ITEM 9.01 Financial Statements and Exhibits

On October 22, 2007, CBL & Associates Properties, Inc. ("CBL") filed a Current Report on Form 8-K pursuant to Items 2.01 and 9.01 that reported the completion of two transactions with the Westfield Group ("Westfield") involving four malls located in the St. Louis, MO area.

On October 16, 2007, Chesterfield Mall was acquired by CBL from Westfield in exchange for cash and the assumption of the property's debt. The assets and liabilities of this property will be accounted for under the purchase method of accounting in CBL's consolidated financial statements and will be recorded based on their estimated fair values. On that same date, Westfield contributed West County Mall, South County Mall and Mid Rivers Mall to CW Joint Venture LLC (the "JV"), a CBL-controlled joint venture in exchange for 100% of the preferred equity in the JV. Due to the fact that CBL has a controlling voting interest and receives all of the economics of the three properties contributed to the JV once Westfield has received its preferred distribution, CBL will also consolidate these three properties. Therefore, the assets and liabilities of these properties will be accounted for under the purchase method of accounting in CBL's consolidated financial statements and will be recorded based on their estimated fair values.

This Amendment No. 1 to Current Report on Form 8-K provides the required financial statements and pro forma financial information pursuant to parts (a) and (b), respectively, of Item 9.01.

Listed below are the financial statements, pro forma financial information and exhibits filed as part of this report:

(a) Financial Statements of Businesses Acquired

INDEX TO FINANCIAL STATEMENTS AND

PRO FORMA FINANCIAL INFORMATION

The term “acquisition” shall refer to the purchase of a controlling interest in West County Mall, South County Mall and Mid Rivers Mall and the acquisition of Chesterfield Mall by CBL & Associates Properties, Inc. from the Westfield Group.

The following historical financial statements and pro forma financial information are presented in accordance with Rule 3-14 and Article 11, respectively, of Regulation S-X of the Securities and Exchange Commission. The historical financial statements have been audited only for the most recent fiscal year preceding the respective acquisition date as these transactions did not involve a related party and the registrant, after reasonable inquiry, is not aware of any material factors related to South County Mall, West County Mall, Mid Rivers Mall and Chesterfield Mall (the “Westfield Malls”) not otherwise disclosed that would cause the reported financial information to not be necessarily indicative of future operating results. In addition, as the Westfield Malls will be directly or indirectly owned by entities that will elect or have elected to be treated as real estate investment trusts (as specified under sections 856-860 of the Internal Revenue Code of 1986) for Federal income tax purposes, a presentation of estimated taxable operating results is not applicable.

INDEPENDENT AUDITORS' REPORT

To the Board of Directors and Stockholders

CBL & Associates Properties, Inc.:

We have audited the accompanying combined statement of certain revenues and certain operating expenses of South County Mall, West County Mall, Mid Rivers Mall and Chesterfield Mall (the "Westfield Malls") for the year ended December 31, 2006. This financial statement is the responsibility of CBL & Associates Properties, Inc.'s management. Our responsibility is to express an opinion on this financial statement based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement. An audit includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Westfield Malls' internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statement, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

The accompanying combined statement of certain revenues and certain operating expenses was prepared for the purpose of complying with the rules and regulations of the Securities and Exchange Commission (for inclusion in the filing of a Form 8-K by CBL & Associates Properties, Inc. as a result of the acquisition of one mall and the purchase of a controlling interest in three malls). Material amounts, described in Note 1 to the combined statement of certain revenues and certain operating expenses that would not be directly attributable to those resulting from future operations of the Westfield Malls are excluded, and the financial statement is not intended to be a complete presentation of the Westfield Malls' revenues and expenses.

In our opinion, such financial statement presents fairly, in all material respects, certain revenues and certain operating expenses of the Westfield Malls for the year ended December 31, 2006 in conformity with accounting principles generally accepted in the United States of America.

SOUTH COUNTY MALL, WEST COUNTY MALL, MID RIVERS MALL

AND CHESTERFIELD MALL

NOTES TO COMBINED STATEMENT OF CERTAIN REVENUES AND CERTAIN OPERATING EXPENSES FOR THE YEAR ENDED DECEMBER 31, 2006

NOTE 1. ORGANIZATION AND BASIS FOR PRESENTATION

The accompanying combined statement of certain revenues and certain operating expenses (the "Statement") relates to South County Mall, West County Mall, Mid Rivers Mall and Chesterfield Mall (the "Westfield Malls"), regional shopping malls in Missouri.

