ITEM 1. SECURITY AND ISSUER.

The title and class of equity security to which this statement on Schedule 13D relates is the common shares, without par value ("Common Shares"), of Birch Mountain Resources Ltd. (the "Company"), an Alberta corporation. The principal executive offices of the Company are located at Suite 300, 250 Sixth Avenue SW, Calgary, Alberta T2P 3H7.

ITEM 2. IDENTITY AND BACKGROUND.

This Schedule 13D is being filed by each of the following persons (the "Reporting Persons"):

- (i) Tricap Partners Ltd. ("Tricap"), a corporation formed under the laws of the Province of Ontario;
- (ii) Brascan Asset Management Holdings Limited ("Brascan"), a corporation formed under the laws of the Province of Ontario; and
- (iii) Brookfield Asset Management Inc. ("Brookfield"), a corporation formed under the laws of the Province of Ontario.

Tricap is a wholly-owned subsidiary of Brascan, which is a wholly-owned subsidiary of Brookfield.

Schedules I, II and III hereto set forth a list of all the directors and executive officers (the "Scheduled Persons"), and their respective principal occupations and addresses, of each of Tricap, Brascan and Brookfield, respectively.

Edgar Filing: BIRCH MOUNTAIN RESOURCES LTD - Form SC 13D

The principal business address of Tricap, Brascan and Brookfield is Brookfield Place, 181 Bay Street, Suite 300, Toronto, Ontario, Canada M5J 2T3.

The principal business of Tricap is to manage a private equity fund that invests in public and private companies across a wide number of industries. The principal business of Brascan is that of an intermediate holding company. The principal business of Brookfield is to invest and operate businesses in the real estate, power generation and infrastructure sectors.

During the last five years, none of the Reporting Persons, and to the Reporting Persons' knowledge, none of the Scheduled Persons, has been convicted in a criminal proceeding (excluding traffic violations or similar misdemeanors).

During the last five years, none of the Reporting Persons, and to the Reporting Persons' knowledge, none of the Scheduled Persons, has been a party to a civil proceeding of a judicial or administrative body of competent jurisdiction as a result of which, he, she or it was or is subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws or finding any violation with respect to such laws.

Set forth on Schedules I, II and III hereto are the citizenships of each of the directors and executive officers of each of Tricap, Brascan and Brookfield, respectively.

ITEM 3. SOURCE AND AMOUNT OF FUNDS OR OTHER CONSIDERATION.

On December 21, 2007, Tricap purchased the Company's convertible senior secured debenture due June 30, 2012 (the "Debenture") in the principal amount of \$31,500,000 Canadian dollars ("C\$") from the Company. The aggregate purchase price was C\$31,500,000 in cash, and the source of Tricap's funds was from a capital call on the investors of the fund managed by Tricap.

5

ITEM 4. PURPOSE OF TRANSACTION.

Tricap acquired the Debenture primarily for investment purposes. The investment was in connection with the Company's refinancing of an existing credit facility extended to the Company by an affiliate of Tricap.

The Debenture has a maturity date of June 30, 2012 and bears an interest rate of prime rate plus 4%, calculated daily and compounded and payable monthly. The outstanding principal amount of the Debenture is convertible, at the election of Tricap, in whole or in part, into Common Shares at a conversion price equal to the lower of (i) C\$0.80 per share and (ii) the lower of the volume weighted average of the trading prices per Common Share for the five consecutive trading days immediately preceding the conversion (converted into Canadian dollars), on the Toronto Stock Exchange and the American Stock Exchange, subject to certain anti-dilution adjustments. Accrued and unpaid interest amounts on the Debenture may also be converted into Common Shares at the election of Tricap. The Debenture is redeemable by Company mandatorily at a premium upon a change in control of the Company unless Tricap exercises its conversion right prior to such redemption. The Debenture is secured by all property and assets of the Company and ranks senior to all other existing and future indebtedness subject to certain exceptions.

