EXPLANATORY NOTE

Motorola, Inc. ("Motorola" or the "Registrant") hereby amends its Registration Statement on Form S-4 (the "Form S-4") by filing this Post-Effective Amendment No. 1 on Form S-8 to Form S-4 (this "Amendment") relating to up to 367,904 shares of common stock, par value \$3 per share, of Motorola ("Motorola Common Stock"), and the associated rights (the "Rights") to purchase Junior Participating Preferred Stock, Series B, par value \$100 per share, issuable by Motorola in connection with the exercise of stock options that have been granted under the Blue Wave Systems Inc. Stock Option Plan and the Stock Option Agreements issued for options of Loughborough Sound Images Limited (collectively, the "Plans"), and have become options to purchase shares of Motorola Common Stock (and the associated Rights) as described below, and also hereby registers an indeterminate number of shares of Motorola Common Stock (and the associated Rights) which may be issued if the anti-dilution adjustment provisions of the Plans become operative. All of such shares of Motorola Common Stock and the associated Rights were originally registered pursuant to the Form S-4.

On July 2, 2001, Earth Acquisition Corporation, a Delaware corporation and a wholly owned subsidiary of Motorola ("Merger Sub"), merged (the "Merger") with and into Blue Wave Systems Inc., a Delaware corporation ("Blue Wave Systems"), pursuant to the Agreement and Plan of Merger (the "Merger Agreement"), dated as of February 20, 2001, as amended on April 24, 2001, by and among Motorola, Merger Sub and Blue Wave Systems. At the time the Merger was consummated (the "Effective Time"), among other things, each share of common stock of Blue Wave Systems issued and outstanding immediately prior to the Effective Time was converted into 0.443 (the "Exchange Ratio") shares of Motorola Common Stock. Pursuant to the Merger Agreement, the outstanding stock options granted under the Plans are no longer exercisable for the common stock of Blue Wave Systems but, instead, are exercisable for Motorola Common Stock. Motorola Common Stock is substituted for common stock of Blue Wave Systems under the Plans at the Exchange Ratio, as set forth in the Merger Agreement.

Item 9. Undertakings.

(a) The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) To reflect in the prospectus any facts or events arising after the effective date of this Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this Registration Statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in this Registration Statement or any material change to such information in this Registration Statement.

Provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in this Registration Statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered herein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in this Registration Statement shall be deemed to be a new Registration Statement relating to the securities offered herein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
