STOCK OPTION PLAN

In August 2001, our stockholders approved the 2001 Equity Incentive Plan which provides for the grant of stock options to purchase up to 2,000,000 shares of common stock to any employee, non-employee director or consultant at our board's discretion. Under the 2001 Equity Incentive Plan, options may be exercised for a period up to ten years from the date of grant. Options issued to employees are exercisable upon vesting, which can range between the date of the grant to up to five years.

An amendment and restatement of the 2001 Equity Incentive Plan increasing the number of shares issuable under the plan to a total of 4,000,000 was approved by our board of directors in May 2002 and was approved by our shareholders at our 2003 annual meeting.

Under the plan, options are granted to non-employee directors upon election at the annual meeting of stockholders at a purchase price equal to the fair market value on the date of grant. In addition, non-employee director stock options shall be exercisable in full twelve months after the date of grant unless determined otherwise by the compensation committee.

There were stock options to purchase 1,795,000 shares of our common stock available for future grant as of March 31, 2004 under the 2001 Equity Incentive Plan.

Martin Rappaport, one of our directors, owns the building in which we lease our principal executive offices in Secaucus, New Jersey. We pay approximately \$100,000 per year under the lease, excluding real estate taxes. We believe that this transaction was advantageous to us and was on terms no less favorable to us than could have been obtained from unaffiliated third parties.

ITEM 14. PRINCIPAL ACCOUNTANT FEES AND SERVICES

AUDIT FEES

The aggregate fees billed by Imowitz, Koenig & Co., LLP ("Imowitz") for professional services rendered for the audit of our annual financial statements for the fiscal year ended March 31, 2004 and for the reviews of the interim financial statements included in our Quarterly Reports on Form 10-Q for that fiscal year were approximately \$47,400. The aggregate fees billed by Grant Thornton for professional services rendered for the audit of our annual financial statements for the fiscal year ended March 31, 2003 and for the reviews of the interim financial statements included in our Quarterly Reports on Form 10-Q for that fiscal year were approximately \$82,500.

AUDIT-RELATED FEES

No fees were billed by Imowitz for audit-related services for the fiscal year ended March 31, 2004. No fees were billed by Grant Thornton for audit-related services for the fiscal year ended March 31, 2003.

TAX FEES

No fees were billed by Imowitz for tax services for the fiscal year ended March 31, 2004. No fees were billed by Grant Thornton for tax services for the fiscal year ended March 31, 2003.

Edgar Filing: UNITED ENERGY CORP /NV/ - Form 10-K/A

ALL OTHER FEES

Neither Imowitz nor Grant Thornton rendered any other services, other than the services described above under "Audit Fees," for the fiscal year ended March 31, 2004 or the fiscal year ended March 31, 2003, respectively.

Our board of directors has established a policy requiring its pre-approval of all audit services and permissible non-audit services provided by the independent auditors, along with the associated fees for those services. The policy requires the specific pre-approval of all permitted services. When considering the pre-approval of non-audit services, our board considers whether the provision of such non-audit service is consistent with the auditor's independence and the Securities and Exchange Commission rules regarding auditor independence. Additionally, our board considers whether the independent auditors are best positioned and qualified to provide the most effective and efficient service, based on factors such as the independent auditors' familiarity with our business, personnel, systems or risk profile and whether provision of the service by the independent auditors would enhance our ability to manage or control risk or improve audit quality or would otherwise be beneficial to us.
