, which shall be: (i) the first day of the month in which the Closing Date occurs if the Closing Date falls on the first (1st) through fifteenth (15th) day of a month or (ii) on the first day of the month immediately following the Closing Date if the Closing Date falls on the sixteenth (16th) through the last day of a month. The other New Transaction Documents shall be effective on the Closing Date. The Station Agreements provide that a significant portion of the compensation payable to CBS Radio by the Issuer shall be variable and shall be adjusted based on: (i) the audience levels delivered by CBS Radio owned and operated radio stations (the "CBS Stations") in the case of Network (not Metro Networks) commercial inventory only and (ii) the Clearance Rate of the CBS Stations with respect to both Network (Westwood) and Metro Networks commercial inventory. The "Clearance Rate" refers to the percentage of commercials broadcast by the CBS Stations in accordance with the

terms of the applicable agreements.

The foregoing description of the Master Agreement does not purport to be complete and is qualified in its entirety by reference to the Master Agreement, a copy of which has been filed as an exhibit to the Issuer's Current Report on Form 8-K filed on October 4, 2007 (the "Westwood 8-K") and is incorporated herein by reference.

The New Transaction Documents (other than the Master Agreement) are attached as exhibits to the Master Agreement and, except as noted below, shall continue through March 31, 2017, unless earlier terminated by the express terms set forth in the respective agreements. A brief description of such agreements follows:

- o Amended and Restated News Programming Agreement. The Amended and Restated News Programming Agreement extends the existing News Programming Agreement with certain modifications as set forth therein. Under this agreement, CBS Radio agrees to provide the Issuer with specified news programming for use by the Issuer's affiliated radio stations (including CBS Stations) and exclusive national terrestrial radio syndication rights to CBS Radio News. In exchange for the foregoing, the Issuer will pay CBS Radio an annual programming fee (\$12,458,268, effective April 1, 2008) for each 12-month period of the term of this agreement, subject to an annual increase as set forth in the agreement
- o Amended and Restated Trademark License Agreement. The Amended and Restated Trademark License Agreement extends the existing Trademark License Agreement with certain modifications as set forth therein.