The Debenture incorporates substantially all of the terms, covenants and remedies of a Loan Agreement between Tricap and the Company, dated as of December 21, 2007 (the "Loan Agreement"). Under the Loan Agreement, among other things, the Company agreed to perform and observe certain covenants. Such

Edgar Filing: BIRCH MOUNTAIN RESOURCES LTD - Form SC 13D

covenants include but are not limited to: (i) the maintenance of minimum stockholders equity and a consolidated working capital ratio; and (ii) limitations on liens, acquisitions or sales of assets, mergers or reorganizations, the issuance or redemption of securities, material changes in the business, and the incurrence of indebtedness. Upon the occurrence of any event of default which is continuing, Tricap may, among other things, declare all obligations immediately due and payable and realize upon all or part of the security.

Under the terms of the Debenture, prior to December 31, 2008, the Debenture is convertible only upon a change of control of the Company or following an event of default by the Company, which event of default has not been cured within 20 days. Furthermore, in accordance with stock exchange requirements, until approval by a majority of shareholders of the Company, on a disinterested basis, was obtained, Tricap could only convert such portion of the Debenture that would not result in Tricap holding more than 20% of the then outstanding Common Shares, subject to certain rights in the event of a change of control of the Company.

In connection with the investment in the Debenture, Tricap and the Company entered into an Investor Rights Agreement (the "Investor Rights Agreement") and a Registration Rights Agreement (the "Registration Rights Agreement"), each dated as of December 21, 2007. The Investor Rights Agreement provides that Tricap shall be entitled to designate for nomination for election to the board of directors of the Company (i) three representatives so long as Tricap owns not less than 29.99% of the then outstanding Common Shares (on a non-diluted basis), (ii) two representatives so long as Tricap owns less than 29.99% but not less than 10% of the then outstanding Common Shares (on a nondiluted basis), and (iii) one representative so long as Tricap owns less than 10% but not less than 5% of the then outstanding Common Shares (on a non-diluted basis). The Investor Rights Agreement also entitles Tricap to certain distribution rights in respect of effecting prospectus-qualified offerings of Common Shares in Canada, and certain pro-rata participation rights in respect of future equity issuances by the Company. The Registration Rights Agreement entitles Tricap to certain registration rights in respect of offerings of Common Shares in the United States.

On May 30, 2008, the Company's shareholders approved the terms of the Debenture, including the anti-dilution adjustment provisions and conversion provisions. Consequently, the stock exchange requirements applicable to the Company would no longer limit the issuance of Company Shares to Tricap upon conversion of the Debenture to 20% or less of the outstanding Common Shares.

On June 23, 2008, Tricap issued a notice of a default to the Company with respect to financial covenant noncompliance by the Company under the Loan Agreement. As the default remained uncured, it became an event of default on July 3, 2008. On July 23, 2008, Tricap had the ability to convert the Debenture into Common Shares due to the passage of an additional 20 days without the Company having cured the event of default.

6

On July 23, 2008, the Company publicly announced that a special committee of its independent directors and board of directors determined that it was imperative to pursue an immediate sale of the Company to unlock maximum value for its shareholders. The Company also announced that in the event an immediate sales process does not achieve an acceptable price, the Company intends to work with its stakeholders to recapitalize the balance sheet to improve liquidity and permit delivery of the business plan.

Tricap is in discussions with the management and directors of the

Edgar Filing: BIRCH MOUNTAIN RESOURCES LTD - Form SC 13D

Company and its financial advisors regarding the event of default under the Debenture and Loan Agreement.

Other than as described or contemplated above, none of the Reporting Persons and, to the Reporting Persons' knowledge, the Scheduled Persons, has any current plans or proposals that relate to or would result in:

- (a) the acquisition by any person of additional securities of the Company, or the disposition of securities of the Company;
- (b) an extraordinary corporate transaction, such as a merger, reorganization or liquidation, involving the Company or any of its subsidiaries;
- (c) a sale or transfer of a material amount of assets of the Company or any of its subsidiaries;
- (d) any change in the present board of directors or management of the Company, including any plans or proposals to change the number or term of directors or to fill any existing vacancies on the board;
- (e) any material change in the present capitalization or dividend policy of the Company;
- (f) any other material change in the Company's business or corporate structure;
- (g) changes in the Company's articles, bylaws or instruments corresponding thereto or other actions which may impede the acquisition of control of the Company by any person;
- (h) causing a class of securities of the Company to be delisted from a national securities exchange or to cease to be authorized to be quoted in an inter-dealer quotation system of a registered national securities association;
- (i) a class of equity securities of the Company becoming eligible for termination of registration pursuant to Section 12(g)(4) of the Securities Exchange Act of 1934; or
- (j) any action similar to any of those enumerated above.

