Elbit Systems Issues a Cash Tender Offer for ITL's Shares

Haifa, Israel, July 15, 2010 – Elbit Systems Ltd. (NASDAQ and TASE: ESLT) ("ESL") announced today that its wholly-owned subsidiary, Elbit Security Systems Ltd. ("Elsec"), has issued a Cash Tender Offer (the "Tender Offer") to acquire the ordinary shares of I.T.L Optronics Ltd. ("ITL") held by the public, currently representing 15.19% of ITL's outstanding share capital. The remaining 84.81% of ITL's outstanding share capital are currently held by Mikal Ltd. ("Mikal") and its wholly-owned subsidiary Soltam Systems Ltd. ("Soltam"). ESL (through a wholly-owned subsidiary) holds approximately 19.35% of the outstanding share capital of Mikal.

The Tender Offer period will remain open through August 4, 2010 and is for the price of NIS 5.85 (approximately \$1.51) per share and for a total consideration of NIS 11,001,434 (approximately \$2.85 million). The price reflects a 15% premium above the closing price of the share on July 14, 2010. The Tender Offer will not be implemented if holders of 5% or more of the total outstanding ITL ordinary shares do not accept the Tender Offer, and therefore there is no assurance at this stage that the Tender Offer will be completed. If the dissenting shareholders represent less than 5% of the total outstanding ITL ordinary shares, Elsec will purchase all ITL's outstanding ordinary shares held by the public, including those of such dissenting shareholders, at the tender price. The Tender Offer documents, detailing the terms of the offer, have been filed with the Israeli Securities Authority and the Tel Aviv Stock Exchange.

This press release contains forward-looking statements (within the meaning of Section 27A of the Securities Act of 1933, as amended and Section 21E of the Securities Exchange Act of 1934, as amended) regarding Elbit Systems Ltd. and/or its subsidiaries (collectively the Company), to the extent such statements do not relate to historical or current fact. Forward Looking Statements are based on management's expectations, estimates, projections and assumptions. Forward-looking statements are made pursuant to the safe harbor provisions of the Private Securities Litigation Reform Act of 1995, as amended. These statements are not guarantees of future performance and involve certain risks and uncertainties, which are difficult to predict. Therefore, actual future results, performance and trends may differ materially from these forward-looking statements due to a variety of factors, including, without limitation: scope and length of customer contracts; governmental regulations and approvals; changes in governmental budgeting priorities; general market, political and economic conditions in the countries in which the Company operates or sells, including Israel and the United States among others; differences in anticipated and actual program performance, including the ability to perform under long-term fixed-price contracts; and the outcome of legal and/or regulatory proceedings. The factors listed above are not all-inclusive, and further information is contained in Elbit Systems Ltd.'s latest annual report on Form 20-F, which is on file with the U.S. Securities and Exchange Commission. All forward-looking statements speak only as of the date of this release. The Company does not undertake to update its forward-looking statements.
