related statements of changes in plan equity for each of the three years ended December 31, 2000. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial condition of the Plan at December 31, 2000 and 1999 and the changes in plan equity for each of the three years ended December 31, 2000, in conformity with accounting principles generally accepted in the United States.

1996 NON-QUALIFIED EMPLOYEE STOCK PURCHASE PLAN

NOTES TO FINANCIAL STATEMENTS

1. THE PLAN:

Bay Apartment Communities, Inc. ("Bay") adopted the 1996 Non-Qualified Employee Stock Purchase Plan, as amended and restated (the "Plan"). On June 4, 1998, Avalon Properties, Inc. merged with and into Bay, and in connection with such merger Bay was renamed AvalonBay Communities, Inc. (the "Company"). The primary purpose of the Plan is to encourage common stock ownership by eligible directors and associates (the "Participants") in the belief that such ownership will increase each Participant's interest in the success of the Company. Until January 1, 2000, the Plan provided for two purchase periods per year. A purchase period was a six month period beginning each January 1 and July 1 and ending each June 30 and December 31, respectively. After January 1, 2000, there is one purchase period per year, which begins May 1 and ends October 31. Participants may contribute portions of their compensation during a purchase period and purchase common stock at the end thereof. Participation in the Plan entitles each Participant to purchase common stock at a price which is equal to the lesser of 85% of the closing price for a share of stock on the first day of such purchase period or 85% of the closing price on the last day of such purchase period.

Edgar Filing: AVALONBAY COMMUNITIES INC - Form 11-K

The Company has reserved 1,000,000 shares of common stock for Participants under the Plan.

PARTICIPANTS CONTRIBUTIONS:

Full time employees who have completed one month of service with the Company and part time employees who have completed one year of service in which he or she is credited with at least 1,000 hours of service are eligible to participate in the Plan either by payroll withholding or cash payments at any time during each purchase period. Directors who have completed one month as a member of the Board of Directors are eligible to participate in the Plan by making cash payments at any time during each purchase period. Participants elect to participate in the Plan by completing and submitting an election form to the Company as plan administrator (the "Plan Administrator").

EMPLOYER CONTRIBUTIONS:

Employer contributions represent the discount or aggregate difference between the market value price of the Company's common stock and the established discount purchase price at the end of a purchase period.

DISTRIBUTIONS:

The Company's transfer agent and registrar issues shares of common stock upon receipt of Participant and Company contributions. The transfer agent and registrar then prepares stock certificates, which are registered in the Participant's name, and holds such certificates on behalf of the Participants or issues stock certificates to the Participant upon their written request. Accordingly, all shares purchased under the provisions of the Plan are deemed to be immediately distributed to the Participants.