However, each of the Reporting Persons reserves the right to change its plans at any time, as it deems appropriate, in light of its ongoing evaluation of (a) its business and liquidity objectives, (b) the Company's financial condition, business, operations, competitive position, prospects and/or share price, (c) industry, economic and/or securities markets conditions, (d) alternative investment opportunities, and (e) other relevant factors.

ITEM 5. INTEREST IN SECURITIES OF THE ISSUER.

- (a) The responses of the Reporting Persons to Rows (11) through (13) of the cover pages of this Schedule 13D are incorporated herein by reference. As of July 23, 2008, Tricap owns the Debenture in the principal amount of C\$31,500,000. Accordingly, as of July 23, 2008, Tricap (and each of Brascan and Brookfield, as a result of being parent companies of Tricap) may be deemed to be the beneficial owner of 102,960,197 Common Shares that would be issuable upon conversion of the Debenture owned by Tricap. Such shares would represent approximately 55.0% of the Common Shares outstanding

Edgar Filing: BIRCH MOUNTAIN RESOURCES LTD - Form SC 13D

determined in accordance with Rule 13d-3(d)(1)(i) under the Exchange Act (based on the number of Common Shares outstanding as of March 31, 2008, as reported in the Company's Unaudited

7

Interim Consolidated Financial Statements for March 31, 2008, as filed with the SEC by the Company on May 20, 2008, as Exhibit No. 99.2 to its Form 6-K (84,355,737 Common Shares), plus the Common Shares that would be issuable upon conversion of the Debenture owned by Tricap described above). The foregoing assumes a conversion price of the Debenture of approximately C\$0.31 (which can fluctuate as described in Item 4 hereof) and that the amount of accrued and unpaid interest, if any, on the Debenture would not be converted into Common Shares.

Except as disclosed in this Item 5(a), none of the Reporting Persons, nor, to their knowledge, any of the Scheduled Persons, beneficially owns any Common Shares other than James A. Pattison, a director of Brookfield, who through wholly-owned corporations, owns C\$29,280,000 principal amount of the Company's convertible unsecured subordinate debentures. Accordingly, he may be deemed to be the sole beneficial owner of 8,872,727 Common Shares that would be issuable upon conversion of such convertible unsecured subordinate debentures, which shares would represent approximately 9.5% of the Common Shares outstanding determined in accordance with Rule 13d-3(d)(1)(i) under the Exchange Act.

- (b) The responses of the Reporting Persons to (i) Rows (7) through (10) of the cover pages of this Schedule 13D and (ii) Item 5(a) hereof are incorporated herein by reference. Brascan and Brookfield may be deemed to have shared power to vote or dispose, or direct the vote or disposition, of Common Shares that would be issuable upon conversion of the Debenture owned by Tricap.

Except as disclosed in this Item 5, none of the Reporting Persons, nor to their knowledge, any of the Scheduled Persons, has the power to vote or direct the vote or to dispose or direct the disposition of any Common Shares that they may be deemed to beneficially own.

- (c) None of the Reporting Persons, nor to their knowledge, any of the Scheduled Persons, has effected any transaction in Common Shares during the past 60 days.
- (d) Tricap manages a private equity fund that consists of three limited partnerships, which have the right to receive dividends from, or proceeds from the sale of, any Common Shares beneficially owned by Tricap. The interest of one of the limited partnerships, Tricap Partners II L.P., relates to more than five percent of the Common Shares.
- (e) Not applicable.

ITEM 6. CONTRACTS, ARRANGEMENTS, UNDERSTANDINGS OR RELATIONSHIPS WITH RESPECT TO SECURITIES OF THE ISSUER.

The information set forth in Item 4 hereof is incorporated by reference

herein.

Copies of the Debenture and Loan Agreement are included as Exhibits 2 and 3 hereto, respectively.

The foregoing descriptions of the Debenture and Loan Agreement are not, and do not purport to be, complete and are qualified in their entirety by reference to the copies filed as Exhibits and incorporated herein in their entirety by this reference.

Except as disclosed in this Item 6, none of the Reporting Persons, nor, to their knowledge, any of the Scheduled Persons, has any contracts, arrangements, understandings or relationships (legal or otherwise) with respect to any securities of the Company.