The term "acquisition" shall refer to the purchase of a controlling interest in West County Mall, South County Mall and Mid Rivers Mall and the acquisition of Chesterfield Mall by CBL & Associates Properties, Inc. ("CBL") from the Westfield Group ("Westfield"). See Note 4 for further discussion.

The Statement is prepared for the purpose of complying with Rule 3-14 of Regulation S-X promulgated under the Securities Act of 1933, as amended, as a result of the acquisition of the Westfield Malls by CBL. Accordingly, the Statement is not representative of the actual operations of the Westfield Malls for the periods presented as certain revenues and certain operating expenses have been excluded. Such items include depreciation, amortization, interest expense, management fees, leasing commissions and interest income.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Revenue Recognition - Rental income comprises minimum rents, expense reimbursements and percentage rent payments. Minimum rents with fixed increases are recognized on a straight-line basis over the initial terms of the related leases. Tenant reimbursements are recognized in the period that the related costs are incurred. The Westfield Malls account for these leases as operating leases as they have retained substantially all risks and benefits of property ownership. Percentage rent is recognized when the tenant's reported sales have reached certain levels specified in the respective lease.

Use of Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

NOTE 3. LEASING ACTIVITIES

The Westfield Malls have non-cancelable operating leases with tenants requiring monthly payments of specified minimum rent. The leases generally provide for minimum rentals, plus percentage rentals based upon the retail stores' sales volume. A majority of the leases require reimbursement by the tenant of their proportionate share of real estate taxes and common area expenses. Future minimum rental commitments under the non-cancelable operating leases at December 31, 2006 are as follows (in thousands):

NOTE 4. SUBSEQUENT EVENT

On October 16, 2007, Chesterfield Mall was acquired by CBL from Westfield in exchange for cash and the assumption of the property's debt. On that same date, Westfield contributed West County Mall, South County Mall and Mid Rivers Mall to CW Joint Venture LLC (the "JV"), a CBL-controlled joint venture, in exchange for 100% of the preferred equity in the JV.

Pro Forma Financial Information

On October 16, 2007, Chesterfield Mall was acquired by CBL & Associates Properties, Inc. ("CBL") from the Westfield Group ("Westfield") in exchange for cash and the assumption of the property's debt. The assets and liabilities of this property will be accounted for under the purchase method of accounting in CBL's consolidated financial statements and will be recorded based on their estimated fair values. On that same date, Westfield contributed West County Mall, South County Mall and Mid Rivers Mall to CW Joint Venture LLC (the "JV"), a CBL-controlled joint venture in exchange for 100% of the preferred equity in the JV. Due to the fact that CBL has a controlling voting interest and receives all of the economics of the three properties contributed to the JV once Westfield has received its preferred distribution, CBL will also consolidate these three properties. Therefore, the assets and liabilities of these properties will also be accounted for under the purchase method of accounting in CBL's consolidated financial statements and will be recorded based on their estimated fair values.

The term "acquisition" shall refer to the purchase of a controlling interest in West County Mall, South County Mall and Mid Rivers Mall and the acquisition of Chesterfield Mall by CBL from Westfield.

The following unaudited pro forma consolidated financial statements are based on the historical consolidated financial statements of CBL and South County Mall, West County Mall, Mid Rivers Mall and Chesterfield Mall (the "Westfield Malls"), consolidated and adjusted to give effect to the acquisition as described in Item 9.01 of this Current Report on Form 8-K/A. The historical consolidated financial statements of CBL have also been adjusted from the amounts reported in its Annual Report on Form 10-K for the year ended December 31, 2006, to appropriately reflect discontinued operations for one mall that was sold during the nine months ended September 30, 2007. These statements should be read in conjunction with the audited historical financial statements and notes thereto of CBL, which are included in CBL's Annual Report on Form 10-K for the year ended December 31, 2006. These statements should also be read in conjunction with the combined historical financial statements of the Westfield Malls, included elsewhere in this Form 8-K/A.

The unaudited pro forma consolidated statements of operations for the year ended December 31, 2006 and the nine months ended September 30, 2007, present the results for CBL and the Westfield Malls as if the acquisition had occurred on January 1, 2006. The accompanying unaudited pro forma consolidated balance sheet as of September 30, 2007, gives effect to the acquisition that occurred subsequent to that date as if it had occurred on September 30, 2007.

CBL's actual consolidated financial statements will reflect the effect of the acquisition on and after the applicable closing date rather than the dates indicated above. The unaudited pro forma consolidated financial statements neither purport to represent what the consolidated results of operations or financial condition actually would have been had the acquisition in fact occurred on the assumed date, nor do they purport to project the consolidated results of operations and financial position for any future period.
